TO HOLDERS OF FARMER MAC
VOTING COMMON STOCK

April 27, 2009

Dear Farmer Mac Stockholder:

The Board of Directors of the Federal Agricultural Mortgage Corporation (“Farmer Mac” or the “Corporation”) is pleased to invite you to attend the 2009 Annual Meeting of Stockholders of the Corporation to be held on Thursday, June 4, 2009, at 8:00 a.m. local time at the Embassy Suites Hotel, 1250 Twenty-Second Street, N.W., Washington, D.C. 20037. The Notice of Annual Meeting and Proxy Statement accompanying this letter describe the business to be transacted at the meeting.

We hope you will be able to attend the meeting and suggest you read the enclosed Notice of Annual Meeting and Proxy Statement for information about your Corporation and the Annual Meeting of Stockholders. We have also enclosed Farmer Mac’s 2008 Annual Report. Although the report is not proxy soliciting material, we suggest you read it for additional information about your Corporation. Please complete, sign, date and return a proxy card at your earliest convenience to help us establish a quorum and avoid the cost of further solicitation. The giving of your proxy will not affect your right to vote your shares personally if you do attend the meeting. If you plan to attend the meeting, please so indicate on the enclosed proxy card.

Sincerely,

Lowell L. Junkins
Acting Chairman of the Board

FEDERAL AGRICULTURAL MORTGAGE CORPORATION

NOTICE OF ANNUAL MEETING

April 27, 2009

Notice is hereby given that the 2009 Annual Meeting of Stockholders of the Federal Agricultural Mortgage Corporation ("Farmer Mac" or the "Corporation") will be held on Thursday, June 4, 2009, at 8:00 a.m. local time at the Embassy Suites Hotel, 1250 Twenty-Second Street, N.W., Washington, D.C. 20037.

As described in the attached Proxy Statement, the meeting will be held for the following purposes:

- to elect ten directors, five of whom will be elected by holders of Class A Voting Common Stock and five of whom will be elected by holders of Class B Voting Common Stock, to serve until the next annual meeting of stockholders and until their respective successors are elected and qualified;
- to ratify the selection by the Audit Committee of Deloitte & Touche LLP as the Corporation's independent auditors for fiscal year 2009; and
- to consider and act upon any other business that may properly be brought before the meeting or any adjournment or postponement of the meeting.

Please read the attached Proxy Statement for complete information on the matters to be considered and acted upon.

Eligible holders of record of the Corporation's Class A Voting Common Stock and Class B Voting Common Stock at the close of business on April 15, 2009 are entitled to notice of and to vote at the meeting and any adjournment(s) of the meeting.

For at least ten days prior to the meeting, a list of Farmer Mac stockholders will be available for examination by any stockholder for any purpose germane to the meeting at the offices of the Corporation between the hours of 9:00 a.m. and 5:00 p.m. local time.

Whether you intend to be present at the meeting or not, please complete the enclosed proxy card, date and sign it exactly as your name appears on the card and return it in the postage prepaid envelope. This will ensure the voting of your shares if you do not attend the meeting. Giving your proxy will not affect your right to vote your shares personally if you do attend the meeting. **THIS PROXY IS SOLICITED BY THE BOARD OF DIRECTORS OF THE CORPORATION.**

By order of the Board of Directors,

Jerome G. Oslick
Corporate Secretary

PROXY STATEMENT
For the Annual Meeting of Stockholders
to be held on June 4, 2009

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of the Federal Agricultural Mortgage Corporation (“Farmer Mac” or the “Corporation”) of proxies from the holders of the Corporation’s Class A Voting Common Stock and Class B Voting Common Stock (together, the “Voting Common Stock”). The Corporation is not soliciting proxies from the holders of its Class C Non-Voting Common Stock. The proxies will be voted at the 2009 Annual Meeting of Stockholders of the Corporation (the “Meeting”), to be held on Thursday, June 4, 2009, at 8:00 a.m. local time, at the Embassy Suites Hotel, 1250 Twenty-Second Street, N.W., Washington, D.C. 20037, and at any adjournments or postponements of the Meeting. The Notice of Annual Meeting, this Proxy Statement and the enclosed proxy card are being mailed to stockholders on or about April 27, 2009.

The Board of Directors of the Corporation (the “Board of Directors” or “Board”) will present for a vote at the Meeting the election of ten members to the Board and the ratification of the appointment of Deloitte & Touche LLP as independent auditors for the Corporation for fiscal year 2009. The Board is not aware of any other matter to be presented for a vote at the Meeting.

Important Notice Regarding the Availability of Proxy Materials for Farmer Mac’s Annual Meeting of Stockholders to be held on June 4, 2009: the Proxy Statement, sample proxy cards and Farmer Mac’s 2008 Annual Report are available at www.farmermac.com/investors/annualmeeting/.

Voting Rights

One of the purposes of the Meeting is to elect ten members to the Board of Directors. Title VIII of the Farm Credit Act of 1971, as amended (the “Act”), provides that the Corporation’s Class A Voting Common Stock may be held only by banks, insurance companies and other financial institutions or entities that are not Farm Credit System institutions. The Act also provides that the Corporation’s Class B Voting Common Stock may be held only by Farm Credit System institutions. Holders of Voting Common Stock who are not eligible holders of that stock should dispose of their ownership of such stock to eligible holders. Farmer Mac has the right, but not the obligation, to repurchase shares of Voting Common Stock from ineligible holders for book value.

The Act provides that five of the directors will be elected by a plurality of the votes of the holders of the Class A Voting Common Stock (the “Class A Holders”), and five of the directors will be elected by a plurality of the votes of the holders of the Class B Voting Common Stock (the “Class B Holders”). The remaining five members of the Board are appointed by the President of the United States, with the advice and consent of the United States Senate. Michael A. Gerber, a director of Farmer Mac, was appointed Acting President and Chief Executive Officer as of September 30, 2008 and President and Chief Executive Officer as of March 1, 2009. Mr. Gerber is not a nominee for re-election at the Meeting. No other director is or has been an officer or employee of the Corporation. Currently, twelve of Farmer Mac’s fourteen directors are “independent,” as defined in Farmer Mac’s Corporate Governance Guidelines, Securities and Exchange Commission (“SEC”) rules and New York Stock Exchange (“NYSE”) listing standards. After the Meeting, assuming all of the nominees for director are elected, thirteen of Farmer Mac’s fourteen directors will be

independent. See “Director Independence” for more information regarding the Board’s independence determinations.

Record Date

The Board of Directors has fixed April 15, 2009 as the record date for the determination of stockholders entitled to receive notice of and to vote at the Meeting. At the close of business on that date, there were issued and outstanding 1,030,780 shares of Class A Voting Common Stock and 500,301 shares of Class B Voting Common Stock, which constitute the only outstanding capital stock of the Corporation entitled to vote at the Meeting. See "Principal Holders of Voting Common Stock."

Voting

The holders of Farmer Mac's Voting Common Stock are entitled to one vote per share, with cumulative voting at all elections of directors. Under cumulative voting, each stockholder is entitled to cast the number of votes equal to the number of shares of the class of Voting Common Stock owned by that stockholder, multiplied by the number of directors to be elected by that class. All of a stockholder's votes may be cast for a single candidate for director or may be distributed among any number of candidates. Class A Holders are entitled to vote only for the five directors to be elected by Class A Holders, and Class B Holders are entitled to vote only for the five directors to be elected by Class B Holders. Other than the election of directors, the Class A Holders and Class B Holders vote together as a single class on any matter submitted to a vote of the holders of Voting Common Stock.

The presence, in person or by proxy, of the holders of at least a majority of the Corporation's outstanding Voting Common Stock is required to constitute a quorum at the Meeting. Thus, 765,541 shares of Voting Common Stock must be represented by stockholders present at the Meeting or by proxy to have a quorum.

