NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS

MARCH 31, 2008

(UNAUDITED)

Note 1 Basis of Presentation and Organization

Harrah s Entertainment, Inc. (Harrah s Entertainment, the Company, we, our or us, and including our subsidiaries where the context require Delaware corporation. As of March 31, 2008, we own or manage 51 casinos, primarily under the Harrah s, Caesars and Horseshoe brand names in the United States. Our casino entertainment facilities include 32 land-based casinos, 12 riverboat or dockside casinos, three managed casinos on Indian lands, one combination thoroughbred racetrack and casino, one combination greyhound racetrack and casino, one combination harness racetrack and one managed casino in Canada. Our 32 land-based casinos include one in Uruguay, ten in the United Kingdom, two in Egypt and one in South Africa. We view each property as an operating segment and aggregate all operating segments into one reporting segment.

On January 28, 2008, Harrah s Entertainment was acquired by affiliates of Apollo Global Management, LLC (Apollo) and TPG Capital, LP (TPG) in an all cash transaction, hereinafter referred to as the Merger. Although Harrah s Entertainment continued as the same legal entity after the Merger, the accompanying Consolidated Condensed Statement of Operations, the Consolidated Condensed Statement of Cash Flows and the Consolidated Condensed Statement of Comprehensive Income for the three months ended March 31, 2008, are presented as the Predecessor period for the period preceding the Merger and as the Successor period for the period succeeding the Merger. As a result of the application of purchase accounting as of the Merger date, the consolidated condensed financial statements for the Successor period and the Predecessor period are presented on different bases and are, therefore, not comparable.

Certain of our properties were sold in 2006, and prior to their sales, assets and liabilities of these properties were classified in our Consolidated Condensed Balance Sheets as Assets/Liabilities held for sale, and their operating results through the date of their sales were presented as discontinued operations. See Note 12 for further information regarding discontinued operations.

Note 2 The Merger

The Merger was completed on January 28, 2008, and was financed by a combination of borrowings under the Company s new term loan facility due 2015, the issuance of Senior Notes due 2016 and Senior Toggle Notes due 2018, certain real estate term loans and equity investments of Apollo/TPG, co-investors and members of management. See Note 6 for a discussion of our debt.

The purchase price was approximately \$30.7 billion, including the assumption of \$12.4 billion of debt and approximately \$1.0 billion of transaction costs. All of the outstanding shares of Harrah s Entertainment stock were redeemed, with stockholders receiving \$90.00 in cash for each outstanding share of common stock.

As a result of the Merger, the issued and outstanding shares of non-voting common stock and non-voting preferred stock of Harrah s Entertainment are owned by entities affiliated with Apollo/TPG, certain co-investors and members of management, and the issued and outstanding shares of voting common stock of Harrah s Entertainment are owned by Hamlet Holdings LLC, which is owned by certain individuals affiliated with Apollo/TPG. As a result of the Merger, our stock is no longer publicly traded.

The purchase price allocation is in process and will be completed within one year of the Merger. For purposes of these financial statements, the preliminary allocation of the purchase price for property and equipment, intangible assets and deferred income taxes is based on preliminary valuation data. The purchase price was allocated to the underlying assets acquired and liabilities assumed based upon their estimated fair values at the date of acquisition. We determined the estimated fair values after review and consideration of relevant information including discounted cash flow analyses, quoted market prices and our own estimates. To the extent that the purchase price exceeded the fair value of the net identifiable tangible and intangible assets, such excess was allocated to goodwill. Goodwill and intangible assets that are determined to have an indefinite life are not amortized.

The following unaudited pro forma consolidated financial information assumes that the Merger was completed at the beginning of 2008 and 2007.

	First Quar Marcl	
(In millions)	2008	2007
Net revenues	\$ 2,600.6	\$ 2,655.6
Loss from continuing operations	\$ (394.1)	\$ (83.3)
Net loss	\$ (306.7)	\$ (65.2)

Pro forma results for the three months ended March 31, 2008, include non-recurring charges of \$82.8 million related to the accelerated vesting of stock options, stock appreciation rights (SARs) and restricted stock and \$59.8 million of other costs related to the Merger. Results for the three months ended March 31, 2007, included \$4.0 million for costs related to the Merger.

The unaudited pro forma results are presented for comparative purposes only. The pro forma results are not necessarily indicative of what our actual results would have been had the Merger been completed at the beginning of the periods, or of future results.

Note 3 Stock-Based Employee Compensation

Prior to the completion of the Merger, the Company granted stock options, SARs and restricted stock for a fixed number of shares to employees and directors under share-based compensation plans. The exercise prices of the stock options were equal to the fair market value of the underlying shares at the date of grant. Compensation expense for restricted stock awards was measured at fair value on the date of grant based on the number of shares granted and the quoted market price of the Company s common stock. Such value was recognized as expense over the vesting period of the award adjusted for actual forfeitures.

In connection with the Merger, on January 28, 2008, outstanding and unexercised stock options and SARs, whether vested or unvested, were cancelled and converted into the right to receive a cash payment equal to the product of (a) the number of shares of common stock underlying the options and (b) the excess, if any, of the merger consideration over the exercise price per share of common stock previously subject to such options, less any required withholding taxes. In addition, outstanding restricted shares vested and became free of restrictions, and each holder received \$90 in cash for each outstanding share.

The following is a summary of activity under the equity incentive plans that were in effect upon adoption of Statement of Financial Accounting Standards (SFAS) 123 (Revised 2004) through the effective date of the Merger, when all of the stock options and SARs were cancelled and restricted shares were vested:

Two hundred thousand shares were authorized for issuance under the 2001 Plan, which is an equity compensation plan not approved by stockholders.

There were no share-based grants during the period January 1, 2008 to January 27, 2008 (predecessor entity). There was no material award activity in the quarter ended March 31, 2007.

The total intrinsic value of stock options and SARs cancelled and restricted shares vested due to the Merger was approximately \$456.9 million, \$225.3 million and \$46.9 million, respectively, for the period January 1, 2008 to January 27, 2008 (predecessor entity). The total intrinsic value of stock options and SARs exercised during the quarter ended March 31, 2007 was approximately \$25.1 million and \$0.2 million, respectively. The total intrinsic value of restricted shares vested was approximately \$38.4 million during the quarter ended March 31, 2007.

The following is a summary of the activity for nonvested stock option and SAR grants and restricted share awards as of January 27, 2008 and the changes for the period January 1, 2008 to January 27, 2008:

(1) Represents the weighted-average grant date fair value per share-based unit, using the Black-Scholes option-pricing model for stock options and SARs and the average high/low market price of the Company s common stock for restricted shares.

The total fair value of stock options and SARs cancelled and restricted shares vested during the period from January 1, 2008, to January 27, 2008, (predecessor entity) was approximately \$42.9 million, \$48.6 million and \$51.2 million, respectively. The total fair value of stock options, SARs and restricted shares vested during the quarter ended March 31, 2007 was \$44.1 million, \$0.8 million and \$25.3 million, respectively.

As of December 31, 2007, there was approximately \$12.7 million, \$38.2 million and \$36.6 million of total unrecognized compensation cost related to stock option grants, SARs and restricted share awards, respectively, under the stock-based compensation plans. The consummation of the Merger accelerated the recognition of compensation cost of \$82.8 million, which was included in Merger and integration costs in the Consolidated Condensed Statements of Operations in the period from January 1, 2008, to January 27, 2008, (predecessor entity).

The compensation cost that has been charged against income for stock option grants, SARs grants and restricted share grants was approximately \$7.7 million, \$4.6 million and \$4.7 million, respectively, for the quarter ended March 31, 2007.

Share-based Compensation Plans Successor Entity

In February 2008, the Board of Directors approved and adopted the Harrah s Entertainment, Inc. Management Equity Incentive Plan (the Equity Plan). The Board of Directors approved the grant of options to purchase 3,218,020 shares of our non-voting common stock in February 2008. The Equity Plan authorizes equity award options to be granted to management and other personnel and key service providers. Grants may be either shares of time-based options or shares of performance-based options, or a combination. Time-based options generally vest in equal increments of 20% on each of the first five anniversaries of the grant date and have a strike price equivalent to fair market value on the date of grant. The performance-based options vest based on the investment returns of our stockholders. One-half of the performance-based options become eligible to vest upon the stockholders receiving cash proceeds equal to two times their amount vested, and one-half of the performance-based options and limitations. In addition, the performance-based options may vest earlier at lower thresholds upon liquidity events prior to December 31, 2009 and 2011, as well as pro-rata, in certain circumstances.

The following is a summary of share-based option activity for the period January 28, 2008 to March 31, 2008:

(1) Represents the weighted-average grant date fair value per option, using the Monte Carlo simulation option-pricing model for performance-based options, and the Black-Scholes option-pricing model for time-based options.

As of March 31, 2008, there was approximately \$115.6 million of total unrecognized compensation cost related to stock option grants. This cost is expected to be recognized over a remaining weighted-average period of 5.2 years. The compensation cost that has been charged against income for stock option grants was approximately \$1.7 million for the quarter ended March 31, 2008 (successor entity), of which \$1.3 million was included in Corporate expense expense and \$0.4 million was included in Property general, administrative and other in the Consolidated Condensed Statements of Operations.

The Company utilized historical optionee behavioral data to estimate the option exercise and termination rates used in the Black-Scholes option-pricing model. The expected term of the options represents the period of time the options were expected to be outstanding based on historical trends. Expected volatility was based on the historical volatility of the common stock of Harrah s Entertainment and its competitor peer group for a period approximating the expected life. The Company does not expect to pay dividends on common stock. The risk-free interest rate within the expected term was based on the U.S. Treasury yield curve in effect at the time of grant.

The assumptions and fair value of options granted during the quarter ended March 31, 2008 (successor entity) are as follows:

	Quai	rter Ended

Note 5 Preferred and Common Stock

Preferred Stock

As of March 31, 2008, the authorized Preferred Stock shares are 40,000,000, par value \$0.01 per share, stated value \$100.00 per share.

