**PROXY STATEMENT
FOR
2006 ANNUAL MEETING OF STOCKHOLDERS
OF
WILLIS LEASE FINANCE CORPORATION
To Be Held on May 25, 2006**

SOLICITATION AND VOTING OF PROXIES

General

This proxy statement is furnished in connection with the solicitation by the Board of Directors (also referred to as the Board) of WILLIS LEASE FINANCE CORPORATION (we, us, our, Willis Lease or the Company) of proxies to be voted at the 2006 Annual Meeting of Stockholders which will be held at 2:00 p.m. local time on May 25, 2006 at our executive offices, located at 2320 Marinship Way, Suite 300, Sausalito, California 94965, or at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of 2006 Annual Meeting of Stockholders.

This proxy statement is being mailed to stockholders on or about May 8, 2006. Our 2005 Annual Report is being mailed to stockholders concurrently with this proxy statement. You should not regard the 2005 Annual Report as proxy soliciting material or as a communication by means of which any solicitation of proxies is to be made.

Voting

The close of business on March 27, 2006 is the record date for determining whether you in your capacity as a stockholder are entitled to notice of and to vote at the 2006 Annual Meeting of Stockholders. As of that date, we had 9,155,561 shares of common stock, \$0.01 par value, issued and outstanding. All of the shares of our common stock outstanding on the record date are entitled to vote at the 2006 Annual Meeting of Stockholders, and if you are entitled to vote at the meeting, you will have one vote for each share of common stock you hold with regard to each matter to be voted upon.

The required quorum for the meeting is a majority of the outstanding shares of common stock eligible to be voted on the matters to be considered at the meeting. In the election for directors (Proposal 1), the nominees for the Class II Directors receiving the highest number of affirmative votes will be elected.

Shares of our common stock represented by proxies on the accompanying proxy card, which are properly executed and returned to us, will be voted at the 2006 Annual Meeting of Stockholders in accordance with the instructions you mark on the proxy card. If you do not mark any instructions on the proxy card, your shares represented by the proxy card will be voted for the election of the Board's nominees as Class II Directors (Proposal 1).

If a properly signed proxy or ballot indicates that you abstain from voting or that your shares are not to be voted on a particular proposal, your shares will not be counted as having been voted on that proposal, although your shares will be counted as being in attendance at the meeting for purposes of determining the presence of a quorum. Broker non-votes (*i.e.*, shares held by brokers or nominees as to which instructions have not been received from beneficial owners or persons entitled to vote that the broker or nominee does not have discretionary power to vote on a particular matter) are counted towards a quorum, but are not

counted for any purpose in determining whether a matter has been approved by a majority of the shares represented in person or by proxy and entitled to vote.

Our management does not know of any matters to be presented at the 2006 Annual Meeting of Stockholders other than those set forth in this proxy statement and in the Notice accompanying this proxy statement. If other matters should properly come before the meeting, the proxy holders will vote on such matters in accordance with their best judgment.

Revocability of Proxies

If you give a proxy in the form accompanying this proxy statement, you have the right to revoke it at any time before it is voted at the meeting. You may revoke your proxy by:

- filing an instrument of revocation with our Corporate Secretary;
- presenting at or prior to the meeting of a duly executed proxy bearing a later date; or
- attending the meeting and electing to vote in person.

Solicitation

This solicitation is made by our Board of Directors on behalf of us. The entire cost of preparing, assembling and mailing the Notice of 2006 Annual Meeting of Stockholders, this proxy statement and the enclosed proxy card, and of soliciting proxies, will be paid by us. Proxies will be solicited principally through the use of the mails, but, if we desire, we may solicit proxies personally or by telephone, electronic mail or special letter by our officers and our regular employees for no additional compensation. We have retained American Stock Transfer & Trust and ADP to aid in the solicitation at an estimated cost to us of approximately \$6,000 plus out-of-pocket expenses.

INFORMATION ABOUT THE BOARD OF DIRECTORS AND THE COMMITTEES OF THE BOARD

Board of Directors

Our Bylaws authorize us to have five Directors. At the present time, the Board consists of five Directors who are divided into three classes: Class I (two Directors), Class II (two Directors) and Class III (one Director). One class is elected each year for a three-year term. Glenn L. Hickerson, Gérard Laviec, W. William Coon, Jr. (except for membership on the Audit Committee) and William M. LeRoy are independent directors, as defined in the Nasdaq listing standard.

