2. To conduct any other business properly brought before the meeting.

These items of business are more fully described in the Proxy Statement accompanying this Notice.

The record date for the annual meeting is April 14, 2006. Only shareholders of record at the close of business on that date may vote at the meeting or any adjournment or postponement thereof.

Brenda I. Morris

**PROXY STATEMENT  
FOR THE ANNUAL MEETING OF SHAREHOLDERS  
TO BE HELD MAY 31, 2006**

**QUESTIONS AND ANSWERS**

**Why am I receiving these proxy materials?**

We sent you this proxy statement and the accompanying proxy card because the Board of Directors of Zumiez Inc. is soliciting your proxy to vote at its 2006 Annual Meeting of Shareholders. You are invited to attend the annual meeting to vote on the proposal described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the accompanying proxy card.

We intend to mail this proxy statement and the accompanying proxy card on or about April 28, 2006 to all shareholders of record entitled to vote at the annual meeting.

**Who can vote at the annual meeting?**

Only shareholders of record at the close of business on April 14, 2006, the record date for the annual meeting, will be entitled to vote at the annual meeting. At the close of business on the record date, there were 13,672,098 shares of common stock outstanding and entitled to vote.

*Shareholder of Record: Shares Registered in Your Name*

If at the close of business on the record date, your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company (f.k.a. Wachovia Bank, N.A.), then you are a shareholder of record. As a shareholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the accompanying proxy card to ensure your vote is counted.

*Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent*

If at the close of business on the record date, your shares were held, not in your name, but rather in an account at a brokerage firm, bank or other agent, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by your broker, bank or other agent. The broker, bank or other agent holding your account is considered to be the shareholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker, bank or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy issued in your name from your broker, bank or other agent.

**What am I voting on?**

You are being asked to vote on the election of three directors. When you sign and mail the proxy card, you appoint Brenda I. Morris and Richard M. Brooks as your representatives at the meeting. (When we refer to the named proxies, we are referring to Ms. Morris and Mr. Brooks.) This way, your shares will be voted even if you cannot attend the meeting.

### **How do I vote?**

For the election of directors, you may either vote **For** all the nominees or you may **Withhold** your vote for any nominee you specify. For any other matter to be voted on (if any), you may vote **For** or **Against** or abstain from voting. The procedures for voting are as follows:

#### *Shareholder of Record: Shares Registered in Your Name*

If you are a shareholder of record, you may vote in person at the annual meeting. Alternatively, you may vote by proxy by using the accompanying proxy card. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

- To vote in person, come to the annual meeting and we will give you a ballot when you arrive.
- To vote using the proxy card, simply complete, sign and date the accompanying proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.

#### *Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Agent*

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a proxy or voting instruction form with these proxy materials from that organization rather than from us. You can vote by using the proxy or voting information form provided by your broker, bank or other agent or, if made available, vote by telephone or the internet. To vote in person at the annual meeting, you must obtain a legal proxy from your broker, bank, or other agent. Under a legal proxy, the bank, broker, or other agent confers all of its rights as a record holder (which may in turn have been passed on to it by the ultimate record holder) to grant proxies or to vote at the meeting. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker, bank or other agent to request a legal proxy. Please allow sufficient time to receive a legal proxy through the mail after your broker, bank, or other agent receives your request.

### **How many votes do I have?**

On each matter to be voted upon, you have one vote for each share of common stock you own as of the close of business on April 14, 2006, the record date for the annual meeting.

### **What if I return a proxy card but do not make specific choices?**

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted **For** the election of all three nominees for director. If any other matter is properly presented at the meeting, one of the named proxies on your proxy card as your proxy will vote your shares using his or her best judgment.

### **Who is paying for this proxy solicitation?**

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

**What does it mean if I receive more than one proxy card?**

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return **each** proxy card to ensure that all of your shares are voted.

**Can I change my vote after submitting my proxy?**

Yes. You can revoke your proxy at any time before the applicable vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

- You may submit another properly completed proxy with a later date,
- You may send a written notice that you are revoking your proxy to our Secretary at 6300 Merrill Creek Parkway, Suite B, Everett, WA 98203, or
- You may attend the annual meeting and vote in person (If you hold your shares beneficially through a broker, you must bring a legal proxy from the record holder in order to vote at the meeting).

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by them.