On January 28, 2008, the Board adopted a resolution authorizing the creation and issuance of a series of Preferred Stock to be known as the Non-Voting Perpetual Preferred Stock. The number of shares constituting such series shall be 20,000,000.

On a quarterly basis, each share of non-voting preferred stock accrues dividends at a rate of 15.0% per annum, compounded quarterly. Dividends will be paid in cash, when, if and as declared by the board of directors, subject to approval by relevant regulators. It is expected that cash dividends will not be paid on a current basis. Dividends on Non-Voting Perpetual Preferred Stock are cumulative. As of March 31, 2008 such dividends in arrears are \$52.3 million. Shares of the non-voting preferred stock rank prior in right of payment to the non-voting and voting common stock and are entitled to a liquidation preference.

Upon the occurrence of any liquidating event, each holder of non-voting preferred stock shall have the right to require the Company to repurchase each outstanding share of non-voting preferred stock before any payment or distribution shall be made to the holders of non-voting common stock, voting common stock or any other junior stock. After the payment to the holders of non-voting preferred stock of the full preferential amounts, the holders of non-voting preferred stock shall have no right or claim to any of the remaining assets of the Company. Non-voting preferred stock may be converted into non-voting common stock on a pro rata basis with the consent of the holders of a majority of the non-voting preferred stock. Neither the non-voting preferred stock nor the non-voting common stock will have any voting rights.

Common Stock

As of March 31, 2008, the authorized Common Stock of the Company totaled 80,000,020 shares, consisting of 20 shares of Voting Common Stock, par value \$0.01 per share and 80,000,000 shares of Non-Voting Common Stock, par value \$.01 per share. The voting common stock represents less than 1% of the capital stock of Harrah s Entertainment, with the non-voting common stock and non-voting preferred stock together representing the remainder.

The Voting Common Stock shall have no economic rights or privileges, including rights in liquidation. The holders of Voting Common Stock shall be entitled to one vote per share on all matters to be voted on by the stockholders of the Company.

Subject to the rights of holders of Preferred Stock, when, as and if dividends are declared on the Common Stock, the holders of Non-Voting Common Stock shall be entitled to share in dividends equally, share for share.

In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Company, holders of Non-Voting Common Stock will receive a pro rata distribution of any remaining assets after payment of or provision for liabilities and the liquidation preference on preferred stock (including the Non-Voting Preferred Stock), if any.

Note 6 Debt

In connection with the Merger, \$7.7 billion, face amount, of our debt was retired, \$4.6 billion, face amount, of our debt was retained and \$20.5 billion, face amount, of new debt was issued, resulting in a very different debt structure for the successor entity. The discussion that follows is intended to update the information provided in our 2007 Annual Report on Form 10-K, which provides details related to the debt structure as of December 31, 2007, and subsequent to the Merger.

Charges of \$211.3 million were recorded in the first quarter of 2008 for premiums paid and write-offs of unamortized deferred financing costs and market value premiums associated with the early retirement of debt in connection with the Merger.

At March 31, 2008, \$5.7 million, face amount, of our 8.875% Senior Subordinated Notes due September 15, 2008, and \$5.1 million, face amount, of our 7.5% Senior Notes due January 15, 2009, are classified as long-term in our Consolidated Condensed Balance Sheet because the Company has both the intent and the ability to refinance these notes.

Credit Agreement

As of March 31, 2008, our senior secured credit facilities (the Credit Facilities) provide for senior secured financing of up to \$9.25 billion, consisting of (i) senior secured term loan facilities in an aggregate principal amount of up to \$7.25 billion maturing on January 28, 2015 and (ii) a senior secured revolving credit facility in an aggregate principal amount of \$2.0 billion, maturing January 28, 2014, including both a letter of credit sub-facility and a swingline loan sub-facility. Interest on the Credit Agreement is based on our debt ratings and leverage ratio and is subject to change. In addition, we may request one or more incremental term loan facilities and/or increase commitments under our revolving facility in an aggregate amount of up to \$1.75 billion, subject to certain conditions and receipt of commitments by existing or additional financial institutions or institutional lenders. As of March 31, 2008, \$7.25 billion in borrowings was outstanding under the Credit Facilities with an additional \$0.2 billion committed to back letters of credit. After consideration of these borrowings and letters of credit, \$1.8 billion of additional borrowing capacity was available to the Company under the Credit Facilities as of March 31, 2008.

Borrowings under the Credit Facilities bear interest at a rate equal to the then-current LIBOR rate or at a rate equal to the alternate base rate, in each case plus an applicable margin. In addition, on a quarterly basis, we are required to pay each lender (i) a commitment fee in respect of any unused commitments under the revolving credit facility and the delayed draw portion of the term facility and (ii) a letter of credit fee in respect of the aggregate face amount of outstanding letters of credit under the revolving credit facility. As of March 31, 2008, the Credit Facilities bore interest based upon 300 basis points over LIBOR and bore a commitment fee for unborrowed amounts of 50 basis points.

The Credit Facilities require scheduled quarterly payments on the term loans in amounts equal to 0.25% of the original principal amount of the term loans for six years and three quarters, with the balance paid at maturity.

Derivative Instruments

We account for derivative instruments in accordance with SFAS No. 133, Accounting for Derivative Instruments and Hedging Activities, and all amendments thereto. SFAS No. 133 requires that all derivative instruments be recognized in the financial statements at fair value. Any changes in fair value are recorded in the statements of operations or in other comprehensive income/(loss), depending on whether the derivative is designated and qualifies for hedge accounting, the type of hedge transaction and the effectiveness of the hedge. The estimated fair values of our derivative instruments are based on market prices obtained from dealer quotes. Such quotes represent the estimated amounts we would receive or pay to terminate the contracts.

Our derivative instruments contain a credit risk that the counterparties may be unable to meet the terms of the agreements. We minimize that risk by evaluating the creditworthiness of our counterparties, which are limited to major banks and financial institutions, and we do not anticipate nonperformance by the counterparties.

We use interest rate swaps to manage the mix of our debt between fixed and variable rate instruments. As of March 31, 2008, we have ten interest rate swap agreements for notional amounts totaling \$6.5 billion, \$5.0 billion of which became effective after March 31, 2008. The difference to be paid or received under the terms of the interest rate swap agreement is accrued as interest rates change and recognized as an adjustment to interest expense for the related debt. Changes in the variable interest rates to be paid or received pursuant to the terms of the interest rate swap agreement will have a corresponding effect on future cash flows. The major terms of the interest rate swap agreements are as follows.

	Variable Rate

April 25, 2008		2,000	4.263%	3 month LIBOR	April 25, 2008	April 25, 2013			

Until February 15, 2008, our interest rate swap agreements were not designated as hedging instruments; therefore, gains or losses resulting from changes in the fair value of the swaps were recognized in earnings in the period of the change. On February 15, 2008, eight of our interest rate swap agreements for notional amounts totaling \$3.5 billion were designated as hedging instruments; therefore, only any measured ineffectiveness will be recognized in earnings in the period of change. Interest rate swaps increased our first quarter 2008 and 2007 interest expense by \$145.5 million and \$1.1 million, respectively.

Additionally, on January 28, 2008, we entered into an interest rate cap agreement to partially hedge the risk of future increases in the variable rate of our commercial mortgage-backed securities. The interest rate cap agreement, which was effective January 28, 2008, and terminates February 13, 2013, is for a notional amount of \$6.5 billion at a LIBOR cap rate of 4.5%.

Note 7 Fair Value Measurements

We adopted the required provisions of SFAS No. 157, Fair Value Measurements, on January 1, 2008. SFAS No. 157 outlines a valuation framework and creates a fair value hierarchy in order to increase the consistency and comparability of fair value measurements and the related disclosures.

FASB Staff Position 157-2, Effective Date of FASB Statement No. 157, defers the effective date of Statement 157 to fiscal years beginning after November 15, 2008, and interim periods within those fiscal years for nonfinancial assets and nonfinancial liabilities, except for items that are recognized or disclosed at fair value in an entity s financial statements on a recurring basis (at least annually). At this time, we have chosen not to apply Statement 157 early for nonrecurring measurements made for nonfinancial assets and nonfinancial liabilities. There were no nonfinancial assets or nonfinancial liabilities recognized or disclosed at fair value during first quarter 2008.

Under SFAS 159, The Fair Value Option for Financial Assets and Financial Liabilities, entities are permitted to choose to measure many financial instruments and certain other items at fair value. We did not elect the fair value measurement option under SFAS No. 159 for any of our financial assets or financial liabilities.

In accordance with the fair value hierarchy described in SFAS No. 157, the following table shows the fair value of our financial assets and financial liabilities that are required to be measured at fair value as of March 31, 2008.

(In millions)	Balance at March 31, 2008			Level 2	Level 3
Assets:					
Derivative instruments	\$	98.6	\$	\$ 98.6	\$

Liabilities:					
Derivative instruments		330.5		330.5	
Deferred compensation plan liabilities		206.3		206.3	

The following section describes the valuation methodologies used to measure fair value, key inputs, and significant assumptions:

Derivative instruments The estimated fair values of our derivative instruments are based on market prices obtained from dealer quotes. Such quotes represent the estimated amounts we would receive or pay to terminate the contracts. Derivative instruments are included in the Deferred costs and other and Deferred credits and other lines of our Consolidated Condensed Balance Sheets. See Note 6 for more information on our derivative instruments.

Deferred compensation plan assets and liabilities The estimated fair values of our deferred compensation plan assets and liabilities are based on the market values of the underlying account funds. Deferred compensation plan assets and liabilities are included in Deferred costs and other and Deferred credits and other lines of our Consolidated Condensed Balance Sheets.

Note 9 Commitments and Contingent Liabilities

Contractual Commitments

We continue to pursue additional casino development opportunities that may require, individually and in the aggregate, significant commitments of capital, up-front payments to third parties and development completion guarantees.

