ABOUT THE 2013 ANNUAL MEETING OF SHAREHOLDERS

What am I voting on?

You will be voting on the following:

- (1) The election of two Class III members of the Board of Directors, to serve a term expiring at the Annual Meeting of Shareholders in 2016 or until their successors are duly elected and qualified;
- (2) The approval for the purposes of NASD Marketplace Rule 4350, the issuance of shares of common stock in excess of 20% of the number of outstanding shares of common stock on March 5, 2013;
- (3) The ratification of the appointment of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2013; and
- (4) The transaction of any other business properly coming before the meeting.

Who is entitled to vote?

You may vote if you owned shares of the Company's common stock as of the close of business on February 28, 2013. Each share of common stock is entitled to one vote. As of February 28, 2013, we had 2,903,841 shares of common stock outstanding.

How do I vote before the meeting?

If you are a registered shareholder, meaning that you hold your shares in certificate form, you have three voting options:

- (1) By Internet, which we encourage if you have Internet access, at the address shown on your proxy card;
- (2) By phone, at 1-800-652-VOTE or 8683 using any touch-tone telephone to transmit your voting instructions; or
- (3) By mail, by completing, signing and returning the enclosed proxy card.

If you hold your shares through an account with a bank or broker, your ability to vote by the Internet depends on their voting procedures. Please follow the directions that your bank or broker provides.

May I vote
at the
meeting?

If you are a registered shareholder, you may vote your shares at the meeting if you attend in person. If you hold your shares through an account with a bank or broker, please follow the directions provided to you by your bank or broker. If you wish to vote in person at the meeting, please contact your bank or broker to learn the procedures necessary to allow you to vote your shares in person. Even if you plan to attend the meeting, we encourage you to vote your shares by proxy. You may vote by proxy through the Internet, by telephone or by mail.

Can I change
my mind after
I return my
proxy?

You may change your vote at any time before the polls close at the conclusion of voting at the meeting. You may do this by (1) signing another proxy card with a later date and returning it to us before the meeting, (2) voting again over the Internet prior to 11:59 p.m., Eastern Time, on _____, 2013, (3) voting again via the telephone prior to 11:59 p.m., Eastern Time, on _____, 2013, or (4) voting at the meeting if you are a registered shareholder or have obtained a legal proxy from your bank or broker.

What if I return
my proxy card but
do not provide
voting
instructions?

Proxies that are signed and returned but do not contain instructions will be voted in favor of Proposals 1, 2, and 3 and in accordance with the best judgment of the named proxies on any other matters properly brought before the meeting.

What does it
mean if I receive
more than one
proxy card or
instruction form?

It indicates that your shares are registered differently and are in more than one account. To ensure that all shares are voted, please either vote each account by telephone or on the Internet, or sign and return all proxy cards. We encourage you to register all your accounts in the same name and address. Those holding shares through a bank or broker should contact your bank or broker and request consolidation.

Will my shares be
voted if I do not
provide my proxy
or instruction
form?

If you are a registered shareholder and do not provide a proxy, you must attend the meeting in order to vote your shares. If you hold shares through an account with a bank or broker, your shares may be voted even if you do not provide voting instructions on your instruction form. Brokerage firms have the authority to vote shares for which their customers do not provide voting instructions on certain routine matters. The ratification of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2013 is considered a routine matter for which brokerage firms may vote without specific instructions. The other matters are not considered routine matters for which brokerage firms may vote without specific instructions. When a proposal is not a routine matter and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm cannot vote the shares on that proposal. Shares that a broker is not authorized to vote are counted as "broker non-votes."

How can I attend
the meeting?

The meeting is open to all holders of the Company's common stock as of February 28, 2013.

May shareholders
ask questions at

the meeting?

Yes. Representatives of the Company will answer questions of general interest at the end of the meeting.

How many votes
must be present to
hold the meeting?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a proxy by Internet, telephone or mail. In order for us to conduct our meeting, a majority of our outstanding shares of common stock as of February 28, 2013 must be present in person or by proxy. This is referred to as a quorum. Abstentions and broker non-votes will be counted for purposes of establishing a quorum at the meeting.

How many votes are needed to approve the Company's proposals?

Proposal 1. The nominees receiving the highest number of "For" votes will be elected as directors. This number is called a plurality. Shares not voted will have no impact on the election of directors. The proxy given will be voted "For" the nominee for director unless a properly executed proxy card is marked "Withhold" as to a particular nominee for director.

Proposal 2. The approval of the issuance of common stock in excess of the number of outstanding shares on March 5, 2013 and a related potential change of control requires that a majority of the votes cast at the meeting be voted "For" the proposal. The shares that would be issued to the new investor have not been issued and will thus not be voted to approve Proposal 2.

Proposal 3. The ratification of the appointment of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2013 requires that a majority of the votes cast at the meeting be voted "For" the proposal. A properly executed proxy card marked "Abstain" with respect to this proposal will not be voted.

Involvement in Certain Legal Proceedings

To the best of our knowledge, none of our directors or executive officers has been convicted in a criminal proceeding, excluding traffic violations or similar misdemeanors, or has been a party to any judicial or administrative proceeding during the past ten years that resulted in a judgment, decree or final order enjoining the person from future violations of, or prohibiting activities subject to, federal or state securities laws, or a finding of any violation of federal or state securities or commodities laws, any laws respecting financial institutions or insurance companies, any law or regulation prohibiting mail or wire fraud in connection with any business entity or been subject to any disciplinary sanctions or orders imposed by a stock, commodities or derivatives exchange or other self-regulatory organization, except for matters that were dismissed without sanction or settlement. None of our directors, director nominees or executive officers has been involved in any transactions with us or any of our directors, executive officers, affiliates or associates which are required to be disclosed pursuant to the rules and regulations of the SEC.