**How are votes counted?**

Votes will be counted by the inspector of election appointed for the meeting, who will separately count For and Withhold and, with respect to proposals other than the election of directors (if any), Against votes, abstentions and broker non-votes (if applicable). A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner, despite voting on at least one other proposal for which it does have discretionary authority or for which it has received instructions. Abstentions and broker non-votes will not be counted towards the vote total for any proposal.

If your shares are held by your broker, bank or other agent as your nominee (that is, in street name), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker, bank or other agent to vote your shares. If you do not give instructions to your broker, bank or other agent, they can vote your shares with respect to discretionary items, but not with respect to non-discretionary items. Discretionary items are proposals considered routine under the rules of the New York Stock Exchange on which your broker, bank or other agent may vote shares held in street name in the absence of your voting instructions. Brokers may exercise discretion to vote shares as to which instructions are not given with respect to the proposal regarding the election of directors. On non-discretionary items for which you do not give instructions to your broker, bank or other agent, the shares will be treated as broker non-votes.

**How many votes are needed to approve each proposal?**

- For the election of directors, the nominees receiving the largest number of For votes (among votes properly cast in person or by proxy) will be elected as Class I directors. There is no cumulative voting for our directors. Withhold votes will have no practical effect in the election of directors because withhold votes do not represent votes For a nominee.

**What is the quorum requirement?**

A quorum of shareholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares as of the close of business on the record date are represented by shareholders present at the meeting or by proxy.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other agent) or if you vote in person at the meeting. Generally, abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present at the meeting may adjourn the meeting to another date.

**How can I find out the results of the voting at the annual meeting?**

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in our quarterly report on Form 10-Q for the second quarter of our fiscal year ending July 29, 2006.

**PROPOSAL 1**

**ELECTION OF DIRECTORS**

The Company currently has 7 directors. The directors are divided into three classes so that approximately one-third of the directors are elected each year for three-year terms. Directors are elected to hold office until their successors are elected and qualified, or until resignation or removal in the manner provided in our Bylaws. Three directors are nominees for election this year and each has consented to serve a three-year term ending in 2009. The remaining directors will continue to serve the terms set out below.

The nominees receiving the largest number of For votes by the shares entitled to be voted will be elected. If no contrary indication is made, shares represented by executed proxies will be voted by the named proxies For the election of the three nominees named below or, if any nominee becomes unavailable for election as a result of an unexpected occurrence, For the election of a substitute nominee designated by our Board of Directors. Each nominee has agreed to serve as a director if elected, and we have no reason to believe that any nominee will be unable to serve.

We invite and recommend all of our directors and the nominees for director to attend our annual meeting of shareholders. There was no formal annual meeting of shareholders during the last fiscal year.

#### **Independence of the Board of Directors and its Committees**

As required under Nasdaq Stock Market listing standards, a majority of the members of a listed company's board of directors must qualify as independent, as affirmatively determined by the board. Our Board of Directors consults with our counsel to ensure that the Board's determinations are consistent with all relevant securities and other laws and regulations regarding the definition of independent, including those set forth in applicable Nasdaq listing standards, as in effect from time to time.

Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his or her family members, and Zumiez, our senior management and our independent auditors, our Board of Directors has affirmatively determined that all of our directors are independent directors within the meaning of the applicable Nasdaq listing standards, except for our Chairman Mr. Campion, Chief Executive Officer Mr. Brooks and Director Mr. Barnum.

As required under applicable Nasdaq listing standards, our independent directors meet in regularly scheduled executive sessions at which only independent directors are present. All of the committees of our Board of Directors are comprised of directors determined by the Board to be independent within the meaning of the applicable Nasdaq listing standards.

### **Shareholder Communications With the Board Of Directors**

Zumiez has a process by which Shareholders may communicate directly with directors, including non-employee directors, by mailing such communication to the Board, in care of the Company's Secretary, at the Company's headquarters in Everett, Washington. The mailing envelope must contain a clear notation indicating that the enclosed letter is a Shareholder-Board Communication or Shareholder-Director Communication. All such letters must identify the author as a shareholder and clearly state whether the intended recipients are all members of the Board or just certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the appropriate director or directors. All such communications will be forwarded to the intended director(s) without editing or screening. If these foregoing procedures are modified, then updated procedures will be posted on the Company's corporate website.