The agreements pursuant to which we manage casinos on Indian lands contain provisions required by law that provide that a minimum monthly payment be made to the tribe. That obligation has priority over scheduled repayments of borrowings for development costs and over the management fee earned and paid to the manager. In the event that insufficient cash flow is generated by the operations to fund this payment, we must pay the shortfall to the tribe. Subject to certain limitations as to time, such advances, if any, would be repaid to us in future periods in which operations generate cash flow in excess of the required minimum payment. These commitments will terminate upon the occurrence of certain defined events, including termination of the management contract. Our aggregate monthly commitment for the minimum guaranteed payments, pursuant to these contracts for the three managed Indian-owned facilities now open, which extend for periods of up to 68 months from March 31, 2008, is \$1.2 million. Each of these casinos currently generates sufficient cash flows to cover all of its obligations, including its debt service.

In February 2008, we entered into an agreement with the State of Louisiana whereby we extended our guarantee of an annual payment obligation of JCC, our wholly-owned subsidiary, of \$60 million owed to the State of Louisiana. The guarantee was extended for one year to end March 31, 2011.

In addition to the guarantees discussed above, as of March 31, 2008, we had commitments and contingencies of \$1,663.5 million, including construction-related commitments.

Severance Agreements

As of March 31, 2008, we have severance agreements with 23 of our executives, which provide for payments to the executives in the event of their termination after a change in control, as defined. These agreements provide, among other things, for a compensation payment of 1.5 to 3.0 times the executive s average annual compensation, as defined. The estimated amount, computed as of March 31, 2008, that would be payable under the agreements to these executives aggregated approximately \$54.6 million. The estimated amount that would be payable to these executives does not include an estimate for the tax gross-up payment, provided for in the agreements, that would be payable to the executive if the executive becomes entitled to severance payments which are subject to federal excise tax imposed on the executive.

Employment Agreements

As of March 31, 2008, we have employment agreements with 16 of our executives, not including the employee agreement discussed below. These agreements, among other things, state the severance, if any, to be paid to the senior executives in the event of their termination. However, until February 2010, the severance agreements noted above determine the payment to the executives in the event of their termination due to the change in control that occurred as a result of the Merger.

We entered into an employment agreement with one executive that replaced his severance agreement as of January 28, 2008. The employment agreement provides for payments to the executive in the event of his termination after a change in control, as defined, and provides for, among other things, a compensation payment of 3.0 times the executive s average annual compensation, as defined. The estimated amount, computed as of March 31, 2008, that would be payable under the agreement to the executive based on the compensation payment aggregated approximately \$15.8 million. The estimated amount that would be payable to the executive does not include an estimate for the tax gross-up payment, provided for in the agreement, that would be payable to the executive becomes entitled to severance payments which are subject to federal excise tax imposed on the executive.

Self-Insurance

We are self-insured for various levels of general liability, workers compensation and employee medical coverage. Insurance claims and reserves include accruals of estimated settlements for known claims, as well as accruals of actuarial estimates of incurred but not reported claims.

Note 10 Litigation

Certain of our legal proceedings are reported in our Annual Report on Form 10-K for the year ended December 31, 2007, with material developments since that report described below.

Litigation Related to the Merger

Delaware Lawsuits.

On October 5, 2006, Henoch Kaiman and Joseph Weiss filed a purported class action complaint in the Delaware Court of Chancery, Civil Action No. 2453-N, against Harrah s Entertainment, its board of directors and the Sponsors, challenging the proposed transaction as inadequate and unfair to Harrah s Entertainment public stockholders. Two similar putative class actions were subsequently filed in the Delaware Court of Chancery: Phillips v. Loveman, et al., Civil Action No. 2456-N; and Momentum Partners v. Atwood, et al., Civil Action No. 2455-N. On October 19, 2006, the Delaware Court of Chancery consolidated the three Delaware cases under the heading In Re Harrah s Entertainment, Inc. Shareholder Litigation.

On December 22, 2006, Delaware plaintiffs counsel filed an amended and consolidated class action complaint against Harrah s Entertainment, its directors, the Sponsors, and added as defendants Apollo Management V, L.P., Hamlet Holdings and Merger Sub. The consolidated complaint alleges that Harrah s Entertainment board of directors breached their fiduciary duties and that the Sponsors aided and abetted the alleged breaches of fiduciary duty in entering into the merger agreement. The consolidated complaint seeks, among other relief, class certification of the lawsuit, an injunction against the proposed transaction, compensatory and/or rescissory damages to the class, and an award of attorneys fees and expenses to plaintiffs. On February 14, 2007, defendants began to produce documents in response to plaintiff s initial discovery request. See Settlement Procedures below for an update.

Initial Nevada Lawsuits.

On October 3, 2006, Natalie Gordon filed a putative class action lawsuit in the state district court in Clark County, Nevada, Case No. A529183, against Harrah s Entertainment, its board of directors and the Sponsors, challenging the proposed transaction as inadequate and unfair to Harrah s public stockholders. Eight similar putative class actions were subsequently filed in the Clark County district court: Phillips v. Harrah s Entertainment, Inc., et al., Case No. A529184; Murphy v. Harrah s Entertainment, Inc., et al., Case No. A529246; Shapiro v. Alexander, et al., Case No. A529247; Barnum v. Alexander, et al., Case No. A529277; Iron Workers Tennessee Valley Pension Fund v. Harrah s Entertainment, Inc., et al., Case No. A529508; and Frechter v. Harrah s Entertainment, Inc., et al., Case No. A529508; and Frechter v. Harrah s Entertainment, Inc., et al., Case No. A529508; and Frechter v. Harrah s Entertainment, Inc., et al., Case No. A529680. All of the complaints name Harrah s Entertainment and its current directors as defendants. Four of the complaints also name the Sponsors as defendants. One complaint further names two former directors of Harrah s, Joe M. Henson and William Barron Hilton, as defendants. On October 6, 2006, the Clark County district court consolidated these complaints under the heading In Re Harrah s Shareholder Litigation and appointed liaison counsel for the consolidated action.

On October 17, 2006, a consolidated class action complaint was filed naming Harrah s Entertainment, its current board of directors and the Sponsors as defendants. The consolidated complaint alleges that Harrah s Entertainment s board of directors breached their fiduciary duties and the Sponsors aided and abetted the alleged breaches of fiduciary duty in connection with the proposed transaction. The consolidated complaint seeks, among other relief, class certification of the lawsuit, an injunction against the proposed transaction, declaratory relief, compensatory and/or rescissory damages to the class, and an award of attorneys fees and expenses to plaintiffs.

On October 25, 2006, Harrah s Entertainment removed the consolidated action to the United States District Court for the District of Nevada as In Re Harrah s Shareholder Litigation, Case 2:06-CV-01356, pursuant to the Securities Litigation Uniform Standards Act (SLUSA). On

November 27, 2006, plaintiffs Gordon, Phillips, Murphy, Shapiro and Barnum filed a motion for remand. Also on that date, plaintiff Iron Workers Tennessee Valley Pension Fund filed a separate motion for remand. On December 5, 2006, plaintiff Frechter joined Iron Workers motion for remand. On January 5, 2007, the plaintiff in Iron Workers filed notice of its intention to voluntarily dismiss its action. On that same date, plaintiffs Gordon, Phillips, Murphy, Shapiro and Barnum filed a notice of withdrawal of their motion for remand. The court approved these notices on January 9, 2007. On January 23, 2007, defendants moved to dismiss the remaining actions pursuant to SLUSA. On February 5, 2007, plaintiffs Gordon, Phillips, Murphy, Shapiro and Barnum filed a First Amended Consolidated Class Action Complaint, adding a claim that the December 2006 14A filings by Harrah s Entertainment with the SEC in connection with the merger were false and misleading. Accordingly, eight consolidated cases currently remain in the United States District Court for the District of Nevada. On February 12, 2007, the court denied the Frechter motion for remand under the SLUSA. On February 23, 2007, the defendants filed a reply brief renewing their request that the court dismiss the actions in their entirety. See Settlement Procedures below for an update.

Subsequent Nevada Lawsuits.

On November 22, 2006, two putative class action lawsuits were filed in the state district court in Clark County, Nevada against Harrah s Entertainment and its board of directors: Eisenstein v. Harrah s Entertainment, Inc., et al., Case No. A531963; and NECA-IBEW Pension Fund v. Harrah s Entertainment, Inc., et al., Case No. A531965. Both complaints allege that Harrah s Entertainment board of directors breached their fiduciary duties in connection with the proposed transaction. The complaints seek, among other things, declaratory and injunctive relief; neither of them seeks damages.

On January 3, 2007, plaintiffs in both actions filed a joint Motion to Designate Litigation as Complex, Consolidate Cases, and for Appointment of Lead Counsel. A hearing on plaintiffs motion, which had been scheduled for January 30, 2007, was vacated pursuant to a stipulation between the parties, dated January 25, 2007.

On January 26, 2007, in accordance with the parties January 25, 2007 stipulation, the Clark County district court ordered the consolidation of the Eisenstein and NECA-IBEW Pension Fund complaints and appointed lead and liaison counsel. See Settlement Procedures below for an update.

Settlement Procedures.

On March 8, 2007, Harrah s Entertainment, its board of directors, and the other named defendants in the Delaware and Nevada Lawsuits above entered into a memorandum of understanding with plaintiffs counsel in those lawsuits. Under the terms of the memorandum, Harrah s Entertainment, its board of directors, the other named defendants, and the plaintiffs agreed that the Initial Nevada Lawsuits and the Delaware Lawsuit will be dismissed without prejudice and, subject to court approval, the Subsequent Nevada Lawsuits would be dismissed with prejudice. The parties subsequently entered into a stipulation of settlement (Stipulation) incorporating the terms of the memorandum of understanding.

On May 30, 2007, the federal district court in Nevada entered an order granting defendants Motion to Dismiss. Judgment was entered dismissing the Initial Nevada Lawsuits without prejudice on June 26, 2007.

