On January 28, 2016, the Company also completed the issuance and sale of the Series A Preferred Stock (as defined below) and the Modified Convertible Notes (as defined below). The descriptions of the Series A Preferred Stock, Modified Convertible Notes and Registration Rights Agreement set forth below in Item 2.01 of this Current Report on Form 8-K are incorporated herein by reference.

Item 1.02

On January 28, 2016, in connection with the closing of the Credit Facilities (as defined below), the Company's previously existing credit facility under the amended and restated credit agreement, dated as of September 11, 2015, among the Company, certain of its subsidiaries party thereto, The CIT Group/Commercial Services, Inc., as administrative and collateral agent, and the lenders and agents party thereto, was terminated and all outstanding obligations thereunder were repaid.

Item 2.01

Completion of Acquisition or Disposition of Assets.

On January 28, 2016, the Company completed the acquisition of all of the outstanding equity interests of RG Parent LLC, a Delaware limited liability company (**RG**), as contemplated by the Agreement and Plan of Merger, dated as of September 8, 2015 (as amended and restated effective as of September 8, 2015, the **Merger Agreement**), by and among RG, JJ Merger Sub LLC, a Delaware limited liability company and wholly-owned subsidiary of the Company (**Merger Sub**), and the Company, for aggregate consideration of \$81.0 million in cash (subject to adjustment to satisfy certain indebtedness of RG) and 8,870,968 shares of the Company's common stock, par value \$0.10 per share (**Common Stock**) (after giving effect to the Reverse Stock Split (as defined below)). Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On January 28, 2016 (the **Closing Date**), the Company and certain of its subsidiaries entered into (i) a new credit and security agreement (the **ABL Credit Agreement**) with Wells Fargo Bank, National Association, as lender, and (ii) a new credit and security agreement with TCW Asset Management Company, as agent, and the lenders party thereto (the **Term Credit Agreement**), and together with the ABL Credit Agreement, the **Credit Agreements**).

The ABL Credit Agreement provides for a senior secured asset-based revolving credit facility (the **Revolving Facility**) with commitments in an aggregate principal amount of \$40 million. The Term Credit Agreement provides for a senior secured term loan credit facility (the **Term Facility**), and together with the Revolving Facility, the **Credit Facilities** in an aggregate principal amount of \$50 million. The Term Facility matures on the date that is 5 years after the Closing Date. The Revolving Facility matures on the date that is the earlier of 5 years after the Closing Date and the date which is 90 days prior to the maturity date of the Term Facility. The amount available to be drawn under the Revolving Facility will be based on the borrowing base values attributed to eligible accounts receivable and eligible inventory.

Certain domestic subsidiaries of the Company are co-borrowers under the Credit Agreements. The obligations under the Credit Agreements are guaranteed by the domestic subsidiaries of the Company that are not co-borrowers under the Credit Agreements and are secured by substantially all assets of the Company and its domestic subsidiaries.

There are no scheduled payments under the Revolving Facility. The Term Facility will be subject to quarterly payments of principal as follows: (i) 0.25% for each of the first four fiscal quarters; (ii) 0.625% for each of the four fiscal quarters thereafter; (iii) 1.25% for each of the next following four fiscal quarters; (iv) 1.875% for each of the next following four fiscal quarters; and (v) 2.50% for each fiscal quarter thereafter, with the balance payable at maturity.

The Term Facility includes mandatory prepayments customary for credit facilities of its nature, including, subject to certain exceptions: (i) 100% of the net cash proceeds from issuances of debt that is not permitted and certain equity issuances; (ii) 100% of the net cash proceeds from certain non-ordinary course asset sales, subject to customary exceptions and reinvestment rights; (iii) 100% of certain insurance proceeds and condemnation recoveries, subject to customary exceptions and reinvestment rights; (iv) 100% of the net cash proceeds from certain extraordinary receipts; and (v) a variable percentage of excess cash flow of 50% or 25% depending on the Company's senior leverage ratio. Outstanding loans under the Term Facility may be prepaid at any time at the option of the Company subject to customary breakage costs with respect to LIBO rate loans. Subject to certain exceptions, prepayments of loans under the Term Facility are subject to a prepayment premium of (i) 2.00% during the first year after the Closing Date and (ii) 1.00% during the second year after the Closing Date. The Revolving Facility is required to be prepaid to the extent extensions of credit thereunder exceed the applicable borrowing base. Outstanding loans under the Revolving Facility may be prepaid at any time at the option of the Company without premium or penalty, other than customary breakage costs with respect to LIBO rate loans.

The ABL Credit Agreement provides that, subject to customary conditions, the Company and certain of its subsidiaries as borrowers thereunder may seek to obtain incremental commitments under the Revolving Facility in an aggregate amount not to exceed \$10 million. The Term Credit Agreement provides that, subject to customary conditions, the Company and certain of its subsidiaries as borrowers thereunder may seek to obtain incremental term loans under the Term Facility in an aggregate amount not to exceed \$50 million. The Company does not currently have any commitments for such incremental loans under either Facility.