On January 6, 2006, Mr. Hickerson notified us that he has decided not to stand for reelection to the Board when his term expires at the 2006 Annual Meeting.

Our business, property and affairs are managed under the direction of the Board. Directors are kept informed of our business through discussions with our President and Chief Executive Officer and our other officers, by reviewing materials provided to them and by participating in meetings of the Board and its committees. The Board held a total of five meetings during the fiscal year ended December 31, 2005, referred to as the 2005 fiscal year. Each incumbent director attended at least 75% of the aggregate of: (i) the total number of meetings of the Board; and (ii) the total number of meetings held by all Committees of the Board on which he served.

Communications with the Board

You may communicate with the Board of Directors by sending a letter to: Board of Directors, Willis Lease Finance Corporation, c/o Office of the Corporate Secretary, 2320 Marinship Way, Suite 300, Sausalito, California 94965. Our Office of the Corporate Secretary will receive your correspondence and

forward it to the Board of Directors or to any individual director or directors to whom your communication is directed, unless the communication is unduly hostile, threatening, illegal, does not reasonably relate to us or our business, or is similarly inappropriate. The Office of the Corporate Secretary has the authority to discard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications.

Attendance at the Annual Meeting of Stockholders

Mr. Willis attended the 2005 Annual Meeting of stockholders; our other directors did not attend. We have no policy requiring board members to attend our annual meeting.

Committees of the Board

The Board of Directors has an Audit Committee and a Compensation Committee, both currently comprised solely of independent directors, as defined by the Nasdaq listing standard. Upon Mr. Hickerson's departure from the Board, the Audit Committee will have only two independent members.

The Nasdaq's listing rules require that our Audit Committee be composed of three independent directors. While we will fail to meet this requirement due to a vacancy in the Audit Committee, the Nasdaq grants us until the earlier of the next annual stockholder's meeting or one year to comply with this requirement. Although Mr. Hickerson's departure from the Board means that we will only have two members on our Audit Committee due to a vacancy, Mr. Hunziker will be deemed to be an independent director beginning January 31, 2007, and would be eligible for service on the Audit Committee at that time. If Mr. Hunziker is appointed to the Audit Committee after he becomes independent, we will become compliant with the Nasdaq listing requirement.

The Board does not have a nominating committee or committee performing the functions of such a committee. The Board has determined that the function of a nominating committee is adequately fulfilled by the independent directors. It has not established such a committee and therefore has no nominating committee charter.

Although we have not formally set any specific minimum qualifications that director nominees must possess, we look for candidates with the appropriate experience in aviation and leasing, a strong professional background, and a general understanding of marketing, finance and other disciplines related to the success of a company in our industry. Our directors are generally nominated by our management or other directors, and each nominee is evaluated based on the above qualifications and in the context of the Board as a whole. While we do not normally engage professional search firms or other third parties in connection with our Board nomination process, we may do so in the future.

Since we do not have a history of stockholder nominations of directors, we do not have a formal policy regarding stockholder nominees to the Board. Under our Bylaws stockholders wishing to nominate a candidate for director must give notice to our Corporate Secretary no later than the close of business on the 90th day prior to the first anniversary of our preceding year's annual meeting. If the annual meeting is more than 30 days before or 60 days after such anniversary date, the notice must be delivered no later than the 90th day prior to such annual meeting or the 10th day following the day on which we publicly announce of the annual meeting date. The notice should set forth: (i) the name, age, business address and residence address of the nominee; (ii) the principal occupation or employment of the nominee; (iii) the class and number of our shares beneficially owned by the nominee; (iv) a description of all arrangements or understandings between the stockholder and the nominee and any other person(s) pursuant to which the nomination is made by the stockholder; and (v) any other information relating to the nominee that is required to be disclosed in proxy statements for the election of directors pursuant to Regulation 14A under

the Securities Exchange Act of 1934. Nominees proposed by stockholders will be evaluated in the same manner as those proposed by management or existing directors.

