ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD MAY 26, 2010

PROXY STATEMENT

The Board of Directors of Ruth s Hospitality Group, Inc. (the Company or Ruth s) is soliciting proxies from its stockholders to be used at the annual meeting of stockholders to be held on Wednesday, May 26, 2010, beginning at 1:00 P.M., at Ruth s Chris Steak House, 80 Colonial Center Parkway, Lake Mary, Florida 32746, and at any postponements or adjournments thereof. This proxy statement contains information related to the annual meeting. This proxy statement, accompanying form of proxy and the Company s annual report are first being sent or made available to stockholders on or about April 12, 2010.

ABOUT THE ANNUAL MEETING

Why did I receive these materials?

Our Board of Directors is soliciting proxies for the 2010 annual meeting of stockholders. You are receiving a proxy statement because you owned shares of our common stock or Series A Preferred Stock on March 31, 2010 and that entitles you to vote at the meeting. By use of a proxy, you can vote whether or not you attend the meeting. This proxy statement describes the matters on which we would like you to vote and provides information on those matters so that you can make an informed decision.

What information is contained in this proxy statement?

The information in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, our Board and Board committees, the compensation of directors and executive officers and other information that the Securities and Exchange Commission requires us to provide annually to our stockholders.

If I previously signed up to receive stockholder materials, including proxy statements and annual reports, by mail and wish to access these materials via the Internet or via electronic delivery in the future, what should I do?

If you have previously signed up to receive stockholder materials, including proxy statements and annual reports, by mail, you may choose to receive these materials by accessing the Internet or via electronic delivery in the future, which can help us achieve a substantial reduction in our printing and mailing costs. If you choose to receive your proxy materials by accessing the Internet, then before next year s annual meeting, you will receive a Notice of Internet Availability of Proxy Materials when the proxy materials and annual report are available over the Internet. If you choose instead to receive your proxy materials via electronic delivery, you will receive an email containing the proxy materials.

If your shares are registered in your own name (instead of through a broker or other nominee), sign up to receive proxy materials in the future by accessing the Internet or via electronic delivery by visiting the following website: www.proxyvote.com.

Table of Contents

Your election to receive your proxy materials by accessing the Internet or by electronic delivery will remain in effect for all future stockholder meetings unless you revoke it before the meeting by following the instructions on the Notice of Internet Availability of Proxy Materials or by calling or sending a written request addressed to:

Ruth s Hospitality Group, Inc.

Attn: Robert M. Vincent

400 International Parkway, Suite 325

Heathrow, Florida 32746

(407) 333-7440

If you hold your shares in an account at a brokerage firm or bank participating in a street name program, you can sign up for electronic delivery of proxy materials in the future by contacting your broker.

How can I obtain paper copies of the proxy materials, 10-K and other financial information?

Stockholders can access the 2010 proxy statement, Form 10-K and our other filings with the SEC as well as our corporate governance and other related information on the Investor Relations page of our website at www.rhgi.com.

If you elected to receive our stockholder materials via the Internet or via electronic delivery, you may request paper copies by written request addressed to:

Ruth s Hospitality Group, Inc.

Attn: Robert M. Vincent

400 International Parkway, Suite 325

Heathrow, Florida 32746

(407) 333-7440

We will also furnish any exhibit to the 2009 Form 10-K if specifically requested.

Who is entitled to vote at the meeting?

Holders of common stock and Series A Preferred Stock, as of the close of business on the record date, March 31, 2010, will receive notice of, and be eligible to vote at, the annual meeting and at any adjournment or postponement of the annual meeting. At the close of business on the record date, we had outstanding and entitled to vote 34,316,891 shares of common stock and 25,000 shares of Series A Preferred Stock (which, on an as-converted basis, are entitled to an aggregate of 8,620,690 votes).

How many votes do I have?

Each outstanding share of our common stock you owned as of the record date will be entitled to one vote for each matter considered at the meeting. Each outstanding share of Series A Preferred Stock is entitled to approximately 344.83 votes (one vote per share of common stock issuable upon the conversion of the Series A Preferred Stock). Our common stockholders and Series A Preferred stockholders vote together as a single class on each matter presented at the annual meeting, except for those matters on which the Series A Preferred stockholders are entitled to vote as a separate class. There is no cumulative voting.

Who can attend the meeting?

