Item 1.01 Entry into a Material Definitive Agreement

On November 20, 2007, General Moly, Inc. (the “Company”) entered into an Amendment to Lease Agreement (the “Amendment”) with Mount Hope Mines, Inc. (“MHMI”). The Amendment amends and clarifies certain terms and provisions of the Lease Agreement, dated as of October 19, 2005, by and between the Company and MHMI and pertaining to the lease of the Mount Hope property (as amended, the “Mount Hope Lease”). Among other things, the Amendment:

- Provides for an allocation between the Company and MHMI of the potential economic costs of any federal royalty imposed by amendments to the General Mining Law of 1872.
- Increases the minimum molybdenum production royalty payable to MHMI from twenty cents (\$0.20) per pound to twenty-five cents (\$0.25) per pound and increases the minimum production royalty percentage by one half of one percent (0.5%) when the price received for molybdenum is less than fifteen dollars (\$15.00) per pound. The Amendment does not change the specified production royalty percentage under the Mount Hope Lease for molybdenum when the price received is equal to or greater than fifteen dollars (\$15.00) per pound.
- Clarifies the Company’s right to enter into agreements for the presale of molybdenum products from the Mount Hope property and sets forth MHMI’s participation rights with respect to such agreements.
- Provides for a production royalty of ten cents (\$0.10) per pound payable to MHMI for molybdenum produced from the Company’s Hall-Tonopah Project in the event the Company elects not to proceed with the Mount Hope Project, but decides to maintain the Mount Hope Lease. The Hall-Tonopah Project production royalty payments shall not exceed or be in addition to amounts which are otherwise payable as periodic and advance royalty payments under the Mount Hope Lease and are recoupable from the production royalty payable to MHMI from the Mount Hope property in accordance with the Mount Hope Lease. The Hall-Tonopah Project production royalty payment provisions in the Mount Hope Lease terminate upon commencement of commercial production at the Mount Hope property or termination of the Mount Hope Lease.
- Clarifies other miscellaneous provisions of the Mount Hope Lease, including the dates the periodic and advance royalty payments are due, the events requiring periodic payments, the parties’ treatment of property in the vicinity of the Mount Hope Project that has been acquired by the Company, the Company’s right to enter into joint venture or joint operating agreements with third parties for the advancement of the Mount Hope Project, and the Company’s right to conduct custom roasting of molybdenum from other properties at the Mount Hope property without payment to MHMI.