Borrowings under the Credit Agreements will bear interest at a rate equal to either, at the Company's option, an adjusted base rate or the LIBO rate (subject to a 0.50% floor for borrowings under the Term Facility), in each case plus an applicable margin. The applicable margins for borrowing under the Term Facility (which varies based on the Company's senior leverage ratio) range from 8.00% to 6.00% for base rate loans and 9.00% to 7.00% for LIBO rate loans. The applicable margin for borrowings under the Revolving Facility is 0.50% for base rate loans and 1.75% for LIBO rate loans. An unused commitment fee equal to 0.25% per annum of the average daily amount by which the total commitments under the Revolving Facility exceeds the outstanding usage under the Revolving Facility will be payable monthly in arrears.

The Credit Agreements contain customary representations and warranties, events of default and covenants, including, among other things and subject to certain exceptions, covenants that restrict the ability of the Company and its subsidiaries to incur additional indebtedness, create or permit liens on assets, engage in mergers or consolidations, dispose of assets, make prepayments of certain indebtedness, pay certain dividends and other restricted payments, make investments, and engage in transactions with affiliates. The Term Credit Agreement requires the Company to comply with financial maintenance covenants to be tested quarterly (beginning with the second fiscal quarter ending after the Closing Date), consisting of a maximum senior leverage ratio, a maximum net senior debt adjusted leverage ratio and a minimum fixed charge coverage ratio. The ABL Credit Agreement requires the Company to comply with a minimum fixed charge coverage ratio to be tested monthly if excess availability under the Revolving Facility is less than 10% of the lesser of the commitments under the Revolving Facility and the borrowing base or during specified events of defaults. If an event of default under a Credit Agreement shall occur and be continuing, the commitments thereunder may be terminated and the principal amount outstanding thereunder, together with all accrued and unpaid interest and other amounts owed thereunder, may be declared immediately due and payable.

The description of the Credit Facilities set forth above does not purport to be complete and is qualified in its entirety by reference to the full text of the ABL Credit Agreement and the Term Credit Agreement filed herewith as Exhibits 10.2 and 10.3, respectively, and incorporated herein by reference.

The description of the Registration Rights Agreement set forth under Item 2.01 of this Current Report on Form 8-K is incorporated herein by reference.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(b) In connection with the consummation of the Merger, on January 28, 2016, Samuel J. Furrow resigned from his position as Interim Chief Executive Officer and Chairman of the Board of Directors, and each of Joanne Calabrese and Suhail R. Rizvi resigned as directors of the Company (the ***Resignations***).

(c) In connection with the consummation of the Merger, on January 28, 2016, Michael Buckley was elected as Chief Executive Officer of the Company.

Pursuant to the terms of the employment agreement, Mr. Buckley will serve as Chief Executive Officer, reporting to the Company's Board of Directors, for an initial three-year term with automatic, one-year renewal terms, unless the Company or Mr. Buckley gives notice 180 days prior to the end of the then-current term.

The employment agreement provides that the Company will pay Mr. Buckley an annual base salary of \$600,000 and that Mr. Buckley will be eligible to receive an annual bonus of up to 150% of his base salary, based on the Company's achievement of annual EBITDA targets set by the Compensation Committee of the Board of Directors (the ***Compensation Committee***) after consultation with Mr. Buckley.

Edgar Filing: Differential Brands Group Inc. - Form 8-K

The employment agreement also provides that the Company will grant Mr. Buckley a restricted stock unit award in respect of 433,764 shares of Company common stock (the ***RSU Award***). The RSU Award will vest in annual installments over a three-year period with the first installment vesting on December 31, 2016, subject to Mr. Buckley's continued employment through the applicable vesting dates. The Company will also grant Mr. Buckley a performance share unit award in respect of 347,011 shares of Company common stock (the ***PSU Award***). The PSU Award will vest in annual installments over a three-year period, based on the Company's achievement of EBITDA targets set by the Compensation Committee and subject to Mr. Buckley's continued employment through the applicable vesting dates. The employment agreement further provides that the RSU Award and the PSU Award will

be settled in cash in the event that there are insufficient shares of the Company's common stock available to settle the applicable award in Company common stock and that unvested portions of the PSU Award in any completed year will be eligible for vesting in subsequent years to the extent that the subsequent year EBITDA target is exceeded and the excess is sufficient to make up for a prior year shortfall. Upon a change in control (as defined in the employment agreement), any unvested portions of the RSU Award and PSU Award will immediately vest.

In the event of a termination of Mr. Buckley's employment by the Company without cause or in the event that Mr. Buckley resigns for good reason (each, as defined in the employment agreement), in either case, prior to the expiration of the agreement's then-current term, the Company will pay Mr. Buckley severance equal to 3.75 times his base salary. Upon such termination or resignation, Mr. Buckley and his dependents will receive continued coverage under the Company's group health insurance plans for a period of up to 18 months, any unvested portion of the RSU Award will immediately vest, 50% of the unvested portion of the PSU Award will immediately vest and 50% of the unvested portion of the PSU Award will remain outstanding through completion of the applicable performance period and vest based on actual achievement of the performance metrics. In the event such resignation or termination occurs following the Company's first fiscal quarter of any year, the employment agreement provides that Mr. Buckley will also be entitled to a prorated annual bonus for the year in which his employment terminates. The Company's obligation to provide the foregoing severance benefits is subject to Mr. Buckley's execution and non-revocation of a release of claims against the Company and its affiliates.

The employment agreement also contains customary provisions relating non-disclosure and non-disparagement. In addition, the employment agreement includes 12-month, post-termination non-competition and non-solicitation provisions.