### **Code of Conduct and Ethics**

Our Board has adopted a code of conduct and ethics applicable to our directors, executive officers, including our chief financial officer and other of our senior financial officers, and employees, in accordance with applicable rules and regulations of the SEC and The Nasdaq Stock Market. The code of conduct is available at <http://www.zumiez.com>.

### **Director Nomination Procedures**

The Board does not currently have a nominating committee since the relatively small size of the Board has allowed for the entire Board to carry out nominating responsibilities. Currently, a majority of our independent directors must recommend nominees for selection by the entire Board. The Board has established qualification requirements, composition criteria and the procedures for selecting new Directors. The Board reviews the following considerations, among others, in its evaluation of candidates for Board of Director nomination: personal and professional ethics, training, commitment to fulfill the duties of the Board of Directors, commitment to understanding the Company's business, commitment to engage in activities in the best interest of the Company, independence, diversity, industry knowledge and contacts, financial and accounting expertise, leadership qualities, public company board of director and committee experience and other relevant experience and other relevant qualifications. A director candidate's ability to devote adequate time to the Board of Directors and committee activities is also considered.

The nominations and additions to the Board in our last fiscal year and through the date of this proxy statement were completed using procedures in accordance with the draft charter of the Board's soon to be formed Governance and Nominating Committee including the Director qualifications/criteria/skills as outlined in such draft charter. It is the intent of the Board to adopt the draft charter with the specific procedures outlined below. These procedures were followed by the independent directors of the Board and the full Board of Directors in connection with the nomination process during the last year and will also be set forth in the draft charter:

- Initial review of potential director candidates by the Board as submitted by the independent directors of the Board based on our established criteria for Board membership, including (without

limitation); experience, skill set, diversity and the ability to act effectively on behalf of the shareholders and such other criteria as the Board may deem relevant from time to time.

- Each director candidate was put forth for consideration as a director candidate independently by our independent directors based on their knowledge of the candidates. None of our independent directors had a relationship with any candidates which would impair his independence. Each candidate's biography was reviewed by each member of the Board of Directors with the intention that each candidate would bring a unique perspective to benefit our shareholders and management.
- Interviews of director candidates were conducted by members of the Board and senior management. These interviews confirmed the Board's initial conclusion that candidates met the qualifications/criteria/skills to serve as a Director of the Company.
- Reference checks were conducted if further checks were required based on the level of knowledge about the candidate by members of the Board.
- Background checks were conducted, including criminal, credit and bankruptcy, Securities and Exchange violations and/or sanctions, work history and education.
- Independence Questionnaires were completed by candidates and then reviewed by the Company, the Board and the Company's attorneys to ensure candidates meet the requirements to be an independent director for the Board, Audit Committee, Compensation Committee and other committee purposes. The review also ensures the candidates' positions do not conflict in any material way with Zumiez business.
- Conclusion to nominate a candidate is based on all of the procedures reviewed above and the information attached. It is ensured through these procedures that the candidate appears to be well qualified to serve on the Zumiez Board of Directors, and its Committees and appears to meet the Nasdaq Stock Market and SEC requirements to be able to serve as an independent director and as a member of the audit committee and any other committee the board may assign.
- No fees were paid to any third party search firms in connection with any director nominations.

The Board will consider qualified nominees recommended by shareholders who may submit recommendations to the Board in care of our Chairman of the Board and Secretary at the following address:

Board of Directors  
c/o Corporate Secretary  
Zumiez Inc.  
6300 Merrill Creek Parkway, Suite B  
Everett, Washington 98203

Nominees for director who are recommended by our shareholders will be evaluated in the same manner as any other nominee for director. Shareholder recommendations for director should include the following information:

- the name and address of the shareholder recommending the person to be nominated;
- a representation that the shareholder is a holder of record of stock of the Company, including the number of shares held and the period of holding;
- a description of all arrangements or understandings between the shareholder and the recommended nominee;

- such other information regarding the recommended nominee as would be required to be included in a proxy statement filed pursuant to Regulation 14A promulgated by the SEC pursuant to the Securities Exchange Act of 1934, as amended; and
- the consent of the recommended nominee to serve as a director of the Company if so elected.

The Board may require that the proposed nominee furnish the Board with other information as it may reasonably request to assist it in determining the eligibility of the proposed nominee to serve as a director.

To submit a recommendation for director for an upcoming annual shareholder meeting, it is necessary that a proposing shareholder notify the Company and provide the information set forth above no later than 120 days prior to the corresponding date on which the Company's annual proxy statement was mailed in connection with the most recent annual meeting.