Harrah s Entertainment, its board of directors, and the other defendants deny all of the allegations in the lawsuits. Nevertheless, the defendants agreed to settle the purported class action litigations in order to avoid costly litigation and mitigate the risk that the litigation may have caused a delay to the closing of the Merger. Pursuant to the terms of the Stipulation, Harrah s Entertainment agreed to provide certain additional information to stockholders that was included in its definitive proxy statement dated March 8, 2007. In addition, Harrah s Entertainment or its successor has agreed to pay the legal fees and expenses of plaintiffs counsel, up to a certain limit and subject to approval by the court, and the costs of providing notice to the class. Class members have the right to opt out of the proposed settlement; however, Defendants have the right to terminate the proposed settlement if the holders of more than a designated amount of shares elect to opt out. The entry of a final judgment and the grant of a release against Harrah s Entertainment, its board of directors and the other named defendants will not affect the rights of any stockholders who timely and validly request exclusion from the settlement class pursuant to applicable law.

On February 4, 2008, the Stipulation was submitted to the district court in Nevada, where it was approved and an order was entered for notice and a hearing in this matter. On April 21, 2008, a settlement hearing was held requesting final approval of the settlement. On April 29, 2008, the court entered an Order and Final Judgment approving the settlement, dismissing the action, and granting plaintiffs request for fees. With the settlement having been approved by the Nevada district court, the Company intends to seek the dismissal, without prejudice, of the Delaware Lawsuit.

Additional details of the settlement are set forth in a separate notice that has been sent to potential class members prior to the court hearing to consider the settlement, including any award of attorneys fees.

Litigation Related to Development

On March 6, 2008, Caesars Bahamas Investment Corporation (CBIC), an indirect subsidiary of Harrah's Operating Company, Inc. (HOC) terminated its previously announced agreement to enter into a joint venture in the Bahamas with Baha Mar Joint Venture Holdings Ltd. and Baha Mar JV Holding Ltd. (collectively, Baha Mar). To enforce its rights, on March 13, 2008, CBIC filed a complaint against Baha Mar, and the Baha Mar Development Company Ltd., in the Supreme Court of the State of New York, seeking a declaratory judgment with respect to CBIC's rights under the Subscription and Contribution Agreement (the Subscription Agreement), between CBIC and Baha Mar, dated January 12, 2007. Pursuant to the Subscription Agreement, CBIC agreed, subject to certain conditions, to subscribe for shares in Baha Mar Joint Venture Holdings Ltd., which was formed to develop and construct a casino, golf course and resort project in the Bahamas. The complaint alleges that (i) the Subscription Agreement grants CBIC the right to terminate the agreement at any time prior to the closing of the transactions contemplated therein, if the closing does not occur on time; (ii) the closing did not occur on time; and, (iii) CBIC exercised its right to terminate the Subscription Agreement, and to abandon the transactions contemplated therein. The complaint seeks a declaratory judgment that the Subscription Agreement has been terminated in accordance with its terms and the transactions contemplated therein have been abandoned.

On April 9, 2008, Baha Mar and the Baha Mar Development Company Ltd. filed Counterclaims against CBIC and a Third Party Complaint against HOC in the Supreme Court of the State of New York. Baha Mar and the Baha Mar Development Company Ltd. allege that CBIC wrongfully terminated the Subscription Agreement and that CBIC wrongfully failed to make capital contributions under the Joint Venture Investors Agreement (Investors Agreement), by and between CBIC and Baha Mar, dated January 12, 2007. In addition, Baha Mar and the Baha Mar Development Company Ltd. allege that HOC wrongfully failed to perform its purported obligations under the Harrah s Baha Mar Joint Venture Guaranty, dated January 12, 2007 (Guaranty). Baha Mar and the Baha Mar Development Company Ltd. assert claims for breach of contract, breach of fiduciary duty, promissory estoppel, equitable estoppel and negligent misrepresentation. Baha Mar and the Baha Mar Development Company Ltd. seek (i) declaratory relief; (ii) specific performance; (iii) the recovery of alleged monetary damages; (iv) the recovery of alleged attorneys fees, costs, and expenses and (v) the dismissal with prejudice of CBIC s Complaint against Baha Mar and Baha Mar Development Company Ltd., seeking declaratory relief and filed in the Supreme Court of the State of New York on March 13, 2008.

In addition, the Company is party to ordinary and routine litigation incidental to our business. We do not expect the outcome of any pending litigation to have a material adverse effect on our consolidated financial position or results of operations.

Note 11 Income Taxes

We are subject to income taxes in the United States as well as various states and foreign jurisdictions in which we operate. We account for income taxes under SFAS No. 109, Accounting for Income Taxes, whereby deferred tax assets and liabilities are recognized for the expected future tax consequences of events that have been included in the financial statements or income tax returns. Deferred tax assets and liabilities are determined based on differences between financial statement carrying amounts of existing assets and their respective tax bases using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

We adopted the provisions of FASB Interpretation No. 48, Accounting for Uncertainty in Income Taxes an interpretation of FASB Statement No. 109 (FIN 48), on January 1, 2007. As a result of the implementation of FIN 48, we recognized an approximate \$12 million reduction to the January 1, 2007, balance of retained earnings.

We file income tax returns, including returns for our subsidiaries, with federal, state, and foreign jurisdictions. As a large taxpayer, we are under continual audit by the Internal Revenue Service (IRS) on open tax positions, and it is possible that the amount of the liability for unrecognized tax benefits could change during the next twelve months. We are participating in the IRS s Compliance Assurance Program for the 2007 tax year. This program accelerates the examination of key transactions with the goal of resolving any issues before the tax return is filed. Our 2004, 2005, and 2006 federal income tax returns are currently being examined by the IRS in a traditional audit process.

We also are subject to exam by various state and foreign tax authorities, although tax years prior to 2004 are generally closed as the statutes of limitations have lapsed. However, various subsidiaries are still being examined by the New Jersey Division of Taxation for tax years beginning with 1999.

We classify reserves for tax uncertainties within Accrued expenses and Deferred credits and other in our Consolidated Condensed Balance Sheets, separate from any related income tax payable or deferred income taxes. In accordance with FIN 48, reserve amounts relate to any uncertain tax position, as well as potential interest or penalties associated with those items.

Note 12 Discontinued Operations

Discontinued operations consist of insurance proceeds from the settlement of claims related to hurricane damages to Grand Casino Gulfport, which we sold in March 2006. Operating results for Grand Casino Gulfport were presented as

discontinued operations until its sale. No gain or loss was recorded on this sale. Pursuant to the terms of the sale agreement, we were to retain all insurance proceeds related to Grand Casino Gulfport, and in first quarter 2008, \$141.1 million of insurance proceeds related to Mississippi Gulf Coast claims are reported in Discontinued operations in our Consolidated Condensed Statement of Operations.

Note 13 Insurance Proceeds Related to Hurricane-Damaged Properties

In first quarter 2008, we entered into a settlement agreement with our insurance carriers related to the remaining unsettled claims associated with damages incurred in Mississippi from Hurricane Katrina in 2005, and the final payment of \$338.1 million was received in first quarter. Insurance proceeds exceeded the net book value of the impacted assets and costs and expenses that were reimbursed under our business interruption claims, and the excess is recorded as income in the line item, Write-downs, reserves and recoveries, for properties included in continuing operations and in the line item, Income from discontinued operations, for properties included in discontinued operations. In first quarter 2008 and 2007, \$185.4 million and \$18.7 million, respectively, of insurance proceeds are included in Write-downs, reserves and recoveries and \$141.1 million and \$28.0 million, respectively, of insurance proceeds are included in Discontinued operations in our Consolidated Condensed Statements of Operations.

Note 14 Related Party Transactions

In connection with the Merger, Apollo/TPG and their affiliates entered into a services agreement with Harrah s Entertainment relating to the provision of financial and strategic advisory services and consulting services. We paid Apollo/TPG a one-time transaction fee of \$200 million for structuring the Merger and debt financing negotiations. This amount has been included in the overall purchase price of the Merger. In addition, we will pay an annual fee equal to the greater of \$30 million or 1% of the Company s EBITDA, as defined, for management services and advice.

Item 2. Management s Discussion and Analysis of Financial Condition and Results of Operations

The following discussion and analysis of the financial position and operating results of Harrah s Entertainment, Inc. (referred to in this discussion, together with its consolidated subsidiaries where appropriate, as Harrah s Entertainment, the Company, we, our and us) for first quarter 2008 and 2007, updates, and should be read in conjunction with, Management s Discussion and Analysis of Financial Condition and Results of Operations presented in our 2007 Annual Report on Form 10-K.

ACQUISITION BY PRIVATE EQUITY FIRMS

On January 28, 2008, Harrah s Entertainment was acquired by affiliates of Apollo Global Management, LLC (Apollo) and TPG Capital, LP (TPG) in an all cash transaction, hereinafter referred to as the Merger, valued at approximately \$30.7 billion, including the assumption of \$12.4 billion of debt and approximately \$1.0 billion of acquisition costs. Holders of Harrah s Entertainment stock received \$90.00 in cash for each outstanding share of common stock. As a result of the Merger, the issued and outstanding shares of non-voting common stock and non-voting preferred stock of Harrah s Entertainment are owned by entities affiliated with Apollo/TPG and certain co-investors and members of management, and the issued and outstanding shares of voting common stock of Harrah s Entertainment are owned by the Holdings LLC, which is owned by certain individuals affiliated with Apollo/TPG. As a result of the Merger, our stock is no longer publicly traded.

OPERATING RESULTS AND DEVELOPMENT PLANS

In accordance with Generally Accepted Accounting Principles, we have separated our historical financial results for the Successor period and the Predecessor period; however, we have also combined the Successor and Predecessor periods results for the three months ended March 31, 2008, in the presentations below because we believe that it enables a meaningful presentation and comparison of results.

First quarter 2008 revenues were 2.1% lower than first quarter of 2007 revenues due primarily to overall economic conditions, declines in the Las Vegas market driven by overall market weakness and fewer hotel rooms available at three of our properties in Las Vegas, the impact of a smoking ban in Illinois, and heavy rains and flooding in Indiana. Income from continuing operations was further impacted by expense incurred in connection with the Merger, primarily related to the accelerated vesting of employee stock options, stock appreciation rights (SARs), and restricted stock, higher interest expense and losses on the early extinguishments of debt, partially offset by proceeds from the settlement of insurance claims related to hurricane damage in 2005.