Board Leadership Structure

Mr. Cao Lei currently holds both the positions of Chief Executive Officer and Chairman of the Board. These two positions have not been consolidated into one position; Mr. Cao simply holds both positions at this time. The Board of Directors believes that Mr. Cao's service as both Chief Executive Officer and Chairman of the Board is in the best interests of the Company and its shareholders. Mr. Cao possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company and its business and is thus best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters. His combined role enables decisive leadership, ensures clear accountability, and enhances the Company's ability to communicate its message and strategy clearly and consistently to the Company's shareholders, employees, customers and suppliers.

We do not have a lead independent director because of the foregoing reasons and also because we believe our independent directors are encouraged to freely voice their opinions on a relatively small company board. We believe this leadership structure is appropriate because we are a smaller reporting company as such we deem it appropriate to be able to benefit from the guidance of Mr. Cao as both our Chief Executive Officer and Chairman of the Board.

Risk Oversight

Our Board of Directors plays a significant role in our risk oversight. The Board of Directors makes all relevant Company decisions. As such, it is important for us to have our Chief Executive Officer serve on the Board as he plays a key role in the risk oversight of the Company. As a smaller reporting company with a small board of directors, we believe it is appropriate to have the involvement and input of all of our directors in risk oversight matters.

**WE RECOMMEND THAT YOU VOTE FOR THE ELECTION OF THE
CLASS III NOMINEES TO THE BOARD OF DIRECTORS.**

Proposal Two

Approval of Issuance of New Shares in Excess of 20% of Outstanding Shares of Common Stock as of March 5, 2013

(Item 3 On The Proxy Card)

What
am I
voting
on?

On March 5, 2013 (the “Signing Date”), we entered into an agreement (the “Share Purchase Agreement”) with Zhang Zhong, a Chinese resident (the “Investor”), pursuant to which we agreed to issue 1,800,000 shares of our common stock, no par value per share (“Common Stock”) for a purchase price of \$1.71 per-share, conditioned on prior receipt of shareholder approval. We refer to the proposed transaction as the “Issuance” and the shares to be issued to the Investor as the “New Shares”. If shareholders do not approve the Issuance, we will not issue any shares to the Investor under the Share Purchase Agreement. Notwithstanding the foregoing sentence, our Chief Executive Officer and Chief Financial Officer hold a majority of the shares of our Company, which would be sufficient to constitute a quorum for the meeting and to approve the Issuance. Both have advised that they presently intend to vote their respective shares to approve the Issuance.

The purchase price represents 95% of the 10 day trading average for our company’s stock closing price as of the Signing Date. The discount to the 10-day trading average was negotiated between the parties and is not intended to, nor should it be construed to, represent the intrinsic value of the Common Stock.

In order to demonstrate its willingness and ability to move forward promptly, the Investor has deposited the full purchase price in escrow with SunTrust Bank, which will serve as escrow agent (the “Escrow Agent”) in connection with the Issuance. At the same time, we have delivered to the Escrow Agent an instruction letter addressed to our transfer agent to issue the New Shares. The instruction letter is to be released to the transfer agent and the purchase price is to be released to us only upon receipt of shareholder approval of the Issuance. If we do not receive shareholder approval on or before May 25, 2013, the Escrow Agent will return the purchase price to the Investor and will return the instruction letter to us, and the New Shares will not be issued.

The Investor is a 90% shareholder in Tianjin Zhiyuan Investment Group Ltd (“Zhiyuan”), a company engaged in mineral import and export, chemical processing, environmental processing, manufacturing and real estate. In connection with the Share Purchase Agreement, the Investor has agreed to cause Zhiyuan to direct its affiliated companies to use our Company for their shipping service needs to the extent we are able to provide such services. The Investor has not promised to direct a specific amount of business to our Company, and we cannot guarantee that Zhiyuan will direct a significant amount of business to us, if any. Our Board of Directors has recommended approval of the Issuance based on the cash payment to be received for the purchase price of the New Shares and views the direction of business from Zhiyuan as an additional potential benefit to our Company.

We have entered into the Share Purchase Agreement and request shareholder approval of the Issuance for two primary reasons: (1) over the short term, the cash investment of \$3,078,000 will help us return to compliance with NASDAQ Listing Rule 5550(b), which requires a minimum \$2.5 stockholders' equity, \$35 million market value of listed securities or \$500,000 net income from continuing operations; and (2) over the longer term, we are hopeful that the Investor's direction of business to our Company will position us to maintain ongoing compliance with Rule 5550(b).

Share
Purchase
Agreement
and Escrow
Agreement

Under the Share Purchase Agreement, we have agreed to issue the New Shares to the Investor within five (5) days after receipt of shareholder approval for an aggregate purchase price of \$3,078,000 and the agreement to give our Company a right of first refusal to provide certain shipping services. Payment will be made by wiring the purchase price from the Escrow Agent, as the Investor has already deposited all such funds with the Escrow Agent in anticipation of closing. A copy of the Share Purchase Agreement is attached as an exhibit to this proxy statement.

