ITEM 11.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Executive Compensation Objectives

The objectives of our compensation program are as follows:

- Attract, hire and retain well-qualified executives.
- Reward performance that drives substantial increases in shareholder value, as evidenced through both future operating profits and increased market price of our common shares.

Compensation Setting Process

Role of Compensation Committee. The role of the Compensation Committee is to oversee the Company's executive compensation strategy, oversee the administration of its executive compensation and its equity based compensation plans, review and approve the compensation of the Company's Chief Executive Officer, and other executive officers and managers, and oversee the compensation of the Company's Board of Directors. The Compensation Committee is comprised exclusively of independent outside directors and includes members with executive level experience in other companies. In addition, the Compensation Committee compares executive compensation practices of similar companies at similar stages of development.

Role of Compensation Consultant. The Compensation Committee has the authority to engage its own advisors to assist in carrying out its responsibilities. The Company engaged the Wilson Group in March 2019 to provide guidance on and perform an assessment of a strategic incentive program for senior management. Towers Watson, a global professional services company, was previously engaged by the Compensation Committee to assist in the identification and selection of peer companies for purposes of comparing compensation practices and to provide guidance regarding the amount and types of compensation that we provide to our executives and Board of Directors, and on other compensation-related matters. In 2018, the Compensation Committee did not engage or receive services from Towers

Watson or any other compensation consultant.

Role of Management. In setting compensation for 2018, our Chief Executive Officer worked closely with the Compensation Committee and attended the meetings of the Compensation Committee. Our Chief Executive Officer made recommendations to the Compensation Committee regarding compensation of our executive officers other than himself. No executive officer participated directly in the final deliberations regarding his own compensation package.

Use of Comparative Market Data. The Compensation Committee approved the 2018 peer group consisting of the following 17 companies. These companies were selected as peers based on their being in a similar industry, primarily manufacturers of electronic components or electronic equipment and instruments, and of a generally similar size, based mainly on revenue.

Elements of Executive Compensation

The compensation level of our executives generally reflects their level of experience and is designed to provide an incentive to positively affect our future operating performance and shareholder value.

Table of Contents

Base Salary. Base salary is the primary fixed element in the Company's compensation program and is intended to provide an element of certainty and security to the Company's executive officers on an ongoing basis. Base salaries are determined based on the executive's level of experience, specialty and responsibility. Executive base salaries are reviewed on an annual basis by the Compensation Committee. Any increases in base salary are based on an evaluation of the individual's performance, level of responsibility and, when such information is available, the level of pay compared to the salaries paid to persons in similar positions in the Company's peer group or as shown in survey data.

Mr. Sculley's base salary for 2018 of \$440,000 was consistent with his ending base salary for 2017. Dr. Ghosh's base annual salary of \$320,000 was increased to \$355,000 in September 2018 upon his promotion to Chief Technology Officer. Mr. Lucas' base annual salary of \$355,000 was increased to 400,000 upon his promotion to President on September 30, 2018. Amounts reported in the 2018 Summary Compensation Table below reflect actual cash compensation paid and differ slightly from these rates due to the timing of payroll dates in each period, and the timing of payroll increases.

Equity. Part of the compensation paid to our executives has historically been in the form of equity, which to date has been exclusively through stock option grants. The stock option exercise price is at least equal to the fair market value of our common stock on the date of grant. Therefore, a gain is only recognized if the value of the stock increases, which promotes a long term alignment between the interests of the Company's executives and its stockholders. In addition, the time-based vesting features of our stock options contribute to executive retention. No equity awards were granted to our named executive officers during 2018.

Incentive Bonus. Our named executive officers are eligible to receive cash incentive awards that are tied to achieving performance metrics established by the Compensation Committee at the beginning of each year, with input from the Chief Executive Officer. Target bonuses for the named executive officers are set as a percentage of base salary. The program is funded by establishing a pool based on a percentage of annual EBITDA, which is then adjusted by an overall Company performance modifier based on Company performance to reach the final bonus pool. The program creates incentive for the named executive officers to direct their efforts toward achieving specified Company goals and individual goals. For 2018 annual cash incentive bonuses, the Compensation Committee established goals related to the Company's financial performance and attainment of strategic milestones and approved individual goals for executives. In 2018, we fell short of reaching the Company's financial performance goals and, accordingly, there were no bonus program or discretionary cash bonuses awarded to our named executive officers for 2018 performance.

Anti-Hedging Policy

Our insider trading policy prohibits directors and employees from engaging in short-term or speculative transactions such as trading in eMagin stock on a short-term basis, pledging eMagin stock against margin loans, purchasing eMagin stock on the margin or engaging in short sales.

Clawback Policy

Our Clawback Policy provides that the Company will seek to recover, under the direction of the Compensation Committee, any cash or equity compensation paid to an executive officer of the Company which is subject to recovery under any law, government regulation or stock exchange listing requirement, through such deductions or clawback as may be required to be made pursuant to such law, government regulation or stock exchange listing requirement.