The executive officers of our Company review operating results, assess performance and make decisions related to the allocation of resources on a property-by-property basis. We, therefore, believe that each property is an operating segment and

that it is appropriate to aggregate and present the operations of our Company as one reportable segment. In order to provide more detail than would be possible on a consolidated basis, our properties have been grouped as follows to facilitate discussion of our operating results:

First quarter revenues and income from operations were lower than in first quarter 2007, driven by overall market weakness declines in the number of hotel rooms available at Caesars Palace due to re-modeling and at Harrah s Las Vegas and Rio due to room remediation projects.

In July 2007, we announced plans for an expansion and renovation of Caesars Palace Las Vegas, which is expected to cost approximately \$1.3 billion and will include a 650-room hotel tower, including 75 luxury suites, additional meeting space, a remodeled and expanded pool area and other renovations and improvements. As of March 31, 2008, \$112.8 million had been spent on this project. This expansion is scheduled for completion in phases in 2009 and 2010. In August 2007, Harrah s Entertainment and AEG, a leading sports and entertainment developer and operator, announced plans to enter into a 50/50 joint venture to develop a 20,000-seat arena, which is expected to commence operations in 2011. This development is subject to completion of definitive documents and other customary conditions.

Atlantic City regional revenues increased in 2008 due to the inclusion of Harrah s Chester, which opened for simulcasting and live harness racing on September 10, 2006 and for slots play on January 22, 2007, and strong results from the partial opening of the new hotel tower at Harrah s Atlantic City. The Atlantic City market continues to be affected by the opening of three slot parlors in eastern Pennsylvania and one in Yonkers, New York, and smoking restrictions in Atlantic City.

Construction continues on an upgrade and expansion of Harrah s Atlantic City, which will include a new hotel tower with approximately 960 rooms, a casino expansion and a retail and entertainment complex. A new 620-seat buffet and substantially all of a retail promenade opened on February 16, 2007. Portions of the new hotel tower opened in first quarter 2008, and we expect the hotel to continue to open in phases through mid-2008. This project is expected to cost approximately \$565 million, \$427.3 million of which had been spent as of March 31, 2008.

Combined first quarter 2008 revenues from our properties in Louisiana and Mississippi were lower than in first quarter 2007 driven by lower visitor volume at our Tunica properties, due in part to disruptions related to the renovation and re-branding of Grand Casino Tunica. First quarter 2008 and 2007 income from operations includes insurance proceeds of \$185.4 million and \$18.7 million, respectively, that are in excess of the net book value of the impacted assets and costs and expenses that were reimbursed under our business interruption claims. All proceeds from claims related to the 2005 hurricanes have now been received. Insurance proceeds are included in Write-downs, reserves and recoveries in our Consolidated Condensed Statements of Operations.

In October 2007, Grand Casino Resort in Tunica, Mississippi, announced a strategic alliance with Food Network star Paula Deen and a renovation of its facility. Paula Deen s Buffet is expected to open in May 2008. In conjunction with the renovation of Grand Casino Resort, which is expected to cost approximately \$45 million and to be completed in May 2008, the casino will be rebranded to be Harrah s Casino Tunica.

Construction began in third quarter 2007 on Margaritaville Casino & Resort in Biloxi, a resort project to be developed by Harrah s Entertainment. We license the Margaritaville name from an entity affiliated with the singer/songwriter Jimmy Buffett. The project, which is expected to cost more than \$700 million, is expected to include approximately 75,000 square feet of casino space, 250,000 square feet of retail space, a Margaritaville restaurant, 420 new hotel rooms and other amenities. Completion of the project is projected for the spring of 2010. As of March 31, 2008, \$86.2 million had been spent on this project.

Combined first quarter 2008 total revenues at our Iowa and Missouri properties were slightly lower than in last year s first quarter. Strong results in Iowa and North Kansas City helped offset the impact of a revenue decline in St. Louis, where the opening of a new facility by a competitor impacted results. Income from operations was higher than in the prior year first quarter due to cost savings and efficiencies.

Combined first quarter 2008 revenues and income from operations were lower than in first quarter 2007 due primarily to heavy rains and flooding and imposition of a smoking ban in Illinois. Caesars Indiana was closed for four days in March 2008 due to flooding in the area. We continue to accrue and pay a 3% tax that was assessed on Harrah s Joliet and three unrelated riverboats that has been declared unconstitutional by a State court. A motion has been filed asking the court to declare that the riverboats can cease making payments, and we will also ask for the return of the money that has been paid for this tax; however, given the uncertainty of the situation, we are continuing to accrue and pay this tax. As of March 31, 2008, Harrah s Joliet has paid approximately \$18.4 million for this tax since it was first assessed in July 2006.

Construction continues on the renovation and expansion of Horseshoe Hammond, which will include a two-level entertainment vessel including a 108,000 square-foot casino. The project is expected to cost approximately \$485 million, \$295.3 million of which had been spent as of March 31, 2008. The project is scheduled for completion in third quarter 2008.

First quarter 2008 revenues and income from operations from our Nevada properties outside of Las Vegas were lower than in first quarter 2007 due to weakness in the Reno and Laughlin markets, the opening of an expansion at a competing property in Reno and higher costs aimed at

attracting and retaining customers.

Managed, international and other results include income from our managed properties, results of our international properties and certain marketing and administrative expenses, including development costs, and income from our non-consolidated subsidiaries. Favorable International revenues are due to inclusion of three new properties of London Clubs International Limited (London Clubs) that opened during 2007, partially offset by the impact of a new smoking ban enacted in mid-2007. Income from operations for London Clubs was further impacted by a lower table game hold percentage, higher gaming taxes and increased regulatory restrictions imposed during 2007. As of March 31, 2008, London Clubs owns or manages ten casinos in the United Kingdom, two in Egypt and one South Africa. London Clubs also has one casino under development in the United Kingdom.

Our first quarter 2008 results from managed properties were lower than in 2007 due to the termination of our contract with the Prairie Band Potawatomi Nation on June 30, 2007, and lower operating results at our other managed casinos.

N/M= Not Meaningful

Corporate expense decreased in first quarter 2008 from the prior year due to the continued realization of cost savings and efficiencies identified in a project that began in September 2006 and is expected to continue until mid-2008.

2008 merger and integration costs include costs in connection with the Merger, including the expense related to the accelerated vesting of employee stock options, SARs and restricted stock.

Amortization of intangible assets was higher in first quarter 2008 than in the first quarter last year due to higher estimated amortization of intangible assets identified in the preliminary purchase price allocation in connection with the Merger.

Interest expense increased in first quarter 2008 from 2007 due to increased borrowings in connection with the Merger. A change in interest rates on variable-rate debt will impact our financial results. For example, assuming a constant outstanding balance for our variable-rate debt, excluding \$1.5 billion of variable-rate debt for which we have entered into interest rate swap agreements, for the next twelve months, a hypothetical 1% change in corresponding interest rates would change interest expense for the next twelve months by approximately \$122.9 million, or \$30.7 million per quarter. At March 31, 2008, our variable-rate debt, excluding \$1.5 billion of variable-rate debt for which we have entered into interest rate swap agreements, represents approximately 51% of our total debt, while our fixed-rate debt is approximately 49% of our total debt.

Losses on early extinguishments of debt represent premiums paid and the write-offs of unamortized deferred financing costs and market value premiums related to debt retired in connection with the Merger.

Other income includes higher interest income on the cash surrender value of life insurance policies in first quarter 2008. Other income in first quarter last year included a gain on the sale of corporate assets.

The effective tax benefit rates for the three months ended March 31, 2008, are lower than the federal statutory rate due primarily to non-deductible merger costs, international income taxes and state income taxes. For the three months ended March 31, 2007, the effective tax provision rate is higher than the federal statutory rate due primarily to state income taxes.

Minority interests reflect minority owners shares of income from our majority owned subsidiaries.

First quarter 2008 and 2007 Discontinued operations reflect insurance proceeds of \$87.4 million and \$18.2 million, after taxes, respectively, that are in excess of the net book value of the impacted assets and costs and expenses that were reimbursed under our business interruption claims for Grand Casino Gulfport and Harrah s Lake Charles, both of which were sold in 2006. Pursuant to the terms of the sales agreements, we retained all insurance proceeds related to Harrah s Lake Charles and Grand Casino Gulfport.

CAPITAL SPENDING AND DEVELOPMENT

In addition to the development and expansion projects discussed in the OPERATING RESULTS AND DEVELOPMENT PLANS section, we also perform on-going refurbishment and maintenance at our casino entertainment facilities to maintain our quality standards, and we continue to pursue development and acquisition opportunities for additional casino entertainment facilities that meet our strategic and return on investment criteria. Prior to the receipt of necessary regulatory approvals, the costs of pursuing development projects are expensed as incurred. Construction-related costs incurred after the receipt of necessary approvals are capitalized and depreciated over the estimated useful life of the resulting asset. Project opening costs are expensed as incurred.

Our planned development projects, if they go forward, will require, individually and in the aggregate, significant capital commitments and, if completed, may result in significant additional revenues. The commitment of capital, the timing of completion and the commencement of operations of casino entertainment development projects are contingent upon, among other things, negotiation of final agreements and receipt of approvals from the appropriate political and regulatory bodies. Cash needed to finance projects currently under development as well as additional projects pursued is expected to be made available from operating cash flows, established debt programs (see DEBT AND LIQUIDITY), joint venture partners, specific project financing, guarantees of third-party debt and additional debt offerings. Our capital spending for the first three months of 2008 totaled approximately \$352.9 million. Estimated total capital expenditures for 2008 are expected to be between \$1.8 billion and \$2.0 billion.

DEBT AND LIQUIDITY

We generate substantial cash flows from operating activities, as reflected on the Consolidated Condensed Statements of Cash Flows. These cash flows reflect the impact on our consolidated operations of the success of our marketing programs, our strategic acquisitions and on-going cost containment focus. For the first three months of 2008 and 2007, we reported cash flows from operating activities of \$489.7 million and \$335.4 million, respectively.

We use the cash flows generated by the Company to fund reinvestment in existing properties for both refurbishment and expansion projects, pursue additional growth opportunities via strategic acquisitions of existing companies or properties and new development opportunities and to fund debt services. When necessary, we supplement the cash flows generated by our operations with funds provided by financing activities.

