PROXY STATEMENT

INFORMATION CONCERNING VOTING AND SOLICITATION

This Proxy Statement is being furnished to you in connection with the solicitation by the Board of Directors of Cambridge Display Technology, Inc., a Delaware corporation, or CDT, of proxies to be used at the 2006 Annual Meeting of Stockholders to be held at the New York Marriott East Side Hotel (Astor Rooms I and II), 525 Lexington Avenue, New York, New York 10017 at 3:00 p.m., Eastern Daylight Time, on Wednesday, May 31, 2006 and any adjournments or postponements thereof. This Proxy Statement and the accompanying form of proxy card are being mailed to stockholders on or about May 2, 2006. In this Proxy Statement, the terms we, us and our refer to CDT, unless the context otherwise requires.

Appointment of Proxy Holders

Our Board of Directors asks you to appoint David Fyfe and Stephen Chandler as your proxy holders to vote your shares at the 2006 Annual Meeting of Stockholders. You make this appointment by voting the enclosed proxy card using one of the voting methods described below.

If appointed by you, the proxy holders will vote your shares as you direct on the matters described in this Proxy Statement. In the absence of your direction, they will vote your shares as recommended by our Board of Directors.

Unless you otherwise indicate on the proxy card, you also authorize your proxy holders to vote your shares on any matters that were not known by our Board of Directors at the time this Proxy Statement was printed and, under our By-Laws, may be properly presented for action at the Annual Meeting.

Who Can Vote

Only stockholders who owned shares of our common stock at the close of business on April 13, 2006, the record date for the Annual Meeting, can vote at the Annual Meeting. As of the close of business on the record date, we had 21,483,205 shares of our common stock outstanding and entitled to vote. Each holder of our common stock is entitled to one vote for each share held as of the record date. There is no cumulative voting in the election of directors.

How You Can Vote

You may vote your shares at the Annual Meeting either in person or by mail as described below. Stockholders holding shares through a bank or broker should follow the voting instructions on the form of proxy card received.

You may vote by dating, signing and returning your proxy card in the enclosed postage-prepaid return envelope. Voting by mail will not limit your right to vote at the Annual Meeting, if you decide to attend in person. Our Board of Directors recommends that you vote by mail, as it is not practical for most stockholders to attend the Annual Meeting. If you hold shares through a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the Annual Meeting.

If you submit your proxy, but do not mark your voting preference, the proxy holders will vote your shares **FOR** the election of the nominees for director and **FOR** the ratification of the appointment of independent registered public accountants.

Table of Contents

Revocation of Proxies

Stockholders can revoke their proxies at any time in any of three ways before they are exercised:

by voting in person at the Annual Meeting (if your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the meeting);

by submitting written notice of revocation to the Corporate Secretary prior to the Annual Meeting; or

by submitting another proxy of a later date prior to the Annual Meeting that is properly executed.

Required Vote

Directors are elected by a plurality vote, which means that the five nominees receiving the most affirmative votes will be elected. All other matters submitted for stockholder approval require the affirmative vote of the majority of shares present in person or represented by proxy and entitled to vote.

A quorum, which is one-third of the outstanding shares as of April 13, 2006, must be present to hold the Annual Meeting. A quorum is calculated based on the number of shares represented by the stockholders attending in person and by their proxy holders. If you indicate an abstention as your voting preference, your shares will be counted toward a quorum. Abstentions on any matters are treated as shares present or represented and entitled to vote on that matter and have the same effect as a vote against such matter.

If a broker indicates on the enclosed proxy card or its substitute that such broker does not have discretionary authority to vote on a particular matter (broker non-votes), those shares will be considered as present for purposes of determining the presence of a quorum but will not be treated as shares entitled to vote on that matter.

Solicitation of Proxies

CDT will pay the cost of printing and mailing proxy materials. In addition to the solicitation of proxies by mail, solicitation may be made by our directors, officers and other employees by personal interview, telephone or facsimile. No additional compensation will be paid to these persons for solicitation. We will reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation materials to beneficial owners of our common stock.

