Item 5.02 **Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

As previously disclosed by Global Power Equipment Group Inc. (the *Company* or *Global Power*) in its 2017 Annual Report on Form 10-K, Tracy D. Pagliara was appointed as President and Chief Executive Officer of the Company effective April 13, 2018.

On June 20, 2018 (the *Effective Date*), in connection with such appointment, the Company entered into a new employment agreement (the *Employment Agreement*) with Mr. Pagliara. The Employment Agreement replaces the employment agreement that was previously in place between the Company and Mr. Pagliara.

The Employment Agreement provides for an initial term of one year with automatic one-year renewals unless earlier terminated pursuant to the provisions of the Employment Agreement or written notice of non-renewal is delivered by either party at least 90 days prior to the expiration of the then-current term. As of the Effective Date, Mr. Pagliara's annual base salary is \$500,000 and his short-term incentive (*STI*) bonus opportunity target is 80% of his annual base salary. The Employment Agreement also provides that Mr. Pagliara's annual incentive bonus for the 2018 fiscal year shall not be less than his target STI and that he may earn more than his target STI based on the extent to which the Company achieves certain performance goals. Mr. Pagliara is additionally eligible to participate in the Company's long-term incentive (*LTI*) program, with a target LTI of 125% of his annual base salary.

The Employment Agreement entitles Mr. Pagliara to certain severance benefits if the Company terminates his employment other than for Disability or Cause (including by reason of not renewing the term), or if he terminates his employment for Good Reason (a *Qualified Termination*). In such event, subject to Mr. Pagliara signing and not revoking a release of claims in favor of the Company, the Company would pay him, among other things, continued annual base salary for an 18-month period, subsidized health insurance premiums for 12 months, STI earned for the prior year, if not paid, and, if terminated on or after April 1, a pro-rated STI based on actual results. If the Qualified Termination occurred on or prior to December 31, 2019, or within 90 days before or two years after a Change in Control of the Company, then the Company would pay or cause to be paid to Mr. Pagliara the following additional benefits: (i) his target STI for the fiscal year in which the termination occurs (without pro-ration), and (ii) his then-outstanding equity incentive awards would become vested in full (without pro-ration), with any specified performance objectives deemed to be satisfied at the target level. The Company would pay lower amounts of severance benefits if Mr. Pagliara's employment is terminated due to death or Disability. The Company has also agreed to reimburse Mr. Pagliara for certain reasonable travel and other out-of-pocket expenses, including certain costs associated with his relocation to from Dallas to the Williams headquarters office in Tucker, Georgia.

The Employment Agreement contains standard ownership of works, confidentiality, non-compete, non-solicitation, and non-disparagement covenants.

The foregoing description does not constitute a complete summary of the terms of the Employment Agreement and is qualified in its entirety by reference to the full text of the Employment Agreement, a copy of which is filed herewith as Exhibit 10.1 and incorporated herein by reference. All capitalized terms used but not defined herein have the meanings set forth in the Employment Agreement.
