Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On December 11, 2015, the Board of Directors of S&W Seed Company, a Nevada corporation (the "Company") approved an amendment to Section 10.13 of its Amended and Restated Bylaws, under the terms of which the Company elected to not be governed by and to otherwise broadly opt out of the provisions of Sections 78.378 - 78.3793 of the Nevada Revised Statutes (the "Control Share Statute"), which relate to the acquisition of a controlling interest in a Nevada corporation. The prior language of Section 10.13 opted out of the Control Share Statute with respect to a specific transaction. Although the Control Share Statute does not currently apply to the Company, it was deemed to be in the best interests of the Company and the stockholders to broadly opt out of the statute in the event it were to become applicable in the future. At such time as the Control Share Statute becomes applicable to the Company, if ever, by virtue of the amended bylaw provision, the voting rights of persons who may consider acquiring more than 20% of the Company's outstanding shares, will not be restricted, and the statutory procedures that would otherwise be required of such persons in order to protect their voting rights will not be required. The amendment was incorporated into a Second Amended and Restated Bylaws, which contains no other amendments but serves to consolidate this and prior amendments into a single set of bylaws.

The foregoing description of the Company's Second Amended and Restated Bylaws of the Company does not purport to be complete and is qualified in its entirety by reference to the full text of the Second Amended and Restated Bylaws of the Company, a copy of which is attached hereto as Exhibit 3.1 and is incorporated herein by reference.
