Dear fellow shareholder:

You are cordially invited to attend the annual meeting of shareholders to be held on Monday, June 11, 2012, at 1:00p.m. EDT, at the offices of Gallagher Evelius & Jones, LLP, 218 N Charles Street, Suite 400, Baltimore, MD 21201.

At the meeting, you will be asked to vote on three matters including the election of directors, the amendment and restatement of our Amended and Restated Certificate of Formation and Operating Agreement and the selection of our independent public accounting firm for 2012.

We are pleased to utilize the Securities and Exchange Commission rule allowing companies to furnish proxy materials to their shareholders over the Internet. Consequently, most shareholders will not receive paper copies of our proxy materials. We will instead send shareholders a notice with instructions for accessing the proxy materials and voting via the Internet. The notice will also provide information on how shareholders may obtain paper copies of our proxy materials if they so choose. This makes the proxy distribution process more efficient and less costly, and helps conserve natural resources.

I look forward to seeing you at the meeting.

Sincerely,

Mark K. Joseph

Chairman of the Board

YOUR VOTE IS IMPORTANT

In order to ensure your representation at the annual meeting, you may submit your proxy and voting instructions via the Internet or by telephone, or, if you receive a paper proxy card and voting instructions by mail, you may vote your shares by completing, signing and dating the proxy card as promptly as possible and returning it in the enclosed envelope (to which no postage need be affixed if mailed in the United States). Please refer to the section entitled “Voting via the Internet, by Telephone or by Mail” on page ii of the Proxy Statement for a description of these voting methods. Under recent regulatory changes, if you have not given your broker specific instructions to do so, your broker will NOT be able to vote your shares with respect to the election of directors. If you do not provide voting instructions via the Internet, by telephone or by returning a proxy card or voting instruction card, your shares will not be voted with respect to the election of directors. We strongly encourage you to vote.

If the director nominees are not elected at our annual meeting, or if we are unable to achieve a quorum to transact business at our annual meeting (including any adjournment), then our current directors will continue to serve until their successors have been duly elected and qualified at the next annual meeting or their earlier death, resignation or removal.

PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

JUNE 11, 2012

This proxy statement is furnished in connection with the solicitation on behalf of the Board of Directors of Municipal Mortgage & Equity, LLC, a Delaware limited liability company (“we”, “us”, “our” or the “Company”), of proxies to be voted at our annual meeting of shareholders to be held Monday, June 11, 2012, at 1:00 p.m. EDT and any and all adjournments or postponements of the meeting.

IMPORTANT NOTICE REGARDING THE INTERNET AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL SHAREHOLDERS MEETING TO BE HELD ON JUNE 11, 2012. This proxy statement, the accompanying proxy card or voting instruction card and our 2011 Annual Report to Shareholders on Form 10-K are available at <http://munimae.investorroom.com>.

The entire cost of this solicitation of proxies will be borne by us. Solicitation, commencing on or about April 27, 2012 will be made by use of the mails, telephone and fax, by our regular employees without additional compensation.

Voting Rights

Only holders of record of our common shares on April 13, 2012, the record date, will be entitled to vote at the annual meeting. Each holder of record will be entitled to one vote on each matter for each common share held on the record date. The share transfer books will not be closed. On the record date, there were 40,744,444 common shares outstanding. A majority of the issued and outstanding common shares (or 20,372,223 common shares) must be present or represented by proxy at the annual meeting in order to have a quorum. Persons voting by proxy will be deemed present at the meeting even if they abstain from voting on any or all of the proposals presented for shareholder action. Shares held by brokers who vote such shares on any proposal and broker non-votes will be counted present for purposes of establishing a quorum. A broker non-vote occurs when a bank, broker or other holder of record holding shares for a beneficial owner submits a proxy for the annual meeting but does not vote on a particular proposal, including in this case the election of directors, because that holder does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner. In contrast, a bank, broker or other holder of record holding shares for a beneficial owner does have discretionary voting power with respect to the approval of the proposed amendment and restatement to our Amended and Restated Certificate of Formation and Operating Agreement (our "Operating Agreement") and to the ratification of the appointment of the independent registered public accounting firm.

In the election of directors, a nominee will be elected if the votes cast "for" the nominee constitute a majority of the common shares present or represented by proxy and voting at a meeting at which a quorum is present. Shareholders may not cumulate votes in the election of directors. The ratification of the appointment of KPMG, LLP ("**KPMG**") as our independent registered public accounting firm also requires the affirmative vote of a majority of the common shares present or represented by proxy and voting at a meeting at which a quorum is present. Abstentions and broker non-votes have no effect on the determination of whether a nominee or the appointment of KPMG has received the vote of a majority of the common shares present or represented by proxy and voting at the meeting. The approval of the proposed amendment and restatement of our Operating Agreement will require the affirmative vote of a majority of the holders of our outstanding common shares. Abstentions and shares not represented at the meeting will have the effect of votes against the proposal to approve the amendment and restatement of our Amended and Restated Certificate of Formation and Operating Agreement.

If the persons present or represented by proxy at the annual meeting constitute the holders of less than a majority of the issued and outstanding common shares as of the record date, the annual meeting may be adjourned either indefinitely or to a subsequent date for the purpose of obtaining a quorum. The inspector of elections appointed for the annual meeting will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Internet Availability of Proxy Materials

In accordance with Securities and Exchange Commission rules, we are using the Internet as our primary means of furnishing proxy materials to shareholders for our 2012 Annual Meeting. Consequently, our shareholders will not receive paper copies of our proxy materials unless they request paper copies by following the instructions in the Notice of Internet Availability of Proxy Materials. On April 27, 2012, we mailed to our shareholders a Notice of Internet Availability of Proxy Materials with instructions for accessing the proxy materials, including this proxy statement and our 2011 Annual Report to Shareholders. The Notice of Internet Availability of Proxy Materials also contains instructions for accessing your proxy card to be able to vote through the Internet or telephone.

Internet distribution of our proxy materials is designed to make the proxy distribution process more efficient and less costly and to help conserve natural resources. However, if you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, please follow the instructions for requesting such materials contained on such notice.

Admission to Meeting

You are entitled to attend the annual meeting if you were a holder of record or a beneficial owner of our common shares as of April 13, 2012, the record date, or you hold a valid legal proxy for the annual meeting. If you are a holder of record, you may be asked to present valid picture identification, such as a driver's license or passport, for admission to the annual meeting.

If your shares are registered in the name of a bank or brokerage firm (your record holder), you may be asked to provide proof of beneficial ownership as of the record date, such as a brokerage account statement, a copy of the Notice of Internet Availability or voting instruction form provided by your bank, broker or other holder of record, or other similar evidence of ownership, as well as picture identification, for admission. If you wish to be able to vote in person at the annual meeting, you must obtain a legal proxy from your brokerage firm, bank or other holder of record and present it to the inspector of elections with your ballot at the annual meeting.

Recommendations of the Board of Directors

Our Board of Directors recommends that you vote:

- **FOR** each of the nominees of the Board of Directors (Proposal No. 1);

FOR the approval of the proposed amendment and restatement of our Operating Agreement (Proposal No. 2) and

- **FOR** the ratification of the appointment of KPMG as our independent registered public accounting firm for the fiscal year ending December 31, 2012 (Proposal No. 3).

Voting via the Internet, by Telephone or by Mail

For holders whose shares are registered in their own names, as an alternative to voting in person at the annual meeting, you may vote via the Internet, by telephone or, for those shareholders who request and receive a paper proxy card in the mail, by mailing a completed proxy card. The Notice of Internet Availability of Proxy Materials provides information on how to access your proxy card, which contains instructions on how to vote via the Internet or by telephone. For those shareholders who request and receive a paper proxy card, instructions for voting via the Internet or by telephone are set forth on the proxy card. Those shareholders who request and receive a paper proxy card and voting instructions by mail, and who elect to vote by mail, should sign and return the mailed proxy card in the prepaid and addressed envelope that was enclosed with the proxy materials, and your shares will be voted at the annual meeting in the manner you direct. In the event that you return a signed proxy card (by mail or via the Internet) on which no directions are specified, your shares will be voted **FOR** each of the nominees of the Board of Directors (Proposal No. 1), **FOR** the approval of the proposed amendment and restatement of our Operating Agreement (Proposal No. 2), and **FOR** the ratification of the appointment of KPMG as our independent registered public accounting firm for the fiscal year ending December 31, 2012 (Proposal No. 3), and in the discretion of the proxy holders as to any other matters that may properly come before the annual meeting or any postponement or adjournment of the annual meeting.

If your shares are registered in the name of a bank or brokerage firm (your record holder), you will receive instructions from your record holder that you must follow in order for your record holder to vote your shares per your instructions. Many banks and brokerage firms have a process for their beneficial holders to provide instructions via the Internet or over the telephone. If Internet or telephone voting is unavailable from your bank or brokerage firm, please complete and return the voting instruction card supplied by them in the addressed, postage paid envelope provided.