The New Shares will bear the following restrictive legend, which reflects that the New Shares are not registered and may not be traded for a period of one (1) year after Issuance:

“THE SECURITIES EVIDENCED BY THIS CERTIFICATE ARE GOVERNED BY THAT CERTAIN SHARE PURCHASE AGREEMENT DATED MARCH 5, 2013 (THE “PURCHASE AGREEMENT”) AND HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION. THE SECURITIES MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED (A) IN COMPLIANCE WITH THE TERMS OF THE PURCHASE AGREEMENT, INCLUDING IN PARTICULAR THE RESTRICTION AGAINST SALE FOR A PERIOD OF ONE (1) YEAR AFTER RECEIPT OF THE SECURITIES AND (B) EXCEPT (1) PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OR (2) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT, IN EACH CASE IN ACCORDANCE WITH ALL APPLICABLE STATE SECURITIES LAWS AND THE SECURITIES LAWS OF OTHER JURISDICTIONS, AND IN THE CASE OF A TRANSACTION EXEMPT FROM REGISTRATION, UNLESS THE COMPANY HAS RECEIVED AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO IT THAT SUCH TRANSACTION DOES NOT REQUIRE REGISTRATION UNDER THE SECURITIES ACT AND SUCH OTHER APPLICABLE LAWS.”

The Investor has agreed to use his position as controlling shareholder of Zhiyuan to cause Zhiyuan and all of its subsidiary and affiliated companies to use the Company for their shipping needs, as described in this paragraph. The Investor has granted to our Company a right of first refusal to provide agency services (which include but are not limited to ship management, shipping operation, shipping agency, forwarding and related services) for all commercial ships owned by Zhiyuan and bulk and other cargo to be delivered to or from Zhiyuan (regardless of ship owner), at any commercial port at which our Company, directly or in cooperation with business partners, provides agency services.

This list would include commercial ports in the People's Republic of China, Australia, India, United States, South Africa, Canada, Brazil and any other location to which our Company may expand in the future. In the absence of any agreement to the contrary, the agency services would be provided at our ordinary pricing rates and terms. The right of first refusal would continue as long as the Investor (i) owns any shares of our Common Stock or holds any officer or director position at our company, directly or indirectly and (ii) controls or shares control of Zhiyuan or any of its subsidiaries or affiliates.

We cannot predict the total amount to be received from Zhiyuan from such direction of business. Because Zhiyuan is engaged in a variety of industries, the extent to which it directs business to our Company will depend, in large part on (1) economic trends affecting China, where the bulk of Zhiyuan's operations occur, and the locations of its suppliers and customers, (2) economic trends in Zhiyuan's industries and related industries, (3) Zhiyuan's business performance, and (4) Zhiyuan's performance under the right of first refusal. In the event Zhiyuan did not direct business to our Company for any reason, the total payment for the New Shares would be \$1.71 per share, or \$3,078,000 in the aggregate. Our Board of Directors has evaluated the Issuance based on this amount.

The Escrow Agreement, a copy of which is attached as an exhibit to this proxy statement, establishes a non-interest bearing escrow account with the Escrow Agent. The Investor delivered the full purchase price for the New Shares to be held in such account, and our Company has delivered an instruction letter authorizing and directing our transfer agent to issue the New Shares to the Investor upon notification that the shareholders of our Company have approved the Issuance. Until such notice has been delivered, our Company will not be entitled to receive any of the purchase price for the New Shares, and the Investor will not receive the New Shares. We have agreed to pay a fee of \$3,000 to the Escrow Agent for serving as such, which will not be deducted from the purchase price in the event the Issuance does not occur for any reason. In the event of any dispute under the Escrow Agreement, the Escrow Agent may disburse the purchase price into court, suspend the performance of its obligations and petition a court for instructions about how to resolve the dispute.

What level of control does the Investor intend to exert on our Company?

We have been advised that the Investor has no present intention to manage our Company. Our current management will remain in position at present, and the Investor has not requested Board representation at this time. Notwithstanding the foregoing, upon issuance of the New Shares, the Investor would likely have sufficient voting power as a shareholder to influence the direction of our Company. If the Investor's intention changed in the future, the Investor could be able to cause us to nominate one or more individuals to serve as directors of our Company. We would, of course, need to maintain a majority of independent directors in compliance with NASDAQ listing requirements, but our articles of incorporation and bylaws allow for us to maintain a Board of Directors with between five (5) and nine (9) directors. As a result, we would not need to seek shareholder approval to increase the number of individuals able to serve on our Board of Directors.

**Why is
Shareholder
Approval
required?**

Our Common Stock is listed on the NASDAQ Capital Market, and, as a result, we are subject to the rules of The NASDAQ Stock Market. Under NASDAQ Marketplace Rule 4350(i)(1)(B) and 4350(i)(1)(D), respectively, shareholder approval must be sought when (a) the issuance or potential issuance will result in a change of control of our company or (b) in connection with a transaction other than a public offering involving the sale, issuance or potential issuance by us of our Common Stock equal to 20% or more of the Common Stock or 20% or more of the voting power outstanding before the issuance for less than the greater of the book or market value of the Common Stock.

On March 5, 2013, the last trading day prior to the Signing Date, the market value of our Common Stock on the NASDAQ Capital Market was \$1.80 per Ordinary Share. As noted above, the purchase price per share of the New Shares is \$1.71, less than the market value on the Signing Date. Immediately prior to the Signing Date, 2,903,841 shares of our Common Stock were outstanding. Accordingly, under NASDAQ Marketplace Rule 4350(i)(1)(D), we are required to obtain shareholder approval before we can issue more than 580,768 shares of our Common Stock.