Mr. Hunziker was proposed for nomination for election to the Board by Mr. Willis, the Chairman of the Board and beneficial owner of 36.51% of our common stock. He was a director of Willis Lease from November 2000 to July 2003 elected pursuant to a stockholders' agreement with Flighttechnics LLC. The Board reviewed Mr. Hunziker's nomination, and after consideration of his significant experience in the aviation industry and his previous valued Board service, our independent directors unanimously determined that Mr. Hunziker would be an able and valuable addition to the Board.

The Audit Committee oversees our accounting function, internal controls and financial reporting process on behalf of the Board. The Audit Committee meets with our financial management and our independent auditors to review our financial statements and filings, the audit and matters arising from them, and financial reporting procedures, including any significant judgments made in preparation of the financial statements. The Audit Committee currently consists of Directors William M. LeRoy (Chairman), Glenn L. Hickerson and Gérard Laviec. All members of the audit committee are able to read and understand financial statements. Mr. LeRoy also qualifies as an audit committee financial expert, as defined by the SEC, and is financially sophisticated as required by the Nasdaq listing standards. The Committee held eight meetings during the 2005 fiscal year. On May 17, 2004 the Board reviewed and reapproved (originally approved on June 13, 2000) the Audit Committee Charter dated June 13, 2000 that meets the requirements of the Securities and Exchange Commission and the Nasdaq.

The Compensation Committee reviews and approves our compensation arrangements for executive officers and administers the 1996 Stock Option/Stock Issuance Plan (the 1996 Plan) and the Deferred Compensation Plan. The Compensation Committee currently consists of Directors Glenn L. Hickerson (Chairman), William M. LeRoy and Gérard Laviec. This Committee held three meetings during the 2005 fiscal year.

Director Compensation

Directors are paid an annual retainer of \$20,000 plus \$1,000 for each Board meeting attended in person and \$500 for each Board meeting attended by conference telephone. Independent directors serving on the Committees are paid \$500 for each Committee meeting attended either in person or by telephone. Finally, the Chairman of the Audit Committee is paid \$7,500 for his service as chairman, while the chairman of the Compensation Committee receives \$5,000 for his service. Each independent member of the Board was also reimbursed for all reasonable out-of-pocket expenses incurred to attend Board or Committee meetings. Pursuant to the Automatic Option Grant Program under the 1996 Plan, each individual who first becomes a non-employee Board member is eligible to receive an option grant for 5,000 shares of common stock. In addition, on the date of each annual stockholders meeting, each individual who is to continue to serve as an independent Board member, whether or not such individual is standing for re-election at that particular annual meeting, will be granted an option to purchase a specified number of shares of common stock, provided such individual has served as an independent Board member for at least six months. The number of shares of common stock subject to each annual automatic option grant shall not be more than 10,000 shares per year, and the number of shares will be determined by dividing \$20,000 by the Black-Scholes formula value of the option. Each grant under the Automatic Option Grant Program will have an exercise price per share equal to the fair market value per share of our common stock on the grant date and will have a maximum term of 10 years, measured from the grant date, subject to earlier termination should the optionee cease to serve as a member of the Board.

Each 5,000-share initial option grant vests in a series of four successive equal annual installments over the optionee's period of continued service as a Board member measured from the option grant date. Each \$20,000 value annual option grant vests in one installment on the optionee's completion of one year of Board service measured from the grant date.

Independent Directors had also been eligible to participate in the Director Fee Option Grant Program in effect under the 1996 Plan, pursuant to which they may elect to apply a portion or all of their annual compensation towards the acquisition of special below-market option grants, but effective January 1, 2005, the Director Fee Option Grant Program was discontinued, and directors' fees are now paid in cash.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our Directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of common stock and our other equity securities. Directors, executive officers and holders of more than ten percent of our common stock are required by Securities and Exchange Commission regulation to furnish us with copies of all Section 16(a) reports they file.

Based solely upon review of the copies of such reports furnished to us and written representations from our officers and Directors, we believe that, except as set forth in the following sentence, during the fiscal year ended December 31, 2005, our Directors, executive officers and holders of more than ten percent of our common stock complied with all applicable Section 16(a) filing requirements. Glenn L. Hickerson purchased 420 shares of Company's Common Stock on December 15, 2005. The Company was notified of the purchase and filed a Form 4 to report it on February 13, 2006.