Important

Please promptly vote and submit your proxy by signing, dating and returning the enclosed proxy card in the postage-prepaid return envelope so that your shares can be voted. This will not limit your rights to attend or vote at the Annual Meeting.

PROPOSAL 1

ELECTION OF DIRECTORS

Directors and Nominees

Our By-Laws currently provide that the number of directors that shall constitute our entire Board of Directors shall be fixed from time to time by resolutions of our Board provided that such number shall not be less than three. We currently have authorized five directors. Therefore, at the Annual Meeting, five persons will be elected as members of our Board, each for a one-year term or until their successors are elected and qualified. The proxies given to the proxy holders will be voted or not voted as directed and, if no direction is given, will be voted FOR these five nominees. Our Board knows of no reason why any of these nominees should be unable or unwilling to serve. However, if for any reason any nominee should be unable or unwilling to serve, the proxies will be voted for any nominee designated by our Board to fill the vacancy.

General

Information with respect to each nominee to our Board of Directors is set forth below, including age, position (if any) with CDT, business experience during at least the past five years and directorships of other publicly owned corporations. Ages are as of April 15, 2006.

Name	Age	Position
Dr. David Fyfe	62	Chairman and Chief Executive Officer
Dr. Malcolm J. Thompson	60	Director
Frank K. Bynum, Jr.	43	Director
Joseph Carr	48	Director
James V. Sandry	43	Director

Business Experience of Nominees

Dr. David Fyfe has served as the Chairman of our Board and our Chief Executive Officer since September 2000. From 1996 to 1999, Dr. Fyfe was Chief Executive Officer of Harris Specialty Chemicals. Harris Specialty Chemicals was until March 1999 a privately held manufacturer and seller of construction products, operating principally in the United States and Western Europe. It sold products such as sealants, architectural coatings and expansion joints to construction distributors and contractors. Harris Specialty Chemicals was sold in 1999 to SKW GmbH of Germany, owned by E.ON AG, which became part of Degussa Construction Chemicals and which in turn, has recently been acquired by BASF. Between 1999 and August 2000, Dr. Fyfe worked as an independent business consultant.

Dr. Malcolm J. Thompson has served as a member of our Board since November 2005. Dr. Thompson is currently serving as President of M.J.T Associates. Most recently he was until 2005 Chief Executive Officer of Vitex Systems, Inc., a company developing transparent barrier films for use in flat panel displays (FPD). He is also Chairman of the board of directors of Photon Dynamics, Inc., a company that provides products in test, repair and inspection throughout FPD array, cell and module fabs to provide true yield management in FPD manufacturing lines. Previously Dr. Thompson was the Chief Executive Officer and President of each of Novalux, Inc. and dpiX and Chief Technologist at the Palo Alto Research Center (PARC), a subsidiary of Xerox Corporation.

Frank K. Bynum, Jr. has served as a member of our Board since 1999. Mr. Bynum is a Managing Director at Kelso & Company, a private equity firm, having joined Kelso in 1987. In addition, Mr. Bynum is a director of Custom Building Products, Inc., Endurance Business Media, Inc. and FairPoint Communications, Inc.

Table of Contents

Joseph Carr has served as a member of our Board since March 2005. Mr. Carr was responsible for the Electronic Materials business of Dow Chemical from 1996 to 2001 when he was appointed Vice President at Osram Opto Semiconductors with global responsibility for Osram's manufacture of Organic Light Emitting Diode (OLED) displays until March 2004. Since then he has been consulting at a strategic level for senior management clients in various high technology industries including electronics, consumer electronics and electronic materials.