Proxy Procedure

Any Farmer Mac stockholder who is unable to attend the Meeting in person will be afforded the right to vote by means of the proxy solicited by the Board of Directors. When a proxy is returned properly completed and signed, the shares it represents must be voted by the Proxy Committee (described below) as directed by the stockholder. Stockholders are urged to specify their choices by marking the appropriate boxes on the enclosed proxy card. A stockholder may withhold a vote from one or more nominees by filling in the circle next to the names of those nominees in the space provided on the proxy card. Under those circumstances, unless other instructions are given in writing, the stockholder's votes will then be cast evenly among the remaining nominees for its class. Stockholders who intend to cumulate their votes for one or more nominee(s) are urged to read the instructions on the proxy card and to indicate the manner in which votes shall be cumulated in the space to the right of the nominee name(s) on the proxy card. The five nominees from each class who receive the greatest number of votes will be elected directors. If one or more of the nominees becomes unavailable for election, the Proxy Committee will cast votes under the authority granted by the enclosed proxy for such substitute or other nominee(s) as the Board of Directors may designate. If no instructions are indicated on the proxies, the proxies represented by the Class A Voting Common Stock will be voted in favor of the five nominees specified in this Proxy Statement as Class A nominees, with the votes being cast evenly among each of the Class A nominees, and the proxies represented by the Class B Voting Common Stock will be voted in favor of the five nominees specified in this Proxy Statement as Class B nominees, with the votes being cast evenly among each of the Class B nominees.

Shares of Voting Common Stock represented by proxies marked “Abstain” for any proposal presented at the Meeting (other than the election of directors) will be counted for purposes of determining the presence of a quorum but will not be voted for or against such proposal. If a proposal involves a vote for which a broker (or its nominee) may only vote a customer’s shares in accordance with the customer’s instructions and the broker (or its nominee) does not vote those shares due to a lack of instructions, the votes represented by those shares and delivered to the Corporation (“broker non-votes”) will be counted as shares present at the Meeting for purposes of determining whether a quorum is present but will not be voted for or against such proposal. Abstentions and broker non-votes (if applicable) will have the effect of a vote against such proposals (except with respect to the election of directors). Because only a plurality is required for the election of directors, abstentions and broker non-votes (if applicable) will have no effect on the election of directors.

Execution of a proxy will not prevent a stockholder from attending the Meeting, revoking a previously submitted proxy and voting in person. Any stockholder who gives a proxy may revoke it at any time before it is voted by notifying the Corporate Secretary in writing on a date later than the date of the proxy, by submitting a later dated proxy, or by voting in person at the Meeting. Mere attendance at the Meeting, however, will not constitute revocation of a proxy. Written notices revoking a proxy should be sent to Jerome G. Oslick, Corporate Secretary, Federal Agricultural Mortgage Corporation, 1133 Twenty-First Street, N.W., Suite 600, Washington, D.C. 20036.

The Proxy Committee is composed of three officers of the Corporation—Timothy L. Buzby, Jerome G. Oslick and Tom D. Stenson—and will vote all shares of Voting Common Stock represented by proxies signed and returned by stockholders in the manner specified. The Proxy Committee will also vote the shares represented thereby in accordance with its members’ best judgment on any matters not known at the time this Proxy Statement was printed that may properly be presented for action at the Meeting.

Stockholder Proposals

Each year, at the annual meeting, the Board of Directors submits to the stockholders its nominees for election as Class A and Class B directors. In addition, the Audit Committee’s selection of independent auditors for the year is submitted for stockholder ratification at each annual meeting, pursuant to the Corporation’s Amended and Restated By-Laws (the “By-Laws”). The Board of Directors may, in its discretion and upon proper notice, also present other matters to the stockholders for action at the annual meeting. In addition to those matters presented by the Board of Directors, the stockholders may be asked to act at the annual meeting upon proposals timely submitted by eligible holders of Voting Common Stock.

Proposals of stockholders to be presented at the Meeting were required to be received by the Corporate Secretary before December 25, 2008 for inclusion in this Proxy Statement and the accompanying proxy. Other than the election of ten members to the Board of Directors and the ratification of the appointment of Deloitte & Touche LLP as independent auditors for the Corporation for fiscal year 2009, the Board of Directors knows of no other matters to be presented for action at the Meeting. If any other matters are properly brought before the Meeting or any adjournment or postponement of the Meeting, the Proxy Committee intends to vote proxies in accordance with its members’ best judgment.

If any stockholder eligible to do so intends to present a proposal for consideration at the Corporation's 2010 Annual Meeting of Stockholders, the Corporate Secretary must receive the proposal before December 29, 2009 to be considered for inclusion in the 2010 Proxy Statement. Proposals should be sent to Jerome G. Oslick, Corporate Secretary, Federal Agricultural Mortgage Corporation, 1133 Twenty-First Street, N.W., Suite 600, Washington, D.C. 20036. In addition, if any stockholder notifies the Corporation after March 1, 2010 of an intent to present a proposal at the Corporation's 2010 Annual Meeting of Stockholders, the Corporation's proxy holders will have the right to exercise discretionary voting authority with respect to that proposal, if presented at the meeting, without the Corporation including information regarding the proposal in its proxy materials.

Communications with the Board

Stockholders and other interested parties may communicate directly with members of the Board of Directors by writing to them at Federal Agricultural Mortgage Corporation, 1133 Twenty-First Street, N.W., Suite 600, Washington, D.C. 20036.

Board of Directors Meetings and Committees

In 2008, the Board of Directors held a total of nineteen meetings. Each member of the Board attended 75 percent or more of the aggregate number of meetings of the Board of Directors and of the committees on which he or she served during 2008. As Acting Chairman of the Board, Lowell L. Junkins presides over all meetings of the Board of Directors, including regularly scheduled executive sessions of the Board in which members of management do not participate. All members of the Board of Directors are expected to attend the Annual Meeting of Stockholders, which is held in conjunction with a regularly scheduled meeting of the Board of Directors. Fourteen members of the Board of Directors at the time of the 2008 Annual Meeting of Stockholders attended that meeting.

The Board has established seven standing committees to assist it in the performance of its responsibilities. The committees currently consist of the following: Audit Committee, Compensation Committee, Corporate Governance Committee, Credit Committee, Finance Committee, Marketing Committee and Public Policy Committee. Each director serves on at least one committee. See "Class A Nominees," "Class B Nominees" and "Directors Appointed by the President of the United States" for information regarding the committees on which directors serve. The Audit Committee and the Compensation Committee met twelve times and nine times, respectively, during 2008. The Corporate Governance Committee, which selects nominees for election to the Board of Directors, approves corporate governance policies for the Corporation, sets agendas for the meetings of the Board of Directors and is able to exercise certain powers of the Board of Directors during the intervals between meetings of the Board, met seventeen times during 2008. The Credit Committee, which is responsible for reviewing and approving all policy matters relating to changes to the Corporation's Seller/Service Guide and making recommendations to the Board of Directors on agricultural credit matters, met five times during 2008. The Finance Committee, which is responsible for determining the financial policies of the Corporation and managing the Corporation's financial affairs, met twelve times during 2008. The Marketing Committee, which is responsible for the development and monitoring of the Corporation's programs and marketing plan, met five times during 2008. The Public Policy Committee, which considers matters of public policy referred to it by the Board of Directors such as the Corporation's relationship with and policies regarding borrowers, Congress and governmental agencies and conflicts of interest, met six times during 2008. In addition to the standing committees, on September 30, 2008, the Board of Directors established the Executive Committee as an ad hoc committee to exercise the powers of the Board of Directors in the management of the Corporation's business and affairs when the Board is not in session. The Executive Committee met four times during 2008. See "Item No. 1: Election of Directors," "Executive Compensation Governance" and "Report of the Audit Committee" and "Item No. 2: Selection of Independent Auditors" for information regarding the Corporate Governance Committee, the Compensation Committee and the Audit Committee, respectively.

Code of Business Conduct and Ethics

Farmer Mac has adopted a code of business conduct and ethics (the “Code”) that applies to all directors, officers, employees and agents of Farmer Mac, including the Corporation’s principal executive officer, principal financial officer and principal accounting officer. A copy of the Code is available on Farmer Mac’s website, www.farmermac.com, in the “Corporate Governance” portion of the “Investors” section. Farmer Mac will post any amendment to, or waiver from, a provision of the Code in that same location on its website. A print copy of the Code is available free of charge upon written request to Jerome G. Oslick, Corporate Secretary, Federal Agricultural Mortgage Corporation, 1133 Twenty-First Street, N.W., Suite 600, Washington, D.C. 20036.