**REPORT OF THE COMPENSATION COMMITTEE
ON EXECUTIVE COMPENSATION**

At the end of our 2005 fiscal year, the Compensation Committee of the Board was composed of three independent Directors: Glenn L. Hickerson (Chairman), William M. LeRoy and Gérard Laviec.

The Compensation Committee administers our compensation policies and programs and has primary responsibility for executive compensation matters, including the establishment of the base salaries of our executive officers, the approval of individual bonuses and bonus programs for executive officers and the administration of certain employee benefit programs. In addition, the Compensation Committee has exclusive responsibility for administering the 1996 Plan, under which stock option grants and direct stock issuances may be made to executive officers and other employees.

For the 2002 and 2003 fiscal years, the Compensation Committee chose to freeze the salaries of executive officers at 2001 levels, based upon general industry conditions. In August 2004, the Compensation Committee approved salary increases for executive officers of between 5% and 15% based on the period since the last increase. No executive officer salary increases were granted in 2005. In February 2006 the Compensation Committee approved salary increases for certain executive officers of between 7.5% and 10% based on 5% per year since the date of the last increase. The Compensation Committee makes its decisions primarily on the basis of its understanding of the compensation practices of similarly sized companies serving similar industry segments, and fixed the compensation package of each executive officer at a level which was competitive with those practices. Our intent is to position our executive compensation levels around the 75th percentile of similar companies. The Compensation Committee also considers geographic location and companies that may compete with us in recruiting executive talent.

The following is a summary of policies that the Compensation Committee applied in setting the compensation levels for our executive officers.

General Compensation Policy. The objectives of our executive compensation program are to motivate and retain current executives and to attract future ones. Our executive compensation program is designed to: (1) provide a direct and substantial link between our performance and executive pay, (2) consider individual performance and accomplishments and compensate accordingly, and (3) determine our position in the aviation services and leasing markets and be competitive in that labor market.

Factors. *The principal factors that are considered by the Compensation Committee in establishing the components of each executive officer's compensation package are summarized below. The Compensation Committee may, however, in its discretion apply entirely different factors in setting executive compensation for future fiscal years.*

Base Salary. The base salary for each executive officer is set on the basis of personal performance, the Compensation Committee's assessment of salary levels in effect for comparable positions with our Peer Companies, and internal comparability considerations. The weight given to each of these factors may vary from individual to individual. Base salaries are reviewed on an annual basis, and adjustments are made in accordance with the factors indicated above.

Incentive Compensation. The Compensation Committee has established an incentive compensation program pursuant to which each executive officer is eligible to earn a bonus on the basis of the achievement of certain company and individual goals. The bonuses earned by each of the executive officers are set forth in the Summary Compensation Table which appears later in this proxy statement.

Long-Term Incentive Compensation. Long-term incentives are provided through stock option grants. The grants are designed to align the interests of our executive officers with those of our stockholders, and to provide our executive officers with a significant incentive to manage Willis Lease from the perspective of

an owner with an equity stake in the business. The stock option plan encourages long-term retention and provides rewards to our executives and our other eligible employees commensurate with growth in stockholder value. It is the Committee's practice to grant options to purchase shares at the market price of the underlying shares of common stock on the date of grant with a term of up to ten years. All of the options granted to our executive officers vest in four equal annual installments. Accordingly, the options will provide a return to the executive officer only if he or she remains in our employ and the market price of the underlying shares of common stock appreciates.

The number of shares subject to each option grant is set at a level intended to create a meaningful opportunity for stock ownership based on the executive officer's current position with us, the base salary associated with that position, the size of comparable awards made to individuals in similar positions within the industry, the individual's potential for increased responsibility and promotion over the option term, and the individual's personal performance in recent periods. The Committee also takes into account the number of unvested options held by the executive officer in order to maintain an appropriate level of equity incentive for that individual. However, the Committee does not adhere to any specific guidelines as to the relative option holdings of our executive officers.