Revocation of Proxies

You may revoke or change a previously delivered proxy at any time before the annual meeting by delivering another proxy with a later date, by voting again via the Internet or by telephone, or by delivering written notice of revocation of your proxy to Municipal Mortgage & Equity, LLC's Secretary at our principal executive offices before the beginning of the annual meeting. You may also revoke your proxy by attending the annual meeting and voting in person, although attendance at the annual meeting will not, in and of itself, revoke a valid proxy that was previously delivered. If you hold shares through a bank or brokerage firm, you must contact that bank or brokerage firm to revoke any prior voting instructions. You also may revoke any prior voting instructions by voting in person at the annual meeting if you obtain a legal proxy as described under "Admission to Meeting" above.

Proposal 1 — Election of Directors

The Board of Directors of Municipal Mortgage & Equity, LLC is divided into three classes with the directors in each class serving for a term of three years. The term of office of one class of directors expires each year in rotation so that one class is elected at each annual meeting for a full three-year term. The Company's Operating Agreement (provides that the Board of Directors must have between five and 15 members. One director (two if our Board size exceeds 10) may be appointed by the "Dissolution Shareholder," as that term is defined in our Operating Agreement. The seat reserved for this director is currently vacant. Proposal 2 described below addresses our current proposal to simplify our Operating Agreement by removing the concept of "Dissolution Shareholder" because that concept is no longer needed."

As previously disclosed to our shareholders, we were unable to meet our quarterly reporting requirements with the Securities and Exchange Commission for 2007 through 2010, and prepare annual reports for 2007 through 2009. Because of Securities and Exchange Commission requirements applicable to us with respect to the preparation and distribution of proxies, this meant that we were not able to conduct annual meetings or elect directors from 2006 to 2010. We held a meeting in 2011 and we elected our Class II directors, but because of our missed meetings, and in accordance with our Operating Agreement and Bylaws, our class I and III directors have been serving since their elections in or prior to September 2006, with the exception of Frederick Puddester and Francis X. Gallagher, Jr, who were appointed to the Board of Directors on August 10, 2011 and February 6, 2012, respectively. If the director nominees are not elected at our annual meeting, or if we are unable to achieve a quorum to transact business at our annual meeting (including any adjournment), then our current directors will continue to serve until their successors have been duly elected and qualified at the next annual meeting or their earlier death, resignation or removal.

BOARD OF DIRECTORS MATTERS

Board Composition

Our Board of Directors currently consists of seven members, each of whom was elected by the Company's shareholders with the exception of Frederick Puddester and Francis Gallagher, Jr, who were appointed to the Board of Directors on August 10, 2011 and February 6, 2012, respectively.

Corporate Governance Guidelines

We have Corporate Governance Guidelines ("**Guidelines**"), which are available on our website [at www.munimae.com](http://www.munimae.com) under "About MuniMae – Governance," then "Corporate Governance Guidelines." These Guidelines contain general principles regarding the function of our Board and Board committees. The Guidelines are reviewed on an annual basis by the Governance Committee of the Board, which submits to the Board for approval any changes deemed desirable or necessary.

Independence of Directors

Our Guidelines require that a majority of the Board of Directors be comprised of independent directors. When those Guidelines were adopted, our shares were listed on the New York Stock Exchange (the “NYSE”). Although our shares are no longer listed on the NYSE, the NYSE’s director independence Listing Standards for director independence are incorporated in our Guidelines, which are used by the Board in making independence determinations. For a director to be considered independent under the Listing Standards of the NYSE, the Board must affirmatively determine that the director has no direct or indirect material relationship with MuniMae. The Board has determined that the following directors are independent: Charles C. Baum, Francis X. Gallagher, Jr., Douglas A. McGregor, Fred N. Pratt, Jr., and Frederick W. Puddester.

Qualification for Board Membership

The Board has the responsibility for nominating candidates for election to the Board and for filling vacancies on the Board as they arise, while the Governance Committee is responsible for identifying and recommending qualified individuals to serve as members of the Board. The Guidelines and the Governance Committee’s charter require the Board and the committee to establish criteria for selecting new directors, which reflects at a minimum a candidate’s strength of character, judgment, business experience, specific areas of expertise, factors relating to the composition of the Board, including its size and structure, and principles of diversity, including age, skills, knowledge and other factors needed to maintain a balance of knowledge, experience and capability on the Board. Further, no MuniMae independent director may serve on the boards of more than four other publicly traded companies while serving on our Board and no Chief Executive Officer who is also a director may serve on the boards of more than two other publicly traded companies. Currently, all directors are in compliance with these requirements and expectations.

Shareholder Recommendations of Potential Director Candidates

The Governance Committee will consider director candidates recommended by shareholders. The Governance Committee applies the same standards in evaluating candidates submitted by shareholders as it does in evaluating candidates submitted by other sources. Shareholders who wish to submit names to be considered by the Governance Committee for nomination for election to the Board of Directors should send written notice to the Secretary of the Company at least 60 days but no more than 90 days prior to the anniversary of the date on which the proxy statement was first mailed relating to the immediately preceding annual meeting of shareholders, which notice should set forth the required information that is specified in our bylaws. Suggestions regarding potential director candidates, together with the supporting information concerning the potential candidate's qualifications, should be submitted in writing to:

Available Information

Our website address is www.munimae.com. We make available free of charge through our website our annual report on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K and amendments to those reports filed or furnished pursuant to Section 13(a) or 15(d) of the Exchange Act as soon as reasonably practicable after such documents are electronically filed with, or furnished to, the Securities and Exchange Commission (“SEC”). Our website also includes our Guidelines, Code of Ethics and the charters of our Audit Committee, Compensation Committee and Governance Committee. These documents are also available in print to any shareholder upon request.

Board Committees

The Board of Directors has appointed the following Board Committees:

Audit Committee. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibility relating to:

• The integrity of our financial statements, the financial reporting process, and internal controls over financial reporting;

- The performance of our internal audit function;

• The appointment, engagement and performance of our independent registered public accounting firm and the evaluation of the independent registered public accounting firm's qualifications and independence; and

• Compliance with our Code of Ethics and Principles of Business Integrity, and legal and regulatory requirements, including our disclosure controls and procedures.

In so doing, it is the responsibility of the Audit Committee to maintain free and open communication between the Audit Committee, the independent registered public accounting firm, the internal auditors and our management and to resolve any disagreements between management and the independent registered public accounting firm regarding financial reporting. The Audit Committee also performs other duties and responsibilities set forth in a written Charter approved by the Board of Directors. The Charter of the Audit Committee is available on the Company's website at www.munimae.com under "About MuniMae – Governance," then "Audit Committee." The Audit Committee held six meetings in 2011.

During 2011, membership on the Committee consisted of Mr. Pratt, who served as Chairman, Mr. Baum, Mr. Mehlman until his resignation and Mr. Puddester, who was appointed on August 11, 2011.

The Board and the Governance Committee have determined that all members of the Committee satisfy the independence requirements of the NYSE's Listing Standards (even though the Company is not subject to those standards at this time) and our Guidelines. No member of the Audit Committee is permitted to serve on the Audit Committee of more than three public companies, including our Company. Currently, no member of the Audit Committee serves on the audit committee of any other public company.

The Board has determined that Charles C. Baum qualifies as an “audit committee financial expert” under SEC rules. In accordance with the SEC’s safe harbor relating to audit committee financial experts, a person designated as an audit committee financial expert will not be deemed an “expert” for purposes of the federal securities laws. In addition, such designation does not impose on such person any duties, obligations or liabilities that are greater than those imposed on such person as a member of the Audit Committee and Board of Directors in the absence of such designation, and does not affect the duties, obligations or liabilities of any other member of the Audit Committee or Board of Directors.

Compensation Committee. The Compensation Committee of the Board has the following principal duties and responsibilities:

Review our executive compensation policy and programs to ensure that they (1) effectively motivate the CEO and other executive officers and key employees to achieve our financial goals and strategic objectives; (2) properly align the interests of these employees with the long-term interests of our shareholders; and (3) are sufficiently competitive to attract and retain the executive resources necessary for the successful management of our businesses;

Review trends in management compensation, oversee the development of new compensation plans (including performance-based, equity-based and other incentive programs as well as salary, bonus and deferred compensation arrangements) and, when appropriate, make recommendations to the Board regarding new plans and revisions to existing plans;

Annually review and approve corporate goals and objectives relevant to the compensation of our Chief Executive Officer and other executive officers and key employees, evaluate the performance of such individuals and approve the compensation for such individuals;

• Annually evaluate the compensation of the members of the Board; and

• Review our management succession plan for the Chief Executive Officer and other executive officers and key employees.

These duties and responsibilities are set forth in a written Charter of the Compensation Committee which has been approved by the Board of Directors and is available on our website at www.munimae.com under “About MuniMae – Governance,” then “Compensation Committee.”

Pursuant to the Charter, the Compensation Committee has the authority to delegate certain of its responsibilities to a subcommittee. The Compensation Committee has the authority to administer our equity plans for the Chief Executive Officer and other executive officers. The Compensation Committee is responsible for all determinations with respect to participation, the form, amount and timing of any awards to be granted to any such participants, and the payment of any such awards. Senior management has the authority to administer our equity plans for all other participants.

