Explanatory Note

On November 21, 2017, MDU Resources Group, Inc., a Delaware corporation (Old MDU), announced that its board of directors had authorized management to evaluate and pursue a holding company reorganization. On January 1, 2019, Old MDU created a new public holding company, MDU Resources Group, Inc., a Delaware corporation (formerly known as MDUR Newco, Inc., New MDU), by implementing a holding company reorganization (the Merger). Following the Merger, New MDU became the successor issuer to Old MDU pursuant to Rule 12g-3(a) under the Securities Exchange Act of 1934, as amended (the Exchange Act). This Current Report on Form 8-K (the Form 8-K) is being filed for the purpose of establishing New MDU as the successor issuer pursuant to Rule 12g-3(a) under the Exchange Act and to disclose certain related matters. Pursuant to Rule 12g-3(a) under the Exchange Act, shares of New MDU common stock, par value \$1.00 per share (the New MDU Common Stock), as the common stock of the successor issuer, are deemed registered under Section 12(b) of the Exchange Act.

Item 1.01 Entry into a Material Definitive Agreement.

On January 1, 2019, Old MDU implemented the Merger pursuant to the Agreement and Plan of Merger (the Merger Agreement), dated as of December 31, 2018, by and among Old MDU, New MDU and MDU Newco Sub, Inc., a Delaware corporation (Merger Sub), which resulted in New MDU owning all of the outstanding capital stock of Old MDU. Pursuant to the Merger, Merger Sub, a direct, wholly-owned subsidiary of New MDU and an indirect, wholly-owned subsidiary of Old MDU, merged with and into Old MDU, with Old MDU surviving as a direct, wholly-owned subsidiary of New MDU. Each share of each class of Old MDU stock issued and outstanding immediately prior to the Merger automatically converted into an equivalent corresponding share of New MDU stock, having the same designations, rights, powers and preferences and the qualifications, limitations and restrictions as the corresponding share of Old MDU stock being converted. Accordingly, upon consummation of the Merger, Old MDU's stockholders immediately prior to the consummation of the Merger became stockholders of New MDU. The stockholders of Old MDU will not recognize gain or loss for U.S. federal income tax purposes upon the conversion of their shares in the Merger.

The Merger was conducted pursuant to Section 251(g) of the General Corporation Law of the State of Delaware (the DGCL), which provides for the formation of a holding company without a vote of the stockholders of the constituent corporation. The conversion of stock occurred automatically without an exchange of stock certificates. After the Merger, stock certificates that previously represented shares of a class of Old MDU stock now represent the same number of shares of the corresponding class of New MDU stock. Following the consummation of the Merger, shares of New MDU Common Stock continue to trade on the New York Stock Exchange (the NYSE) on an uninterrupted basis under the symbol MDU with the same CUSIP number (552690109). Immediately after consummation of the Merger, New MDU has, on a consolidated basis, the same assets, businesses and operations as Old MDU had immediately prior to the consummation of the Merger.

As a result of the Merger, New MDU became the successor issuer to Old MDU pursuant to 12g-3(a) of the Exchange Act and as a result the New MDU Common Stock is deemed registered under Section 12(b) of the Exchange Act.

The foregoing descriptions of the Merger and Merger Agreement do not purport to be complete and are qualified in their entirety by reference to the full text of the Merger Agreement, which is filed as Exhibit 2(a) and which is incorporated by reference herein.

Item 3.03 Material Modification of Rights of Securityholders.

Edgar Filing: MDU RESOURCES GROUP INC - Form 8-K12B

Upon consummation of the Merger, each share of each class of Old MDU stock issued and outstanding immediately prior to the Merger automatically converted into an equivalent corresponding share of New MDU stock, having the same designations, rights, powers and preferences and the qualifications, limitations and restrictions as the corresponding share of Old MDU stock that was converted.

The information set forth in Item 1.01 and Item 5.03 of this Form 8-K is hereby incorporated by reference in this Item 3.03 of this Form 8-K.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.