Deferred Compensation. We maintain the Deferred Compensation Plan for our executives, which permits participating executives to defer payment of up to 80% of their base salary and/or part or all of their bonus. Through the Deferred Compensation Plan, the Willis Lease Finance Corporation Deferred Compensation Plan Trust invests all deferred amounts in investment funds and horizon portfolios (compatible with the investment options under Section 401(k) of the Internal Revenue Code of 1986, as amended) pursuant to the election of each participant. The Compensation Committee determines the participant's Annual Company Matching Amount for any plan year to be added to the amount the participant elects to contribute from his/her salary and/or bonus. Such amounts are vested in accordance with a vesting schedule set forth in the Deferred Compensation Plan. In 2005 fiscal year, we did not contribute any Annual Company Matching Amount.

Mr. Willis was the only executive who elected to participate in the Deferred Compensation Plan. His total accumulated deferral is \$243,655 and during 2005 fiscal year, the investments from Mr. Willis' previously deferred salary resulted in ordinary dividends in the amount of \$7,388 and gains of \$10,960.

CEO Compensation. The compensation payable to Mr. Willis, our Chief Executive Officer during the 2005 fiscal year, was determined by the Compensation Committee. In 2002 and 2003, the Compensation Committee chose to freeze Mr. Willis' annual salary at the 2001 level of \$500,000. Effective July 1, 2004 his annual salary was increased to \$575,000. Effective January 1, 2006 Mr. Willis' annual salary was increased to \$618,125, a level which the Compensation Committee felt would be competitive with the base salary levels in effect for CEOs at similarly-sized companies within the industry. For the 2005 fiscal year, Mr. Willis received a bonus of \$368,982 under our 2005 Bonus Plan. The bonus was based on company performance relative to budget for the year (70%) and his individual performance (30%) as assessed by the Compensation Committee.

Compliance with Internal Revenue Code Section 162. Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to publicly-held companies for compensation paid to certain executive officers, to the extent that compensation that is not performance based (within the meaning of Section 162(m)) exceeds \$1 million per officer in any year. In the 2003 fiscal year, the compensation paid to our CEO exceeded the \$1 million limit by a modest amount. In the coming years, in order to permit the future deductibility of cash bonus awards for certain executive officers, we may adopt an executive incentive plan, subject to approval by stockholders, that will qualify as performance based compensation for purposes of Section 162(m). The 1996 Plan, however, is structured so that any compensation deemed paid to an executive officer in connection with the exercise of his or her outstanding options under the

1996 Plan will qualify as performance-based compensation which will not be subject to the \$1 million limitation.

The Committee met with our independent auditors, with and without our management present, to discuss the results of their audit, their evaluations of our internal controls, and the overall quality of our financial reporting.

In reliance on the reviews and discussions with our management and the independent auditors referred to above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2005 for filing with the Securities and Exchange Commission.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL AGREEMENTS

We presently have the following employment contracts in effect with the Named Executive Officers:

Charles F. Willis, IV. Effective November 7, 2000, Mr. Willis signed a two-year employment agreement with us. The agreement automatically renews for additional one-year terms, until June 29, 2013, unless either party gives notice of non-renewal six months prior to expiration of the current term. Upon execution of the agreement, Mr. Willis base salary as Chairman of the Board, President and Chief Executive Officer was \$500,000 per year, subject to adjustment by our Compensation Committee. Effective

January 1, 2006, Mr. Willis' salary was increased to \$618,125 per year. Mr. Willis is entitled to receive bonuses in an annual amount of up to \$618,125 or a higher amount determined by the Board of Directors, under the incentive compensation plan in effect from time to time. The bonuses are based upon company performance relative to predetermined performance targets established by the Compensation Committee at the beginning of each year. The agreement also provides for Mr. Willis' participation in our stock option plans on the same terms generally available to our executive officers and in accordance with market practice. Any grant of stock options is subject to the discretion of the Compensation Committee. As of March 27, 2006, Mr. Willis received, over a period of time, options to purchase an aggregate of 720,000 shares of our common stock; of this amount, 38,280 options have expired.

Under the agreement, we may terminate Mr. Willis' employment other than for cause (failure or inability to perform obligations under the agreement causing material harm to the business) upon 6 months written notice or payment of an amount equal to 6 months base salary in lieu of notice, in addition to payment of any severance payment pursuant to the agreement.

If a change of control in our ownership occurs, the agreement will be automatically extended for a period of 2 years from the date of the change of control event.