In addition, NASDAQ Marketplace Rule 4350(i)(1)(B) requires shareholder approval in connection with the issuance or potential issuance of securities that will result in a change of control of an issuer. In determining whether shareholder approval would be required, generally, NASDAQ interpretations provide that 20% ownership of the shares of an issuer by one person or group of affiliated persons is deemed to be control of such issuer. Accordingly, we are seeking shareholder approval at this time in advance of any such issuance of our Common Stock. Absent shareholder approval of this Proposal Two, we will not be able to complete the Issuance.

**What Vote is
Required for
Approval?**

The affirmative vote of a majority of the votes cast by all the shareholders entitled to vote for this proposal is required to approve the Issuance. A properly executed proxy marked "ABSTAIN" with respect to this proposal will be counted for purposes of determining whether a quorum exists. However, a proxy marked "ABSTAIN" will not be considered a vote cast. Accordingly, an abstention will have no effect on the approval of this proposal. As the New Shares have not been issued and NASDAQ rules would not allow in any event, the Investor will not be entitled to cast votes on this proposal with respect to such shares, and such shares will not be counted for purposes of determining whether a quorum exists with respect to this proposal.

**Exhibits
Relating to
Proposal Two**

All descriptions of the Share Purchase Agreement and Escrow Agreement are qualified in their entirety by reference to the forms thereof attached to this proxy statement as Exhibits A and B, respectively.

**WE RECOMMEND A VOTE “FOR” THE APPROVAL
OF THE ISSUANCE OF ORDINARY SHARES IN EXCESS OF 20%
OF THE NUMBER OF SHARES OF COMMON STOCK ON MARCH 5, 2013
CONNECTION WITH THE ISSUANCE.**

Proposal Three

Ratification Of The Appointment Of Friedman LLP

(Item 3 On The Proxy Card)

What am I voting on?

A proposal to ratify the appointment of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2013. The Audit Committee of the Board of Directors has appointed Friedman LLP to serve as the Company's fiscal 2013 independent registered public accounting firm. Although the Company's governing documents do not require the submission of this matter to shareholders, the Board of Directors considers it desirable that the appointment of Friedman LLP be ratified by shareholders.

What services does Friedman LLP provide?

Audit services provided by Friedman LLP for fiscal 2012 included the examination of the consolidated financial statements of the Company and services related to periodic filings made with the SEC. In addition, Friedman LLP provided certain services relating to the Company's quarterly reports.

Will a representative of Friedman LLP be present at the meeting?

One or more representatives of Friedman LLP will be present at the meeting. The representatives will have an opportunity to make a statement if they desire and will be available to respond to questions from shareholders.

What if this proposal is not approved?

If the appointment of Friedman LLP is not ratified, the Audit Committee of the Board of Directors will reconsider the appointment.

WE RECOMMEND THAT YOU VOTE FOR THE RATIFICATION OF FRIEDMAN LLP AS THE COMPANY'S FISCAL 2013 INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

Board of Directors and Corporate Governance Information

What if a nominee is unwilling or unable to serve?

Each of the nominees listed in the Proxy Statement has agreed to serve as a director, if elected. If for some unforeseen reason a nominee becomes unwilling or unable to serve, proxies will be voted for a substitute nominee selected by the Board of Directors.

How are directors compensated?

Non-employee directors are entitled to receive \$4,500 per Board of Directors meeting attended. In addition, non-employee directors are entitled to receive compensation for their actual travel expenses for each Board of Directors meeting attended, not to exceed \$6,000 per meeting or \$12,000 per year per director.

How does the Board determine which directors are independent?

The Board of Directors reviews the independence of each director yearly. During this review, the Board of Directors considers transactions and relationships between each director (and his or her immediate family and affiliates) and the Company and its management to determine whether any such relationships or transactions are inconsistent with a determination that the director is independent in light of applicable law, listing standards and the Company's director independence standards. The Company believes that it maintains a majority of independent directors who are deemed to be independent under the definition of independence provided by NASDAQ Listing Rule 5605(a)(2).

What role does the Corporate Governance Committee play in selecting nominees to the Board of Directors?

Two of the primary purposes of the Board's Corporate Governance Committee are (i) to develop and implement policies and procedures that are intended to ensure that the Board of Directors will be appropriately constituted and organized to meet its fiduciary obligations to the Company and its shareholders and (ii) to identify individuals qualified to become members of the Board of Directors and to recommend to the Board of Directors the director nominees for the annual meeting of shareholders. The Corporate Governance Committee is also responsible for considering candidates for membership on the Board of Directors submitted by eligible shareholders. The Corporate Governance Committee's charter is

available on the Company's website at www.sino-global.com and in print upon request. The Corporate Governance Committee of the Company's Board of Directors was the only entity or person to nominate and/or recommend any of the director nominees.

**Are the members of
the Corporate
Governance
Committee
independent?**

Yes. All members of the Corporate Governance Committee have been determined to be independent by the Board of Directors.

How does the Corporate Governance Committee identify and evaluate nominees for director?

The Corporate Governance Committee considers candidates for nomination to the Board of Directors from a number of sources. Current members of the Board of Directors are considered for re-election unless they have notified the Company that they do not wish to stand for re-election. The Corporate Governance Committee also considers candidates recommended by current members of the Board of Directors, members of management or eligible shareholders. From time to time the Board may engage a firm to assist in identifying potential candidates, although the Company did not engage such a firm to identify any of the nominees for director proposed for election at the meeting.