Item No. 1: Election of Directors

At the Meeting, ten directors will be elected for one-year terms. The Act provides that five of the directors will be elected by a plurality of the votes of the Class A Holders, and five of the directors will be elected by a plurality of the votes of the Class B Holders. Nine of the Class A and Class B nominees currently are members of the Board of Directors. The directors elected by the Class A Holders and the Class B Holders will hold office until the Corporation’s 2010 Annual Meeting of Stockholders, or until their respective successors have been duly elected and qualified.

The Act further provides that the President of the United States will appoint five members to the Board of Directors with the advice and consent of the United States Senate (the “Appointed Members”). The Appointed Members serve at the pleasure of the President of the United States. The Board of Directors, after the election at the Meeting, will consist of the four Appointed Members named under “Directors Appointed by the President of the United States” below (or such other Appointed Members as may be appointed by the President and confirmed by the Senate between April 27, 2009 and June 4, 2009) and the ten members who are elected by the holders of Farmer Mac’s Voting Common Stock.

To facilitate the selection of director nominees, the Board of Directors utilizes a Corporate Governance Committee that under the By-Laws is to be comprised of two members of the Board appointed by the President of the United States (one of whom serves as the chairman of the Committee) and two representatives from each of the Corporation’s two elected classes of directors. Only one representative from the Class B directors currently serves on the Committee due to the recent resignation of Paul A. DeBriyn from the Committee. Mr. DeBriyn was determined to no longer be “independent” of Farmer Mac as described in more detail in “Director Independence.” The current members of the Corporate Governance Committee are: Appointed Members Messrs. Junkins and Klippenstein; Class A directors Messrs. Brack and Engebretsen; and Class B director Mr. Raines. As described in more detail in “Director Independence,” the Board has determined that all the current members of the Corporate Governance Committee are “independent,” as defined in Farmer Mac’s Corporate Governance Guidelines, SEC rules and NYSE listing standards. The Corporate Governance Committee Charter and Farmer Mac’s Corporate Governance Guidelines are available on Farmer Mac’s website, www.farmermac.com, in the “Corporate Governance” portion of the “Investors” section. Print copies of the Corporate Governance Committee Charter and Farmer Mac’s Corporate Governance Guidelines are available free of charge upon written request to Jerome G. Oslick, Corporate Secretary, Federal Agricultural Mortgage Corporation, 1133 Twenty-First Street, N.W., Suite 600, Washington, D.C. 20036.

The Board has adopted a policy statement on directors that expresses the general principles that should govern director selection and conduct, which the Corporate Governance Committee uses in identifying and evaluating potential candidates for director. The Corporate Governance Committee reviews, on an annual basis, the appropriate skills and characteristics required of Board members in the context of the perceived needs of the Board at that point in time. The Committee strives to identify and retain as members of the Board individuals who have the qualities, business background and experience that will enable them to contribute significantly to the development of Farmer Mac's business and its future success. The Board has determined that its elected members should be comprised of individuals with a variety of business backgrounds and experiences who are deemed to have a broad perspective and good record of accomplishment either as senior members of agricultural business management, as agricultural or commercial lenders, as accountants or auditors, or as entrepreneurs. The Board has also determined that it is desirable to have qualified women and minority representation on the Board. In selecting a nominee for director, the Corporate Governance Committee also considers an individual's character, judgment, fairness and overall ability to serve Farmer Mac. Thus, in addition to considering the current needs of the Board and the quality of an individual's professional background and experience, the Corporate Governance Committee seeks individuals who:

- have integrity, independence, and an inquiring mind; an ability to work with others; good judgment; intellectual competence; and motivation;
- have the willingness and ability to represent all stockholders' interests, and not just the particular constituency that elected the director to serve on the Board;
- have an awareness of, and a sensitivity to, the public purpose of Farmer Mac and a sense of responsibility to Farmer Mac's intended beneficiaries;
- are willing to commit the necessary time and energy to prepare for and attend Board and committee meetings;
- are willing and have the ability to advance their views and opinions in a forthright manner, but, upon the conclusion of deliberations, to act in the best interests of Farmer Mac, and, once a decision is reached by a majority, to support the decision; and
- with respect to directors elected by the Class B Holders, provide representation from each of the five Farm Credit System district banks.

The Corporate Governance Committee recommended five individuals to be considered for election as Class A nominees and five individuals to be considered for election as Class B nominees, and the Board of Directors has approved these recommendations. The individuals recommended by the Corporate Governance Committee are referred to collectively as the "Nominees." The Nominees will stand for election to serve for terms of one year each, or until their respective successors are duly elected and qualified. One of the ten Nominees, Brian P. Jackson, is not a current member of the Board standing for re-election. Mr. Jackson was recommended to the Corporate Governance Committee by CoBank, ACB, the holder of approximately 12.6 percent of the Class B Voting Common Stock. No fees were paid to any director search firms or other third parties to assist in identifying and evaluating the Nominees.

In identifying potential candidates for the Board, the Corporate Governance Committee considers suggestions from Board members, management, stockholders and others. From time to time, the Committee may retain a search firm to assist in identifying potential candidates and gathering information about the background and experience of such candidates. The Committee will consider all proposed nominees, including stockholder nominees, in light of the qualifications discussed above and the assessed needs of the Board at the time. For the 2010 Annual Meeting of Stockholders, the Corporate Governance Committee will consider nominees recommended by holders of Farmer Mac's Voting Common Stock, who may submit written recommendations by January 30, 2010 to Jerome G. Oslick,

Corporate Secretary, Federal Agricultural Mortgage Corporation, 1133 Twenty-First Street, N.W., Suite 600, Washington, D.C. 20036.

If any of the ten Nominees named below is unable or unwilling to stand as a candidate for the office of director on the date of the Meeting or at any adjournment or postponement thereof, the proxies received on behalf of such Nominee will be voted for such substitute or other nominee(s) as the Board of Directors may designate. The Board of Directors has no reason to believe that any of the Nominees will be unable or unwilling to serve if elected.

Information about Nominees for Director

Each of the Nominees has been principally employed in his or her current position for the past five years unless otherwise noted.

Class A Nominees

DENNIS L. BRACK, 56, has been a member of the Board of Directors of the Corporation since June 7, 2001 and serves as chairman of the Compensation Committee and as a member of the Corporate Governance Committee and the Credit Committee. Mr. Engebretsen is the Assistant Dean of the Marriott School of Management at Brigham Young University. He formerly served as the Managing Director of the Peery Institute of Financial Services at the Marriott School from 2004 to 2006. He joined the Marriott School with nearly fifteen years work experience at Lehman Brothers, JP Morgan, and Goldman Sachs in New York and Philadelphia. He left Goldman Sachs in 1995 to set up his own hedge fund, Associates Capital Management. He earned his MBA and BS in Economics from Brigham Young University.

DENNIS A. EVERSON, 58, has been a member of the Board of Directors of the Corporation since June 3, 2004 and serves as chairman of the Marketing Committee and as a member of the Finance Committee. Mr. Everson has been President and Manager of the First Dakota National Bank Agri-business Division since 2002. From 1984 until 2002, he was Vice President and Manager of the First Dakota National Bank Agri-business Division. From 2000 until 2002, Mr. Everson was a member of the Federal Home Loan Bank Committee of the American Bankers Association. During 1998, he served as Chairman of the Agricultural & Rural Bankers Committee of the American Bankers Association.

MITCHELL A. JOHNSON, 67, has been a member of the Board of Directors of the Corporation since June 12, 1997 and is a member of the Compensation Committee and the Finance Committee. Mr. Johnson is a private investor. He is also a Trustee of the Advisors' Inner Circle Funds, the Advisors' Inner Circle Funds II, The Bishop Street Funds and SEI Funds. Mr. Johnson formerly was President of MAJ Capital Management, Inc., an investment management firm that he founded in 1994 following his retirement from the Student Loan Marketing Association ("Sallie Mae"). During his 21 years with Sallie Mae, Mr. Johnson held numerous positions within that organization including, for the seven years preceding his retirement, Senior Vice President, Corporate Finance. He has been a trustee of Citizens Funds, Rushmore Funds and Diversified Funds. Mr. Johnson also served as a director of Eldorado Bankshares, Inc., Laguna Hills, California, the holding company for Eldorado and Antelope Valley Banks.