If we had terminated Mr. Willis effective January 1, 2006, his severance would have been equal to \$3.1 million in cash, \$0.5 million in accrued 2005 bonus, vacation and sick pay, \$0.2 million in unpaid deferred compensation, and \$0.1 million in other benefits. In addition, all unvested options as shown under Stock Option Exercise and Holdings, above, would be immediately vested.

In the event that the severance and other benefits provided to Mr. Willis constitute parachute payments subject to federal excise tax, then Mr. Willis' benefits under the change of control provisions of the agreement shall be reduced in accordance with the mechanism set forth in the agreement.

We entered into an indemnification agreement with Mr. Willis effective as of September 17, 1996.

Donald A. Nunemaker. Effective November 21, 2000, Mr. Nunemaker signed a two-year employment agreement with us. On March 2001, Mr. Nunemaker was appointed as Executive Vice President, Chief Operating Officer under the same terms of the November 21, 2000 employment agreement. Mr. Nunemaker is entitled to receive a target bonus of up to 85% of his base salary under the incentive compensation plan in effect from time to time. The bonuses are based upon company performance relative to predetermined performance targets established by the Compensation Committee at the beginning of each year. The agreement also provides for Mr. Nunemaker's participation in our stock option plans on the same terms generally available to our executive officers and in accordance with market practice. Any grant of stock options is subject to the discretion of the Compensation Committee. As of March 27, 2006, Mr. Nunemaker received, over a period of time, options to purchase an aggregate of 450,650 shares of our common stock.

Under the agreement, we may terminate Mr. Nunemaker's employment other than for cause (such as Mr. Nunemaker's gross misconduct, fraud, breach of the agreement, or conviction or plea to felony or gross misdemeanor) upon 6 months written notice or payment of an amount equal to 6 months base salary in lieu of notice, in addition to payment of any severance payment pursuant to the agreement.

If a change of control in our ownership occurs, the agreement will be automatically extended for a period equal to the greater of (i) the remaining employment term and (ii) the 18-month period from the date of the change of control event. If Mr. Nunemaker's employment is terminated during such extension period, he will be entitled to additional severance payments.

If we had terminated Mr. Nunemaker effective January 1, 2006, his severance would have been equal to \$0.4 million in cash, \$0.2 million in accrued 2005 bonus, vacation and sick pay, and \$10 thousand in other benefits. In addition, all unvested options as shown under Stock Option Exercise and Holdings, above, would be immediately vested.

In the event that the severance and other benefits provided to Mr. Nunemaker constitute parachute payments subject to federal excise tax, then Mr. Nunemaker's benefits under the change of control provisions of the agreement shall be reduced in accordance with the mechanism set forth in the agreement.

We entered into an indemnification agreement with Mr. Nunemaker effective as of July 30, 1997.

Robert M. Warwick. On February 9, 2006, Mr. Warwick signed a one-year employment agreement with us to serve as Executive Vice President and Chief Financial Officer for a term of one year beginning January 1, 2006. After the initial one-year term, the agreement will automatically renew for a period of one year, each year, unless either party gives the other written notice of nonrenewal at least six months prior to the end of the last applicable employment year. Upon execution of the agreement, Mr. Warwick's base salary under the agreement is \$235,000, subject to adjustment by the Compensation Committee. In addition to the base salary, Mr. Warwick is entitled to receive a target bonus of up to 60% of his base salary, the first 70% of which is conditioned upon his performance. The remaining 30% is conditioned upon individual performance as more fully described in the applicable Incentive Compensation Plan. The agreement also provides for Mr. Warwick's participation in our stock option plans on the same terms generally available to our executive officers and in accordance with market practice. Any grant of stock options is subject to the discretion of the Compensation Committee. As of March 27, 2006, Mr. Warwick received, over a period of time, options to purchase an aggregate of 40,000 shares of our common stock.

Under the agreement, we may terminate Mr. Warwick's employment other than for cause (such as Mr. Warwick's gross misconduct, fraud, breach of the agreement, or conviction or plea to felony or gross misdemeanor) upon 6 months written notice or payment of an amount equal to 6 months base salary in lieu of notice, in addition to payment of any severance payment pursuant to the agreement.