Our cash and cash equivalents totaled approximately \$1.4 billion at March 31, 2008, compared to \$745.5 million at March 31, 2007.

We believe that our cash and cash equivalents balance, our cash flows from operations and the financing sources discussed herein, will be sufficient to meet our normal operating requirements during the next twelve months and to fund

additional investments. In addition, we may consider issuing additional debt in the future to fund potential acquisitions or growth, to refinance existing debt or to finance specific capital projects. We continue to review additional opportunities to acquire or invest in companies, properties and other investments that meet our strategic and return on investment criteria. If a material acquisition or investment is completed, our operating results and financial condition could change significantly in future periods. In connection with the Merger, we incurred substantial additional debt, which will significantly change our financial position.

A substantial portion of the financing of the Merger is comprised of bank and bond financing obtained by Harrah s Operating Company, Inc. (HOC), a wholly-owned subsidiary of Harrah s Entertainment. This financing is neither secured nor guaranteed by Harrah s Entertainment s other wholly-owned subsidiaries, including certain subsidiaries that own properties that are secured under \$6.5 billion of commercial mortgage-backed securities. Pro forma information pertaining solely to the consolidated financial position and results of HOC and its subsidiaries can be found in Exhibit 99 of this Form 10-Q.

In connection with the Merger, \$7.7 billion, face amount, of our debt was retired, \$4.6 billion, face amount, of our debt was retained and \$20.5 billion, face amount, of new debt was issued, resulting in a very different debt structure for the Successor company. The discussion that follows is intended to update the information provided in our 2007 Annual Report on Form 10-K, which provides details related to the debt structure as of December 31, 2007, and subsequent to the Merger.

At March 31, 2008, \$5.7 million, face amount, of our 8.875% Senior Subordinated Notes due September 15, 2008 and \$5.1 million, face amount, of our 7.5% Senior Notes due January 15, 2009, are classified as long-term in our Consolidated Condensed Balance Sheet because the Company has both the intent and the ability to refinance these notes. The majority of our debt is due after 2010. Payments of short-term debt obligations and other commitments are expected to be made from operating cash flows and from borrowings under our established debt programs. Long-term obligations are expected to be paid through operating cash flows, refinancing of debt, joint venture partners or, if necessary, additional debt offerings.

Credit Agreement

As of March 31, 2008, our senior secured credit facilities (the Credit Facilities) provide for senior secured financing of up to \$9.25 billion, consisting of (i) senior secured term loan facilities in an aggregate principal amount of up to \$7.25 billion maturing on January 28, 2015 and (ii) a senior secured revolving credit facility in an aggregate principal amount of \$2.0 billion, maturing January 28, 2014, including both a letter of credit sub-facility and a swingline loan sub-facility. Interest on the Credit Agreement is based on our debt ratings and leverage ratio and is subject to change. In addition, we may request one or more incremental term loan facilities and/or increase commitments under our revolving facility in an aggregate amount of up to \$1.75 billion, subject to certain conditions and receipt of commitments by existing or additional financial institutions or institutional lenders. As of March 31, 2008, \$7.25 billion in borrowings was outstanding under the Credit Facilities with an additional \$0.2 billion committed to back letters of credit. After consideration of these borrowings and letters of credit, \$1.8 billion of additional borrowing capacity was available to the Company under the Credit Facilities as of March 31, 2008.

Borrowings under the Credit Facilities bear interest at a rate equal to the then-current LIBOR rate or at a rate equal to the alternate base rate, in each case plus an applicable margin. In addition, on a quarterly basis, we are required to pay each lender (i) a commitment fee in respect of any unused commitments under the revolving credit facility and the delayed draw portion of the term facility and (ii) a letter of credit fee in respect of the aggregate face amount of outstand letters of credit under the revolving credit facility. As of March 31, 2008, the Credit Facilities bore interest based upon 300 basis points over LIBOR and bore a commitment fee for unborrowed amounts of 50 basis points.

The Credit Facilities require scheduled quarterly payments on the term loans in amounts equal to 0.25% of the original principal amount of the term loans for six years and three quarters, with the balance paid at maturity.

Derivative Instruments

We account for derivative instruments in accordance with SFAS No. 133, Accounting for Derivative Instruments and Hedging Activities, and all amendments thereto. SFAS No. 133 requires that all derivative instruments be recognized in the financial statements at fair value. Any changes in fair value are recorded in the statements of operations or in other comprehensive income/(loss), depending on whether the derivative is designated and qualifies for hedge accounting, the type of hedge transaction and the effectiveness of the hedge. The estimated fair values of our derivative instruments are based on market prices obtained from dealer quotes. Such quotes represent the estimated amounts we would receive or pay to terminate the contracts.

Our derivative instruments contain a credit risk that the counterparties may be unable to meet the terms of the agreements. We minimize that risk by evaluating the creditworthiness of our counterparties, which are limited to major banks and financial institutions, and we do not anticipate nonperformance by the counterparties.

We use interest rate swaps to manage the mix of our debt between fixed and variable rate instruments. As of March 31, 2008, we have ten interest rate swap agreements for notional amounts totaling \$6.5 billion, \$5.0 billion of which became effective after March 31, 2008. The difference to be paid or received under the terms of the interest rate swap agreement is accrued as interest rates change and recognized as an adjustment to interest expense for the related debt. Changes in the variable interest rates to be paid or received pursuant to the terms of the interest rate swap agreement will have a corresponding effect on future cash flows. The major terms of the interest rate swap agreements are as follows.

Effective Date	Notional Amount (In millions)	Fixed Rate Paid	Variable Rate Received as of March 31, 2008	Next Reset Date	Maturity Date
April 25, 2007	\$ 200	4.898%	3.33125%	April 25, 2008	April 25, 2011
April 25, 2007	200	4.896%	3.33125%	April 25, 2008	April 25, 2011
April 25, 2007	200	4.925%	3.33125%	April 25, 2008	April 25, 2011
April 25, 2007	200	4.917%	3.33125%	April 25, 2008	April 25, 2011
April 25, 2007	200	4.907%	3.33125%	April 25, 2008	April 25, 2011
September 26, 2007	250	4.809%	3.33125%	April 25, 2008	April 25, 2011
September 26, 2007	250	4.775%	3.33125%	April 25, 2008	April 25, 2011
April 25, 2008	1,000	4.172%	3 month LIBOR	April 25, 2008	April 25, 2012
April 25, 2008	2,000	4.276%	3 month LIBOR	April 25, 2008	April 25, 2013
April 25, 2008	2,000	4.263%	3 month LIBOR	April 25, 2008	April 25, 2013

Until February 15, 2008, our interest rate swap agreements were not designated as hedging instruments; therefore, gains or losses resulting from changes in the fair value of the swaps were recognized in earnings in the period of the change. On February 15, 2008, eight of our interest rate swap agreements for notional amounts totaling \$3.5 billion were designated as hedging instruments; therefore, only any measured ineffectiveness will be recognized in earnings in the period of change. Interest rate swaps increased our first quarter 2008 and 2007 interest expense by \$145.5 million and \$1.1 million, respectively.

Additionally, on January 28, 2008, we entered into an interest rate cap agreement to partially hedge the risk of future increases in the variable rate of the CMBS debt. The interest rate cap agreement, which was effective January 28, 2008, and terminates February 13, 2013, is for a notional amount of \$6.5 billion at a LIBOR cap rate of 4.5%.

Guarantees of Third-Party Debt and Other Obligations and Commitments

The tables below summarize total material additions to or changes in our contractual obligations and other commitments, which were disclosed in Management s Discussion and Analysis of Financial Condition and Results of Operations presented in our 2007 Annual Report on Form 10-K.

	Increase/	
Contractual Obligations ^(a) (In millions)	(Decrease)	Total
Debt, including capital lease obligations	\$ 12,795.0	\$ 25,158.1
Estimated interest payments ^(b)	10,698.4	13,142.6
Operating lease obligations	(418.0)	2,029.3

Guaranteed payments to State of Louisiana	45.1	179.9
Construction commitments	(127.1)	1,162.5
Community reinvestment	(1.3)	129.2
Entertainment obligations	(14.1)	118.7
Other contractual obligations	(29.6)	70.6

^(a) In addition to the contractual obligations disclosed in this table, we have unrecognized tax benefits that, based on uncertainties associated with the items, we are unable to make reasonably reliable estimates of the period of potential cash settlements, if any, with taxing authorities.

^(b) Estimated interest for variable rate debt is based on rates at March 31, 2008

Other Commitments (In millions)	Increase/ (Decrease)	Total
Guarantees of loans	\$ (170.6)	\$
Letters of credit	(10.7)	182.5
Minimum payments to tribes	(3.4)	51.9

The agreements pursuant to which we manage casinos on Indian lands contain provisions required by law that provide that a minimum monthly payment be made to the tribe. That obligation has priority over scheduled repayments of borrowings for development costs and over the management fee earned and paid to the manager. In the event that insufficient cash flow is generated by the operations to fund this payment, we must pay the shortfall to the tribe. Subject to certain limitations as to time, such advances, if any, would be repaid to us in future periods in which operations generate cash flow in excess of the required minimum payment. These commitments will terminate upon the occurrence of certain defined events, including termination of the management contract. Our aggregate monthly commitment for the minimum guaranteed payments, pursuant to these contracts for the three managed Indian-owned facilities now open, which extend for periods of up to 68 months from March 31, 2008, is \$1.2 million. Each of these casinos currently generates sufficient cash flows to cover all of its obligations, including its debt service.

Competitive Pressures

Many casino operators are reinvesting in existing markets in an effort to attract new customers, thereby increasing competition in those markets. As companies have completed expansion projects, supply has sometimes grown at a faster pace than demand in certain markets and competition has increased significantly. Furthermore, several operators, including Harrah s Entertainment, have announced plans for additional developments or expansions in some markets.

Several states and Indian tribes are considering legislation enabling the development and operation of casinos or casino-like businesses in their jurisdictions.