Our Chief Executive Officer provides recommendations to the Compensation Committee with respect to the wage level, base salary amounts, performance targets for annual incentive and long-term incentive bonus programs and any adjustments to the cash value for equity grants for each named executive officer other than himself. These compensation recommendations are based on the Chief Executive Officer’s subjective review of each officer’s overall performance and contribution to MuniMae during the prior year. While the Compensation Committee considers the recommendations of the Chief Executive Officer with respect to these elements of compensation, the Compensation Committee independently evaluates the recommendations and makes all final compensation decisions for those officers. The Chief Executive Officer does not make any recommendations as to his own compensation and such decisions are made solely by the Compensation Committee. Other than our Chief Executive Officer, no other executive officer of MuniMae had any role in determining or recommending the amount or form of executive officer or director compensation during 2011.

During 2011, membership on the Compensation Committee consisted of Mr. McGregor, who served as Chairman, and Mr. Baum, Mr. Puddester, who was appointed on August 11, 2011 and Mr. Mehlman, until his resignation. All members of the Compensation Committee qualify as independent directors under our Guidelines and the NYSE’s Listing Standards. The Compensation Committee held four meetings during 2011.

Governance Committee. The Governance Committee assists the Board by:

- Developing and implementing corporate governance guidelines;

- Identifying and recommending qualified individuals to serve as members of the Board;

Evaluating and recommending the size and composition of the Board and its Committees (including making determinations concerning composition of the Board and its Committees under the applicable requirements of the SEC); and

- Monitoring a process to assess the effectiveness of the Board and its Committees.

The Governance Committee is also responsible for performing other duties and responsibilities set forth in a written Charter approved by the Board of Directors. The Charter of the Governance Committee is available on our website at www.munimae.com under “About MuniMae – Governance,” then “Governance Committee.” During 2011, membership on the Committee consisted of Mr. Baum, who served as Chairman, and Messrs. Pratt and McGregor. The Committee held four meetings during 2011. All members of the Committee qualify as independent directors under our Guidelines and the NYSE Listing Standards.

Director Attendance at Meetings

During fiscal year 2011, there were four standard quarterly meetings of the Board. Also, the Board held four additional meetings which were conducted as executive sessions. Each Director attended at least 75% of the total number of meetings of the Board and each of the Board Committees on which he served.

Pursuant to the Non-Employee Directors' Share Plans, fees earned in 2011 were capped at \$50,000, one-half of (2) which is to be paid in cash, and one-half of which is to be paid in deferred or restricted shares. Narrative to the Director Compensation Table

Directors who are employees of MuniMae do not receive additional fees for their service as a director; therefore Mr. Falcone does not receive any fees for his service as a director. In addition, pursuant to an employment agreement dated July 1, 2003, Mr. Joseph did not receive fees for his service as a director through December 31, 2011. In January 2009, due to the continuing general business climate and our on-going liquidity and other operational issues, the Board voted to reduce its fees and cap total annual compensation at \$50,000 per year.

Pursuant to the 2004 Non-Employee Directors' Share Plan (the "**2004 Plan**"), each non-employee director earned an annual equity award of restricted shares valued at \$20,000 (payable in a number of shares based on the closing price of our common shares on the date of the annual meeting). The shares subject to this annual award vest in full on the earlier of the first anniversary of the date of the award or the date of our next Annual Shareholders Meeting, subject to the continued service of the director on the Board. Since no annual shareholders meeting were held since 2006, the 2007, 2008 and 2009 annual equity awards were vested but not paid until the 2011 annual meeting of shareholders, which was held on November 9, 2011. However, no award was paid for 2009 because all eligible directors had already received the maximum fees for that year. All restricted shares awarded become fully vested in the event of disability or death of the director, or a change in control of MuniMae. This annual equity award was discontinued under the 2010 Non-Employee Directors' Compensation Plan (the "**2010 Plan**").

In November 2010, the Board approved the 2010 Plan which provided for total annual compensation of \$50,000, one-half of which is to be paid in cash, and one-half of which is to be paid in deferred shares.

Pursuant to the 2004, 2009 and 2010 Plans, directors may elect to defer anywhere from 1% to 100% of their cash fees. Under the 2004 Plan, and continuing with the 2010 Plan, prior to the award of restricted shares, directors may elect to defer the receipt of the underlying common shares upon vesting. If the director so elects, the director will receive dividends on the shares (to the extent declared by the Board for all common shares) until the deferral period expires. Director participants may elect the deferred amounts plus earnings to be distributed either upon retirement from the Board or on an interim distribution date. If a distribution date is not specified in the election, shares will be settled 30 days after the participant's separation from service on the Board. Distributions are either in a lump sum, or based on the director's distribution election made at the time of the deferral, in two-to-10 year installments. Once a distribution election is made, the election is irrevocable. A distribution election may be changed for future years by filing a new election prior to the first day of the subsequent calendar year. Notwithstanding the foregoing, a participant may receive any amounts deferred by the participant in the event of an "Unforeseeable Emergency" as defined by the 2004, 2009 and 2010 Plans.

The Shelter Group had no ownership interest in these properties. The properties paid The Shelter Group fees totaling approximately \$436,269 for property management services with respect to these properties for the year ended December 31, 2011.

The real estate that secures one of our tax-exempt bonds is owned and managed by The Shelter Group entity. At December 31, 2011, and 2010, this bond was carried on our books at \$8.9 million or less than 1% of the Company’s total bond portfolio.

Bond Portfolio

Beginning in 1989 several bonds owned by our predecessor went into default, but our predecessor could not acquire the properties without causing income on the bonds to be taxable to our predecessor and therefore to our shareholders. As a result, our predecessor caused the properties to be transferred to partnerships owned or controlled by Mr. Joseph and other of our predecessor’s officers and those partnerships became the borrowers with regard to the bonds. Over time, the limited partnership interests in each of the partnerships were consolidated into a single umbrella entity (the “**Umbrella**”) controlled by Mr. Joseph and in which he and affiliated entities held the majority interest. In 2010, Mr. Joseph’s affiliated entities were redeemed out of the Umbrella for \$1 and he no longer owns directly or indirectly any economic or other interest in the Umbrella. In 2011, Mr. Joseph’s affiliated entities transferred for no consideration (1) the ownership of the non-member manager of the Umbrella and (2) his 56% controlling ownership interest in the parent company of the general partner of all the Umbrella partnerships to The MuniMae Foundation, Inc., a tax exempt organization under Section 501(c)(3) of the Internal Revenue Code. As a result of these transfers, at December 31, 2011, Mr. Joseph no longer has any control over, or ownership interest in, the Umbrella partnerships or the related properties.

Special Shareholder and Dissolution Shareholder Relationships

Under the federal tax laws in effect when we were formed in 1996, in order for us to be treated as a publicly traded partnership for federal tax purposes, it was necessary for us to meet certain requirements, including a requirement that at least some of our equity holders have unlimited liability and that there be circumstances under which our existence might terminate. In order to fulfill those requirements, Shelter Development Holdings, Inc. agreed to be what is known as the “Special Shareholder”, which, for so long as it (or a successor) holds any of our shares, would have personal liability to our creditors to the extent our assets are not sufficient to satisfy their claims. In addition, our Operating Agreement provides that if Shelter Development Holdings or a successor ceases to be what is known as the “Dissolution Shareholder” of the Company, we will be dissolved unless holders of more than 50% of our shares vote within 180 days to continue our existence. Our Operating Agreement also gives Shelter Development Holdings or its successor as Dissolution Shareholder the right to designate a representative to serve as a member of our Board of Directors, or if there are more than 10 directors, to designate two directors. In addition, the Company has an obligation to pay \$1,000,000 to the Special Shareholder upon resignation under certain circumstances. The tax laws have subsequently been changed to permit an entity like us to elect to be taxed as a partnership even if it does not have the attributes described above, but our Operating Agreement has not been changed. Mark Joseph, through family companies, owns Shelter Development Holdings. Proposal 2 described below addresses our current proposal to simplify our Operating Agreement to remove these concepts which are no longer needed.

Not-for-Profit Entities controlled by our executive officers

MuniMae Foundation, Inc.

MuniMae Foundation, Inc. (the “**Foundation**”) is a 501(c)(3) corporation that is devoted to the ownership and operation of affordable housing for all citizens. Until late in 2007, all its officers and directors were persons who were our officers. Since that time the Foundation has had one independent director at all times.

We donate administrative support, asset management and financial services to the Foundation. In addition to owning affordable housing properties, the Foundation makes grants to other 501(c)(3) organizations. We did not make any charitable contributions to the Foundation during the year ended December 31, 2011. At December 31, 2011, the Foundation owned 100% of Umbrella, which in turn owns a 99% limited partnership interest in seven limited partnerships that own seven properties financed by tax-exempt bonds held by us and a 56% controlling interest in the parent company of the 1% general partner of each of those partnerships. As of the date of this proxy, a majority of the directors of the Foundation are not officers or employees of the Company.

MuniMae Affordable Housing, Inc.

MuniMae Affordable Housing, Inc. (“**MMAH**”) is a not-for-profit entity organized to promote affordable housing. All of its officers and directors are non-executive officer employees of the Company. It was formed to acquire interests in partnerships that owned affordable housing properties which secured indebtedness that had gone into default. At December 31, 2011, MMAH owned the general partner interest in one partnership owning property financed by the Company. MMAH is not a Section 501(c)(3) organization.

At December 31, 2011, MMAH also holds 21% interests in the general partners of two of our renewable energy funds. In addition, MMAH is the administrative member holding a 0.01% to 0.04% interest in 10 LIHTC Funds as of December 31, 2011.

Our employees, who serve as officers or directors of the Foundation or MMAH, do not receive any remuneration for serving in those capacities and neither we nor they have any ownership interests in either of those entities.

Approval of Transactions with Related Persons

It is the policy of our Board of Directors that all transactions involving us or any of our subsidiaries, on the one hand, and any of our directors or officers, or entities in which any of them has a material financial interest, on the other, including all transactions between us and The Shelter Group, must be approved by a majority of our directors who have no interest in the transactions. Additionally, all property management arrangements that the Company had with The Shelter Group where the Company had the power to influence the selection of the property manager were subject to annual approval by a vote of a majority of our directors who have no interest in The Shelter Group, after considering the then-market rate for the services of the type provided by The Shelter Group and other applicable factors. We followed these policies with respect to all of the transactions and arrangements described above.

Proposal 2 — APPROVAL OF THE aMENDMENT AND RESTATEMENT OF THE COMPANY’S AMENDED AND RESTATED CERTIFICATE OF FORMATION AND OPERATING AGREEMENT

The following is a brief description of the reasons for and material effects of the proposed amendment and restatement of the Company’s Operating Agreement. This description is qualified in its entirety by reference to the Operating Agreement as proposed to be amended, a copy of which is attached hereto as Appendix A.

As a limited liability company, we are treated as a partnership for federal income tax purposes and, as such, our shareholders are treated as partners in a partnership and all of our pass-through income (or loss) is allocated directly to our shareholders. Our current Operating Agreement contains a number of provisions which were required to establish this tax treatment at the time of our formation. Since that time, federal income tax regulations promulgated under the Internal Revenue Code of 1986, as amended, have made these provisions unnecessary. In particular, these regulations, known as the “check-the-box” regulations, have made it unnecessary for us to have “partnership” characteristics such as unlimited liability or limited life. As a result, concepts in our current Operating Agreement such as the “Special Shareholder” and “Dissolution Shareholder” are wholly anachronistic. Shelter Development Holdings, Inc. is the Special Shareholder and Dissolution Shareholder, and Mark Joseph, our Chairman of the Board, through family companies, owns Shelter Development Holdings, Inc. These concepts are discussed in more detail above under “Related Party and Affiliated Transactions — Special Shareholder and Dissolution Shareholder Relationships.” The proposed Operating Agreement removes these concepts to shorten and simplify the document. Other changes remove historical references to entities that were important to our historical development but no longer have any bearing on our structure or operation. These include references to our predecessor, SCA Tax Exempt Fund Limited Partnership, and other entities. We have also made a few technical clean-up changes and added a provision to allow us to change the name of the Company without again seeking a shareholder vote on that matter. We expect to change the name of the Company but have not yet finally determined to do so or chosen a name.

The changes reflected in the proposed Operating Agreement do not adversely affect your rights or privileges as a shareholder in the Company, and may be viewed as improving your rights and privileges. Under the current Operating Agreement, the Special Shareholder, unlike all of our other shareholders, has personal liability to our creditors to the extent that our assets are insufficient to satisfy our creditors' claims. The proposed Operating Agreement deletes the concept of "Special Shareholder" so that this liability will no longer exist. This has no effect on our shareholders other than the Special Shareholder because all other shareholders have limited liability and, except as provided by Delaware law, are not personally obligated to any creditors solely by reason of being shareholders. They will not incur or risk any additional liability by this change. In addition, the obligation of the Special Shareholder to pay on this obligation would occur only when our assets were insufficient to pay our creditors or, in other words, when our common shares would essentially be worthless. At that point, the payment or nonpayment by the Special Shareholder would have no effect upon our other shareholders.

Removal of the Dissolution Shareholder removes the right granted to that shareholder to designate a representative (or two representatives depending on the size of the board) to our Board of Directors. Although those seats are currently vacant, removal of this right potentially makes the composition of our Board of Directors more representative of our shareholders. Also, under our current operating agreement, if the Dissolution Shareholder were to resign as Dissolution Shareholder, it would cause the Company to dissolve, and unless a majority of our outstanding shares voted within 180 days to continue the Company, the Company would need to wind up its affairs and terminate its existence. Lastly, with the removal of the position of Special Shareholder, the Company will no longer have an obligation to pay \$1,000,000 to the Special Shareholder upon resignation of the Special Shareholder under certain circumstances.

We have included a copy of the proposed Operating Agreement, marked to show the differences from our current Operating Agreement, in Appendix A to this proxy statement. This summary of the changes is qualified by the language in Appendix A, which we encourage you to review.

We believe that making these changes will result in a shorter and simpler Operating Agreement, without affecting the rights or privileges of our shareholders or our operation or structure.

Approval of the proposed Operating Agreement will require the affirmative vote of a majority of the holders of outstanding common shares. As a result, abstentions and shares not represented at the meeting will have the effect of votes against the proposal to approve the proposed Operating Agreement.

The Board of Directors unanimously recommends that you vote FOR the approval of the proposed amendment and restatement of our Operating Agreement, as described above.

PROPOSAL 3 — RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED ACCOUNTING FIRM

Upon the recommendation of the Audit Committee, the Board of Directors has appointed KPMG LLP (“**KPMG**”) as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2012. Representatives from KPMG are expected to be present at the meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate inquiries.

Before making its recommendation to the Board of Directors for appointment of KPMG, the Audit Committee carefully considered that firm’s qualifications as the Company’s independent registered public accounting firm, which included a review of KPMG’s performance in prior years, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee expressed its satisfaction with KPMG in these respects.

The Company is asking its shareholders to ratify the selection of KPMG as the Company’s independent registered public accounting firm. Although ratification is not required by our Bylaws or otherwise, the Board of Directors is submitting the selection of KPMG to shareholders for ratification because the Company values its shareholders’ views on the Company’s independent registered public accounting firm and as a matter of good corporate governance practice. If ratification is not obtained, the Audit Committee intends to continue the engagement of KPMG at least through the end of the 2012 fiscal year but will consider whether it is appropriate to select a different independent registered public accounting firm in the future. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year or in subsequent years if it determines that such a change would be in the best interests of the Company and its shareholders.

The Board of Directors unanimously recommends that you vote FOR the ratification of appointment of the independent registered public accounting firm, as set forth above.

Independent Registered Public Accounting Firm

KPMG is the independent registered public accounting firm that audited our financial statements since 2007.

Audit and Audit-Related Fees

The Audit Committee is responsible for retaining and terminating the Company's independent registered public accounting firm and for pre-approving the performance of any services by the independent registered public accounting firm. In addition, the Audit Committee is responsible for monitoring the independence and performance of the Company's independent registered public accounting firm and internal audit function and for presenting its conclusions with respect to the independent registered public accounting firm to the full Board of Directors.

Pre-approval Policies and Procedures

The Audit Committee has written policies and procedures regarding pre-approval of services to MuniMae by its principal independent registered public accountants. Its policy is to pre-approve all auditing services and non-audit services (subject to de minimis exceptions). All of the audit, audit-related and tax services for which we were billed by our principal independent public accounting firms for 2011 and 2010 were pre-approved by the Audit Committee.

Audit and Audit-Related Fees

The audit fees and other fees billed by KPMG for work performed during 2011 and 2010 are as follows:

(in thousands)	2011	2010
Audit fees	\$1,535 ⁽²⁾	\$4,336 ⁽¹⁾
Audit related fees	-	-
Total audit and audit related fees	1,535	4,336
Tax fees	6 ⁽²⁾	87 ⁽¹⁾
All other fees	-	-
Total KPMG fees	\$1,541	\$4,453 ⁽¹⁾

(1) Amounts reflect an increase of \$311,000 for audit fees and \$87,000 for tax fees. These amounts were omitted previously and represent fees billed by KPMG for work performed related to International Housing Solutions S.a.r.l. (IHS), a majority owned partnership, and the South African Workforce Housing Fund SA (SA Fund), a fund that we consolidate as a majority general partner, and in which we hold a 2.7% limited partnership interest.

(2) For 2011, amounts include \$275,000 for audit fees and \$6,000 for tax fees billed by KPMG for work performed related to IHS and the SA Fund.

Audit Committee Report

The Audit Committee has reviewed and discussed with management the audited financial statements of Municipal Mortgage & Equity, LLC for the fiscal year ended December 31, 2011. The Audit Committee has discussed with KPMG LLP, our independent registered public accounting firm (“**KPMG**”), the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA) Professional Standards, Vol. 1, AU section 380 (Communication with Audit Committees), as adopted by the Public Company Accounting Oversight Board (the “**PCAOB**”) in Rule 3200T. The Audit Committee has received the written disclosures and the letter from KPMG required by PCAOB Rule 3526 (Communications with Audit Committees Concerning Independence) regarding KPMG’s communications with the Audit Committee concerning independence, and has discussed with KPMG the independence of KPMG.

Based on the review and discussions referred to in the paragraph above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our annual report on Form 10-K for the fiscal year ended December 31, 2011. This report is furnished by the Audit Committee of our Board of Directors, whose members are:

II. OTHER MATTERS

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers to file reports of changes in ownership of our equity securities with the SEC. SEC regulations require that directors and executive officers furnish to us copies of all Section 16(a) forms they file. To the best of our knowledge, based solely on review of the copies of the reports that were furnished to us and written representations that no other reports were required, we have identified 5 late filings for Mr. Pratt, during the fiscal year ended December 31, 2011, due to an administrative error.