CLARK B. MAXWELL, 37, has been a member of the Board of Directors of the Corporation since June 5, 2008 and serves as a member of the Audit Committee and the Credit Committee. Mr. Maxwell has been a Senior Vice President at Chatham Financial Corp. since 2002, where he is the Director of Accounting Policy and Global Accounting Services. Chatham provides comprehensive interest rate and currency hedging expertise to hundreds of financial institutions, real estate companies, and other institutional clients. From 1998 to 2002, Mr. Maxwell was a Manager at Ernst & Young LLP, where he specialized in audits of financial institutions and served as a derivatives and hedging subject matter expert. Mr. Maxwell was a Postgraduate Technical Assistant at the Financial Accounting Standards Board from 1997 to 1998, where he worked on the development of Statement of Financial Accounting Standards No. 133, Accounting for Derivative Instruments and Hedging Activities. Mr. Maxwell is a Certified Public Accountant and a member of the AICPA. He received his BS, summa cum laude, and Masters in Accounting from Brigham Young University.

Class B Nominees

PAUL A. DEBRIYN, 54, has been a member of the Board of Directors of the Corporation since June 1, 2000. He serves as a member of the Finance Committee. Mr. DeBriyn has served as President and Chief Executive Officer of AgStar Financial Services, ACA (and its predecessor, Farm Credit Services of Southern Minnesota) since 1995. His appointment to the Board was confirmed by the United States Senate on June 3, 2003. Mr. Klippenstein has served as the Chief Executive Officer of the American Chianina Association since November 8, 2000. Prior to that time, he operated his family farm, engaged in cattle production. Mr. Klippenstein also served as a Missouri State Senator from 1993 to 1994.

In addition to the affiliations set forth above, the Nominees and Appointed Members are active in many local and national trade, commodity, charitable, educational and religious organizations.

Compensation of Directors

The directors are required to spend a considerable amount of time preparing for, as well as participating in, Board and committee meetings. In addition, they are often called upon for their counsel between meeting dates. For those services, each director receives the following compensation: (a) an annual retainer of \$20,000 (\$26,500 for the chairman of the Audit Committee, \$23,500 for the chairman of the Compensation Committee and \$30,000 for the Chairman of the Board); (b) \$1,000 per day, plus expenses, for each meeting of the Board and each committee meeting attended (if on a day other than that of the Board meeting); and (c) with the prior approval of the President of the Corporation or the Chairman of the Board (or the Chairman of the Compensation Committee in the case of a per diem for the Chairman of the Board), \$1,000 per day, plus expenses, for certain other meetings and conferences with borrowers, lenders or other groups. The total cash compensation received by all members of the Board of Directors in 2008 was approximately \$473,693.

Each year from June 13, 1997 through June 7, 2007, each Farmer Mac Board member was granted options to purchase shares of Class C Non-Voting Common Stock under the Corporation's 1997 Incentive Plan, with each grant occurring on the date of the Annual Meeting of Stockholders and with the option price being determined as of that date. On June 5, 2008, the date of the 2008 Annual Meeting of Stockholders, each Board member was granted 6,000 stock appreciation rights ("SARs") under the Corporation's 2008 Omnibus Incentive Compensation Plan, with an exercise price of the closing price of the Class C Non-Voting Common Stock that day. Those SARs had a fair value of \$838,800 at the grant date or \$9.32 per share. That value has been estimated using the Black-Scholes option pricing model with the following assumptions:

- a dividend yield of 2.2%;
- an expected volatility of 52.2%;
- a risk-free interest rate of 2.4%; and
- an expected life of four years.

On December 16, 2008, each of the directors voluntarily relinquished any rights they had in the SARs granted to them in 2008.

The following table sets forth the compensation received during 2008 by each current Board member:

Name	Fees Earned or Paid in Cash 1	Value of Option Awards 2,3	Total
Julia Bartling	\$ 36,000	\$ 33,377	\$ 69,377
Dennis Brack	39,500	33,377	72,877
Grace Daniel	35,000	33,377	68,377
Paul DeBriyn	47,500	33,377	80,877
James Engebretsen	21,429	-0-	21,429
Dennis Everson	35,000	33,377	68,377
Michael Gerber 4	29,000	14,765	43,765
Ernest Hodges 5	36,000	33,377	69,377
Mitchell Johnson	33,000	33,377	66,377
Lowell Junkins	49,407	33,377	82,784
Glen Klippenstein	35,000	33,377	68,377
Clark Maxwell	15,429	-0-	15,429
Brian O'Keane	15,429	-0-	15,429
John Dan Raines	46,000	33,377	79,377

1 Includes amounts the following directors voluntarily used to purchase, at market value, newly issued Class C Non-Voting Common Stock in lieu of receiving some or all of their retainers in cash: Paul DeBriyn (\$19,716); Dennis Everson (\$2,818); Michael A. Gerber (\$9,928); Glen Klippenstein (\$4,708); and John Dan Raines (\$7,431).

2 The valuation of the option awards follows Statement of Financial Accounting Standards ("SFAS") 123(R) and was determined based on applying the assumptions used in Note 9 to the financial statements on page 135 of Farmer Mac's Annual Report on Form 10-K for the year ended December 31, 2008. For each director, the amount is the sum of the values of the portions of the 2005, 2006, and 2007 option grants that vested in 2008 for compensation expense accrual purposes.

3 As of December 31, 2008, Messrs. Gerber and Hodges (through options he assigned to his employer) each had outstanding options to purchase 6,000 shares of Farmer Mac Class C Non-Voting Common Stock; Mr. Raines had outstanding options to purchase 10,800 shares of Farmer Mac Class C Non-Voting Common Stock; Mr. Everson had outstanding options to purchase an aggregate of 12,000 shares of Farmer Mac Class C Non-Voting Common Stock; Ms. Bartling and Mr. DeBriyn each had outstanding options to purchase an aggregate of 14,000 shares of Farmer Mac Class C Non-Voting Common Stock; Messrs. Brack, Johnson and Klippenstein each had outstanding options to purchase an aggregate of 18,000 shares of Farmer Mac Class C Non-Voting Common Stock; and Ms. Daniel and Mr. Junkins each had outstanding options to purchase an aggregate of 24,000 shares of Farmer Mac Class C Non-Voting Common Stock. As of December 31, 2008, none of Messrs. Engebretsen, Maxwell and O'Keane had any outstanding options to purchase shares of Farmer Mac Class C Non-Voting Common Stock.

4 Mr. Gerber forwent future director compensation upon being appointed Acting President and Chief Executive Officer on October 1, 2008.

5 Mr. Hodges assigns all equity compensation he receives from Farmer Mac to his employer.

Stock Ownership of Directors and Executive Officers

As of April 15, 2009, the members of the Board of Directors, Nominees for election as directors and executive officers of the Corporation listed in the table below might be deemed to be “beneficial owners” of the indicated number of equity securities of the Corporation, as defined by the rules of the SEC. The Corporation’s Voting Common Stock may be held only by banks, insurance companies and financial institutions and Farm Credit System institutions, and may not be held by individuals. Accordingly, no executive officer owns, directly or indirectly, any shares of any class of the Corporation’s Voting Common Stock. Furthermore, Appointed Members may not be officers or directors of financial institutions or Farm Credit System institutions and may not, directly or indirectly, own Voting Common Stock of the Corporation. There are no ownership restrictions on the Class C Non-Voting Common Stock. For information about the beneficial owners of 5 percent or more of the Voting Common Stock of the Corporation, see “Principal Holders of Voting Common Stock.”

Director Independence

The Board of Directors has adopted a formal set of standards to form the basis for determinations of director independence required by NYSE rules. To be considered “independent” for purposes of these standards, the Board must affirmatively determine that a director does not have a material relationship with Farmer Mac other than as a director of Farmer Mac. The Board broadly considers all relevant facts and circumstances in making an independence determination, including the following criteria, among others, in determining whether a director lacks a material relationship and therefore is “independent”:

- (a) the director is not and has not been employed by the Corporation within the past three years;
- (b) the director has not received more than \$120,000 per year in direct compensation from the Corporation, other than director and committee fees, within the past three years;
- (c) the director is not and has not been for the past three years a significant advisor or consultant to the Corporation, and is not affiliated with a company or a firm that is (revenue of the greater of 2 percent of the other company’s consolidated gross revenues or \$1 million is considered significant);
- (d) the director is not and has not been for the past three years a significant customer or supplier of the Corporation nor affiliated with a company or firm that is (revenue of the greater of 2 percent of the other company’s consolidated gross revenues or \$1 million is considered significant);
- (e) the director is not and has not been for the past three years employed by or affiliated with an internal or external auditor of the company that provided services to the Corporation within the past three years;
- (f) the director is not and has not been for the past three years employed by another company where any of the Corporation’s present executives serve on that company’s compensation committee;
- (g) the director is not a spouse, parent, sibling, child, mother- or father-in-law, son- or daughter-in-law or brother- or sister-in-law or any person (other than household employees) who shares a residence with any person described by (a) through (f);
- (h) the director is not and has not been for the past three years affiliated with a tax-exempt entity that received significant contributions from the Corporation (revenue of the greater of 2 percent of the entity’s consolidated gross revenues or \$1 million is considered significant); and
- (i) the director does not have any other relationships with the Corporation or the members of management of the Corporation that the Board has determined to be material not described in (a) through (h).

The criteria, which are included in Farmer Mac’s Corporate Governance Guidelines available on the Corporation’s website, www.farmermac.com, in the “Corporate Governance” portion of the “Investors” section, meet all requirements for director independence contained in SEC and NYSE rules.

In April 2009, the Board considered all direct and indirect transactions and relationships between each director (either directly or as a partner, stockholder, officer or director of an entity that has a business relationship with Farmer Mac) and the Corporation and its management to determine whether any such transactions or relationships were inconsistent with a determination that the director is independent. As a result of its review, the Board affirmatively determined that each of the following current directors meets the criteria for director independence set forth above and, therefore, is independent: Julia Bartling, Dennis L. Brack, Grace T. Daniel, James R. Engebretsen, Dennis A. Everson, Ernest M. Hodges, Mitchell A. Johnson, Lowell L. Junkins, Glen O. Klippenstein, Clark B. Maxwell, Brian J. O'Keane and John Dan Raines. During the same review, the Board determined that current directors Paul A. DeBriyn and Michael A. Gerber were not independent of Farmer Mac for the reasons described in more detail below. The Board has also determined that Brian P. Jackson, the only Nominee who is not a current member of the Board, meets the criteria for director independence.

In applying the criteria for director independence set forth above, Mr. DeBriyn was determined to have a material relationship with Farmer Mac, and therefore not to be independent, by virtue of Farmer Mac's payment of approximately \$53.2 million to AgStar Financial Services, ACA, ("AgStar") for the purchase of five participation interests in defaulted loans secured by ethanol facilities under the long-term standby purchase commitment ("LTSPC") between AgStar and Farmer Mac. In addition, during 2008, Farmer Mac paid to AgStar approximately \$1.9 million in fees for servicing loans owned by Farmer Mac and approximately \$0.3 million for the purchase of a newly originated loan. Mr. DeBriyn is the President and CEO of AgStar. The total amount paid to AgStar by Farmer Mac in 2008 (approximately \$55.4 million) was approximately 15.7 percent of AgStar's consolidated gross revenues for 2008 (approximately \$353.1 million), which exceeded the 2 percent threshold used to determine whether an entity affiliated with a director is a significant customer of the Corporation.

Mr. Gerber is not an "independent director" because he has served as Farmer Mac's President and Chief Executive Officer since March 1, 2009 and was Farmer Mac's Acting President and Chief Executive Officer between September 30, 2008 and February 28, 2009. Mr. Gerber is not a nominee for re-election to the Board at the Meeting.

In determining that Mr. Jackson and each of the other current directors other than Messrs. DeBriyn and Gerber is independent, the Board considered that because financial institutions are required to own Voting Common Stock to participate in Farmer Mac's programs, transactions often occur in the ordinary course of business between the Corporation and companies or other entities at which some of Farmer Mac's directors are or have been officers or directors. In particular, with respect to each of the most recent three completed fiscal years, the Board evaluated for each of Messrs. Brack, Everson, Hodges, Jackson, O'Keane and Raines all transactions between Farmer Mac and the company where he serves as an executive officer or director. Those transactions included sales of qualified loans and USDA-guaranteed portions and guarantee and LTSPC transactions as well as the annual amount of guarantee and commitment fees paid to Farmer Mac by that company and any servicing or other fees received by that company from Farmer Mac. In each case, the transactions had terms and conditions comparable to those applicable to entities unaffiliated with Farmer Mac, and the amount paid to or received from each of these companies in each of the last three years did not exceed the 2 percent of total revenue threshold in the director independence criteria used to determine whether an entity affiliated with a director is a significant customer of the Corporation. The Board determined that none of these relationships it considered impaired the independence of the named individuals. For additional information about transactions between Farmer Mac and entities affiliated with directors, see Note 3 to Farmer Mac's Annual Report on Form 10-K for the year ended December 31, 2008.

Report of the Audit Committee

The following report of the Audit Committee shall not be deemed to be “soliciting material,” or to be “filed” with the SEC, and will not be deemed to be incorporated by reference into any filing by the Corporation under the Securities Act of 1933, as amended (the “Securities Act”), or the Securities Exchange Act of 1934, as amended (the “Exchange Act”), except to the extent that the Corporation specifically requests that such information be treated as soliciting material or specifically incorporates the report by reference into a document.

The Audit Committee reviewed and recommended reaffirmation of the Audit Committee Charter, which reaffirmation was approved by the full Board on February 6, 2009. The complete text of the charter, which reflects standards set forth in SEC regulations and NYSE listing standards, is available on the Corporation’s website, www.farmermac.com, in the “Corporate Governance” portion of the “Investors” section. A print copy of the Audit Committee Charter is available free of charge upon written request to Jerome G. Oslick, Corporate Secretary, Federal Agricultural Mortgage Corporation, 1133 Twenty-First Street, N.W., Suite 600, Washington, D.C. 20036. The Audit Committee and the Board reviews and approves changes to the Audit Committee Charter annually. The Board of Directors has determined that: (1) all the directors who serve on the Audit Committee are “independent,” as defined in Farmer Mac’s Corporate Governance Guidelines, SEC rules and NYSE listing standards; and (2) Clark Maxwell, a member of the Audit Committee since June 6, 2008, is an “audit committee financial expert,” as defined in SEC rules. However, Mr. Maxwell is not an auditor or accountant for Farmer Mac, does not perform field work and is not an employee of Farmer Mac. In accordance with the SEC’s safe harbor relating to audit committee financial experts, a person designated or identified as an audit committee financial expert will not be deemed to be an “expert” for purposes of the federal securities laws. In addition, such designation or identification does not impose on such person any duties, obligations or liabilities that are greater than those imposed on such person as a member of the Audit Committee and Board of Directors in the absence of such designation or identification, and does not affect the duties, obligations or liabilities of any other member of the Audit Committee or Board of Directors.

Audit Committee Report for the Year Ended December 31, 2008

To Our Stockholders:

Management is primarily responsible for establishing and maintaining the financial public reporting process, including the system of internal accounting controls, and for the preparation of Farmer Mac’s consolidated financial statements in accordance with accounting principles generally accepted in the United States. The Audit Committee, on behalf of the Board, monitors Farmer Mac’s financial reporting processes and systems of internal accounting control, the independence and performance of the independent auditors and the performance of the internal audit function. The Corporation’s independent auditors are responsible for auditing those consolidated financial statements and expressing an opinion as to their conformity with generally accepted accounting principles and on management’s assessment of the effectiveness of the Corporation’s internal control over financial reporting. In addition, the independent auditors will express their own opinion on the effectiveness of Farmer Mac’s internal control over financial reporting.

Management has represented to the Audit Committee that Farmer Mac’s audited consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee reviewed and discussed Farmer Mac’s audited consolidated financial statements with both management and the Corporation’s independent auditors prior to their issuance. The Audit Committee has discussed with the independent auditors their evaluation of the accounting principles, practices and judgments applied by management, and the Audit Committee has discussed any items required to be communicated to it by the independent auditors pursuant to rules and regulations promulgated by the Securities and Exchange Commission and the Public Company Accounting Oversight Board and the standards established by the American Institute of Certified Public Accountants, including matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication With

Audit Committees).

