Deregistration of Securities

On March 4, 2002, Wind River Systems, Inc. (Wind River) filed a Registration Statement on Form S-3 (File No. 333-83690) (the Registration Statement) covering \$150,000,000 aggregate principal amount of its 3.75% convertible subordinated notes due December 15, 2006 (the Notes) and the shares of Wind River s common stock issuable upon conversion of the Notes. Wind River filed the Registration Statement pursuant to the terms of a registration rights agreement entered into between Wind River and the initial purchasers of the Notes in a private placement (the Registration Rights Agreement). Wind River amended the Registration Statement on April 19, 2002, May 20, 2002 and June 7, 2002. On June 7, 2002, the Securities and Exchange Commission declared the Registration Statement effective.

In accordance with the undertaking contained in the Registration Statement pursuant to item 512(a)(3) of Regulation S-K, Wind River is filing this Post-Effective Amendment to remove from registration all aggregate principal amount of the Notes and the shares of common stock issuable upon conversion of the Notes that remain unsold under the Registration Statement as of the date hereof, calculated to be \$51,295,000 aggregate principal amount of Notes and 2,127,099 shares of common stock into which such Notes are convertible (at a conversion price of \$24.115), based on the records of Wind River s trustee for the Notes and Wind River s transfer agent. Wind River is seeking deregistration of these securities because its obligation to maintain the effectiveness of the Registration Statement pursuant to the Registration Rights Agreement has expired.

Accordingly, Wind River is filing this Post-Effective Amendment No. 1 to the Registration Statement to deregister such aggregate principal amount of the Notes and such number of shares of common stock issuable upon conversion of the Notes registered pursuant to the Registration Statement as remain unsold thereunder as of the date hereof.