James V. Sandry has served as a member of our Board since November 2004. From April 1996 to June 1999, Mr. Sandry was Chief Financial Officer and, subsequently, Executive Vice President Finance of iXL Enterprises, an internet consulting company in which Kelso held a controlling interest. From January 2000 to November 2000, Mr. Sandry was the Chief Financial Officer of Online Insight Inc., a software development company. From November 2000 to May 2001, Mr. Sandry was the Chief Financial Officer of VCG, Inc., a software development company. From October 2001 to April 2002, Mr. Sandry was the Chief Financial Officer of Ted's Montana Grill, a restaurant company. Since November 2002, Mr. Sandry has been the Chief Executive Officer of JVS Industries LLC, a privately held furniture rental company and a franchisee of Aaron Rents.

There are no family relationships among any of our directors or executive officers.

Vote Required

The five nominees for directors receiving the highest number of affirmative votes will be elected as directors. Unless marked to the contrary, proxies received will be voted FOR the nominees.

Our Board of Directors recommends a vote FOR the election of the nominees set forth above as directors of CDT.

Organization of Board

Our Board of Directors held 12 meetings during the fiscal year ended December 31, 2005 and each director, during the time that he was a director, attended at least 75% of the total regularly scheduled and special meetings of our Board and the committees on which he served. The rules and regulations of the National Association of Securities Dealers, or the NASD, the Nasdaq Stock Market, or Nasdaq, and the Securities and Exchange Commission, or the SEC, require that a majority of our Board must be composed of members who meet the independence standards specified in these rules and regulations. As a result of the appointment of Dr. Thompson to our Board in November 2005 and the resignation of Mr. Berney at the same time, we have strengthened the strategic and governance aspects of the work of our Board and are currently in compliance with these independence standards. The independent directors meet in regularly scheduled executive sessions at in-person meetings of our Board without the participation of the Chairman and Chief Executive Officer or other members of management. All directors are encouraged to attend the Annual Meeting and, in 2005, three out of the four directors continuing in office attended the 2005 Annual Meeting of Stockholders.

Our Board has established an Audit Committee, in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, and a Compensation Committee. Following the resignation of Mr. Bynum from the Audit Committee and the appointment of Dr. Thompson, the Audit Committee consists entirely of independent directors. Our Board has determined that Mr. Sandry is an audit committee financial expert under the rules and regulations of the SEC. As a result of the appointment of Dr. Thompson to each of the committees in November 2005 and the resignations of Messrs. Berney and Bynum from those committees at the same time, we believe that all of the members of each of the Audit Committee and the Compensation Committee meet the independence standards of the NASD and Nasdaq and the rules and regulations of the SEC. Our Board has approved a charter for each of these committees, which can be found on our website at www.cdttltd.co.uk under the Investors Corporate Governance heading and are attached to this Proxy Statement as Appendices A and B.

Director Nominations

Our Board of Directors has not established a standing committee to nominate candidates for election as directors. Instead, our independent directors recommend, and our Board selects, the candidates that will be nominated to stand for election as directors at our annual meetings of stockholders and to fill vacancies in our Board as they arise. Our Board believes that this process is appropriate given the relatively small size of our Board and because each independent director already serves on both the Audit Committee and the Compensation Committee of our Board.

Our Board of Directors has as an objective that its membership be comprised of individuals who have distinguished records of leadership and success in their arena of activity and who will make substantial contributions to our Board's operations. The independent directors' assessment of candidates for membership on our Board includes, but is not limited to, consideration of:

business experience;

financial literacy;

the current composition of our Board;

the balance of management and non-management directors;

the need for particular financial expertise, including with respect to service on the audit committee and qualification as an audit committee financial expert as that term is defined under Item 401(h) of Regulation S-K under the Securities Act of 1933;

the need for particular technical or strategic expertise; and

the evaluation of other prospective nominees.