-15-

With respect to the Corporation's independent auditors, the Audit Committee, among other things, received from Deloitte & Touche LLP the written disclosures as required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Corporation and its management. The Audit Committee has reviewed and pre-approved the audit fees of the independent auditors. It also has approved non-audit services and reviewed fees for such services to assure compliance with applicable provisions of the Securities Exchange Act of 1934, as amended, and applicable rules and regulations to assure compliance with the auditor independence requirements that prohibit independent auditors from performing specified services that might impair their independence as well as compliance with Farmer Mac's and the Audit Committee's policies.

The Audit Committee discussed with Farmer Mac's independent auditors the overall scope of and plans for its audit. Finally, the Audit Committee continued to monitor the scope and adequacy of the Corporation's internal auditing program, including proposals for adequate staffing and to strengthen internal procedures and controls where appropriate.

In reliance upon these reviews and discussions, the Audit Committee recommended to the Board of Directors that the Board approve the inclusion of the Corporation's audited consolidated financial statements in the Corporation's Annual Report on Form 10-K for the fiscal year ended December 31, 2008 for filing with the Securities and Exchange Commission, as filed on March 16, 2009.

From 1986 until her nomination to the position at USDA in 2001, Ms. Waters served as Senior Director and Legislative Counsel for ConAgra Foods.

Executive Compensation Governance

The Compensation Committee determines, subject to ratification by the Board of Directors, the salaries, incentive plans and other compensation of directors and officers of the Corporation. The current members of the Compensation Committee are Messrs. Hodges, Johnson, Junkins, Klippenstein, Raines and Brack (chairman). No member of Farmer Mac’s Compensation Committee is or has been an officer or employee of the Corporation. As described in more detail in “Director Independence,” the Board has determined that all members of the Compensation Committee are “independent,” as defined in Farmer Mac’s Corporate Governance Guidelines, SEC rules and NYSE listing standards.

The Compensation Committee reviewed and recommended reaffirmation of the Compensation Committee Charter, which reaffirmation was approved by the full Board on February 5, 2009. The complete text of the charter, which reflects standards set forth in SEC and NYSE rules, is available on the Corporation's website, www.farmermac.com, in the "Corporate Governance" portion of the "Investors" section. A print copy of the Compensation Committee Charter is available free of charge upon written request to Jerome G. Oslick, Corporate Secretary, Federal Agricultural Mortgage Corporation, 1133 Twenty-First Street, N.W., Suite 600, Washington, D.C. 20036.

The Compensation Committee makes recommendations to the Board of Directors as to the actual levels of compensation to be awarded. The chief executive officer is not present, nor is any other named executive officer, during deliberations on his or her compensation by the Committee or the Board. The compensation of all other named executive officers is determined by the Committee after consultation with the chief executive officer and is based primarily upon the evaluation of their performance during the business plan year as determined by the chief executive officer, and as revised in consultation with the Committee. The Compensation Committee does not delegate any of its authority to other persons.

During 2008, the Committee engaged Hewitt Associates ("Hewitt") as its independent compensation consultant. Hewitt was accountable to and reported directly to the Committee. The Committee asked Hewitt to provide (1) market data on executive and director compensation using a mutually agreed upon methodology, (2) tally sheets for the chief executive officer and chief financial officer positions, and (3) trends information. Hewitt also assisted with the development of the 2008 Omnibus Incentive Plan and the drafting of the executive compensation sections of this Proxy Statement. The Committee met with Hewitt during the year, both in general committee session and in executive session without management present. For 2009, the Committee has engaged Wm. M. Mercer and Executive Compensation Services Surveys ("Mercer") as its independent compensation consultant.

— Compensation Discussion and Analysis

General Compensation Goals and Pay Elements

Farmer Mac's general compensation and benefits goals are to operate a compensation program that will attract and retain talented and dedicated employees and motivate them to act in our best interests. To accomplish those goals, the compensation program is designed to reward the execution of strategies that:

- accomplish our Congressional mission as measured by increases in business volume and net income (adjusted for non-economic accounting conventions);
 - maintain and enhance effective internal controls; and
 - enhance stockholder value.

At the time that compensation was established for 2008, the compensation program for Messrs. Edelman, Buzby, Oslick and Stenson and Ms. Corsiglia was designed to:

- attract, retain and motivate highly qualified executives;
- pay for performance by linking a significant amount of compensation to an executive's overall individual contribution to our growth and to the achievement of pre-established performance goals; and
 - align the interests of executives with the interests of stockholders.

This Compensation Discussion and Analysis provides an overview of our executive compensation program, including:

- the general compensation principles and objectives of our executive compensation program;
- the material elements of our executive compensation program and the process we use for making executive compensation decisions; and
 - information about the 2008 compensation earned by the following officers (the “named executive officers”):

o Michael A. Gerber, Acting President and CEO as of October 1, 2008 (who was appointed President and CEO effective March 1, 2009);

o Tom D. Stenson, Executive Vice President – Chief Operating Officer;

o Timothy L. Buzby, Vice President – Contoller and Acting Treasurer (who was appointed Vice President – Chief Financial Officer effective April 2, 2009);

o Jerome G. Oslick, Vice President – General Counsel;

o William T. Sandalls, Jr., Acting CFO from October 20, 2008 through March 31, 2009;

o Henry D. Edelman, President and CEO through September 30, 2008; and

o Nancy E. Corsiglia, Executive Vice President – CFO and Treasurer through October 1, 2008.

In 2008, executive compensation at Farmer Mac was designed so that the levels and proportions of salary, annual cash incentive awards and long-term incentive award values were consistent with the value and effectiveness of the named executive officers’ execution of Board-approved strategies, with due consideration given to the competitive market. For each named executive officer other than the president and chief executive officer, the Committee based its determinations on recommendations of the chief executive officer in addition to the factors listed in the previous sentence.

The total compensation package for permanent officers consists of the following elements, provided with a view to offering a balanced compensation package:

- base salary;
- annual cash incentive pay;
- long-term non-cash incentive pay; and
- retirement and other benefits, most of which are similarly provided to all other full-time employees.

On September 30, 2008, the Board appointed Mr. Gerber as Acting President and Chief Executive Officer, succeeding Henry D. Edelman. Mr. Gerber continued to serve as Chief Executive Officer of Farm Credit of Western New York (“FCWNY”), an Association in the Farm Credit System, while serving as our Acting President and CEO. On October 1, 2008, the Board appointed Mr. Buzby as Acting Treasurer to replace Nancy E. Corsiglia, who had been Executive Vice President – Chief Financial Officer and Treasurer. Mr. Edelman and Ms. Corsiglia continued to be employed by Farmer Mac under the terms of their employment agreements as non-officer employees until February 2009. On October 20, 2008, Farmer Mac entered into a consulting agreement with Mr. Sandalls under which he agreed to serve as Acting Chief Financial Officer through March 31, 2009. Mr. Sandalls is currently acting as a consultant for Farmer Mac on financial markets matters. On April 2, 2009, the Board appointed Mr. Buzby as Vice President – Chief Financial Officer.

Farmer Mac entered into a Secondment Agreement with FCWNY to reimburse FCWNY for the full costs (other than long-term incentive compensation), including salary, short-term incentive compensation, medical, disability and life insurance and automobile allowance, of Mr. Gerber's employment during the time he served as the Corporation's Acting President and Chief Executive Officer. Under Mr. Sandalls' contract, Farmer Mac paid Mr. Sandalls an annual amount equal to the base salary of the previous Chief Financial Officer. In both cases, Farmer Mac also paid for temporary housing costs in the District of Columbia and reimbursed the acting executive officers for living expenses.

Benchmarking, Peer Groups and Market Posture

Farmer Mac was created by Congress to establish a secondary market for agricultural and rural housing mortgages and rural utilities loans that would increase the availability of credit for agricultural producers and rural utilities, provide greater liquidity and lending capacity for agricultural and rural lenders and facilitate intermediate- and long-term agricultural and rural funding.

From the outset, Farmer Mac's Board of Directors and its Compensation Committee recognized that the accomplishment of Farmer Mac's mission would require that it attract, retain and motivate highly qualified personnel capable of addressing the tasks necessary to develop and operate a secondary market for agricultural mortgage loans where none had previously existed, and to persevere in their efforts through what would include difficult and uncertain years. The Board believes this approach continues to be sound, as Farmer Mac must compete in the general market for the services of individuals with the education, experience and prior achievements necessary to enhance the financial results and safety and soundness of Farmer Mac's expanding and increasingly complex operations.

Accordingly, the Board and the Committee undertook to compensate Farmer Mac's named executive officers in a manner consistent with compensation for executives in other comparable businesses that involve similar duties and responsibilities. The outcome intended is that compensation opportunities for named executive officers should be comparable to those received by persons with similar qualifications and experience, but not necessarily the same position and title, at similar companies.

Farmer Mac's statutory charter, particularly as revised in 1996, casts it in the legislative mold of the Federal National Mortgage Association ("Fannie Mae") and the Federal Home Loan Mortgage Corporation ("Freddie Mac")—the other mortgage loan secondary market government-sponsored enterprises ("GSEs") that have established a mature secondary market for housing mortgages. A third reference point has been SLM Corporation ("Sallie Mae"), a company that began as a GSE. The Committee has viewed these three GSEs as the appropriate peer group (the "Peer Group Companies") for base salary purposes. Due to the larger size of the three Peer Group Companies relative to Farmer Mac, the positions considered comparable to them are one level lower than the similar Farmer Mac position. For instance, for purposes of determining market base salaries, Farmer Mac's chief executive officer position is considered comparable to a business unit chief executive or corporate chief financial officer at the Peer Group Companies.

No GSE data tends to be available for Mr. Stenson's position. Instead, data from proxy filings and published survey data (from Mercer) for comparable positions from comparably-sized commercial banks and financial institutions to develop the base salary market data for that position.

Target short-term incentive opportunity and long-term incentive opportunity for each of the named executive officers other than Messrs. Gerber and Sandalls were set at or near the median opportunity applying to officers with similar base salaries at complex financial organizations. This data was developed by our compensation consultant (Hewitt) by base salary level and expressed as a percent of base salary. In 2008, the group of companies (the "Financial Services Companies") whose data was available for this analysis encompassed 139 financial services companies in a wide size range, with revenues ranging from under \$1 billion to greater than \$100 billion. While the Financial Services Companies varied widely from Farmer Mac in size, the use of base salary level as the determinant of

incentive opportunity counteracted that factor.

-20-

By using this methodology, our compensation program in effect targets pay at the size-adjusted 50th percentile for each component. The designs of the incentive programs then ensure significantly greater potential compensation for performance significantly above defined target levels and lower compensation for performance below defined target levels. This methodology is intended to ensure that the Corporation's compensation structure is sufficiently competitive to attract and retain highly qualified executives and tie their ultimate pay to Farmer Mac's performance.

Market Posture and How Amounts Were Determined

Each component of pay was determined primarily based on market data, with consideration also given to individual performance and potential, and succession planning considerations.

Component of Pay	Practice
Base Salary	<ul style="list-style-type: none"> · In total, base salaries for named executive officers prior to 2008 adjustments were within 2% of market, and each Farmer Mac named executive officer's base salary was within 10% of the applicable market figure. · Base salary increases for 2008 for the named executive officers were 3.8%.
Annual Cash Incentive	<ul style="list-style-type: none"> · In total, 2008 target bonuses were 6% below market. Individual named executive officer 2008 target bonus percentages ranged from 22% below market to 12% above market. · No increases to target bonus percentages were made in 2008.
Stock Appreciation Right Grants	<ul style="list-style-type: none"> · Farmer Mac named executive officer 2008 stock appreciation rights (SARs) grants as a percent of base salary varied with respect to market; in the aggregate, grants were 7% below market. · No increases to long-term incentive opportunities (expressed as a percent of base salary) were made in 2008.
Mix of Total Compensation	<ul style="list-style-type: none"> · The mix of 2008 total compensation was determined primarily by the previously described market mix of the elements above for each position. No particular mix of pay was targeted beyond that which the market data suggested.

Compensation Elements

The purpose of each element of the pay program is discussed in more detail below.

Base Salary. Base salary was paid to provide current and prospective executives with a predictable core amount of compensation, regardless of our financial results, so long as they perform their duties in a competent, professional manner. This element was set at a level that, by itself, would provide executives with a level of financial security commensurate with the competitive market, but not at a level expected to be adequate alone to retain executives or motivate outstanding performance.

Base salary is reviewed annually by the Committee each June, at the end of the July-through-June business plan year, as well as at the time of executive promotions or other changes in responsibilities. Increases in salary normally take effect on July 1, and did so in 2008.

The Committee determined the 2008 base salary for the chief executive officer and recommended to the Board the 2008 base salaries for the other named executive officers based on an evaluation of each executive's performance, experience, level of responsibilities, level of base salary and peer group market data provided by the Committee's consultant (Hewitt).

Annual Cash Incentive Pay. Annual cash incentive pay was provided as a means of motivating and rewarding outstanding performance by an executive against his or her short-term goals, i.e., those slated for accomplishment in the current year of the business plan.

For the July 2007 through June 2008 planning year, each individual whose individual performance was rated 60% or higher earned varying percentages of his or her annual cash incentive pay targeted bonus, determined formulaically pursuant to the table at the top of the next page. Farmer Mac reached or exceeded the targets set forth in the "Maximum" column for "Earnings" and "Delinquency Rate" (a measure of the performance and quality of the loans in Farmer Mac's guarantee portfolio) and did not reach the target set forth in the "Threshold" column for "New Total Mission Volume" with respect to corporate performance measures during the 2007-08 planning year. Accordingly, Annual Cash Incentive Pay for the named executive officers employed as of June 30, 2008 was awarded based on the 200% target level with respect to the 42% weight related to the achievement of "Earnings" and "Delinquency Rate" corporate performance measures.

In measuring performance against defined levels based upon business plan objectives and results, the Committee made comparisons to performance criteria established by the Board and management in the business plan. Individual performance (total 30% weight) was assessed in three categories:

- **Accountabilities** – How well the incumbent performed the principal day-to-day accountabilities of the position. All officers are responsible for maintaining appropriate internal controls in their areas.
- **Problem Handling** – How well the incumbent handled or responded to problems and unplanned or changed assignments, projects, conditions and other similar situations.
- **Managerial Skills** – An assessment of managerial skills, including forecasting, budgeting, establishing and implementing appropriate policies and procedures, interaction, teamwork and communication.

Edgar Filing: FEDERAL AGRICULTURAL MORTGAGE CORP - Form DEF 14A

For the July 2007-08 planning year, each individual whose individual performance was rated 60% or higher earned varying percentages of his or her annual cash incentive pay targeted bonus, determined formulaically pursuant to the following table:

Measure	Weight	Threshold (Pays 50%)	Target (Pays 100%)	Maximum (Pays 200%)
Earnings before SFAS 133, SFAS 123(R), loan losses and yield maintenance	28%	\$19.5 million (75% of Business Plan)	\$26.0 million (100% of Business Plan)	20 percent payout above \$26.0 million up to additional 100% of bonus
New total mission volume	28%	\$1.5 billion (75% of Business Plan)	\$2.01 billion (100 % of Business Plan)	\$4.17 billion (207% of Business Plan)
Delinquency rate and net charge-offs	14%	<1.0% 90-day delinquencies Net charge-offs <= \$1 million (200% of Business Plan)	<0.6% 90-day delinquencies Net charge-offs <= \$500,000 (100% of Business Plan)	<0.3% 90-day delinquencies Net charge-offs = \$0
Individual rating	30%	Rating of 60%	Rating of 80%	Rating of 100%
Total	100%			

For the 2008-09 planning year, each individual whose individual performance is rated 60% or higher will earn varying percentages of his or her targeted bonus, determined formulaically pursuant to the following table, with higher goals than those for the 2007-08 year:

Measure	Weight	Threshold (Pays 50%)	Target (Pays 100%)	Maximum (Pays 200%)
Earnings before SFAS 133, SFAS 123(R), loan losses and yield maintenance	28%	75% of Business Plan	100% of Business Plan	140% of Business Plan

Individual rating	30%	Rating of 60%	Rating of 80%	Rating of 100%

Total 100%

-23-

In both the 2007-08 and 2008-09 planning years, performance between any two of the target points is interpolated on a straight-line basis. The Board retains discretion to award no annual cash incentive pay in appropriate circumstances regardless of the achievement of corporate performance targets.

Long-Term Incentive Pay. Long-term incentive pay, in the form of at-the-market options on Class C Non-Voting Common Stock in 2007 and, with stockholder approval of the 2008 Omnibus Incentive Compensation Plan in June 2008, stock appreciation rights (SARs) in 2008, was meant as a means of paying for performance and aligning the interests of executive officers with the interests of stockholders, with SARs being less dilutive of the interests of holders of Farmer Mac's common stock. Market-level grants also serve to retain executives in our employ over the longer term.