If a change of control in our ownership occurs, the agreement will be automatically extended for a period equal to the greater of (i) the remaining employment term and (ii) the 18-month period from the date of the change of control event. If Mr. Warwick's employment is terminated during such extension period, he will be entitled to additional severance payments.

If we had terminated Mr. Warwick effective February 1, 2006, his severance would have been equal to \$0.1 million in cash and \$0.1 million in accrued bonus, vacation, sick pay, and \$2 thousand in other benefits. In addition, all unvested options, shown under Stock Option Exercise and Holdings in the table above, which would vest within two years following the event, would vest immediately.

In the event that the severance and other benefits provided to Mr. Warwick constitute parachute payments subject to federal excise tax, then Mr. Warwick's benefits under the change of control provisions of the agreement shall be reduced in accordance with the mechanism set forth in the agreement.

We entered into an indemnification agreement with Mr. Warwick effective as of January 1, 2006.

Upon execution of the agreement, Mr. Nord's base salary as Senior Vice President and General Counsel is \$220,500 per year, subject to adjustment by our Compensation Committee. Effective January 1, 2006 Mr. Nord's salary was increased to \$237,040 per year. Mr. Nord is entitled to receive a target bonus of up to 50% of his base salary under the incentive compensation plan in effect from time to time, with 70% of the bonus conditioned on his

The agreement also provides for Mr. Nord's participation in our stock option plans on the same terms generally available to our executive officers and in accordance with market practice. Any grant of stock options is subject to the discretion of the Compensation Committee. As of March 27, 2006, Mr. Nord received, over a period of time, options to purchase an aggregate of 52,000 shares of our common stock.

Under the agreement, we may terminate Mr. Nord's employment other than for cause (such as Mr. Nord's gross misconduct, fraud, breach of the agreement, or conviction or plea to felony or gross misdemeanor) upon 6 months written notice or payment of an amount equal to 6 months base salary in lieu of notice, in addition to payment of any severance payment pursuant to the agreement.

If a change of control in our ownership occurs, the agreement will be automatically extended for a period equal to the greater of (i) the remaining employment term and (ii) the 18-month period from the date of the change of control event. If Mr. Nord's employment is terminated during such extension period, he will be entitled to additional severance payments.

If we had terminated Mr. Nord effective January 1, 2006, his severance would have been equal to \$0.1 million in cash, \$0.1 million in accrued 2005 bonus, vacation and sick pay, and \$5 thousand in other benefits. In addition, all unvested options, shown under Stock Option Exercise and Holdings in the table above, which would vest within two years following the event, would vest immediately.

In the event that the severance and other benefits provided to Mr. Nord constitute parachute payments subject to federal excise tax, then Mr. Nord's benefits under the change of control provisions of the agreement shall be reduced in accordance with the mechanism set forth in the agreement.

We entered into an indemnification agreement with Mr. Nord effective as of July 7, 2003.

Acceleration under the 1996 Plan

In connection with our acquisition by merger, asset sale or other change of control event, each outstanding option held by our Chief Executive Officer and our other executive officers under the 1996 Plan will automatically accelerate in full and all unvested shares of common stock held by such individuals subject to direct issuances made under such plans will immediately vest in full, except to the extent such options are to be assumed by, and our repurchase rights with respect to these shares are to be assigned to, the successor corporation. In addition, upon an involuntary termination of the Chief Executive Officer or any of the other executive officers within twelve months following a merger or asset sale or other change in our control, each outstanding option and all unvested shares of common stock held by such individual will automatically vest in full. Furthermore, with regard to future option grants and direct stock issuances, the Plan Administrator of the 1996 Plan has the authority to provide for accelerated vesting of any outstanding options awarded to the Chief Executive Officer or any other executive officer or any unvested share issuances actually held by such individual, in connection with certain changes in our control or the subsequent termination of the officer's employment following the change in control event.

As required by Nasdaq rules, all material discretionary transactions between us and our Directors, executive officers or known principal stockholders (or their respective affiliates) must be approved by the Audit Committee. The Audit Committee does not intend to approve any such transactions unless it believes that they are on terms no less favorable to us than could be obtained from unaffiliated third parties.

With its emergence from Chapter 11 in February 2006, Aloha's obligations under its guaranty were discharged. The five leases are still performing and the lessee is current on all obligations and no provision has been made for any loss.