Employment Agreements

Employment Agreement with Andrew G. Sculley

On July 1, 2016, the Company and Andrew G. Sculley, Jr. entered into an Amended and Restated Employment Agreement (the "2016 Sculley Employment Agreement"), which provides for an annual base salary of \$440,000.

Pursuant to the 2016 Sculley Employment Agreement, if Mr. Sculley's (i) employment is terminated without Cause (as defined in the 2016 Sculley Employment Agreement), (ii) employment is terminated or his position is significantly changed or salary decreased as a result of a Change of Control (as defined in the 2016 Sculley Employment Agreement) or (iii) if he terminates his employment for Good Reason (as defined in the 2016 Sculley Employment Agreement), then Mr. Sculley shall, at the Company's sole discretion, be entitled to the lesser of (i) the total amount of his base salary that remains unpaid under the 2016 Sculley Employment Agreement, which shall be paid monthly, or (ii) monthly salary payments for 12 months, based on Mr. Sculley's monthly rate of base salary at the date of such termination, provided, however in lieu of the aforementioned monthly payments, the Company may in its sole discretion pay such payments in a lump-sum. Pursuant to the 2016 Sculley Employment Agreement, payment by the Company of the foregoing severance amounts is contingent upon Mr. Sculley's executing a release agreement substantially in the form attached as an exhibit to the 2016 Sculley Employment Agreement, and such release becoming effective, and only so long as Mr. Sculley does not revoke or breach the provisions of the such release or the restrictive covenants set forth in Sections 4 and 5 of the 2016 Sculley Employment Agreement.

Table of Contents

Pursuant to the 2016 Sculley Employment Agreement, Mr. Sculley shall also be entitled to: (i) payment for accrued and unused vacation; (ii) the immediate vesting of any non-vested equity-related instruments granted pursuant to Section 2.6 of the 2016 Sculley Employment Agreement; and (iii) any bonuses which have accrued but remain unpaid prior to the date of Mr. Sculley's termination.

The Company also agreed to amend any equity-related instruments granted to Mr. Sculley to permit the full exercise thereof following the termination of his employment without Cause, because of Disability (as defined in the 2016 Sculley Employment Agreement) or death and to amend any equity-related instruments granted to him to permit the immediate full vesting and exercise thereof at any time after termination of Mr. Sculley's employment without Cause or because of Disability or death, to the same extent as though Mr. Sculley's employment had not terminated. Mr. Sculley or his personal representative may accept either or both of such offers at any time before such equity-related instruments otherwise expire by giving written notice to the Company.

The term of the 2016 Sculley Employment Agreement expired on December 31, 2018. Mr. Sculley's employment agreement for 2019 is currently under negotiation and has not yet been completed. Mr. Sculley and the Company have agreed that the Company will continue to pay Mr. Sculley pursuant to the terms of the 2016 Sculley Employment Agreement until the new agreement can be completed. In the interim the Company and Mr. Sculley have entered into a Change in Control Agreement and a Strategic Bonus Agreement. See "Change in Control Agreements" and "Strategic Bonus Agreements" below. Mr. Sculley's new employment agreement is expected to be substantially the same as the 2016 Sculley Employment Agreement, save for those matters now covered by Mr. Sculley's Change in Control Agreement and Mr. Sculley's Strategic Bonus Agreement.

Offer Letter with Jeffrey P. Lucas

On September 10, 2015, the Company and Jeffrey P. Lucas entered into an offer letter. Mr. Lucas's current base salary is \$400,000 and he is eligible for an annual incentive bonus targeted at 20% of his base salary. In the event that Mr. Lucas's employment is terminated by the Company for any reason other than for unsatisfactory performance or gross misconduct, he will receive severance equal to six months his salary at the time of termination, subject to his execution of a separation and release agreement, in form and substance acceptable to the Company.

Change in Control Agreements

On November 8, 2017 and April 29, 2019, respectively, we entered into Change in Control Agreements (the "Change in Control Agreements") with Amalkumar Ghosh and Jeffrey P. Lucas, and Andrew G. Sculley (each an "Executive"). The Change in Control Agreements provide that if, within the 12-month period following a Change in Control of the Company (as defined in the Change in Control Agreements), the Executive suffers a Terminating Event (as defined below), he will be entitled to receive a lump sum cash payment in an amount equal to the Executive's annual base salary in effect immediately prior to the Terminating Event (or the Executive's annual base salary in effect immediately prior to the Change in Control, if higher), payable in a lump sum within 60 days of the termination date, provided that the Executive executes and does not revoke a separation agreement and release in favor of us. In addition, if the Executive was participating in our group health plan immediately prior to termination and elects COBRA health continuation, then we will pay the Executive a monthly cash payment for 12 months or the Executive's COBRA health continuation period, whichever ends earlier, in an amount equal to the monthly employer contribution that we would have made to provide health insurance to the Executive if he had remained employed by us.

Edgar Filing: EMAGIN CORP - Form 10-K/A

A Terminating Event shall be deemed to have occurred under the Change in Control Agreements if the Executive (i) is terminated by us other than for Cause (as defined in the Change in Control Agreements), death or Disability (as defined in the Change in Control Agreements) or (ii) terminates his employment with the Company for Good Reason (as defined in the Change in Control Agreements).