SHAREHOLDERS SHARING THE SAME ADDRESS

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries (such as brokers) to implement a delivery procedure called “householding.” Under this procedure, multiple shareholders who reside at the same address may receive a single copy of our annual report and proxy materials, including the Notice of Internet Availability of Proxy Materials, unless the affected shareholder has provided contrary instructions. This procedure reduces printing costs and postage fees.

Once again this year, a number of brokers with account holders who beneficially own our common shares will be “householding” our annual report and proxy materials, including the Notice of Internet Availability of Proxy Materials. A single Notice of Internet Availability of Proxy Materials and, if applicable, a single set of annual report and other proxy materials will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. Shareholders may revoke their consent at any time by contacting Investor Relations Department, Municipal Mortgage & Equity, LLC, The Pier IV Building, 621 East Pratt Street, Suite 600, Baltimore, Maryland 21202.

Upon written or oral request, Municipal Mortgage & Equity, LLC will promptly deliver a separate copy of the Notice of Internet Availability of Proxy Materials and, if applicable, a separate set of proxy materials to any beneficial owner at a shared address to which a single copy of any of those documents was delivered. To receive a separate copy of the Notice of Internet Availability of Proxy Materials and, if applicable, a separate set of proxy materials, you may write or call Municipal Mortgage & Equity, LLC’s Investor Relations Department at Municipal Mortgage & Equity, LLC, The Pier IV Building, 621 East Pratt Street, Suite 600, Baltimore, Maryland 21202, (855) 650-6932.

Any shareholders who share the same address and currently receive multiple copies of our Notice of Internet Availability of Proxy Materials or annual report and other proxy materials, who wish to receive only one copy in the future, can contact their bank, broker or other holder of record to request information about householding.

FORM 10-K

MUNICIPAL MORTGAGE & EQUITY, LLC WILL MAIL WITHOUT CHARGE, UPON WRITTEN REQUEST, A COPY OF OUR ANNUAL REPORT ON FORM 10-K FOR THE FISCAL YEAR ENDED DECEMBER 31, 2011, INCLUDING THE CONSOLIDATED FINANCIAL STATEMENTS, SCHEDULES AND LIST OF EXHIBITS, AND ANY PARTICULAR EXHIBIT SPECIFICALLY REQUESTED. REQUESTS SHOULD BE SENT TO: MUNICIPAL MORTGAGE & EQUITY, LLC, THE PIER IV BUILDING, 621 EAST PRATT STREET, SUITE 600, BALTIMORE, MARYLAND 21202, ATTN: INVESTOR RELATIONS. THE ANNUAL REPORT ON FORM 10-K IS ALSO AVAILABLE AT WWW.MUNIMAE.COM.

Other Business

The Board of Directors is not aware of any other matters which may come before the meeting. It is the intention of the persons named in the enclosed proxy to vote all shares represented by proxies in accordance with their best judgment if any other matters properly come before the meeting.

Shareholder Proposals

In accordance with the rules and regulations promulgated under the Exchange Act, shareholder proposals to be acted on at the Company's annual meeting of shareholders to be held in 2013 (the "**2013 annual meeting**") and included in the Company's proxy statement and proxy for that meeting must be received by the Secretary of the Company no later than December 11, 2012 (which is 120 days prior to the first anniversary of the date of this proxy statement). After that date, shareholder proposals to be acted on at the 2013 annual meeting may be submitted to the Secretary of the Company in accordance with the provisions of our bylaws described in the next paragraph, but they may not be included in the proxy statement and proxy for that meeting.

In accordance with our bylaws shareholder proposals to be acted on at the 2013 annual meeting that are not received in time to be included in our proxy statement will be untimely if received by the Secretary of the Company earlier than the close of business on March 11, 2013 (which is 90 days before the first anniversary date of this year's annual meeting) or later than the close of business on April 11, 2013 (which is 60 days before the first anniversary date of this year's annual meeting). If the date of the 2013 annual meeting is advanced by more than 30 days or delayed by more than 60 days from the first anniversary of the date of this year's annual meeting, shareholders will be advised of such change and of the new date for submission of proposals. All shareholder proposals must be delivered to the attention of the Company's Secretary at our Baltimore offices located at The Pier IV Building, 621 East Pratt Street, Suite 600, Baltimore, MD 21202.

Allocations

4.1 General Rules Concerning Allocations. Within 45 days after the end of each calendar month, the Company shall conduct an interim closing of the books as of the end of the last day of that calendar month. On the basis of the closing of the books for each calendar month, the Company shall determine the amount of Profit and Loss attributable to that calendar month. Profits and Losses shall be determined in accordance with the accounting methods followed by the Company for federal income tax purposes.

4.2 Allocations of Profits and Losses. All allocations to the Shareholders of items included within the Company's Profits and Losses attributable to each calendar month shall be allocated solely among the Shareholders recognized as Shareholders as of the last day of that calendar month, as follows:

(a) The Company's Profit or Loss for the applicable period shall be allocated among the Common Shareholders in proportion to their relative ownership of Common Shares.

(b) The Tax Matters Partner is authorized to make reasonable determinations regarding the allocation of Profit and Loss under this Section 4.2, including determinations relating to the calculation of Profit or Loss, and such other items of the Company's income, gain, loss, deduction and credit as may be appropriate to carry out the intent of this Section 4.2.

4.3 Special Allocations. Notwithstanding any other provision of this Agreement, to the extent an allocation of Profit or Loss or any item thereof to any Shareholder pursuant to Sections 4.1 or 4.2 of this Agreement would be in violation of the requirements of the Treasury Regulations under Section 704(b) of the Code, the Tax Matters Partner shall comply with the requirements of such Treasury Regulations and adjust such allocations to comply with such requirements in a manner that will, in the reasonable judgment of the Tax Matters Partner, have the least effect on the amounts to be allocated and distributed under this Agreement. In the event a Shareholder unexpectedly receives any adjustment, allocation or distribution described in Treasury Regulation Sections 1.704-1(b)(2)(ii)(d)(4), (5) and (6) that causes or increases a negative balance in a Shareholder's Capital Account, items of Profit shall be specially allocated to such Shareholder so as to eliminate such negative balance as quickly as possible. The Shareholders agree that if this Section 4.3 becomes applicable, the Tax Matters Partner is authorized to review and adjust the allocations made pursuant to Sections 4.1 or 4.2 of this Agreement.

4.4 Additional Allocations.

(a) If there is a net decrease in "partnership minimum gain" (within the meaning of Treasury Regulation Section 1.704-2(d)) during a taxable year, a Shareholder shall be allocated, before any other allocation of the Company's items for such taxable year (and if necessary, subsequent years), items of the Company's income and gain in the amount equal to the Shareholder's share of such net decrease in partnership minimum gain (within the meaning of Treasury Regulations Section 1.704-2(g)).

(b) The Tax Matters Partner, in order to preserve uniformity of Shares within a class, may, in its sole discretion, make a special allocation of items of income, gain, loss or deduction but only if such allocations would not have a material adverse effect on the Shareholders and if they are consistent with the principles of Section 704 of the Code.

(c) If, and to the extent that any Shareholder is deemed to recognize income as a result of any transaction between such Shareholder and the Company pursuant to Sections 1272-1274, Section 7872, Section 483 or Section 482 of the Code, or any similar provision now or hereafter in effect, any corresponding loss or deduction of the Company shall be allocated to the Shareholder who was charged with such income.

(d) Adjustments to the Capital Accounts of Shareholders with respect to an adjustment to the tax basis of any asset of the Company pursuant to Section 734(b) or Section 743(b) of the Code shall be made in accordance with the provisions of Treasury Regulation Section 1.704-1(b)(2)(m).

4.5 Tax Allocations.

(a) For federal income tax purposes, except as otherwise provided in this Section 4.5, each item of income, gain, loss and deduction of the Company shall be allocated among the Shareholders in the same proportion as the corresponding items are allocated pursuant to Sections 4.3 and Section 4.4 hereof.

(b) In the event that the Book Value of any asset contributed to and held by the Company differs from its basis for federal income tax purposes ("Tax Basis"), allocations of income, gain, loss or deduction with respect to such asset shall, solely for tax purposes, be allocated among the Shareholders so as to take account of any variation between Book Value and Tax Basis in accordance with the provisions of Section 704(c) of the Code and Treasury Regulations thereunder. The Tax Matters Partner may elect any reasonable method or methods for making such allocations.

(c) If the Book Value of any asset of the Company is adjusted pursuant to Section ~~1.11~~ 1.10 hereof, subsequent allocations of income, gain, loss and deductions with respect to such asset shall take into account any variation between Book Value and Tax Basis in accordance with the provisions of Section 704(c) of the Code and Treasury Regulations thereunder.

