QUESTIONS AND ANSWERS

1. Q: Who is asking for my proxy?

A: Your proxy is being solicited by our Board for use at our Annual Meeting. Our directors, officers or employees may also solicit proxies on behalf of our Board, in person or by telephone, facsimile, mail or e-mail. If our directors, officers or employees solicit proxies, they will not be specially compensated. Contango will pay all costs and expenses of this proxy solicitation.

2. Q: What are stockholders being asked to vote on?

A: At our Annual Meeting, stockholders will be asked to vote:

Edgar Filing: CONTANGO OIL & GAS CO - Form DEF 14A

To elect our board of directors to serve until the annual meeting of stockholders in 2005; and

On any other matter that may properly come before the Annual Meeting or any adjournment of the Annual Meeting.

3. Q: Who is entitled to vote?

A: The record of stockholders entitled to vote at the Annual Meeting was taken at the close of business on September 22, 2004 (the Record Date). As of the Record Date, the Company had outstanding 12,977,366 shares of common stock, par value \$0.04 per share (the Common Stock) and 1,400 shares of Series C convertible cumulative preferred stock, par value \$0.04 per share (Series C Preferred Stock). Each share of Series C Preferred Stock is convertible into 833 shares of Common Stock.

4. Q: How many shares may vote at the Annual Meeting?

A: Holders of Common Stock and holders of Series C Preferred Stock will vote as one class at the Annual Meeting. Each record holder of Common Stock is entitled to one vote per share of Common Stock owned on the Record Date. Holders of Series C Preferred Stock are entitled to one vote for each share of Common Stock into which each share of Series C Preferred Stock is convertible. Currently, each record holder of Series C Preferred Stock on the Record Date is entitled to 833 votes per share of Series C Preferred Stock owned.

5. Q: How do I vote my shares?

A: A proxy card is included with the proxy materials being sent to you. The proxy card allows you to specify how you want your shares voted as to each proposal listed. The proxy card provides space for you to:

Vote for, or withhold authority to vote for, each nominee for director.

If the proxy card is properly signed and returned to us, shares covered by the proxy card will be voted in accordance with the directions you specify on the card. The person named as proxy on the proxy card is Kenneth R. Peak, the Company's Chairman, Chief Executive Officer and Secretary. Any stockholder who wishes to name a different person as his or her proxy may do so by crossing out Mr. Peak's name and inserting the name of another person to act as his or her proxy. In such a case, the stockholder would have to sign the proxy card and deliver it to the person named as his or her proxy, and that person would have to be present and vote at the Annual Meeting. Any proxy card so marked should not be mailed to the Company.

If you return a signed proxy card without having specified any choices, Mr. Peak, named as proxy, will vote the shares represented at the Annual Meeting and any adjournment thereof as follows:

FOR the election of each nominee for director; and

At the discretion of Mr. Peak, as proxy, on any other matter that may properly come before the Annual Meeting or any adjournment of the Annual Meeting.

6. Q: How does the Board recommend I vote?

A: The Board unanimously recommends that you vote For each of the matters to be voted on at the Annual Meeting.

As of the Record Date, executive officers and directors collectively owned 2,290,019 shares of Common Stock, representing 16.2% of the total shares entitled to vote. See Security Ownership of Certain Beneficial Owners and Management .

7. Q: What vote is required?

A: Proposal 1, the election of directors, will require an affirmative vote of a majority of the shares present in person or by proxy and voting at the Annual Meeting.

8. Q: What is a quorum ?

A: Presence at the Annual Meeting, in person or by proxy, of holders of a majority of the votes entitled to be cast by all record holders of the Company's Common Stock and Series C Preferred Stock will constitute a quorum for the transaction of business. If a quorum is not present, the Annual Meeting may be adjourned from time to time until a quorum is obtained.

9. Q: What is the effect of an abstention or a broker non-vote?

A: Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. A broker non-vote occurs when a nominee holding shares of the Company's Common Stock for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders as a vote against, whereas broker non-votes are not counted for purposes of determining whether a proposal has been approved.

10. Q: What does it mean if I get more than one proxy card?

A: If your shares are registered differently or in more than one account, you will receive more than one proxy card. Sign and return all proxy cards to ensure that all your shares are voted.

11. Q: Can I revoke my proxy?

A: You may revoke your proxy at any time before it is exercised at the Annual Meeting by filing with or transmitting to our corporate secretary either a notice of revocation or a properly created proxy bearing a later date. You also may attend the Annual Meeting and revoke your proxy by voting your shares in person.

12. Q: How will the Company solicit proxies?

A: Proxies may be solicited in person, by telephone, facsimile, mail or e-mail by directors, officers and employees of the Company without additional compensation. The Company will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy materials to stockholders.

A: The Audit Committee is authorized to receive communications from stockholders. Mail should be addressed to the Independent Directors in care of the Chairman of the Audit Committee, Contango Oil & Gas Company, 3700 Buffalo Speedway, Suite 960, Houston, Texas 77098. Mail will not be opened but will be logged in. All mail will be forwarded to the Chairman of the Audit Committee or the named independent director. PROPOSAL 1**ELECTION OF DIRECTORS**

At the Annual Meeting, we will present the nominees named below and recommend that they be elected to serve as directors for a term of one year or until their successors are duly elected and qualified. Each nominee has consented to being named in this Proxy Statement and to serve if elected.

Nominees

Presented below is a description of certain biographical information, occupations and business experience for the past five years of each person nominated to become a director. Four directors are to be elected at the Annual Meeting. Each nominee is a current director standing for reelection to the Board. The Board is unaware of any circumstances likely to render any nominee unavailable. Directors of the Company hold office until the next annual stockholders meeting, until successors are elected and qualified or until their earlier resignation or removal.