The Corporate Governance Committee evaluates all candidates for director, regardless of the person or firm recommending such candidate, on the basis of the length and quality of their business experience, the applicability of such candidate's experience to the Company and its business, the skills and perspectives such candidate would bring to the Board of Directors and the personality or "fit" of such candidate with existing members of the Board of Directors and management. The Corporate Governance Committee does not have a specific policy in place with regard to the consideration of diversity when identifying director nominees; however, the corporate governance committee does consider diversity of opinion and experience when nominating directors.

What are the Corporate Governance Committee's policies and procedures for considering director candidates recommended by shareholders?

The Corporate Governance Committee will consider all candidates recommended by eligible shareholders. An eligible shareholder is a shareholder (or group of shareholders) who owns at least 5% of the Company's outstanding shares and who has held such shares for at least one year as of the date of the recommendation. A shareholder wishing to recommend a candidate must submit the following documents to the Secretary of the Company at Sino-Global Shipping America, Ltd., 136-56 39th Avenue, Room #305, Flushing, New York 11354:

- a recommendation that identifies the name and address of the shareholder and the person to be nominated;
- documentation establishing that the shareholder making the recommendation is an eligible shareholder;
- the written consent of the candidate to serve as a director of the Company, if elected;
- a description of all arrangements between the shareholders and such nominee pursuant to which the nomination is to be made; and

- such other information regarding the nominee as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC.

Upon timely receipt of the required documents, the Company's Secretary will determine whether the shareholder submitting the recommendation is an eligible shareholder based on such documents. If the shareholder is not an eligible shareholder, the Corporate Governance Committee may, but is not obligated to, evaluate the candidate and consider such candidate for nomination to the Board of Directors.

If the candidate is to be evaluated by the Corporate Governance Committee, the Secretary will request a detailed resume, an autobiographical statement explaining the candidate's interest in serving as a director of the Company, a completed statement regarding conflicts of interest, and a waiver of liability for a background check from the candidate.

What are the minimum qualifications required to serve on the Company's Board of Directors?

All members of the Board of Directors must possess the following minimum qualifications as determined by the Corporate Governance Committee:

- A director must demonstrate integrity, accountability, informed judgment, financial literacy, creativity and vision;
- A director must be prepared to represent the best interests of all Company shareholders, and not just one particular constituency;
- A director must have a record of professional accomplishment in his or her chosen field; and
- A director must be prepared and able to participate fully in Board activities, including membership on committees.

What other considerations does the Corporate Governance Committee consider?

The Corporate Governance Committee believes it is important to have directors from various backgrounds and professions in order to ensure that the Board of Directors has a wealth of experiences to inform its decisions. Consistent with this philosophy, in addition to the minimum standards set forth above, business and managerial experience and an understanding of financial statements and financial matters are very important.

How may shareholders communicate with the members of the Board of Directors?

Shareholders and others who are interested in communicating directly with members of the Board of Directors, including communication of concerns relating to accounting, internal accounting controls or audit matters, or fraud or unethical behavior, may do so by writing to the directors at the following address:

Name of Director or Directors
c/o Apple Liang, Secretary

Such Buyer and its advisors, if any, have been afforded the opportunity to ask questions of the Company. Neither such inquiries nor any other due diligence investigations conducted by such Buyer or its advisors, if any, or its representatives shall modify, amend or affect such Buyer's right to rely on the Company's representations and warranties contained herein. Such Buyer understands that its investment in the Shares involves a high degree of risk and is able to afford a complete loss of such investment. Such Buyer has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Shares.

(e) No Governmental Review. Such Buyer understands that no United States federal or state agency or any other government or governmental agency has passed on or made any recommendation or endorsement of the Shares or the fairness or suitability of the investment in the Shares nor have such authorities passed upon or endorsed the merits of the offering of the Shares.

(f) Transfer or Resale. Such Buyer understands that (i) the Shares have not been and are not being registered under the 1933 Act, and may not be offered for sale, sold, assigned or transferred unless (A) subsequently registered thereunder or (B) such Buyer shall have delivered to the Company an opinion of counsel, in a form reasonably

acceptable to the Company, to the effect that such Shares to be sold, assigned or transferred may be sold, assigned or transferred pursuant to an exemption from such registration; and (ii) neither the Company nor any other Person is under any obligation to register the Shares under the 1933 Act or any state securities laws or to comply with the terms and conditions of any exemption thereunder.

(g) Legends. Such Buyer understands that the stock certificates, unless and until registered, shall bear a restrictive legend in substantially the following form (and a stop-transfer order may be placed against transfer of such stock certificates):

“THE SECURITIES EVIDENCED BY THIS CERTIFICATE ARE GOVERNED BY THAT CERTAIN SHARE PURCHASE AGREEMENT DATED MARCH 5, 2013 (THE “PURCHASE AGREEMENT”) AND HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION. THE SECURITIES MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED (A) IN COMPLIANCE WITH THE TERMS OF THE PURCHASE AGREEMENT, INCLUDING IN PARTICULAR THE RESTRICTION AGAINST SALE FOR A PERIOD OF ONE (1) YEAR AFTER RECEIPT OF THE SECURITIES AND (B) EXCEPT (1) PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OR (2) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT, IN EACH CASE IN ACCORDANCE WITH ALL APPLICABLE STATE SECURITIES LAWS AND THE SECURITIES LAWS OF OTHER JURISDICTIONS, AND IN THE CASE OF A TRANSACTION EXEMPT FROM REGISTRATION, UNLESS THE COMPANY HAS RECEIVED AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO IT THAT SUCH TRANSACTION DOES NOT REQUIRE REGISTRATION UNDER THE SECURITIES ACT AND SUCH OTHER APPLICABLE LAWS.”