(d) The Tax Matters Partner shall have the sole discretion to make special allocations of items of income, gain, loss and deductions that are consistent with the principles of Section 704(c) of the Code and to amend the provisions of this Agreement (without Shareholder action, notwithstanding Section 14.4 of this Agreement), as appropriate, to reflect the proposal or promulgation of Treasury Regulations under Subchapter K of the Code. The Tax Matters Partner may adopt and employ such methods and procedures for (A) the maintenance of capital accounts for book and tax purposes, (B) the determination and allocation of adjustments under Sections 704(c), 734 and 743 of the Code, (C) the determination and allocation of taxable income, tax loss and items thereof under this Agreement and pursuant to the Code, (D) the determination of the identities and tax classification of Shareholders, (E) the provision of tax information and reports to the Shareholders, (F) the adoption of reasonable conventions and methods for the valuation of assets and the determination of tax basis, (G) the allocation of asset values and tax basis, (H) conventions for the determination of depreciation, cost recovery and amortization deductions and the adoption and maintenance of accounting methods, (I) the recognition of the transfer of Shares, and (J) compliance and other tax-related requirements, including without limitation, the use of computer software, to use filing and reporting procedures similar to those employed by publicly-traded partnerships and limited liability companies, as it determines in its sole discretion are necessary and appropriate to execute the provisions of this Agreement and to comply with federal and state tax law, and to achieve uniformity of Shares. The Tax Matters Partner shall be indemnified and held harmless by the Company for any expenses, penalties or other liabilities arising as a result of decisions made in good faith on any of the matters referred to in the preceding sentence. If the Tax Matters Partner determines, based on advice of counsel, that no reasonable allowable convention or other method is available to preserve the uniformity of Shares within a class, or the Tax Matters Partner in its discretion so elects, Shares may be separately identified as distinct classes to reflect differences in tax consequences.

ARTICLE 5

This Section 5.3 is, as permitted by Section 18-606 of the Act, intended to override the provisions of Section 18-606 of the Act relating to a member's status and remedies as a creditor, to the extent that such provisions would be applicable in the absence of this Section 5.3.

~~(b) ——— Notwithstanding Section 6.1(a) hereof, the Special Shareholder, for so long as such Person holds Shares (unless such Person duly resigns as a Special Shareholder in accordance with this Section 6.1 or Section 6.3 of this Agreement), shall have personal liability to creditors of the Company (and any such creditor may seek personal satisfaction from the Special Shareholder), to the extent that the assets of the Company (including without limitation the proceeds of any and all available insurance) are insufficient to satisfy such creditor's claim (and, if there be more than one Special Shareholder at any time, then such Special Shareholders shall be jointly liable for all liabilities set forth in this Section 6.1(b)); provided, however, that, notwithstanding Section 6.3 of this Agreement, any Special Shareholder may resign its status as a Special Shareholder after (i) the consummation of a transaction in which a Person acquires more than 10% of the then outstanding Shares of any class or series where such acquisition is not consented to by the Special Shareholder, or (ii) any Shareholder or group of Shareholders controls a majority of the seats on the Board of Directors in any case where such control is not consented to by the Special Shareholder. In the event of such a resignation, (x) the Special Shareholder's personal liability under the first sentence of this Section 6.1(b) shall, to the fullest extent permissible under law, terminate immediately, automatically, and in full, although such Person may continue to hold Shares, and (y) the Company shall pay to the Special Shareholder, promptly after such resignation, the sum of \$1,000,000 in direct consideration for the Special Shareholder's prior service to the Company.~~

~~(c) ——— Notwithstanding Section 6.1(b) hereof, the Special Shareholder shall have no fiduciary duty whatsoever to any other Shareholder, and shall be treated in exactly the same manner as any other Shareholder other than as specifically provided in Section 6.1(b) hereof. Without limiting the foregoing, it is agreed that (i) the Special Shareholder has no~~

~~responsibility to treat other Shareholders as creditors of the Company toward which the Special Shareholder would bear any responsibility or have any liability whatsoever (including without limitation in the event of any Company failure to pay any amounts to such Shareholders, whether as a dividend, redemption payment or other distribution, even if such amounts are specifically required hereunder to be paid), and (ii) the Special Shareholder is entitled to act solely in its own self interests without regard to the interests of other Shareholders.~~

~~(d) — Notwithstanding any other provision of this Agreement, the Dissolution Shareholder shall have the right to serve as one (or, if there are at any time more than ten Directors on the Board of Directors, two) of the Company's Directors, through such representatives as are appointed by the Dissolution Shareholder (such designated persons to be referred to as the "Specially Appointed Director(s)") at all times and from time to time, and shall have the sole right to remove such representative(s) as Directors; all as provided in Section 7.2(b) of this Agreement.~~

6.2 Voting Rights of Shareholders; Authority of Board of Directors.

(a) The Board of Directors shall make all decisions made for and on behalf of the Company, such decisions shall be binding upon the Company, and the Shareholders shall have no voting rights; except, however, as expressly set forth herein. The Board of Directors, in its sole discretion, has full, complete and exclusive right, power and authority in the management and control of the Company business to do any and all things necessary to effectuate the purpose of the Company; except, however, as expressly set forth herein. The members of the Board of Directors shall devote such time as is necessary to the affairs of the Company, and shall receive such compensation from the Company and such reimbursement for expenses as is permitted by the Company's By-laws as then in effect. No Person dealing with the Board of Directors shall be required to determine its authority to make any undertaking on behalf of the Company or to determine any facts or circumstances bearing upon the existence of such authority.

(b) Notwithstanding Section 6.2(a) above, but subject to ~~Sections 10.1(a)(i) and 10.1(a)(ii)~~, Article 12 and Article 13 hereof, in the event of a proposed sale or other disposition of all or substantially all of the assets of the Company at any one time, merger or consolidation of the Company (where the Company is not the surviving Entity), dissolution of the Company, or issuance of any restricted Share or deferred Share awards under a Company incentive share plan, any such proposed occurrence, in order to be approved must, (i) with respect to the merger or consolidation of the Company (where the Company is not the surviving Entity), first receive the approval of the Board of Directors, (ii) with respect to a sale or other disposition of all or substantially all of the assets of the Company at any one time, or dissolution of the Company, any such proposed action must first receive the approval of the Board of Directors, and (iii) receive the vote, at a duly held meeting, of more than 50% in interest of the total then issued and outstanding Shares (or, in the case of a written Consent without a meeting, more than 50% in interest of the total then issued and outstanding Shares), voting as one class (and not as separate classes, notwithstanding the fact that there may be members of more than one class voting) or such greater percentage as is then required under the Act.

(c) Notwithstanding Section 6.2(a) above, but subject to Sections ~~6.1(d), 7.2(a) and 7.2(b)~~ and Articles 12 and 13 hereof, the vote, at a duly held meeting, of more than 50% in interest of the total then issued and outstanding Shares (or, in the case of a written Consent without a meeting, more than 50% in interest of the total then issued and outstanding Shares), voting as one class (and not as separate classes, notwithstanding the fact that there may be members of more than one class voting), shall be able to remove any Director ~~(other than a Specially Appointed Director)~~ and elect a replacement therefor. If the Shareholders vote to remove a Director pursuant to this Section 6.2(c), they shall provide the removed Director with notice thereof, which notice shall set forth the date upon which such removal is to become effective.

(d) Except as otherwise provided in this Agreement or in any share plan or share incentive plan adopted by the Company, the holders of Common Shares have sole Shareholder authority;

(i) to vote on such matters as may be brought before the Shareholders from time to time (on issues other than those as to which this Agreement specifically provides for voting rights of Shareholders in addition to or instead of holders of Common Shares);

(ii) to elect Directors, and shall do so on an annual basis; and in all such votes on which the holders of Common Shares have sole Shareholder voting authority, in order for the holders of Common Shares to act to approve a matter on which they are voting, such matter must receive the vote of more than 50% in interest of the Common Shares which are voted at a meeting at which a quorum of Common Shares is present (or, in the case of a written Consent without a meeting, must receive the written Consent of more than 50% in interest of the aggregate Common Shares), voting as one class (and not as separate classes, notwithstanding the fact that there may be members of more than one class voting) (or such greater percentage as is then required under the Act or under the express terms of this Agreement). For purposes of the foregoing sentence, the term "quorum" means more than 50% of the then issued and outstanding Common Shares, except as provided in any share plan or share incentive plan adopted by the Company.

The annual meeting of the holders of Common Shares of the Company for the election of Directors and for the transaction of such other business as properly may come before such meeting shall be held in accordance with the By-laws. Subject to the provisions of Article 13 relating to meetings of Shareholders and related subjects, the By-laws shall govern matters relating to, among other things, annual and special meetings, notice, waiver of notice, adjournment, proxies, written consents, procedures, and telephonic meetings, to the extent not inconsistent with this Agreement.

(e) Notwithstanding any other provision of this Agreement, Shareholders have voting rights with respect to a particular matter (to the extent provided herein with regard to categories of Shareholders permitted to vote on particular matters, and otherwise) only after such matter has first been approved by the Board of Directors, except with regard to (i) the removal of a Director (and the election of a replacement therefor in connection therewith) as provided in this Agreement, (ii) the amendment of this Agreement, ~~(iii) the sale or other disposition of all or substantially all of the assets of the Company at any one time, (iv) the dissolution of the Company, and (v) any matter~~ and (iii) any matter as to which any share plan or share incentive plan adopted by the Company provides otherwise.