Board Operations and Organization

Mission Statement. The Company's primary objective is to maximize stockholder value, while at all times observing the highest ethical standards. The Company will pursue this objective through participation in the energy industry.

Corporate Authority & Responsibility. All corporate authority resides in the Board, as the representative of the stockholders. Authority is delegated to management by the Board in order to implement the Company's mission. Such delegated authority includes the authorization of spending limits and the authority to hire employees and terminate their services. The Board retains responsibility to recommend candidates to the stockholders for election to the Board. The Board retains responsibility for selection, evaluation and the determination of compensation of the chief executive officer of the Company, oversight of the succession plan, approval of the annual budget, assurance of adequate systems, procedures

and controls, all matters of corporate governance, as well as assisting in the preparation and approval of the strategic plan. Additionally, the Board provides advice and counsel to senior management.

Compensation of Directors. Directors are compensated in the form of both a cash payment and Company equity. During the fiscal year ended June 30, 2004, each outside director received a quarterly retainer of \$3,000 and a quarterly stock option grant to purchase 3,000 shares of Common Stock. Effective July 1, 2004, the quarterly retainer for each outside director was increased to \$5,000. Each outside director also receives a \$1,000 cash payment for each board meeting and separately scheduled Audit Committee meeting attended. The Chairman of the Audit Committee receives an additional quarterly stock option grant to purchase 1,500 shares of Common Stock.

Board Size. In general, smaller to mid-size boards are more cohesive, work better together and tend to be more effective monitors than larger boards. Our Bylaws currently provide for at least three and not more than seven directors.

Annual Election of Directors. In order to create greater alignment between the Board's and our stockholders' interests and to promote greater accountability to the stockholders, directors shall be elected annually.

Meetings. Our Board has meetings as necessary. During the fiscal year ended June 30, 2004, the Board held five meetings. All directors attended each of these meetings. During the fiscal year ended June 30, 2004, the Board passed resolutions by unanimous written consent on nine occasions.

Committee Structure. It is the general policy of the Company that the Board as a whole will consider all major decisions. As a consequence, the committee structure of the Board is limited to the Audit Committee. The Audit Committee is composed solely of independent directors. The Board may form other committees as it determines appropriate.

Audit Committee. The Audit Committee recommends the appointment of independent public accountants to conduct audits of our financial statements, reviews with the accountants the plan and results of the auditing engagement, approves other professional services provided by the accountants and evaluates the independence of the accountants. The Audit Committee also reviews the scope and adequacy of our system of internal controls and procedures over financial reporting. Members of the Audit Committee are Messrs. Compofelice (chairman), Brehmer and Williams. The Audit Committee met formally six times during the fiscal year ended June 30, 2004.

Executive Compensation

The Company's executive compensation program is designed to attract and retain highly qualified executives and to motivate them to maximize stockholder return. It is intended to provide overall competitive compensation levels and incentive pay levels that vary based on corporate and individual performance. The compensation package for Kenneth R. Peak, Chairman and Chief Executive Officer, is determined by the independent directors on the Board. The compensation packages for other executive officers are determined by the Chairman/Chief Executive Officer in consultation with the Board.

There are three basic components to the Company's current compensation system: base pay, annual incentive compensation in the form of a cash bonus, and the grant of stock options. Each component is addressed in the context of individual and Company performance and competitive conditions. In determining competitive compensation levels, the Company analyzes data that includes information regarding the general natural gas and oil exploration and production industry.

Chairman/Chief Executive Officer. The independent directors have set Mr. Peak's base salary at \$150,000 per year. By established policy, Mr. Peak is not eligible for a cash bonus if the Company is not profitable under successful efforts accounting. Based on the Company's performance, the independent directors awarded Mr. Peak a \$100,000 cash bonus and granted him a stock option to purchase 400,000 shares of Contango

Edgar Filing: CONTANGO OIL & GAS CO - Form DEF 14A

Common Stock in the fiscal year ended June 30, 2004 and awarded him a \$350,000 cash bonus and granted him a stock option to purchase 100,000 shares of Contango Common Stock in the fiscal year ended June 30, 2002. For the fiscal year ended June 30, 2003, the Company reported a loss for the year under the successful efforts method of accounting; and, therefore, Mr. Peak did not receive a cash bonus. He did, however, receive a stock option grant for 100,000 shares of Contango Common Stock during the year.

Executive Officers. Mr. Peak has set the base pay for William H. Gibbons, Vice President and Treasurer, and Lesia Bautina, Vice President, at \$95,000 and \$90,000 per year respectively. Cash bonuses and/or stock option grants are available annually at the discretion of Mr. Peak in consultation with the

Board. Factors used in determining the grant of a cash bonus and/or stock option grant include, among others individual and Company performance and competitive conditions. For the fiscal years ended June 30, 2004, 2003 and 2002, Mr. Gibbons received cash bonuses of \$75,000, \$750 and \$40,000, respectively, and received stock option grants to purchase 5,000, 25,000 and 25,000 shares of Contango Common Stock, respectively. For the fiscal years ended June 30, 2004, 2003 and 2002, Ms. Bautina received cash bonuses of \$100,000, \$76,000 and \$50,000, respectively, and received stock option grants to purchase 15,000, 100,000 and 50,000 shares of Contango Common Stock, respectively.

The Company may periodically grant additional cash bonuses and/or new stock option grants to provide continuing incentive for future performance. In making the decision to make additional grants, the independent directors and the Chairman and Chief Executive Officer would consider factors such as the size of previous grants and the number of stock options already held and the degree to which increasing that ownership stake would provide the additional incentives for future performance, the likelihood that the grants would encourage the executive officer to remain with the Company and the value of the executive's service to the Company.