#### **General Director Nomination Right of All Shareholders**

Any shareholder of the Company may nominate one or more persons for election as a director of the Company at an annual meeting of shareholders if the shareholder complies with the notice, information and consent provisions contained in Article I, Section 10 of the Company's Bylaws. Specifically, these provisions require that written notice of a shareholder's intent to make a nomination for the election of directors be received by the Secretary of the Company not fewer than 120 days and not more than 150 days prior to the anniversary date of the prior year's annual meeting of shareholders, and that such notice include:

- The name, age, residence, personal address and business address of the shareholder who intends to make the nomination and of the person(s) to be nominated;
- The principal occupation or employment, the name, type of business and address of the organization in which such employment is carried on of each proposed nominee and of the shareholder who intends to make the nomination;
- The amount of Zumiez stock beneficially owned by the shareholder who intends to make the nomination and of the person(s) to be nominated;
- A description of all arrangements or understandings between the shareholder and each nominee and any other person(s) (naming them) pursuant to which the nomination is to be made; and
- Other information regarding each nominee as would have been required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission had each nominee been nominated by the Board of Directors.

The Secretary will send a copy of the Company's Bylaws to any interested shareholder who requests them.

#### **SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table provides information regarding the beneficial ownership of our common stock as of April 25, 2006 by: (i) each of our directors; (ii) each of our executive officers named in the Summary Compensation Table included later in this proxy statement; (iii) all of our executive officers and directors as a group; and (iv) each person, or group of affiliated persons, known by us to beneficially own more than five percent of our common stock. The table is based upon information supplied by our officers, directors and principal shareholders and a review of Schedules 13G filed with the SEC. Unless otherwise indicated in the footnotes to the table and subject to community property laws where applicable, we believe that each of the shareholders named in the table has sole voting and investment power with respect to the shares indicated as beneficially owned.

## Edgar Filing: Zumiez Inc - Form DEF 14A

Applicable percentages are based on 13,673,598 shares outstanding on April 25, 2006, adjusted as required by rules promulgated by the SEC. These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to those securities. The agreement has no fixed term and terminates upon the death or disability of Mr. Brooks or upon written notice from either party. **REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS  
ON EXECUTIVE COMPENSATION**

*The material in this report is not soliciting material, is not deemed filed with the Securities and Exchange Commission, and is not to be incorporated by reference into any filing of Zumiez Inc under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.*

Prior to the creation of the Compensation Committee on March 22, 2005, the Company did not have a compensation committee and the Board of Directors reviewed the annual compensation of the Company's executive officers. Each executive officer's compensation includes base salary and a performance bonus. The Company also seeks to align the financial interests of the Company's executive officers with those of the Company's shareholders by providing incentives and rewards through the use of equity awards under the Company's 2005 Equity Incentive Plan. The compensation program is now administered by the Compensation Committee of our Board of Directors. The Compensation Committee is appointed by our Board of Directors and is comprised of four non-employee directors. The Compensation Committee advises our Board of Directors on all compensation matters concerning our executive officers. Prior to the adoption of our Compensation Committee our relatively small size of the Board allowed for the entire Board to carry out compensation responsibilities as defined below.

## **Overall Compensation Policy**

The Compensation Committee believes that in order for us to succeed we must be able to attract and retain qualified executives. The objective of the Compensation Committee in determining the type and amount of executive officer compensation is to provide a compensation package consisting of a base salary, bonus, and long-term incentives in the form of stock options, or some combination of the foregoing, that allows us to attract and retain talented executive officers and to align their interests with those of shareholders.

### **Base Salary**

During fiscal 2005, the base salaries for our executive officers were intended to be competitive with salaries of similar executive positions in comparable companies in our industry. Annual adjustments in base salaries, were generally made effective at the beginning of the first month of the fiscal year for which they applied and therefore also reflect in large part the prior year's business and individual performance achievements. The Compensation Committee met in March 2006 to consider the base salary rates of our executive officers. Based on a number of criteria, including the Company's good performance in fiscal 2005, increases in base salaries of the executive officers were approved.