Table of Contents

In addition, our procedures for nominating directors contain provisions that address the process by which a stockholder may nominate an individual to stand for election to our Board of Directors at our annual meeting of stockholders. In order to nominate a candidate for director, a stockholder must do so in writing to our Corporate Secretary. This written submission must be delivered to us not fewer than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting and in any event at least 45 days prior to the first anniversary of the date on which we first mailed our proxy materials for the preceding year's annual meeting of stockholders, provided that if the date of the annual meeting is advanced by more than 30 days or delayed by more than 70 days from such anniversary date of the preceding year's annual meeting, the written submission to be timely must be so delivered not earlier than 120 days prior to the annual meeting and not later than the close of business on the later of the 90th day prior to the annual meeting or the 10th day following the day on which public announcement of the date of the annual meeting is first made. Information required by these procedures to be in the notice include the name and contact information for the candidate and the person making the nomination and other information about the nominee that must be disclosed in proxy solicitations under Section 14 of the Securities Exchange Act of 1934 and the related rules and regulations thereunder.

Stockholder nominations must be made in accordance with the procedures outlined in, and include the information required by, our these procedures and must be addressed to:

Stephen Chandler will review any communication received from a stockholder, and all material communications from stockholders will be forwarded to the appropriate director or directors or committee of the Board based on the subject matter.

Compensation of Directors

We reimburse directors for expenses incurred in attending meetings of our Board of Directors and committees thereof. Each of our non-executive directors also receives an annual fee of \$50,000 for serving as a director and an additional fee of \$3,000 for each day in which the director participates in meetings of our Board or any committee thereof. Each non-executive director also receives an annual fee of \$10,000 for each committee of our Board on which such non-executive director serves, and the chairperson of the Audit Committee receives an annual fee of up to \$25,000 for serving this role.

On March 3, 2005, we granted to Messrs. Carr and Sandry options with respect to 15,000 and 10,000, respectively, shares of our common stock under our 2004 Stock Incentive Plan. These options will vest in three equal annual installments, beginning on the first anniversary of their grant dates.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth certain information as of April 13, 2006, the record date for the Annual Meeting, as to shares of our common stock beneficially owned by:

each person who is known by us to own beneficially more than 5% of our common stock;

each of our executive officers listed in the Summary Compensation Table;

each of our directors; and

all our directors and executive officers as a group.

Unless otherwise stated below, the address of each beneficial owner listed on the table is *c/o* Cambridge Display Technology Limited, 2020 Cambourne Business Park, Cambridge, CB3 6DW, United Kingdom.

We have determined beneficial ownership in accordance with the rules of the SEC. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons and entities named in the table below have sole voting and investment power with respect to all shares of our common stock that they beneficially own, subject to applicable community property laws.

The percentage of our common stock beneficially owned is based on 21,483,205 shares outstanding as of the record date. In computing the number of shares of our common stock beneficially owned by a person and the percentage ownership of that person, we deemed outstanding shares of our common stock subject to options held by that person that are currently exercisable or exercisable within 60 days after the record date. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person or of the directors and officers as a group.

Employment Agreements

We have entered into the following employment agreements with the named executive officers:

Dr. David Fyfe. In August 2002, we entered into an employment agreement with Dr. Fyfe, which was amended as of August 31, 2004 and modified by the Compensation Committee of our Board on February 8, 2005 and April 27, 2005. Pursuant to this agreement, Dr. Fyfe will serve as our Chief Executive Officer and a member of our Board of Directors for a term ending August 31, 2007 and Dr. Fyfe's current contracted annual base salary is \$480,690. Effective January 1, 2006, Dr. Fyfe's monthly salary payments are paid primarily in U.S. dollars but the equivalent of \$10,000 per month is paid in British pounds, converted from U.S. dollars at an exchange rate equal to the average exchange rate for the previous quarter. Dr. Fyfe receives an annual overseas allowance in the amount of \$90,000 for periods during which he serves overseas and is considered a resident in the United Kingdom for tax purposes. Dr. Fyfe is also eligible to receive an annual bonus, which is limited to 45% of his base salary

We contribute to Dr. Fyfe's 401(k) retirement plan to the maximum extent permitted and, in addition, make a cash payment to Dr. Fyfe equal to the difference between 5% of his contracted annual base salary and the aggregate amount that has been paid by us into his 401(k) plan during any calendar year.

