Item 8.01. Other Events.

On June 10, 2016, Duke Energy Corporation (the Corporation), Piedmont Natural Gas Company, Inc. (Piedmont) and the Public Staff North Carolina Utilities Commission (the Public Staff) filed an Agreement and Stipulation of Settlement (the Settlement) with the North Carolina Utilities Commission (the NCUC) in connection with the Corporation's proposed acquisition of Piedmont pursuant to which the Public Staff agreed that the acquisition will have no adverse impact on customer bills or service, is justified and meets the standard for approval by the NCUC.

Pursuant to the Settlement, the parties also agreed to the following terms and conditions, among others, upon the closing of the acquisition:

- Piedmont's customer bills in North Carolina collectively will decrease by \$10 million, spread over the first two years after the closing of the acquisition, in order for Piedmont customers to benefit from Piedmont-related cost savings generated by the acquisition. In North Carolina, Piedmont has approximately 655,000 residential customers, 69,000 commercial business customers and 1,000 industrial and other customers.
- Duke Energy Carolinas, LLC, Duke Energy Progress, LLC and Piedmont (together, the Companies), will make aggregate annual charitable contributions totaling at least \$17.5 million in North Carolina during each of the four years after the closing of the acquisition.
- Together the Companies will commit \$7.5 million for low-income household energy assistance and community job training programs during the first year after the closing of the acquisition.
- Certain expenses related to the acquisition, including severance costs and investment banker and legal fees for transaction structuring, will be excluded from customer bills.
- The Corporation and Piedmont will be subject to a Code of Conduct, specific to the acquisition, in order to, among other things, safeguard that customers will continue to benefit from competitive natural gas prices.

Piedmont's shareholders previously approved its acquisition by the Corporation, and the Federal Trade Commission has granted early termination of the 30-day waiting period under the federal Hart-Scott-Rodino Antitrust Improvements Act of 1976. The Corporation and Piedmont have also received prior approval of the Tennessee Regulatory Authority, contingent upon the approval of the NCUC. The Corporation and Piedmont have also formally notified the Public Service Commission of South Carolina (the PSCSC) about the acquisition and provide updates to the PSCSC regarding the review by the NCUC.

The NCUC has scheduled hearings on the proposed acquisition on July 18, 2016. The parties seek to close the acquisition, subject to NCUC approval, by the end of 2016.
