CALCULATION OF FILING FEE

Transaction Valuation <sup>(1)</sup>	Amount of Filing Fee <sup>(1)(2)</sup>
\$1,078,260,723	\$115,374

(1) Calculated solely for purposes of determining the filing fee in respect of B Shares (as defined below) to be held in the United States in accordance with Section 13(e)(3) of the Securities Exchange Act of 1934 and Rule 0-11(b) thereunder. This calculation assumes that holders of ordinary shares, par value 50 pence each (the "Ordinary Shares") in the United States own directly or indirectly 27.7% of the 1,871,234,589 Ordinary Shares issued and outstanding as of March 30, 2006 (including Ordinary Shares represented by American Depositary Shares) and that one in every three Ordinary Shares are converted into non-cumulative preference shares, par value 50 pence each (the "B Shares"). Transaction Valuation is based upon a value of £3.60 cash per share for the B Shares expected to be held in the United States on the basis described in the preceding sentence and on an exchange rate of \$1.7356 per £1.00, which was the noon buying rate in New York certified by the New York Federal Reserve Bank for customs purposes on March 29, 2006.

(2) The Amount of Filing Fee equals \$107.00 per \$1,000,000 of the Transaction Valuation.  
 " Check the box if any part of the fee is offset as provided by Rule 0-11(a)(2) and identify the filing with which the offsetting fee was previously paid. Identify the previous filing by registration statement number, or the Form or Schedule and the date of its filing.

Except as defined herein, capitalized terms shall have the same meaning given to them in the US Supplemental Memorandum included as Exhibit 99.(a)(2) to the Schedule TO.

This Amendment No. 3 hereby amends and supplements Item 4(a)(1)(vi) as follows:

**ITEM 4. TERMS OF THE TRANSACTION**

This Amendment No. 3 hereby amends and supplements Item 11(b) as follows:

**ITEM 11. ADDITIONAL INFORMATION**

(b) Shareholder Communications:  
On May 1, 2006, ScottishPower made the following communication:

In response to comments from the SEC, ScottishPower made the following amendments to Exhibit 99.(a)(2) US Supplemental Memorandum dated March 31, 2006:

The first sentence of paragraph 3, Withdrawal Rights in Part 6 - Supplemental information for ADS Holders is amended to read as follows:

ADS Holders may withdraw elections of B Share Alternatives at any time prior to the end of the Election Period or, if not accepted for payment, at any time after the expiration of forty business days from the commencement of the Election Period.

The introduction to Part 7 - Certain US federal income tax considerations is amended to read as follows:

The following discussion of US federal income tax consequences is intended only as a summary of the material US federal income tax consequences of the Reclassification, Share Capital Consolidation and B Share Alternatives to US Holders (as defined below) who hold Existing ADSs as capital assets and does not purport to be a complete analysis or listing of all potential US federal income tax consequences relating to the Reclassification, Share Capital Consolidation and B Share Alternatives. This discussion does not discuss special tax rules that may be applicable to certain classes of investors, including banks, insurance companies, tax exempt entities, dealers, traders who elect to mark-to-market, investors with a functional currency other than the US dollar, persons who hold Existing ADSs as part of a hedge, straddle or conversion transaction, or holders of 10% or more of the voting stock of the Company. The statements of US federal income tax laws and practices set out below are based on the laws in force and as interpreted by the relevant taxation authorities as of the date

of this report. The statements are subject to any changes occurring after that date, in the interpretation of any law by the relevant taxation authorities or in any double taxation convention between the US and the UK. Finally, we note that the Company has not sought a ruling from the US Internal Revenue Service (IRS) regarding the treatment of the Reclassification, Share Capital Consolidation and B Share Alternatives and the following discussion is thus not binding on the IRS.

For purposes of this discussion, the term "US Holder" means a beneficial owner of Existing ADSs, New ADSs, or B Shares, as the case may be, that is a US citizen or resident, a US domestic corporation or partnership, a trust subject to the control of a US person and the primary supervision of a US court, or an estate, the income of which is subject to US federal income tax regardless of its source. In addition, you are encouraged to seek your own professional and/or tax advice prior to making an election under the B Share Alternatives.

This discussion assumes that the deferred shares will have no value and, as a result, receipt of deferred shares by a US Holder that elects Alternative 1 should have no US federal income tax consequences.

US Holders are urged to consult their own tax adviser regarding the US federal income tax consequences to them of the Reclassification, B Share Alternatives and Share Capital Consolidation.

In response to comments from the SEC, ScottishPower made the following amendment to Exhibit 99.(a)(8) US Taxation Booklet for US Shareholders:

The introduction to "Certain US Federal Income Tax Considerations in relation to the Return of Cash" is amended to read as follows:
