expressions of future performance or results, including financial objectives to

2010, and their negatives are intended to identify such forward-looking

statements. These forward-looking statements are based upon current

4

expectations and assumptions regarding anticipated developments and other factors affecting the Group. They are not historical facts, nor are they guarantees of future performance. Because these forward-looking statements involve risks and uncertainties, there are important factors that could cause actual results to differ materially from those expressed or implied by these forward-looking statements, including, among others, competitive pricing and activities, consumption levels, costs, the ability to maintain and manage key customer relationships and supply chain sources, currency values, interest rates, the ability to integrate acquisitions and complete planned divestitures, the ability to complete planned restructuring activities, physical risks, environmental risks, the ability to manage regulatory, tax and legal matters and resolve pending matters within current estimates, legislative, fiscal and regulatory developments, political, economic and social conditions in the geographic markets where the Group operates and new or changed priorities of the Boards.

Further details of potential risks and uncertainties affecting the
Group are described in the Group's filings with the London Stock Exchange,
Euronext Amsterdam and the US Securities and Exchange Commission, including the
Annual Report & Accounts on Form 20-F. These forward-looking statements speak
only as of the date of this announcement. Except as required by any applicable
law or regulation, the Group expressly disclaims any obligation or undertaking
to release publicly any updates or revisions to any forward-looking statements
contained herein to reflect any change in the Group's expectations with regard
thereto or any change in events, conditions or circumstances on which any such
statement is based.