Although, historically, the short-term effect of such competitive developments on our Company generally has been negative, we are not able to determine the long-term impact, whether favorable or unfavorable, that development and expansion trends and events will have on current or future markets. We believe that the geographic diversity of our operations; our focus on multi-market customer relationships; our service training, our rewards and customer loyalty programs; and our continuing efforts to establish our brands as premier brands upon which we have built strong customer loyalty have well-positioned us to face the challenges present within our industry. We utilize the unique capabilities of WINet, a sophisticated nationwide customer database, and Total Rewards, a nationwide loyalty program that allows our customers to earn cash, comps and other benefits for playing at our casinos. We believe these sophisticated marketing tools provide us with competitive advantages, particularly with players who visit more than one market.

SIGNIFICANT ACCOUNTING POLICIES AND ESTIMATES

We prepare our Consolidated Condensed Financial Statements in conformity with accounting principles generally accepted in the United States. Certain of our accounting policies, including the estimated lives assigned to our assets, the determination of bad debt, asset impairment, fair value of guarantees and self-insurance reserves, the purchase price allocations made in connection with our acquisitions/merger and the calculation of our income tax liabilities, require that we apply significant judgment in defining the appropriate assumptions for calculating financial estimates. By their nature, these judgments are subject to an inherent degree of uncertainty. Our judgments are based on our historical experience, terms of existing contracts, observance of trends in the industry, information provided by our customers and information available from other outside sources, as appropriate. There can be no assurance that actual results will not differ from our estimates. For a discussion of our significant accounting policies and estimates, please refer to Management s Discussion and Analysis of Financial Condition and Results of Operations and Notes to Consolidated Financial Statements presented in our 2007 Annual Report on Form 10-K. Except for estimates related to the fair values and lives assigned to assets in connection with the Merger, there were no newly identified significant accounting estimates in first quarter 2008, nor were there any material changes to the critical accounting policies and estimates discussed in our 2007 Annual Report.

RECENTLY ISSUED ACCOUNTING STANDARDS

The following are accounting standards adopted or issued in the first quarter of 2008 that could have an impact to our Company.

In September 2006, the FASB issued Statement of Financial Accounting Standards (SFAS) No. 157, Fair Value Measurements, which defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements. SFAS No. 157 applies under other accounting pronouncements that require or permit fair value measurements, but it does not require any new fair value measurements. The provisions of SFAS No. 157 were to be effective for fiscal years beginning after November 15, 2007, and interim periods within those fiscal years. In February 2008, the FASB issued Staff Position Financial Accounting Standard (FSP) No. 157-2, Effective Date of FASB Statement No. 157 . FSP No. 157-2 defers the effective date of Statement No. 157 to fiscal years beginning after November 15, 2008, and interim periods within those fiscal years for nonfinancial assets and nonfinancial liabilities, except for items that are recognized or disclosed at fair value in an entity s financial statements on a recurring basis (at least annually). Also in February 2008, the FASB issued FSP No. 157-1, Application of FASB Statement No. 157 to FASB Statement No. 13 and Other Accounting Pronouncements That Address Fair Value Measurements for Purposes of Lease Classification or Measurement Under Statement 13. FSP No. 157-1 excludes FASB Statement No. 13, Accounting for Leases and other accounting pronouncements that address fair value measurements for purposes of lease classification or measurement under Statement 13. We adopted the required provisions of SFAS 157 on January 1, 2008. The required provisions did not have a material impact on our financial statements.

In February 2007, the FASB issued SFAS No. 159, The Fair Value Option for Financial Assets and Financial Liabilities-including an amendment of SFAS No. 115, which permits an entity to measure certain financial assets and financial liabilities at fair value. Entities that elect the fair value option will report unrealized gains and losses in earnings at each subsequent reporting date. SFAS No. 159 was effective as of January 1, 2008. At this time, we do not expect to adopt the fair value option for assets and liabilities; however, future events and circumstances may impact that decision.

In December 2007, the FASB issued SFAS No. 141 (Revised 2007), Business Combinations. SFAS No. 141(R) will significantly change the accounting for business combinations. Under SFAS No. 141(R), an acquiring entity will be required to recognize all the assets acquired and liabilities assumed in a transaction at the acquisition-date fair value with limited exceptions. SFAS No. 141(R) will change the accounting treatment for certain specific items, including:

Acquisition costs will be generally expensed as incurred;

Assets that an acquirer does not intend to use will be recorded at fair value reflecting the assets highest and best use.

Noncontrolling interests (formerly known as minority interests see Statement 160 discussion below) will be valued at fair value at the acquisition date;

Acquired contingent liabilities will be recorded at fair value at the acquisition date and subsequently measured at either the higher of such amount or the amount determined under existing guidance for non-acquired contingencies;

In-process research and development will be recorded at fair value as an indefinite-lived intangible asset at the acquisition date;

Restructuring costs associated with a business combination will be generally expensed subsequent to the acquisition date; and

Changes in deferred tax asset valuation allowances and income tax uncertainties after the acquisition date generally will affect income tax expense.

SFAS No. 141(R) also includes a substantial number of new disclosure requirements. SFAS No. 141(R) applies prospectively to business combinations for which the acquisition date is on or after the beginning of the first annual reporting period beginning on or after December 15, 2008. Earlier adoption is prohibited. We are currently evaluating the impact of this statement on our financial statements.

In December 2007, the FASB also issued SFAS No. 160, Noncontrolling Interests In Consolidated Financial Statements An Amendment of Accounting Research Bulletin No. 51, the provisions of which are effective for periods beginning after December 15, 2008. This statement requires an entity to classify noncontrolling interests in subsidiaries as a separate component of equity. Additionally, transactions between an entity and noncontrolling interests are required to be treated as equity transactions. We are currently evaluating the impact of this statement on

our financial statements.

In March 2008, the FASB issued SFAS No. 161, Disclosures about Derivative Instruments and Hedging Activities an amendment of FASB Statement No. 133 . SFAS No. 161 requires enhanced disclosures about an entity s derivative and hedging activities. It requires disclosures that allow financial statement users to understand (a) how and why an entity uses derivative instruments, (b) how derivative instruments and related hedged items are accounted for under the Statement No. 133 and its related interpretations, and (c) how derivative instruments and related hedged items affect an entity s financial

position, financial performance, and cash flows. This Statement is effective for financial statements issued for fiscal years and interim periods beginning after November 15, 2008. Because SFAS No. 161 applies only to financial statement disclosures, it will not have a material impact on our consolidated financial position, results of operations and cash flows.

Item 3. Quantitative and Qualitative Disclosure About Market Risk

Market risk is the risk of loss arising from adverse changes in market rates and prices, such as interest rates, foreign currency exchange rates and commodity prices. Our primary exposure to market risk is interest rate risk associated with our debt. We attempt to limit our exposure to interest rate risk by managing the mix of our debt between fixed-rate and variable-rate obligations. Of our approximate \$23.9 billion total debt at March 31, 2008, \$12.3 billion, excluding \$1.5 billion of variable-rate debt for which we have entered into interest rate swap agreements, is subject to variable interest rates. We have hedging arrangements with respect to LIBOR borrowings for a notional amount of \$1.5 billion, all of which fix the floating rates of interest to fixed rates. In addition to the swap agreements, we entered into an interest rate cap agreement for a notional amount of \$6.5 billion at a LIBOR cap rate of 4.5%. Assuming a constant outstanding balance for our variable rate debt for the next twelve months, a hypothetical 1% change in interest rates would change interest expense for the next twelve months by approximately \$122.9 billion.

We use interest rate swaps to manage the mix of our debt between fixed and variable rate instruments. We have also utilized treasury rate locks to hedge the risk of future treasury rate increases for certain forecasted debt issuances, but we do not currently have any treasury rate lock agreements. We do not purchase or hold any derivative financial instruments for trading purposes.

Foreign currency translation gains and losses were not material to our results of operations for first quarter 2008. Our only material ownership interest in businesses in foreign countries is London Clubs and an approximate 95% ownership of a casino in Uruguay. Therefore, we have not been subject to material foreign currency exchange rate risk from the effects that exchange rate movements of foreign currencies would have on our future operating results or cash flows. With our acquisition of London Clubs in late 2006 and development opportunities that we are pursuing in international markets, we could become subject to material foreign currency exchange rate risk in the future.

From time to time, we hold investments in various available-for-sale equity securities; however, our exposure to price risk arising from the ownership of these investments is not material to our consolidated financial position, results of operations or cash flows.

Item 4. Controls and Procedures

Our principal executive officer and principal financial officer have evaluated the effectiveness of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended (the Exchange Act)), as of March 31, 2008. Based on such evaluation, they have concluded that as of such date, our disclosure controls and procedures are effective and designed to ensure that information required to be disclosed by us in reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in applicable SEC rules and forms, and that such information is accumulated and communicated to management, including our principal executive officer and principal financial officer, to allow timely decisions regarding required disclosure.

There has been no change in our internal control over financial reporting during our most recent fiscal quarter that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

Item 4T. Controls and Procedures

Not applicable.

PART II OTHER INFORMATION

Item 1. Legal Proceedings.

Certain of our legal proceedings are reported in our Annual Report on Form 10-K for the year ended December 31, 2007, with material developments since that report described below.

Litigation Related to the Merger

Delaware Lawsuits.

On October 5, 2006, Henoch Kaiman and Joseph Weiss filed a purported class action complaint in the Delaware Court of Chancery, Civil Action No. 2453-N, against Harrah s, its board of directors and the Sponsors, challenging the proposed transaction as inadequate and unfair to Harrah s public stockholders. Two similar putative class actions were subsequently filed in the Delaware Court of Chancery: Phillips v. Loveman, et al., Civil Action No. 2456-N; and Momentum Partners v. Atwood, et al., Civil Action No. 2455-N. On October 19, 2006, the Delaware Court of Chancery consolidated the three Delaware cases under the heading In Re Harrah s Entertainment, Inc. Shareholder Litigation.

