Item 2.02 Results of Operations and Financial Condition

On February 22, 2007, Impac Mortgage Holdings, Inc. (the Company) issued a press release announcing its results for the year ended December 31, 2006. A copy of the press release is attached hereto as Exhibit 99.1 and the information therein is incorporated herein by reference.

The information in this Item 2.02 of Form 8-K and the Exhibit attached hereto shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act) or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, regardless of any general incorporation language in such filing.

Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

Restated Consolidated Financial Statements for 2005 and 2004

Certain amounts in the 2005 and 2004 Consolidated Statements of Cash Flows are being restated to properly reflect specific intercompany activities; cash receipts from loan sales and cash disbursements for loan purchases between consolidated companies in Sale and principal reductions on mortgages held-for-sale under operating activities and loan purchases in Change in securitized mortgage collateral in investing activities, as non-cash transactions. Such intercompany activities are not reflected as sales and purchases of loans on a consolidated basis, thus they are only redesignations of the loans from held-for-sale to mortgages held-for-investment and ultimately securitized mortgage collateral. The correction of the error increases cash used in operating activities and increases cash provided by investing activities. The restatement of this information does not change total cash and cash equivalents as reported for December 31, 2005 and 2004. Furthermore, the restatement has no effect on the Company's Consolidated Statements of Operations and Comprehensive Earnings, Consolidated Balance Sheets or Consolidated Statements of Changes in Stockholders' Equity and as such it has no effect on the Company's taxable income as reported.

In addition, certain amounts within the Consolidated Statements of Operations and Comprehensive Earnings have been restated to reflect the Amortization of deferred charge related to income taxes on intercompany gains for 2005 and 2004 from non-interest expense to income tax expense (benefit). Such correction is believed to more clearly reflect the overall income tax charges or benefits during 2005 and 2004. The restatement of this information does not change net earnings as reported for December 31, 2005 and 2004. Furthermore, the restatement has no effect on the Company's Consolidated Balance Sheets, Consolidated Statements of Changes in Stockholders' Equity or Consolidated Statements of Cash Flows and as such it has no effect on the Company's taxable income as reported.

The effect of the changes on the Company's previously reported Consolidated Statement of Cash Flows, and Consolidated Statements of Operations and Comprehensive Earnings for the twelve months ended December 31, 2005 and 2004 are as follows:

Edgar Filing: IMPAC MORTGAGE HOLDINGS INC - Form 8-K

Our Annual Report on Form 10-K for the year ended December 31, 2006 (the 2006 Form 10-K) to be filed with the Securities and Exchange Commission will reflect the restatement of our

3

Consolidated Statements of Cash Flows and the Consolidated Statements of Operations and Comprehensive Earnings for the years ended December 31, 2005 and 2004. The authorized officers of the Company have discussed the matters included in this item with its independent registered public accounting firm, Ernst & Young LLP, and its previous independent registered public accounting firm, KPMG LLP and, on February 20, 2007, determined that the Company's financial statements and the related reports of Ernst & Young LLP and KPMG LLP (and all earnings press releases and similar communications issued by the Company), relating to years 2005 and 2004 should not be relied upon pending the filing of the December 31, 2006 Form 10-K. Furthermore, for the same reasons, the quarterly financial statements for 2006 should not be relied upon.

Reclassification Adjustments to 2005 and 2004 Presentation to Conform to the 2006 Presentation

In connection with the filing of its 2006 Form 10-K, the Company plans to reclassify the presentation of the Consolidated Statement of Operations and Comprehensive Income to reflect Amortization and impairment of mortgage servicing rights, Write-down on investment securities available-for-sale, and Loss(gain) on disposition of real estate as other non-interest income rather than non-interest expense, for all periods presented.

Also, the Company previously presented cash receipts and cash payments as net cash flows from finance receivables and reverse repurchase agreements within the Consolidated Statements of Cash Flows as presented in the table above. The Company will now report these amounts as gross cash receipts and cash disbursements. The 2006 consolidated financial statements and notes thereto, to be included in the 2006 Form 10-K, will reflect these reclassifications for 2005 and 2004.
