ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

Effective January 6, 2006, Apollo Gold Corporation (the “Company”) pledged the Company’s Black Fox Property (as defined below) to The Canada Trust Company (the “Secured Party”) as substitute collateral for the Company’s US\$8.73 million principal amount Series B Convertible Debentures issued on November 4, 2004 (the “Debentures”), which were previously secured by US\$11.0 million cash (the “Substitution”). The Secured Party is the trustee for the holders of the Debentures (the “Debentureholders”) pursuant to the Trust Indenture dated November 4, 2004, as amended by the First Supplemental Indenture dated December 13, 2004 (the “Indenture”).

In connection with the Substitution, the Company entered into a General Security Agreement (the “GSA”) in favor of the Secured Party as of January 4, 2006. The terms of the GSA are summarized below:

- **Security Interest.** The performance by the Company of its obligations under the Indenture and the Debentures is secured by a security interest in all of the Company’s present and future undertaking, property, both real and personal, and assets located on or related to or used in connection with the Black Fox Property, as defined below (the “Collateral”). Black Fox Property has the meaning given to such term in the GSA.
- **Covenants.** The GSA contains certain customary covenants that, among other things, limit the Company’s ability to create liens or otherwise encumber the Collateral without the prior written consent of the Secured Party.
- **Events of Default.** The GSA contains customary events of default, including, without limitation, failure to make required payments, failure to comply with certain agreements or covenants, and certain events of bankruptcy and insolvency. Pursuant to the GSA, and subject to the terms in the GSA and the Indenture, in the event of default, the Secured Party may declare the principal of an interest on the Debentures then outstanding and any other moneys payable under the GSA to be immediately due and payable together with any interest.

The foregoing description is qualified in its entirety by reference to the GSA and the Indenture, which are incorporated by reference hereto as Exhibits 10.1 and 10.2, respectively to this Current Report on Form 8-K.

The disclosure in Item 3.03 is incorporated into this Item 1.01.

2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.

The disclosure in Items 1.01 and 3.03 are incorporated into this Item 2.03.

3.03 MATERIAL MODIFICATION TO RIGHTS OF SECURITY HOLDERS.

Pursuant to a letter from the Company to each of the holders of the Debentures dated December 19, 2005 (the “Reduction Letter”), the Company agreed to reduce the exercise price on 5,013,600 of the special note warrants attached to the Debentures (the “Special Note Warrants”) from US\$0.80 to US\$0.40, subject to the completion of the Substitution. Each of the Special Note Warrants is exercisable into one Company common share. The reduction in the exercise price is effective January 16, 2006 and applies to all warrants attached to the Debentures except for those held by the Company’s insiders, which remain exercisable into one Company common share at US\$0.80 per share. All other terms related to the Debentures, including the conversion price, remain the same. The Reduction Letter and the Form of Amendment to Warrants to Purchase Common Shares are incorporated herein by reference and are attached to this Current Report on Form 8-K as Exhibits 10.3 and 4.1, respectively.