The legend set forth above shall be removed and the Company shall issue a certificate without such legend to the holder of the Shares upon which it is stamped, if, unless otherwise required by state securities laws, (i) such Shares are registered for resale under the 1933 Act or (ii) in connection with a sale, assignment or other transfer, such holder provides the Company with a legal opinion reasonably acceptable to the Company, to the effect that such sale, assignment or transfer of the Shares may be made without registration under the applicable requirements of the 1933 Act.

(h) Validity: Enforcement. This Agreement has been duly and validly authorized, executed and delivered on behalf of such Buyer and shall constitute the legal, valid and binding obligations of such Buyer enforceable against such Buyer in accordance with their respective terms, except as such enforceability may be limited by general principles of equity or to applicable bankruptcy, insolvency, reorganization, moratorium, liquidation and other similar laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies.

(i) No Conflicts. The execution, delivery and performance by such Buyer of this Agreement and the consummation by such Buyer of the transactions contemplated hereby will not (i) result in a violation of the organizational documents of such Buyer or (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which such Buyer is a party, or (iii) result in a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities laws) applicable to such Buyer, except in the case of clauses (ii) and (iii) above, for such conflicts, defaults, rights or violations which would not, individually or in the aggregate, reasonably be expected to have a material adverse effect

on the ability of such Buyer to perform its obligations hereunder.

(j) Residency. Such Buyer is a resident of that jurisdiction specified below its address on the Schedule of Buyers.

(k) Certain Trading Activities. Other than with respect to the transactions contemplated herein, since the time that such Buyer was first contacted by the Company or any other Person regarding the investment in the Company set forth herein, neither the Buyer nor any Affiliate of such Buyer which (x) had knowledge of the transactions contemplated hereby, (y) has or shares discretion relating to such Buyer's investments or trading or information concerning such Buyer's investments and (z) is subject to such Buyer's review or input concerning such Affiliate's investments or trading (collectively, "**Trading Affiliates**") has directly or indirectly, nor has any Person acting on behalf of or pursuant to any understanding with such Buyer or Trading Affiliate, (i) effected or agreed to effect any purchase or sale of the Shares, (ii) taken, directly or indirectly, any action designed to cause or to result, or that could reasonably be expected to cause or result, in the stabilization or manipulation of the price of any security of the Company, or (iii) paid or agreed to pay to any person any compensation for soliciting another to purchase or sell any securities of the Company.

(l) No Consideration. Such Buyer has not paid any consideration, directly or indirectly, to any officer, director or employee of the Company or any Subsidiary.

4. REPRESENTATIONS AND WARRANTIES OF THE COMPANY.

The Company represents and warrants to each of the Buyers that:

(a) Organization and Qualification. The Company and its "**Subsidiaries**" (which for purposes of this Agreement includes any joint venture or any entity in which the Company, directly or indirectly, owns any of the capital stock or holds an equity, contractual or other interest) are entities duly organized and validly existing and, to the extent legally applicable, in good standing under the laws of the jurisdiction in which they are formed, and have the requisite power and authorization to own their properties and to carry on their business as now being conducted. Each of the Company and its Subsidiaries is duly qualified as a foreign entity to do business and, to the extent legally applicable, is in good standing in every jurisdiction in which its ownership of property or the nature of the business conducted by it makes such qualification necessary, except to the extent that the failure to be so qualified or be in good standing would not reasonably be expected to have a Material Adverse Effect. As used in this Agreement, "**Material Adverse Effect**" means any material adverse effect on the business, properties, assets, operations, results of operations, condition (financial or otherwise) or prospects of the Company and its Subsidiaries, individually or taken as a whole, or on the transactions contemplated hereby or by the agreements and instruments to be entered into in connection herewith, or on the authority or ability of the Company to perform its obligations under this Agreement.

(b) Authorization; Enforcement; Validity. The Company has the requisite power and authority to enter into and perform its obligations under this Agreement and to issue the Shares in accordance with the terms hereof. The execution and delivery of the Agreement by the Company and the consummation by the Company of the transactions contemplated hereby, including, without limitation, the reservation for issuance and the issuance of the Shares have been duly authorized by the Company's Board of Directors and no further filing, consent, or authorization is required by the Company, its Board of Directors or its shareholders other than the Shareholder Approval (as defined in Section 5(c)). This Agreement has been duly executed and delivered by the Company, and constitutes the legal, valid and binding obligations of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation or similar laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies.

(c) No Conflicts. The execution, delivery and performance of this Agreement by the Company and the consummation by the Company of the transactions contemplated hereby will not (i) result in a violation of the Company's Articles of Incorporation or Bylaws (the "**Organizational Documents**") or any certificate of designations or other constituent documents of the Company or any of its Subsidiaries, any capital stock of the Company or any similar governing documents of its Subsidiaries or (ii) unless such conflict or default could not reasonably be expected to result in a Material Adverse Effect, conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) in any respect under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Company or any of its Subsidiaries is a party, or (iii) result in a violation of any law, rule, regulation, order, judgment or decree (including foreign, federal and state securities laws and regulations and the rules and regulations of The NASDAQ Capital Market (the "**Principal Market**") and applicable laws of the People's Republic of China ("**China**")) applicable to the Company or any of its Subsidiaries or by which any property or asset of the Company or any of its Subsidiaries is bound or affected.