Dr. Fyfe is also entitled to a benefit under the terms of our special bonus plan. Should Dr. Fyfe's term not be extended upon expiration of his employment agreement or if his employment is terminated for any reason other than for cause (as defined in the employment agreement), his entitlement under the plan shall remain in place as if he continued to be an active employee. In addition, Dr. Fyfe will be entitled to retain any options to purchase shares of our common stock for a period of seven years, after which, if a vesting event (as defined under our stock incentive plans) has not occurred, we will be required to liquidate the options at a value set by an independent third party. At present, Dr. Fyfe does not have any options to purchase shares of our common stock.

Upon (1) expiration of his employment, (2) his death or disability or (3) termination of his employment either by us without cause or by him for good reason (including a change in control, each of which is defined in

Table of Contents

the employment agreement), Dr. Fyfe is entitled to a pension of \$100,000 per year for a period of five years, contingent upon positive earnings before interest, taxes, depreciation, and amortization, or EBITDA, in each year that a given payment is to be made. In the event that EBITDA is not positive and thus a pension payment is withheld during a given year, the term of this provision shall be extended by a year, such that a cumulative sum of \$500,000 is ultimately paid pursuant to this commitment. In the event we are acquired, the pension obligation must either be assumed by the acquirer without the EBITDA contingency, or the balance of such obligation paid in a lump sum, at Dr. Fyfe's election.

Termination of Dr. Fyfe's employment by either party, other than termination by us for cause, must be preceded by 12 months' notice. Upon termination of Dr. Fyfe's employment due to death or disability, by us without cause or by Dr. Fyfe for good reason, he will be entitled to (1) all accrued salary and vested benefits payable under the terms of the plan or policy under which they have accrued, (2) a pro-rata annual bonus payable in a lump sum within 30 days of termination and (3) his pension payments as described above. Upon termination of Dr. Fyfe's employment by us without cause or by Dr. Fyfe for good reason, he will also receive severance in the amount of his base salary through the end of his term, payable monthly, and benefit coverage through the end of his term. During his employment and any severance period and for a two-year period following termination by us with cause or by Dr. Fyfe without good reason, Dr. Fyfe will be subject to a customary non-compete provision. Upon termination for any reason, Dr. Fyfe will be subject to a customary one-year non-solicitation provision.

During periods in which he serves overseas, in addition to an annual allowance, we will reimburse Dr. Fyfe for certain reasonable transportation expenses incurred by himself and his family, and will make certain income and employment tax equalization payments pursuant to an overseas benefit agreement. REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The following report of the Compensation Committee does not constitute solicitation material, and shall not be deemed filed or incorporated by reference into any other filing by CDT under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The Compensation Committee is comprised of three non-employee directors. The scope of duties and responsibilities of the Compensation Committee includes oversight of CDT's compensation structure, policies and programs; review of individual performance of CDT's officers and other senior executives; review of succession planning, adoption of recommendations to the Board regarding officer and senior executive compensation and review and approval of incentive compensation and equity-based plans.

The Compensation Committee is responsible for setting and monitoring the compensation of executive officers. The Committee considers their performance and makes recommendations regarding their cash compensation and long term incentive arrangements, including stock options, to the full Board of Directors. The Compensation Committee performs other activities and functions related to executive compensation as may be assigned from time to time by the Board of Directors.

The Compensation Committee expects to periodically review the approach to executive compensation and make changes as competitive conditions and other circumstances warrant and will seek to ensure CDT's compensation philosophy is consistent with its best interests and is properly implemented.

The Compensation Committee makes recommendations for approval by the independent members of the Board of Directors regarding the compensation for the Chief Executive Officer and other executive officers of CDT.

Compensation Philosophy and Objectives

The Compensation Committee believes that compensation of CDT's executive officers should encourage creation of stockholder value and the achievement of strategic corporate objectives, should attract and retain qualified, skilled and dedicated executives on a long-term basis, reward past performance and provide incentives for future performance.

It is the Compensation Committee's philosophy to align the interests of CDT's stockholders and management by integrating compensation with CDT's annual and long-term corporate objectives.

In order to attract and retain the most qualified, skilled and dedicated employees, CDT intends to offer a total compensation package competitive with technology companies from broadly similar industry backgrounds, taking into account relative company size and complexity, performance and geographic location as well as individual responsibilities and performance.

The basic elements of CDT's compensation program for its senior executives consist of base salary, annual incentive bonus opportunity and long-term equity-based incentive compensation.

In summary, CDT's compensation philosophy is intended to reward the achievement of sustained, measurable results. CDT's total compensation program must be competitive, support our overall strategy and objectives and provide significant rewards for outstanding performance whilst establishing clear consequences for under performance.

Where applicable, CDT generally intends to qualify executive compensation for deductibility without limitation under section 162(m) of the Internal Revenue Code. Section 162(m) provides that, for purposes of the regular income tax and the alternative minimum tax, the otherwise allowable deduction for compensation paid or

Table of Contents

accrued with respect to a covered employee of a publicly-held corporation (other than certain exempt performance-based compensation) is limited to no more than \$1 million per year. CDT does not expect that the non-exempt compensation to be paid to any of its executive officers for fiscal 2005 as calculated for purposes of section 162(m) will exceed the \$1 million limit.

Executive Officer Base Salary

The Compensation Committee reviews salaries on an annual basis, considering the recommendations by the Chief Executive Officer for executive officers other than the Chief Executive Officer. The Compensation Committee sets the salary level of each executive officer on a case by case basis, taking into account the individual's level of responsibilities and performance. The Compensation Committee also considers market information and the base salaries and other incentives paid to executive officers of similar and competitor companies.

The Chief Executive Officer is involved in final decisions on base salary adjustments for executives other than the Chief Executive Officer. The Compensation Committee may also recommend adjustments from time to time to recognize promotions, outstanding individual performance or changes to the role and responsibilities of each executive officer.

Executive Officer Bonus Payments

The Compensation Committee believes that a portion of executive officer compensation should be contingent upon their individual performance and contribution to CDT's success in meeting corporate objectives.

The annual incentive program is linked to key goals and closely ties annual incentive opportunities to individual performance. The program includes minimum performance thresholds required to earn any incentive compensation, as well as maximum payouts geared towards rewarding extraordinary performance.

Bonuses paid for fiscal year 2005 were determined on a case by case basis, based upon individual performance and achievement against objectives. The Compensation Committee evaluated each executive officer individually to determine the bonus for the fiscal year, which was based on individual performance criteria, taking into account the development of CDT's strategic plan and economic and industry conditions.

The Compensation Committee compared the executive officer's performance to the goals and objectives established for that executive officer for the year in relation to CDT's overall strategic and business objectives. The Compensation Committee recommended the executive bonuses to the Board of Directors, and they were approved by the Board.

The Chief Executive Officer is involved in final decisions on bonus awards for executives other than the Chief Executive Officer.

Bonuses for 2005 were paid in January 2006.

Equity Compensation

The Compensation Committee believes that providing executive officers, who have responsibility for CDT's management and growth, with an opportunity to increase their ownership of CDT stock, aligns the interests of the executive officers with those of the stockholders. Accordingly, the Compensation Committee, when reviewing executive officer compensation, also considers stock option grants as appropriate.

The Compensation Committee determines the number of shares underlying each stock option grant based upon the executive officer's and CDT's performance, the executive officer's role and responsibilities, the executive officer's base salary and comparison with comparable awards to individuals in similar positions in the industry.

Table of Contents

In addition, CDT's employees are eligible to participate in the 2004 Stock Incentive Plan. The Compensation Committee determines the number of shares underlying each stock option grant based upon the individual's performance, their role and responsibilities, their base salary and comparison with awards to individuals in similar positions in the industry.

The Compensation Committee administers CDT's 2004 Stock Incentive Plan for executive officers, employees, consultants and outside directors, under which it grants options to purchase CDT's common stock with an exercise price equal to the fair market value of a share of the common stock on the date of grant.

The Chief Executive Officer is involved in final decisions on equity awards for executives other than the Chief Executive Officer.

The Committee believes equity-based incentive compensation aligns executive and shareholder interests because (i) the use of a multi-year vesting schedule for equity awards encourages executive retention and emphasizes long-term growth, and (ii) paying a significant portion of management's compensation in CDT equity provides management with a powerful incentive to increase shareholder value over the long term.

Chief Executive Officer Compensation

The Compensation Committee reviewed the performance of our Chief Executive Officer using CDT's performance review process. In addition to CDT performance, the performance review considered elements of personal performance such as overall leadership, commercial and financial acumen and selection and development of people.

In August 2004, Dr. Fyfe's Employment Agreement was extended for a further period of three years, terminating in August 2007.

During 2005, Dr. Fyfe received an increase to his annual salary of 9%. His resulting annualized salary is \$480,690, effective January 2006. Based on individual and CDT's performance, Dr. Fyfe earned a 2005 bonus of \$198,450. This amount represents the maximum payout under the plan for exceeding performance goals in the achievement of significant commercial and technical progress in a challenging business environment during 2005.

In 2005, the CDT contributed \$10,500 to the 401K Plan on Dr. Fyfe's behalf and paid Dr. Fyfe \$10,500 in additional retirement allowances.

Prior to December 28, 2005, Dr. Fyfe received an annual overseas allowance in the amount of \$90,000, due to the expatriate nature of his appointment to CDT. The overseas allowance was intended to cover temporary housing and automobile costs while he was based in the United Kingdom. In recognition of the expatriate nature of his appointment, Dr. Fyfe also received tax equalization support and reimbursement of certain travel costs between the United Kingdom and his home in Florida.

In reaching its decision regarding Dr. Fyfe's compensation, the Compensation Committee considered many factors and focused on (a) CDT's accomplishments and achievements under Dr. Fyfe's leadership, including the successful completion of CDT's private offering, which was completed in December 2005, (b) the significant commercial and technical progress made during 2005, including strong revenue growth, the set up of and significant progress made with regard to the Sumitomo Joint Venture, the final sale of CDT's stake in Litrex and other key joint development agreements, materials lifetime development, effective financial management and cost control and (c) Dr. Fyfe's expected contributions to CDT in the future.

REPORT OF THE AUDIT COMMITTEE

The following report of the Audit Committee does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other filing by CDT under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The Audit Committee of CDT's Board of Directors provides assistance to the Board in fulfilling its legal and fiduciary obligations in matters involving accounting, auditing, financial reporting, internal control and legal compliance functions by approving the services performed by CDT's independent registered public accountants and reviewing their reports regarding CDT's accounting practices and systems of internal accounting controls as set forth in a written charter adopted by the Board, which is attached as Appendix A to this Proxy Statement. CDT's management is responsible for preparing the financial statements and the independent registered public accountants are responsible for auditing those financial statements. The Audit Committee is responsible for overseeing the conduct of these activities by management and the independent registered public accountants.

In this context, the Audit Committee of the Board of Directors has met and held discussions with management and the independent registered public accountants. Management represented to the Audit Committee that the consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accountants.

The Audit Committee of the Board of Directors has discussed with the independent registered public accountants matters required to be discussed by Statement on Auditing Standard No. 61 (Communication With Audit Committees), as amended. In addition, the independent registered public accountants provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee and the independent registered public accountants have discussed such accountants' independence from CDT and from its management, including the matters in those written disclosures. In addition, the Audit Committee considered whether or not the provision of non-audit services was compatible with maintaining such accountants' independence. The Audit Committee has discussed with management the procedures for selection of consultants and the related competitive bidding practices and fully considered whether or not those services provided by the independent registered public accountants are compatible with maintaining such accountant independence.