Edgar Filing: Ruths Hospitality Group, Inc. - Form DEF 14A

Only persons with evidence of stock ownership as of the record date or who are invited guests of the Company may attend and be admitted to the annual meeting of the stockholders. Stockholders with evidence of

Table of Contents

stock ownership as of the record date may be accompanied by one guest. Photo identification will be required (a valid driver's license, state identification or passport). If a stockholder's shares are registered in the name of a broker, trust, bank or other nominee, the stockholder must bring a proxy or a letter from that broker, trust, bank or other nominee or their most recent brokerage account statement that confirms that the stockholder was a beneficial owner of shares of stock of the Company as of the record date. Since seating is limited, admission to the meeting will be on a first-come, first-served basis. Registration will begin at 12:00 noon, and seating will begin at 12:30 P.M.

Cameras (including cell phones with photographic capabilities), recording devices and other electronic devices will not be permitted at the meeting.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the aggregate voting power of the common stock outstanding on the record date (including shares of our Series A Preferred Stock on an as-converted basis to common stock) will constitute a quorum, permitting the conduct of business at the meeting.

Proxies received but marked as abstentions and broker non-votes, if any, will be included in the calculation of the number of votes considered to be present at the meeting for the purposes of a quorum.

How do I vote?

If you are a holder of record (that is, your shares are registered in your own name with our transfer agent), you can vote either in person at the annual meeting or by proxy without attending the annual meeting. We urge you to vote by proxy even if you plan to attend the annual meeting so that we will know as soon as possible that enough votes will be present for us to hold the meeting. If you attend the meeting in person, you may vote at the meeting and your proxy will not be counted. You can vote by proxy by any of the following methods.

Voting by Telephone or Through the Internet. If you are a registered stockholder (that is, if you own shares in your own name and not through a broker, bank or other nominee that holds shares for your account in a street name capacity), you may vote by proxy by using either the telephone or Internet methods of voting. Proxies submitted by telephone or through the Internet must be received by May 25, 2010. Please see the Notice of Internet Availability or proxy card for instructions on how to access the telephone and Internet voting systems.

Voting by Proxy Card. Each stockholder electing to receive stockholder materials by mail may vote by proxy by using the accompanying proxy card. When you return a proxy card that is properly signed and completed, the shares represented by your proxy will be voted as you specify on the proxy card.

If you hold your shares in street name, you must either direct the bank, broker or other record holder of your shares as to how to vote your shares, or obtain a proxy from the bank, broker or other record holder to vote at the meeting. Please refer to the voter instruction cards used by your bank, broker or other record holder for specific instructions on methods of voting, including by telephone or using the Internet.

Your shares will be voted as you indicate. If you return the proxy card but you do not indicate your voting preferences, then your shares will not be voted with respect to the election of directors, but the individuals named on the proxy card will vote your shares FOR the ratification of our auditors. The Board and management do not intend to present any matters at this time at the annual meeting other than those outlined in the notice of the annual meeting. Should any other matter requiring a vote of stockholders arise, stockholders returning the proxy card confer upon the individuals named on the proxy card discretionary authority to vote the shares represented by such proxy on any such other matter in accordance with their best judgment.

Table of Contents

Can I change my vote?

Yes. If you are a stockholder of record, you may revoke or change your vote at any time before the proxy is exercised by filing a notice of revocation with the secretary of the Company or mailing a proxy bearing a later date, submitting your proxy again by telephone or over the Internet or by attending the annual meeting and voting in person. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, bank or other nominee or, if you have obtained a legal proxy from your broker, bank or other nominee giving you the right to vote your shares, by attending the meeting and voting in person. In either case, the powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

How are we soliciting this proxy?

We are soliciting this proxy on behalf of our Board of Directors and will pay all expenses associated with this solicitation. In addition to mailing these proxy materials, certain of our officers and other employees may, without compensation other than their regular compensation, solicit proxies through further mailing or personal conversations, or by telephone, facsimile or other electronic means. We will also, upon request, reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their reasonable out-of-pocket expenses for forwarding proxy materials to the beneficial owners of our stock and to obtain proxies.

What are the Board's recommendations?

The Board's recommendation is set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote FOR each of the proposals.

Will stockholders be asked to vote on any other matters?

To the knowledge of the Company and its management, stockholders will vote only on the matters described in this proxy statement. However, if any other matters properly come before the meeting, the persons named as proxies for stockholders will vote on those matters in the manner they consider appropriate.