### **Bonus**

Annual incentive bonuses are intended to reflect the Compensation Committee's belief that a significant portion of the annual compensation of each executive officer should be contingent upon our performance, as well as the individual contribution of each officer. Accordingly, our executive officers, including our Chief Executive Officer, participate in an annual executive incentive bonus plan, referred to as the Executive Bonus Plan, which provides for cash bonuses based upon the achievement of certain specified financial goals for us for the fiscal year. The Board of Directors, upon receiving the Compensation Committee's recommendations, makes awards. The Compensation Committee annually establishes targeted profitability levels for the ensuing fiscal year in conjunction with our annual financial plan. Upon the achievement of various increasing levels of profitability above the minimum target level, the Compensation Committee may choose to increase bonuses accrued to the Executive Bonus Plan; similarly, the Compensation Committee may choose to award less than target bonus, or no bonus, in the event applicable financial goals are not reached. The purpose of the Executive Bonus Plan is to reward and reinforce executive management's commitment to achieve levels of profitability and return consistent with increasing shareholder value.

Cash bonuses earned under the Executive Bonus Plan are paid each year upon completion of our annual audit of the results of operations for the previous fiscal year by our independent auditors. In fiscal 2006, executive officers received bonuses for fiscal 2005 under the Executive Bonus Plan.

### **Long-Term Incentives**

The final portion of our executive officers' compensation during fiscal 2005 could have consisted of incentive stock options. It is with this type of award that we provide long-term incentives; in fiscal 2005 we made no awards. Grants were made in fiscal 2006 based on fiscal 2005 performance.

### **Chief Executive Officer Compensation**

As our Chief Executive Officer, Mr. Brooks received a base salary in 2005 at an annual rate of \$210,000. Further, he was eligible to earn a bonus under our Executive Bonus Plan for fiscal 2005. Following the end of fiscal 2005, the Compensation Committee met to evaluate Mr. Brooks' performance in fiscal 2005. Given our performance during the fiscal year, Mr. Brooks received an incentive bonus award for the 2005 fiscal year and an increase to his annual base salary rate to \$230,000. His salary adjustment

and bonus were based on specific financial targets for the company including store growth, product margin and earnings growth.

### **Section 162(m) Compliance**

Section 162(m) of the Code limits us to a deduction for federal income tax purposes of no more than \$1 million of compensation paid to certain executive officers in a taxable year. Compensation above \$1 million may be deducted if it is performance-based compensation within the meaning of the Code.

The Compensation Committee has determined that stock options granted under the Incentive Plan with an exercise price at least equal to the fair market value of our common stock on the date of grant shall be treated as performance-based compensation. The Compensation Committee currently believes that we should be able to continue to manage our executive compensation program for Named Executive Officers so as to preserve the related federal income tax deductions, although individual exceptions may occur.

**Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm**

The Audit Committee pre-approves all auditing services, internal control-related services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its independent auditor, subject to the de minimis exception (discussed below) for non-audit services that are approved by the Audit Committee prior to the completion of the audit. The Audit Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting. The Audit Committee will evaluate whether any permitted non-audit services are compatible with maintaining the auditor's independence.

As discussed above, all services of the auditor must be pre-approved by the Audit Committee except for certain services other than audit, review or attest services that meet the de minimis exception under 17 CFR Section 210.2-01, namely:

- the aggregate amount of fees paid for all such services is not more than 5 percent of the total fees paid by the Company to its auditor during the fiscal year in which the services are provided;

- such services were not recognized by the Company at the time of the engagement to be non-audit services; and
- such services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit.

During fiscal year 2005, there were no such services that were performed pursuant to the de minimis exception.

#### **HOUSEHOLDING OF PROXY MATERIALS**

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers, banks and other agents) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as householding, potentially means extra convenience for shareholders and cost savings for companies.

A number of brokers, banks or other agents with account holders who are shareholders of Zumiez will be householding our proxy materials. A single proxy statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker, bank or other agent that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker, bank or other agent, and direct a written request for the separate proxy statement and annual report to Secretary, Zumiez Inc., 6300 Merrill Creek Parkway, Suite B, Everett, WA 98203, or contact Brenda Morris at (425) 551-1500. Shareholders whose shares are held by their broker, bank or other agent as nominee and who currently receive multiple copies of the proxy statement at their address that would like to request householding of their communications should contact their broker, bank or other agent.

#### **PROPOSALS OF SHAREHOLDERS**

We expect to hold our next annual meeting on or about May 31, 2007. If you wish to submit a proposal for inclusion in the proxy materials for that meeting, you must send the proposal to our Secretary at the address below.
