- (1) Restricted stock unit award to be settled in cash, stock, or a combination thereof.
- (2) Each restricted stock unit is the economic equivalent of one share of common stock, an amount of cash based on the closing price of a share of common stock, or an amount of cash equal to the per share value of consideration paid in a sale event.
 The restricted stock units will not be settled in stock until the number of shares of common stock available under the issuer's 2006 Stock Option and Incentive Plan is increased by the issuer's stockholders at the 2008 annual meeting of stockholders. The restricted stock units will vest at the rate of 25 percent on each of June 15, 2008, December 15, 2008, June 15, 2009 and December 15, 2009, and will be settled in cash, stock, or a combination thereof on each vesting date.
- (3) If a sale event occurs prior to stockholder approval, the entire award will be settled in cash. If the award is not approved by stockholders, the award will be settled in cash or a combination of cash and stock according to the foregoing vesting schedule. If the award is not approved by stockholders, and a sale event occurs prior to the final vesting date, then the award will be fully vested and settled in cash. If, prior to the settlement of restricted stock units, the reporting person's employment is terminated by the issuer for any reason other than for cause or by the reporting person for good reason, then the award will be settled in cash with respect to the next two vesting dates.