On December 22, 2006, Delaware plaintiffs counsel filed an amended and consolidated class action complaint against Harrah s, its directors, the Sponsors, and added as defendants Apollo Management V, L.P., Hamlet Holdings and Merger Sub. The consolidated complaint alleges that Harrah s board of directors breached their fiduciary duties and that the Sponsors aided and abetted the alleged breaches of fiduciary duty in entering into the merger agreement. The consolidated complaint seeks, among other relief, class certification of the lawsuit, an injunction against the proposed transaction, compensatory and/or rescissory damages to the class, and an award of attorneys fees and expenses to plaintiffs. On February 14, 2007, defendants began to produce documents in response to plaintiff s initial discovery request. See Settlement Procedures below for an update.

Initial Nevada Lawsuits.

On October 3, 2006, Natalie Gordon filed a putative class action lawsuit in the state district court in Clark County, Nevada, Case No. A529183, against Harrah s, its board of directors and the Sponsors, challenging the proposed transaction as inadequate and unfair to Harrah s public stockholders. Eight similar putative class actions were subsequently filed in the Clark County district court: Phillips v. Harrah s Entertainment, Inc., et al., Case No. A529184; Murphy v. Harrah s Entertainment, Inc., et al., Case No. A529246; Shapiro v. Alexander, et al., Case No. A529247; Barnum v. Alexander, et al., Case No. A529277; Iron Workers Tennessee Valley Pension Fund v. Harrah s Entertainment, Inc., et al., Case No. A529449; Staehr v. Harrah s Entertainment, Inc., et al., Case No. A529385; Berliner v. Harrah s Entertainment, Inc., et al., Case No. A529508; and Frechter v. Harrah s Entertainment, Inc., et al., Case No. A529680. All of the complaints name Harrah s and its current directors as defendants. Four of the complaints also name the Sponsors as defendants. One complaint further names two former directors of Harrah s, Joe M. Henson and William Barron Hilton, as defendants. On October 6, 2006, the Clark County district court consolidated these complaints under the heading In Re Harrah s Shareholder Litigation and appointed liaison counsel for the consolidated action.

On October 17, 2006, a consolidated class action complaint was filed naming Harrah s, its current board of directors and the Sponsors as defendants. The consolidated complaint alleges that Harrah s Entertainment s board of directors breached their fiduciary duties and the Sponsors aided and abetted the alleged breaches of fiduciary duty in connection with the proposed transaction. The consolidated complaint seeks, among other relief, class certification of the lawsuit, an injunction against the proposed transaction, declaratory relief, compensatory and/or rescissory damages to the class, and an award of attorneys fees and expenses to plaintiffs.

On October 25, 2006, Harrah s removed the consolidated action to the United States District Court for the District of Nevada as In Re Harrah s Shareholder Litigation, Case 2:06-CV-01356, pursuant to the Securities Litigation Uniform Standards Act (SLUSA). On November 27, 2006, plaintiffs Gordon, Phillips, Murphy, Shapiro and Barnum filed a motion for remand. Also on that date, plaintiff Iron Workers Tennessee Valley Pension Fund filed a separate motion for remand. On December 5, 2006, plaintiff Frechter joined Iron Workers motion for remand. On January 5, 2007, the plaintiff in Iron Workers filed notice of its intention to voluntarily dismiss its action. On that same date, plaintiffs Gordon, Phillips, Murphy, Shapiro and Barnum filed a notice of withdrawal of their motion for remand. The court approved these notices on January 9, 2007. On January 23, 2007, defendants moved to dismiss the remaining actions pursuant to SLUSA. On February 5, 2007, plaintiffs Gordon, Phillips, Murphy, Shapiro and Barnum filed a First Amended Consolidated Class Action Complaint,

adding a claim that the December 2006 14A filings by Harrah s with the SEC in connection with the merger were false and misleading. Accordingly, eight consolidated cases currently remain in the United States District Court for the District of Nevada. On February 12, 2007, the court denied the Frechter motion for remand under the SLUSA. On February 23, 2007, the defendants filed a reply brief renewing their request that the court dismiss the actions in their entirety. See Settlement Procedures below for an update.

Subsequent Nevada Lawsuits.

On November 22, 2006, two putative class action lawsuits were filed in the state district court in Clark County, Nevada against Harrah s and its board of directors: Eisenstein v. Harrah s Entertainment, Inc., et al., Case No. A531963; and NECA-IBEW Pension Fund v. Harrah s Entertainment, Inc., et al., Case No. A531965. Both complaints allege that Harrah s board of directors breached their fiduciary duties in connection with the proposed transaction. The complaints seek, among other things, declaratory and injunctive relief; neither of them seeks damages.

On January 3, 2007, plaintiffs in both actions filed a joint Motion to Designate Litigation as Complex, Consolidate Cases, and for Appointment of Lead Counsel. A hearing on plaintiffs motion, which had been scheduled for January 30, 2007, was vacated pursuant to a stipulation between the parties, dated January 25, 2007.

On January 26, 2007, in accordance with the parties January 25, 2007 stipulation, the Clark County district court ordered the consolidation of the Eisenstein and NECA-IBEW Pension Fund complaints and appointed lead and liaison counsel. See Settlement Procedures below for an update.

Settlement Procedures.

On March 8, 2007, Harrah s, its board of directors, and the other named defendants in the Delaware and Nevada Lawsuits above entered into a memorandum of understanding with plaintiffs counsel in those lawsuits. Under the terms of the memorandum, Harrah s, its board of directors, the other named defendants, and the plaintiffs agreed that the Initial Nevada Lawsuits and the Delaware Lawsuit will be dismissed without prejudice and, subject to court approval, the Subsequent Nevada Lawsuits would be dismissed with prejudice. The parties subsequently entered into a stipulation of settlement (Stipulation) incorporating the terms of the memorandum of understanding.

On May 30, 2007, the federal district court in Nevada entered an order granting defendants Motion to Dismiss. Judgment was entered dismissing the Initial Nevada Lawsuits without prejudice on June 26, 2007.

Harrah s, its board of directors, and the other defendants deny all of the allegations in the lawsuits. Nevertheless, the defendants agreed to settle the purported class action litigations in order to avoid costly litigation and mitigate the risk that the litigation may have caused a delay to the closing of the Merger. Pursuant to the terms of the Stipulation, Harrah s agreed to provide certain additional information to stockholders that was included in its definitive proxy statement dated March 8, 2007. In addition, Harrah s or its successor has agreed to pay the legal fees and expenses of plaintiffs counsel, up to a certain limit and subject to approval by the court, and the costs of providing notice to the class. Class members have the right to opt out of the proposed settlement; however, Defendants have the right to terminate the proposed settlement if the holders of more than a designated amount of shares elect to opt out. The entry of a final judgment and the grant of a release against Harrah s, its board of directors and the other named defendants will not affect the rights of any stockholders who timely and validly request exclusion from the settlement class pursuant to applicable law.

On February 4, 2008, the Stipulation was submitted to the district court in Nevada, where it was approved and an order was entered for notice and a hearing in this matter. On April 21, 2008, a settlement hearing was held requesting final approval of the settlement. On April 29, 2008, the court entered an Order and Final Judgment approving the settlement, dismissing the action, and granting plaintiffs request for fees. With the settlement having been approved by the Nevada district court, the Company intends to seek the dismissal, without prejudice, of the Delaware Lawsuit.

Additional details of the settlement are set forth in a separate notice that has been sent to potential class members prior to the court hearing to consider the settlement, including any award of attorneys fees.

Litigation Related to Development

On March 6, 2008, Caesars Bahamas Investment Corporation (CBIC), an indirect subsidiary of Harrah's Operating Company, Inc. (HOC) terminated its previously announced agreement to enter into a joint venture in the Bahamas with Baha Mar Joint Venture Holdings Ltd. and Baha Mar JV Holding Ltd. (collectively, Baha Mar). To enforce its rights, on March 13, 2008, CBIC filed a complaint against Baha Mar, and the Baha Mar Development Company Ltd., in the Supreme Court of the State of New York, seeking a declaratory judgment with respect to CBIC's rights under the Subscription and Contribution Agreement (the Subscription Agreement), between CBIC and Baha Mar, dated January 12, 2007. Pursuant to the Subscription Agreement, CBIC agreed, subject to certain conditions, to subscribe for shares in Baha Mar Joint Venture Holdings Ltd., which was formed to develop and construct a casino, golf course and resort project in the Bahamas. The complaint alleges that (i) the Subscription Agreement grants CBIC the right to terminate the agreement at any time prior to the closing of the transactions contemplated therein, if the closing does not occur on time; (ii) the closing did not occur on time; and, (iii) CBIC exercised its right to terminate the Subscription Agreement, and to abandon the transactions contemplated therein. The complaint seeks a declaratory judgment that the Subscription Agreement has been terminated in accordance with its terms and the transactions contemplated therein have been abandoned.

On April 9, 2008, Baha Mar and the Baha Mar Development Company Ltd. filed Counterclaims against CBIC and a Third Party Complaint against HOC in the Supreme Court of the State of New York. Baha Mar and the Baha Mar Development Company Ltd. allege that CBIC wrongfully terminated the Subscription Agreement and that CBIC wrongfully failed to make capital contributions under the Joint Venture Investors Agreement (Investors Agreement), by and between CBIC and Baha Mar, dated January 12, 2007. In addition, Baha Mar and the Baha Mar Development Company Ltd. allege that HOC wrongfully failed to perform its purported obligations under the Harrah s Baha Mar Joint Venture Guaranty, dated January 12, 2007 (Guaranty). Baha Mar and the Baha Mar Development Company Ltd. assert claims for breach of contract, breach of fiduciary duty, promissory estoppel, equitable estoppel and negligent misrepresentation. Baha Mar and the Baha Mar Development Company Ltd. seek (i) declaratory relief; (ii) specific performance; (iii) the recovery of alleged monetary damages; (iv) the recovery of alleged attorneys fees, costs, and expenses and (v) the dismissal with prejudice of CBIC s Complaint against Baha Mar and Baha Mar Development Company Ltd., seeking declaratory relief and filed in the Supreme Court of the State of New York on March 13, 2008.

In addition, the Company is party to ordinary and routine litigation incidental to our business. We do not expect the outcome of any pending litigation to have a material adverse effect on our consolidated financial position or results of operations.