The Audit Committee of the Board of Directors has discussed with CDT's independent registered public accounting firm, with and without management present, its evaluations of CDT's internal accounting controls and the overall quality of its financial reporting. In reliance on the reviews and discussions with management and the independent registered public accountants referred to above, the Audit Committee recommended to the Board the inclusion of the audited financial statements in CDT's Annual Report on Form 10-K for the fiscal year ended December 31, 2005, for filing with the SEC.

Table of Contents**PROPOSAL 2****RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED****PUBLIC ACCOUNTANTS**

The Audit Committee of our Board of Directors, which is composed entirely of independent directors, has selected Ernst & Young LLP as independent accountants to audit our books, records and accounts and our subsidiaries for the fiscal year 2005. Our Board has endorsed this appointment. Ratification of the appointment of Ernst & Young LLP by stockholders is not required by law. However, as a matter of good corporate practice, such selection is being submitted to the stockholders for ratification at the Annual Meeting. If the stockholders do not ratify the appointment, our Board and the Audit Committee will reconsider whether or not to retain Ernst & Young LLP, but may retain Ernst & Young LLP. Even if the selection is ratified, the Audit Committee in its discretion may change the appointment at any time if it determines that such change would be in our best interests and in the best interests of our stockholders. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions.

On November 28, 2005, we requested Ernst & Young LLP, or E&Y, to consider a proposal that E&Y change the office in which it issues its annual audit opinion with respect to our audited financial statements from its New York office to its Cambridge, United Kingdom office. E&Y previously audited our consolidated financial statements during the four fiscal years ended December 31, 2005. We proposed this change because we believed it would be more efficient and cost-effective to have our auditors in the United Kingdom, rather than in the United States, because our operations are principally conducted in the United Kingdom. E&Y's United Kingdom office is operated under the name Ernst and Young LLP, or E&Y UK. Pursuant to our proposal, E&Y UK issued an audit opinion with respect to our audited financial statements for the fiscal year ending December 31, 2005 and will do so thereafter for as long as E&Y UK remains our auditor. Prior to the change in the audit opinion issuing office, E&Y UK performed a substantial portion of the auditing procedures on our operations, but the audit opinion had been issued out of E&Y's New York office. Both E&Y's New York office and E&Y UK are members of Ernst & Young Global Limited. On November 28, 2005, the audit committee of our Board of Directors accepted and approved the change of office, commencing immediately, and on November 29, 2005 this decision was ratified by our full Board of Directors.

All Other Fees. Other fees for the year ended December 31, 2005 related to attendance at training courses. There were no other fees for the year ended December 31, 2004.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee of our Board of Directors has implemented pre-approval policies and procedures related to the provision of audit and non-audit services. Under these procedures, the Audit Committee pre-approves both the type of services to be provided by Ernst & Young LLP and the estimated fees related to these services. During the approval process, the Audit Committee considers the impact of the types of services and the related fees on the independence of the registered public accountant. The services and fees must be deemed compatible with the maintenance of such accountants' independence, including compliance with SEC rules and regulations. Throughout the year, the Audit Committee will review any revisions to the estimates of audit and non-audit fees initially approved.

Vote Required

Ratification of the appointment of Ernst & Young LLP requires the affirmative vote of a majority of the shares present and voting at the Annual Meeting in person or by proxy. Unless marked to the contrary, proxies received will be voted FOR ratification of the appointment. In the event ratification is not obtained, the Audit Committee of our Board of Directors will review its future selection of our independent registered public accountants.

Our Board of Directors recommends a vote FOR the ratification of Ernst & Young LLP as our independent registered public accountants.