(d) Consents. Neither the Company nor any of its Subsidiaries is required to obtain any consent, authorization or order of, or make any filing or registration with, any court, governmental agency or any regulatory or self-regulatory agency or any other Person in order for it to execute, deliver or perform any of its obligations under or contemplated by this Agreement in accordance with the terms hereof, except for the following consents, authorizations, orders, filings and registrations (none of which is required to be filed or obtained before the Closing): (i) the filing with the SEC of one or more proxy statements to seek Shareholder Approval of the issuance of the Shares to the Buyers, (ii) the filing of such forms with the Principal Market as may be required to be filed reflecting the issuance of the Shares to the Buyers, which shall be done pursuant to the rules of the Principal Market, (iii) the filing with the SEC of Form D, and (v) the Shareholder Approval. The Company and its Subsidiaries are unaware of any facts or circumstances that might prevent the Company from obtaining any of the application or filings pursuant to the preceding sentence.

(e) Acknowledgment Regarding Buyer's Purchase of Shares. The Company acknowledges and agrees that each Buyer is acting solely in the capacity of an arm's length purchaser with respect to this Agreement and the transactions contemplated hereby and that no Buyer is (i) an officer or director of the Company, (ii) an "affiliate" of the Company or any of its Subsidiaries (as defined in Rule 144) or (iii) to the knowledge of the Company, a "beneficial owner" of more than 10% of the Ordinary Shares (as defined for purposes of Rule 13d-3 of the Securities Exchange Act of 1934, as

amended (the “**1934 Act**”).

(f) No General Solicitation. Neither the Company, nor any of its Subsidiaries or affiliates, nor any Person acting on its or their behalf, has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with the offer or sale of the Shares.

(g) No Integrated Offering. None of the Company, its Subsidiaries, any of their affiliates, and any Person acting on their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would require registration of any of the Shares under the 1933 Act or cause this offering of the Shares to be integrated with prior offerings by the Company for purposes of the 1933 Act or any applicable shareholder approval provisions, including, without limitation, under the rules and regulations of any exchange or automated quotation system on which any of the securities of the Company are listed or designated. None of the Company, its Subsidiaries, their affiliates and any Person acting on their behalf will take any action or steps referred to in the preceding sentence that would require registration of any of the Shares under the 1933 Act or cause the offering of the Shares to be integrated with other offerings.

(h) Equity Capitalization. As of the date hereof, the authorized capital stock of the Company consists of 10,000,000 Shares, of which as of the date hereof, 2,903,841 are issued and outstanding, 7,096,159 shares are reserved for issuance pursuant to the Company's stock option and purchase plans and no shares are reserved for issuance pursuant to securities exercisable or exchangeable for, or convertible into, Shares. All of such outstanding shares have been, or upon issuance will be, validly issued and are fully paid and nonassessable. The Company has furnished to the Buyers true, correct and complete copies of the Company's Organizational Documents, as amended and as in effect on the date hereof, and the terms of all securities convertible into, or exercisable or exchangeable for, Shares and the material rights of the holders thereof in respect thereto.

(i) Manipulation of Price. The Company has not, and to its knowledge no one acting on its behalf has, (i) taken, directly or indirectly, any action designed to cause or to result, or that could reasonably be expected to cause or result, in the stabilization or manipulation of the price of any security of the Company, (ii) paid or agreed to pay to any person any compensation for soliciting another to purchase any other securities of the Company.

(j) No Consideration. The Company is not aware of any consideration being paid by any Buyer, directly or indirectly, to any officer, director or employee of the Company or any Subsidiary.

ESCROW AGREEMENT

This Escrow Agreement is made and entered into as of the March 5, 2013, by and among Sino-Global Shipping America, Ltd., a Virginia company (the “Company”), Zhang Zhong (the “Buyer”) and SunTrust Bank (the “Escrow Agent”).

RECITALS:

A. The Company proposes to sell 1,800,000 shares of the common stock of the Company (the “Shares”) of the Company at a price of \$1.71 per share to the Buyer (such transaction, the “Sale”), all as described in that certain Share Purchase Agreement dated as of the date hereof (the “Purchase Agreement”).

B. The Company wishes to ensure that the Buyer has deposited sufficient funds to pay for the Shares upon completion of the Sale and to provide the Company’s shareholders comfort that such funds will be received promptly after receipt of shareholder approval to issue such shares (as described in the Purchase Agreement, the “Shareholder Approval”).

C. The Buyer wishes to ensure that the Company has irrevocably bound itself to deliver the Shares promptly upon receipt of the Shareholder Approval.

D. The Escrow Agent is willing to hold (a) the purchase price for the Shares in this Sale to be delivered to the Company upon receipt of Shareholder Approval and (b) an irrevocable instruction letter to issue the Shares upon receipt of Shareholder Approval, both in escrow pursuant to this Agreement.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements contained in this Agreement, it is hereby agreed as follows:

1. Establishment of the Escrow Agent. Contemporaneously herewith, the parties have established a escrow account with the Escrow Agent, which escrow account is entitled “Sino-Global Shipping America, Ltd. 2013 Share Sale Escrow Account” (the “Escrow Account”). The Buyer will transfer funds directly to the Escrow Agent. The Company will deliver an undated, fully executed transfer agent instruction letter directing such transfer agent to issue and deliver the Shares to the Buyer upon receipt of such letter.

2. Escrow Period. The escrow period (the “Escrow Period”) shall begin with the execution of this Agreement and receipt of the payment for the Shares and the transfer agent instruction letter and shall terminate upon the earliest to occur of the following dates:

(a) the date on which the Company files with the Securities and Exchange Commission a current report on Form 8-K or otherwise notifies the Escrow Agent that Shareholder Approval has been obtained to issue the Shares to the Buyers;

(b) May 25, 2013; or

(c) the date on which the Buyer and the Company notify the Escrow Agent in writing that the Sale has been terminated.