Mr. Ghosh's and Mr. Lucas' Change in Control Agreements became effective as of November 8, 2017 and Mr. Sculley's Change in Control Agreement became effective April 29, 2019. Each of the agreements terminate upon the earliest of (a) the termination of the Executive's employment for any reason prior to a Change in Control, (b) the termination of the Executive's employment with the Company after a Change in Control for any reason other than the occurrence of a Terminating Event or (c) the date which is 12 months after a Change in Control if the Executive is still employed by the Company.

The foregoing description is a summary of the Change in Control Agreements and should be read in conjunction with the full text of the form of Change in Control Agreement which is attached to this Amendment No. 1 as Exhibit 10.1 and is incorporated herein by reference.

Strategic Bonus Agreements

On April 30, 2019, we entered into strategic bonus agreements (the Strategic Bonus Agreements) with Andrew G. Sculley, Amalkumar Ghosh and Jeffrey P. Lucas (each, an Recipient). The Strategic Bonus Agreements provide that, in the event of a Change in Control (as defined in the Strategic Bonus Agreements), which definition requires that the parties enter into a definitive agreement with respect to the Change in Control and that the Change in Control close on or before December 31, 2019, the Recipient will be entitled to

Table of Contents

receive a cash bonus equal to \$200,000, if (i) the Recipient remains continuously employed by us through the date that is 120 days after the closing of the Change in Control (the "Change in Control Bonus Date") or (ii) the Recipient experiences a Terminating Event (as defined below and in the Strategic Bonus Agreements) within 30 days prior to but in connection with the Change in Control or following the Change in Control but prior to the Change in Control Bonus Date, provided that, the Recipient enters into and complies with a separation and release agreement in a form provided by us. A Terminating Event will be deemed to have occurred under the Strategic Bonus Agreements if the Recipient's employment with us is terminated (i) by us other than for Cause (as defined in the Strategic Bonus Agreements), (ii) by the Recipient for Good Reason (as defined in the Strategic Bonus Agreements), (iii) due to the Recipient's Disability (as defined in the Strategic Bonus Agreements), or (iv) due to the Recipient's death.

The foregoing description is a summary of the Strategic Bonus Agreements and should be read in conjunction with the full text of the form of Strategic Bonus Agreement which is attached to this Amendment No. 1 as Exhibit 10.2 and is incorporated herein by reference.

ITEM 13.**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE**

At the beginning of each calendar year, each member of our Board of Directors and each executive officer is required to complete an extensive questionnaire that we utilize when preparing our annual proxy statement, as well as our Annual Report on Form 10-K and other SEC filings. The purpose of the questionnaire is to obtain information from directors and executive officers to verify disclosures about them that are required to be made in these documents. Regarding related person transactions, the questionnaire serves two purposes: first, to remind each executive officer and director of their obligation to disclose any related person transactions in which they have or will have a direct or indirect material interest (or a transaction in which their family members or entities in which they hold an interest have a material interest) and in which we participate that in the aggregate exceed \$120,000 (related person transaction) that might arise in the upcoming year; and second, to ensure disclosure of any related person transaction that is currently proposed or that occurred since the beginning of the preceding year. When completing the questionnaire, each director and executive officer is required to report any such transaction, as well as any payments (including any non-cash payment) by anyone other than the Company or its subsidiaries for services performed for the Company or its subsidiaries. If a reported or proposed related person transaction is identified, the Audit Committee will review the relevant facts and circumstances, including if the transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party and the extent of the related person's interest in the transaction, take into account our Code of Business Conduct, and either approve, ratify or disapprove the related person transaction. The Audit Committee will also review the material terms of any agreements or arrangements between a director and any third party relating to compensation for services performed for the Company or its subsidiaries and direct that such arrangements be disclosed in the Company's annual proxy materials or other public reports as appropriate.

Pursuant to the Line Letter Agreement, the Company may borrow up to \$2 million for general working capital purposes and up to an additional \$3 million should the Company's primary lender not provide borrowing availability under its normal terms and conditions (the "Line"). This agreement expired on May 23, 2017 upon the completion of a qualifying financing.

As additional consideration for the Line, the Company paid Stillwater a non-refundable origination fee of \$50,000 and issued warrants to Stillwater to purchase up to 100,000 shares of the Company's common stock at an exercise price of \$2.25 per

Director Independence

The Board of Directors has determined that each of our current directors, except for Mr. Sculley, is an independent director as that term is defined in the listing standards of the NYSE American, LLC. The Board of Directors has also determined that each member of the Audit Committee, Compensation Committee and Governance and Nominating Committee meets the independence standards applicable to those committees prescribed by the NYSE American, LLC and the SEC. In making this decision, the Board considered all relationships between the Company and the directors. The Board determined each such relationship, and the aggregate of such relationships, to be immaterial to the applicable director's ability to exercise independent judgment.