(f) For ~~purposes~~ of this Agreement, in order for a meeting of Shareholders to be considered duly held with regard to a particular question, a quorum of more than 50% in interest of the Shares which are entitled to vote at such meeting on the particular question must be present (in person or by proxy).

6.3 Transfers of Special Shareholder Interests. The restrictions, limitations and other provisions of this Section 6.3 shall in no manner limit or restrict the right of a Special Shareholder to resign its status as a Special Shareholder to the extent permitted under Section 6.1(b) of this Agreement; and, once such Special Shareholder properly resigns pursuant thereto, the transfer restrictions set forth in this Section 6.3 as they relate to such Special Shareholder shall automatically and immediately terminate. Subject to the foregoing sentence, it is agreed that:

~~(a) — No Special Shareholder (a "Special Transferor") may make any Transfer of any of its Shares to a Transferee (a "Special Transferee") unless each of the following requirements is met:~~

~~(i) — At all times during the existence of the Company, including upon consummation of such Transfer, one or more Special Shareholders must have, in the aggregate, at least a number of Shares which will result in the allocation to the Special Shareholder(s), in the aggregate, of the minimum percentage interest in the Company which will permit the Company to retain its tax status as an association taxable as a partnership rather than as a corporation, in the opinion of counsel to the Company; and~~

~~(ii) — Before any such Transfer can be made, the Company must be furnished with an opinion of counsel (which may or may not be the same counsel as is referenced in subparagraph (i) above) to the effect that the Transfer in question will not adversely affect the Company's tax status as an association taxable as a partnership rather than as a corporation.~~

~~(b) — No Transfer to a Special Transferee shall be recognized by the Company unless the Board of Directors of the Company receives documentation satisfactory to it that the requirements of this Section 6.3 have been met.~~

~~(c) — If the Special Transferor transfers all of its Shares in such Transfer, in accordance with the restrictions and requirements of Sections 6.3(a) and 6.3(b) of this Agreement, then such Special Transferor shall thereafter no longer be a Special Shareholder. If the Special Transferor transfers fewer than all of its Shares in such Transfer, then:~~

~~(i) if such Special Transferor makes no provision for the termination of its status as a Special Shareholder in accordance with clause (ii) immediately below, such Special Transferor shall continue to be a Special Shareholder; and~~

~~(ii) if the Special Transferee agrees in writing to be a Special Shareholder and to be subject to the liabilities of a Special Shareholder as provided in this Agreement, then, if all of the requirements and limitations set forth in Section 6.3(a) of this Agreement are complied with, the Special Transferor may terminate its status as a Special Shareholder upon notice thereof to the Company; provided, however, that no such resignation shall be recognized by the Company unless the Board of Directors of the Company receives documentation satisfactory to it that the requirements of this Section 6.3(c) have been met.~~

~~6.4 — Transfers of Dissolution Shareholder Interests:~~

~~(a) — No Dissolution Shareholder (a "Dissolution Transferor") may make any Transfer of any of its Shares to a Transferee (a "Dissolution Transferee") unless each of the following requirements is met:~~

~~(i) At all times during the existence of the Company, including upon consummation of such Transfer, one or more Dissolution Shareholders must have, in the aggregate, at least a number of Shares which will result in the allocation to the Dissolution Shareholder, in the aggregate, of the minimum percentage interest in the Company which will permit the Company to retain its tax status as an association taxable as a partnership rather than as a corporation, in the opinion of counsel to the Company; and~~

~~(ii) — Before any such Transfer can be made, the Company must be furnished with an opinion of counsel (which may or may not be the same counsel as is referenced in subparagraph (i) above) to the effect that the Transfer in question will not adversely affect the Company's tax status as an association taxable as a partnership rather than as a corporation.~~

~~(b) — No Transfer to a Dissolution Transferee shall be recognized by the Company unless the Board of Directors of the Company receives documentation satisfactory to it that Section 6.4(a)'s requirements have been met.~~

~~(c) — If the Dissolution Transferor transfers all of its Shares in such Transfer, in accordance with the restrictions and requirements of Sections 6.4(a) and 6.4(b) of this Agreement, then such Dissolution Transferor shall thereafter no longer be a Dissolution Shareholder. If the Dissolution Transferor transfers fewer than all of its Shares in such Transfer, then:~~

~~(i) — if such Dissolution Transferor makes no provision for the termination of its status as a Dissolution Shareholder in accordance with clause (ii) immediately below, such Dissolution Transferor shall continue to be a Dissolution Shareholder; and~~

~~(ii) if the Dissolution Transferee agrees in writing to be a Dissolution Shareholder, then, if all of the requirements and limitations set forth in Section 6.4(a) of this Agreement are complied with, the Dissolution Transferor may terminate its status as a Dissolution Shareholder upon notice thereof to the Company; provided, however, that no such resignation shall be recognized by the Company unless the Board of Directors of the Company receives documentation satisfactory to it that this Section 6.4(c)'s requirements have been met.~~

(a) Except as may otherwise be provided by the Act or by this Agreement, the property, affairs and business of the Company shall be managed by or under the direction of the Board of Directors, the Board of Directors may exercise all the powers of the Company (including but not limited to deciding whether to make various tax elections), and the Shareholders shall have no right to act on behalf of or bind the Company. The Directors shall act only as a Board, and the individual Directors shall have no power as such. Subject to the provisions of this Agreement and the By-laws with regard to Board of Directors actions that can be taken without a quorum, the approval of a matter by a majority of the Directors present at a meeting at which a quorum is present shall constitute approval by the Board of Directors (or, in the case of a written consent without a meeting, the approval of a matter by all of the Directors shall constitute approval by the Board of Directors).

(b) Unless expressly provided otherwise under this Agreement, the Board of Directors shall have the exclusive authority to make all determinations under this Agreement and under the By-laws.

(c) No contract or transaction among the Company and one or more of its Affiliates, Directors or officers, or among the Company and any other Entity in which one or more of the Company's Affiliates, Directors or officers are directors or officers, or have a financial interest, shall be void or voidable solely for this reason, or solely because the Director or officer is present at or participates in the meeting of the Board of Directors or of a committee thereof which authorizes the contract or transaction, or solely because his or their votes are counted for such purpose, if:

(i) The material facts as to such Affiliate's, Director's or officer's relationship or interest and as to the contract or transaction are disclosed or are known to the Board of Directors or the committee, and the Board of Directors or committee in good faith authorizes the contract or transaction by the affirmative vote of a majority of the disinterested Directors, even though the disinterested Directors be less than a quorum;

(ii) The material facts as to such Affiliate's, Director's or officer's relationship or interest and as to the contract or transaction are disclosed or are known to the Shareholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by more than 50% in interest of the Common Shares which are present and entitled to vote at a meeting at which a quorum is present (or, in the case of a written Consent without a meeting, more than

50% in interest of the aggregate Common Shares), voting as one class (and not as separate classes, notwithstanding the fact that there may be members of more than one class voting), who are not Affiliates of any of the interested Persons involved in such transaction; or

Notwithstanding the foregoing provisions of this Section 7.1(c), the Company shall not enter into or renew ~~no any~~ agreement pursuant to which any Affiliate of any Director would provide management services for any ~~Property,~~ property which secures a Company investment, unless such agreement is approved by a majority of the Directors who (a) are not officers of the Company, (b) are neither related to any Company officer nor represent concentrated or family holdings of the Company's Shares, and (c) are, in the view of the Board of Directors, free of any relationship that would interfere with the exercise of independent judgment; and, if such approval is obtained in the case of a particular contract, such approval shall be deemed to satisfy the requirements of this Section 7.1(c).

~~(d) Notwithstanding the above provisions of this Section 7.1, in any transaction in which the Company wishes to issue Shares to SCATEF or any Affiliate of SCATEF in exchange for such Person giving up fees otherwise payable to it, such transaction, including but not limited to the exchange ratio of Shares for such fees, shall not be approved or undertaken by the Company unless and until approved, in lieu of the requirements set forth in Section 7.1(c), by a majority of the directors of the Company who are not Affiliates of SCATEF or of any SCATEF Affiliate (even though the disinterested Directors may be less than a quorum of the full Board of Directors), after the material facts as to such transaction are disclosed or are known to such unaffiliated Directors.~~

At the first annual meeting of the holders of Common Shares, only the Directors ~~of the first class shall be elected by the holders of Common Shares (in accordance with Section 6.2 hereof), and such persons shall hold office thereafter for a term expiring at the third succeeding annual meeting. At the second annual meeting of Shareholders, only the Directors of the second class shall be elected by the holders of Common Shares (in accordance with Section 6.2 hereof), and such persons shall hold office thereafter for a term expiring at the third succeeding annual meeting. If the Interested Party has paid for Company Interests with varying forms of consideration, the form of consideration for such Company Interests of the same class or series shall be either cash or the form used to acquire the largest number of Company Interests of the same class or series previously acquired by it, except to the extent that the Shareholders otherwise elect.

(c) The provisions of Section 12.2 do not apply to any Business Combination of the Company with an Interested Party that became an Interested Party inadvertently, if the Interested Party:

(ii) Would not at any time with the five-year period preceding the Announcement Date with respect to the Business Combination have been an Interested Party except by inadvertence.