During the Escrow Period, the Company is aware and understands that it is not entitled to any funds received into escrow and no amounts deposited in the Escrow Account shall become the property of the Company or any other entity, or be subject to the debts of the Company or any other entity.

3. Deposits into the Escrow Account. The Buyer agree that they shall deliver to the Escrow Agent for deposit in the Escrow Account all monies required to purchase the Shares. The Escrow Agent agrees to hold all monies so deposited in the Escrow Account (the “Escrow Amount”) for the benefit of the parties hereto until authorized to disburse such monies under the terms of this Agreement.

4. Disbursements from the Escrow Account. In the event the Buyer and the Company jointly notify the Escrow Agent in writing that the Sale has been terminated, the Escrow Agent shall promptly refund to each Buyer the amount received from the Buyer, without deduction, penalty, or expense to the Buyer, and the Escrow Agent shall notify the Company and the Buyer of its distribution of the funds. The purchase money returned to each Buyer shall be free and clear of any and all claims of the Company or any of its creditors.

5. Investment of Escrow Account. The Escrow Agent shall deposit funds received from the Buyer in the Escrow Account, which shall, unless otherwise jointly instructed by the Buyer and the Company, be invested in the SunTrust Non-Interest Deposit Option.

6. Closing Date. The “Closing” shall be the date of closing of the Sale, and the “Closing Date” shall be as soon as practicable after the date on which the Company files with the Securities and Exchange Commission a current report on Form 8-K or otherwise notifies the Escrow Agent that Shareholder Approval has been obtained to issue the Shares to the Buyers.

7. Compensation of Escrow Agent. The Company shall pay the Escrow Agent a fee for its services hereunder in an amount equal to Three Thousand Dollars (\$3,000), which amount shall be paid on the Closing Date. In the event the Sale is canceled for any reason, the Company shall pay the Escrow Agent its fee within ten (10) days after the Escrow Amount is refunded to the Buyer. No such fee or any other monies whatsoever shall be paid out of or chargeable to the funds on deposit in the Escrow Account.

8. Disbursement into Court. If, at any time, there shall exist any dispute between the Company and the Buyer with respect to the holding or disposition of any portion of the Escrow Amount or any other obligations of the Escrow Agent hereunder, or if at any time the Escrow Agent is unable to determine, to the Escrow Agent’s sole satisfaction, the proper disposition of any portion of the Escrow Amount or the Escrow Agent’s proper actions with respect to its obligations hereunder, or if the Company and the Buyers have not within 30 days of the furnishing by the Escrow Agent of a notice of resignation appointed a successor Escrow Agent to act hereunder, then the Escrow Agent may, in its sole discretion, take either or both of the following actions:

(a) suspend the performance of any of its obligations under this Escrow Agreement until such dispute or uncertainty shall be resolved to the sole satisfaction of the Escrow Agent or until a successor Escrow Agent shall have been appointed (as the case may be); provided however, that the Escrow Agent shall continue to hold the Escrow Amount in accordance with Section 5 hereof; and/or

(b) petition (by means of an interpleader action or any other appropriate method) any court of competent jurisdiction in Richmond, Virginia, for instructions with respect to such dispute or uncertainty, and pay into court all funds held by it in the Escrow Account for holding and disposition in accordance with the instructions of such court.

The Escrow Agent shall have no liability to the Company, the Buyers or any other person with respect to any such suspension of performance or disbursement into court, specifically including any liability or claimed liability that may arise, or be alleged to have arisen, out of or as a result of any delay in the disbursement of funds held in the Escrow Account or any delay in or with respect to any other action required or requested of the Escrow Agent.

9. Duties and Rights of the Escrow Agent. The foregoing agreements and obligations of the Escrow Agent are subject to the following provisions:

(a) The Escrow Agent's duties hereunder are limited solely to the safekeeping of the Escrow Account in accordance with the terms of this Agreement. It is agreed that the duties of the Escrow Agent are only such as herein specifically provided, being purely of a ministerial nature, and the Escrow Agent shall incur no liability whatsoever except for negligence, willful misconduct or bad faith.

(b) The Escrow Agent is authorized to rely on any document believed by the Escrow Agent to be authentic in making any delivery of the Escrow Account or the certificates representing the Shares. It shall have no responsibility for the genuineness or the validity of any document or any other item deposited with it and it shall be fully protected in acting in accordance with this Agreement or instructions received.

(c) The Company and the Buyer hereby waive any suit, claim, demand or cause of action of any kind which they may have or may assert against the Escrow Agent arising out of or relating to the execution or performance by the Escrow Agent of this Agreement, unless such suit, claim, demand or cause of action is based upon the gross negligence, willful misconduct, or bad faith of the Escrow Agent. The Company and the Buyer jointly and severally agree to indemnify and hold harmless the Escrow Agent and each of the Escrow Agent's officers, directors, agents and employees (the "Indemnified Parties") from and against any and all losses, liabilities, claims, damages, expenses and costs (including attorneys' fees) of every nature whatsoever which any such Indemnified Party may incur and which arise directly or indirectly from this Agreement or which arise directly or indirectly by virtue of the Escrow Agent's undertaking to serve as Escrow Agent hereunder; provided, however, that no Indemnified Party shall be entitled to indemnity in case of such Indemnified Party's gross negligence or willful misconduct. The provisions of this section shall survive the termination of this Agreement and any resignation or removal of the Escrow Agent.