In 2008, SARs awards to officers and directors were made at the Board meeting held in conjunction with the Annual Meeting of Stockholders, and the exercise price is the closing price on the date of award. The number of SARs granted in 2008 was calculated for each named executive officer as base salary multiplied by the long-term incentive guideline (expressed as a percent of base salary), divided by the value of a single SAR. The value of a SAR was calculated as the 90-day average stock price preceding the date of grant times the calculated Black-Scholes value of an equivalent option as a percent of stock price determined by the Committee's independent consultant. The SARs vest one-third per year commencing one year from the grant date.

The purpose of Farmer Mac's equity compensation plans has been to encourage stock ownership by directors, officers and other key employees, to provide an incentive for such individuals to expand and improve the business of Farmer Mac and to assist Farmer Mac in attracting and retaining key personnel. The use of stock options and SARs is an attempt to align more closely the long-term interests of employees and directors with those of Farmer Mac's stockholders by providing those individuals with the opportunity to acquire an equity interest in Farmer Mac. Farmer Mac's equity compensation plans are administered by the Compensation Committee of the Board. Because individuals are prohibited by law from owning shares of Farmer Mac's Voting Common Stock, the Corporation uses unrestricted Class C Non-Voting Common Stock for the purpose of granting options and SARs under its equity compensation plans. Under the plans, the option price is required to be paid in cash, and no option or SAR holder has any rights as a stockholder with respect to shares subject to an option or SAR until the option price has been paid and any shares are issued upon exercise of the option or SAR.

The Board has asked Mercer to review our compensation policy and Farmer Mac will not be making equity compensation awards (or other decisions) pending the completion of that review.

Retirement Plans. Farmer Mac provides retirement benefits for all employees through a Money Purchase Plan, pursuant to which the Corporation annually contributes 13.2 percent of each employee's base compensation up to the Social Security wage base (which in 2008 was \$102,000), and 18.9 percent of each employee's base compensation above the Social Security wage base, up to the compensation limit set by the Internal Revenue Service, which in 2008 was \$230,000. Farmer Mac also offers a 401(k) plan to which employees may make retirement contributions, but to which the Corporation makes no contributions. Farmer Mac does not maintain any supplemental retirement plan for executives.

Other Benefits. The Corporation contractually provides a term life insurance policy with a face amount approximately equal to two years' base compensation for Henry D. Edelman, the former President and Chief Executive Officer of Farmer Mac and one year's base compensation for each of the four named executive officers who currently serve as officers of Farmer Mac, as well as long-term disability insurance. Those four named permanent executive officers also participate in Farmer Mac's other benefit plans on the same terms as other employees. These plans include medical and dental insurance and a \$50,000 group term life insurance policy.

Payments in Connection with a Change-in-Control

Farmer Mac's statutory charter is written in a way that substantially precludes any change-in-control through voting rights associated with its Class A and B voting common stock. Accordingly, no provision is made for payments to named executive officers in connection with any change-in-control.

Post-Employment Compensation

Messrs. Gerber, Buzby and Stenson have employment agreements that provide for severance payments in the event the contracts are terminated by Farmer Mac other than for cause. These termination provisions are described in "Compensation of Executive Officers — Potential Payments upon Termination (Employment Agreements with Officers)" and are included in the contracts because they are typically included in similar agreements and are beneficial retention provisions.

Agreement and General Release with Former President and CEO. On January 31, 2009, Farmer Mac entered into an Agreement and General Release with Henry D. Edelman, its former President and CEO. The Agreement provides that Mr. Edelman will continue to be employed by Farmer Mac as an adviser until November 30, 2010. The two year continued employment was a condition of Mr. Edelman's contract and permits him to receive life and health insurance benefits from Farmer Mac during that time and delays the extinguishment of options he holds until no later than 90 days after the termination of his employment.

Under the terms of the Agreement, Farmer Mac paid Mr. Edelman his current annual base salary through January 31, 2009. In addition, Mr. Edelman received a cash payment of \$1,059,487.50, and Farmer Mac will provide Mr. Edelman with continued medical, life insurance, and disability insurance coverage through November 30, 2010. Under the Agreement, Mr. Edelman remitted and relinquished 260,000 options to purchase shares of Farmer Mac Class C Non-Voting Common Stock (140,290 of which were unvested), as well as his 103,861 stock appreciation rights, all of which were unvested. Mr. Edelman's remaining vested and exercisable stock options continue according to their terms, but expire no later than February 28, 2011.

The Agreement also provides that each party releases any rights or claims against the other party existing as of the date of the Agreement.

Agreement and General Release with Former CFO. On February 7, 2009, Farmer Mac entered into an Agreement and General Release with Nancy E. Corsiglia, its former Executive Vice President and CFO. The Agreement provides that Ms. Corsiglia will continue to be employed by Farmer Mac as an adviser until November 30, 2010. The two year continued employment was a condition of Ms. Corsiglia's contract and delays the extinguishment of options she holds until no later than 90 days after the termination of her employment. In the Agreement, Ms. Corsiglia forwent the continuation of benefits through November 30, 2010.

Under the terms of the Agreement, Farmer Mac paid Ms. Corsiglia her current annual base salary through January 31, 2009. In addition, Ms. Corsiglia received a cash payment of \$1,068,520.53. Under the Agreement, Ms. Corsiglia remitted and relinquished 126,716 options to purchase shares of Farmer Mac Class C Non-Voting Common Stock (65,460 of which were unvested), as well as her 48,305 stock appreciation rights, all of which were unvested. Ms. Corsiglia's remaining vested and exercisable stock options continue according to their terms, but expire no later than February 28, 2011.

The Agreement also provides that each party releases any rights or claims against the other party existing as of the date of the Agreement.

Impact of Accounting and Tax Treatment on Compensation Awards

Section 162(m) of the Internal Revenue Code of 1986, as amended, places a limit of \$1 million on the amount of compensation that the Corporation may deduct in any one year with respect to each of its five most highly paid executive officers. There is an exception to the limitation for “performance-based compensation” meeting certain requirements. Prior to 2007, Farmer Mac did not consider Section 162(m) deductibility in setting its executive pay as none of the named executive officers had exceeded the \$1 million cap on non-performance based pay. It was discovered in 2008, however, that a portion of the amounts paid to Henry D. Edelman in 2006 and 2007 exceeded the cap on deductibility. Accordingly, the Corporation filed an amended tax return reflecting the loss of deduction in 2006. In 2007, the total compensation expense for Henry D. Edelman was \$3,242,558. Only \$1 million of that amount was an allowable deduction, resulting in \$2,242,558 of his compensation being non-deductible by the Corporation. There was no Section 162(m) impact on payments to Mr. Edelman made in respect of the 2008 tax year as he was not serving as chief executive officer at the end of 2008.

Farmer Mac has not historically taken into consideration the impact of the accounting treatment of compensation to named executive officers in determining their compensation. Farmer Mac’s compensation program does, however, discount the impact of SFAS 133 and SFAS 123(R) in the determination of income for compensation purposes.

Farmer Mac’s Policies Regarding Stock Ownership and Trading

Farmer Mac has no policies that require a particular level of stock ownership by named executive officers. Farmer Mac has a policy on insider trading by all directors and employees, including named executive officers, that requires compliance with securities laws and Farmer Mac policies on insider trading (including “windows” for sale of stock and the adoption of Rule 10b5-1 plans) and prohibits trading in options on Farmer Mac securities.

Directors Brack, Hodges, Johnson, Junkins, Klippenstein and Raines comprise Farmer Mac's Compensation Committee. None of these directors is, or has been, a Farmer Mac officer or employee, and none had any relationship requiring disclosure by Farmer Mac as a "related person transaction" under SEC rules. None of Farmer Mac's executive officers serves, or has served, as a member of the Board or the Compensation Committee or as a director of another SEC-reporting entity, except for Michael Gerber. Mr. Gerber, who has been a member of the Board since June 7, 2007 but is not standing for re-election, was Acting President and Chief Executive Officer of the Corporation from September 30, 2008 through February 28, 2009 and since then has been President and Chief Executive Officer.