12.4 Amendment. ARTICLE 13

Voting Rights of Certain Control Company Interests

13.1 Definitions. For purposes of this Article 13, the following definitions shall apply:

"Acquiring Person" means a person who makes or proposes to make a Control Company Interests Acquisition, or such Person's Affiliate or Associate.

"Associate" when used to indicate a relationship with any Person means:

(a) An "Associate" as defined in Section 12.1; or

(b) A Person that:

- (i) Directly or indirectly controls, or is controlled by, or is under common control with, the Person specified; or
- (ii) Is acting or intends to act jointly or in concert with the Person specified.

"Control Company Interests" means those Company Interests that, except for this Article 13, would, if aggregated with all other Company Interests (including Company Interests the acquisition of which is excluded from the definition "Control Company Interests Acquisition" below) owned by a Person or in respect of which that Person is entitled to exercise or direct the exercise of voting power, except solely by virtue of a revocable proxy, entitle that Person, directly or indirectly, to exercise or direct the exercise of the voting power of any class or series of Company Interests within any of the following ranges of voting power:

- (a) One-fifth or more, but less than one-third of all voting power;
- (b) One-third or more, but less than a majority of all voting power; or
- (c) A majority or more of all voting power.

"Control Company Interests" includes Company Interests only to the extent that the Acquiring Person, following the acquisition of the Company Interests, is entitled, directly or indirectly, to exercise or direct the exercise of voting power within any level of voting power set forth in this section for which approval has not been obtained previously under Section 13.2.

"Control Company Interests Acquisition" means the acquisition, directly or indirectly, by any Person (other than (i) the Company; or (ii) any subsidiary of the Company; ~~(iii) the General Partners, the Special Shareholder, the Original Shareholders, and the Dissolution Shareholder, and (iv) any Affiliate or Associate of any Person described in clause (iii) above~~), of ownership of, or the power to direct the exercise of voting power with respect to, issued and outstanding Control Company Interests. Control Company Interests Acquisition does not include the acquisition of Control Company Interests:

- (a) Under the laws of descent and distribution;

(b) Under the satisfaction of a pledge or other security interest created in good faith and not for the purpose of circumventing this Article 13; or

(c) Under a merger, consolidation or exchange of interests if the Company is a party to the merger, consolidation or exchange of interests.

Unless the acquisition entitles any Person, directly or indirectly, to exercise or direct the exercise of voting power of Company Interests in excess of the range of voting power previously authorized or attained under an acquisition that is exempt under items (a), (b) or (c) of this definition, "Control Company Interests Acquisition" does not include the acquisition of Company Interests in good faith and not for the purpose of circumventing this Article 13, by or from any Person whose voting rights have previously been authorized by the Shareholders in compliance with this Article 13 or any Person whose previous acquisition of Company Interests would have constituted a Control Company Interests Acquisition but for the exclusions in items (a) through (c) of this definition.

"Interested Company Interests" means Company Interests in respect of which an Acquiring Person is entitled to exercise or direct the exercise of the voting power of Company Interests in the election of Directors or otherwise.

13.2 Voting Rights.

(a) Control Company Interests acquired in a Control Company Interests Acquisition have no voting rights except to the extent approved by the Shareholders at a meeting held under Section 13.4 by the affirmative vote of two-thirds in interest of all Shareholders, excluding any votes cast with respect to Interested Company Interests.

(b) For purposes of this Section 13.2:

(i) Company Interests acquired within 180 days or Company Interests acquired under a plan to make a Control Company Interests Acquisition are considered to have been acquired in the same acquisition; and

(ii) A Person may not be deemed to be entitled to exercise or direct the exercise of voting power with respect to Company Interests held for the benefit of others if the Person:

(A) Is acting in the ordinary course of business, in good faith and not for the purpose of circumventing the provisions of this Section of the Agreement; and

(B) Is not entitled to exercise or to direct the exercise of the voting power of the Company Interests unless the Person first seeks to obtain the instruction of another person.

13.3 Acquiring Person Statement. Any Person who proposes to make or who has made a Control Company Interests Acquisition may deliver an Acquiring Person statement to the Company at the Company's principal office. The Acquiring Person statement shall set forth all of the following:

- (a) The identity of the Acquiring Person and each other member of any group of which the Person is a part for purposes of determining Control Company Interests;
- (b) A statement that the Acquiring Person statement is given under this Article 13;
- (c) The number of Company Interests owned (directly or indirectly) by the Acquiring Person and each other member of any group;
- (d) The applicable range of voting power as set forth in the definition of "Control Company Interests"; and
- (e) If the Control Company Interests Acquisition has not occurred:
 - (i) A description in reasonable detail of the terms of the proposed Control Company Interests Acquisition; and
 - (ii) Representations of the Acquiring Person, together with a statement in reasonable detail of the facts on which they are based, that:
 - (A) The proposed Control Company Interests Acquisition, if consummated, will not be contrary to law; and

(B) The Acquiring Person has the financial capacity, through financing to be provided by the Acquiring Person, and any additional specified sources of financing required under Section 13.5, to make the proposed Control Company Interests Acquisition.

13.4 Special Meeting.

(a) Except as provided in Section 13.5, if the Acquiring Person requests, at the time of delivery of an Acquiring Person statement, and gives a written undertaking to pay the Company's expenses of a special meeting, except the expenses of opposing approval of the voting rights, within ten days after the day on which the Company receives both the request and undertaking, the Board of Directors of the Company shall call a special meeting of the Shareholders, to be held within 50 days after receipt of the Acquiring Person statement and undertaking, for the purpose of considering the voting rights to be accorded the Company Interests acquired or to be acquired in the Control Company Interests Acquisition.

(b) The Board of Directors may require the Acquiring Person to give bond, with sufficient surety, to reasonably assure the Company that this undertaking will be satisfied.

(c) Unless the Acquiring Person agrees in writing to another date, the special meeting of Shareholders shall be held within 50 days after the day on which the Company has received both the request and the undertaking.

(d) If the Acquiring Person makes a request in writing at the time of delivery of the Acquiring Person statement, the special meeting may not be held sooner than 30 days after the day on which the Company receives the Acquiring Person statement.

(e) If no request is made under subsection (a) of this Section 13.4, the issue of the voting rights to be accorded the Company Interests acquired in the Control Company Interests Acquisition may, at the option of the Company, be presented for consideration at any meeting of the Shareholders. If no request is made under subsection (a) of this Section 13.4 and the Company proposes to present the issue of the voting rights to be accorded the Company Interests acquired in a Control Company Interests Acquisition for consideration at any meeting of the Shareholders, the Company shall provide the Acquiring Person with written notice of the proposal not less than 20 days before the date on which notice of the meeting is given.

13.5 Calls.

(a) A call of a special meeting of Shareholders is not required to be made under Section 13.4 unless, at the time of delivery of an Acquiring Person statement under Section 13.3, the Acquiring Person has:

(i) Entered into a definitive financing agreement or agreements with one or more responsible financial institutions or other entities that have the necessary financial capacity, providing for any amount of financing of the Control Company Interests Acquisition not to be provided by the Acquiring Person; and

(ii) Delivered a copy of the agreements to the Company.

13.6 Notice of Meeting.

(a) If a special meeting of the Shareholders is requested, notice of the special meeting shall be given as promptly as reasonably practicable by the Company to all Shareholders of record as of the record date set for the meeting, whether or not the Shareholder is entitled to vote at the meeting.

(b) Notice of the special or annual meeting at which the voting rights are to be considered shall include or be accompanied by the following:

(i) A copy of the Acquiring Person statement delivered to the Company under Section 13.3; and

(ii) A statement by the Board of Directors setting forth its position or recommendation, or stating that it is taking no position or making no recommendation, with respect to the issue of voting rights to be accorded the Control Company Interests.

13.7 Redemption Rights.

(a) If an Acquiring Person statement has been delivered on or before the 10th day after the Control Company Interests Acquisition, the Company may, at its option, redeem any or all Control Company Interests, except Control Company Interests for which voting rights have been previously approved under Section 13.2, at any time during a 60-day period commencing on the day of a meeting at which voting rights are considered under Section 13.4 and are not approved.

(b) In addition to the redemption rights authorized under subsection (a) of this Section 13.7, if an Acquiring Person statement has not been delivered on or before the 10th day after the Control Company Interests Acquisition, the Company may, at its option, redeem any or all Control Company Interests, except Control Company Interests for which voting rights have been previously approved under Section 13.2, at any time during a period commencing on the 11th day after the Control Company Interests Acquisition and ending 60 days after the acquiring person statement has been delivered.

(c) Any redemption of Control Company Interests under this Section shall be at the fair value of the Company Interests. For purposes of this section, "fair value" shall be determined:

(i) As of the date of the last acquisition of Control Company Interests by the Acquiring Person in a Control Company Interests Acquisition or, if a meeting is held under Section 13.4, as of the date of the meeting; and

(ii) Without regard to the absence of voting rights for the Control Company Interests.

13.8 Amendment. Notwithstanding any other provisions of this Agreement, this Article 13 may only be amended or repealed by a vote of 80% in interest of all Shareholders, voting together as a single class, excluding any votes cast with respect to Interested Company Interests.

14.2 Word Meanings. The words such as "herein", "hereinafter", "hereof" and "hereunder" refer to this Agreement as a whole and not merely to a subdivision in which such words appear unless the context otherwise requires.