What vote is required to approve each item?

Directors are elected by a plurality of the votes cast at the meeting (with the holders of common stock and Series A Preferred Stock voting together as a single class), which means that the six nominees who receive the highest number of properly executed votes will be elected as directors, even if those nominees do not receive a majority of the votes cast. A properly executed proxy marked withhold authority with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

The ratification of the appointment of KPMG LLP to serve as the Company's independent auditors for fiscal 2010 requires the affirmative vote of the majority of the votes present, in person or by proxy, and entitled to vote at the meeting (with the holders of common stock and Series A Preferred Stock voting together as a single class).

How are votes counted?

In the election of directors, you may vote FOR all or some of the nominees or your vote may be WITHHELD with respect to one or more of the nominees. You may not cumulate your votes for the election of directors.

For the ratification of the appointment of KPMG LLP to serve as the Company's independent auditors for fiscal 2010, you may vote FOR, AGAINST or ABSTAIN. Abstentions are considered to be present and entitled to vote at the meeting and, thus, have the same effect as votes against the matter. If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items.

Table of Contents

If you hold your shares in street name, the Company has supplied copies of its proxy materials for its 2010 annual meeting of stockholders to the broker, bank or other nominee holding your shares of record and they have the responsibility to send these proxy materials to you. Your broker, bank or other nominee is permitted to vote your shares on the appointment of KPMG LLP as our independent auditor without receiving voting instructions from you.

What happens if a nominee for director declines or is unable to accept election?

If any nominee should become unavailable, which is not anticipated, the persons voting the accompanying proxy may vote for a substitute nominee designated by our Board or our Board may reduce the number of directors.

Why is BRS able to designate a director to the Board?

On December 22, 2009, we entered into a Securities Purchase Agreement with BRS, pursuant to which BRS acquired 25,000 shares of a new class of Series A Preferred Stock in a private placement transaction for an aggregate purchase price of \$25.0 million. Each outstanding share of Series A Preferred Stock is entitled to approximately 344.83 votes (one vote per share of common stock issuable upon the conversion of the Series A Preferred Stock), resulting in BRS owning an aggregate of 20.1% of our outstanding voting shares as of March 31, 2010. In addition, for so long as BRS beneficially owns 5% or more of our common stock on an as-converted basis, BRS, voting as a separate class to the exclusion of the holders of our common stock, is entitled to designate one individual to our Board who must be an employee of BRS or one of its affiliates.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement, proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please vote your shares applicable to each proxy card and voting instruction card that you receive.

Where can I find the voting results of the annual meeting?

The Company intends to announce the preliminary voting results at the annual meeting and publish the final results in a Form 8-K within four business days following the annual meeting.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Board Composition

Our amended and restated Certificate of Incorporation provides that our Board of Directors consists of such number of directors as determined from time to time by resolution adopted by a majority of the total number of directors then in office. Our Board of Directors currently consists of seven members. The term of office for each director will be until his or her successor is elected and qualified or until his or her earlier death, resignation or removal. Elections for directors will be held annually.

Board Leadership Structure

Our Board's leadership structure currently consists of a separate Board Chairman and Chief Executive Officer. The Board believes that separating the positions of Chairman and Chief Executive Officer enhances Board independence and oversight. The structure allows the Chief Executive Officer to better focus on his growing responsibilities of running the Company, enhancing stockholder value and expanding and strengthening our enterprise, while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management. The structure also provides for more effective guidance and feedback to the Chief Executive Officer regarding his performance.

The Company's non-management directors meet in executive sessions on a periodic basis without management. The presiding director, for purposes of leading these meetings, is the Chairman of the Nominating and Corporate Governance Committee. The Board believes that these executive sessions are beneficial to the Company because it provides a forum where the independent directors can discuss issues without management present.

Board Role in Risk Oversight

The Board is actively involved in the oversight of risks that could affect the Company. This oversight is conducted primarily through committees of the Board, as disclosed in the descriptions of each of the committees below and in the charters of each of the committees. However, the full Board has retained responsibility for the general oversight of risks. The Board satisfies this responsibility through full reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within the Company.

Risk Considerations in our Compensation Program

The Board believes that our compensation policies and practices are reasonable and properly align our employees' interests with those of our stockholders. The Board believes that there are a number of factors that cause our compensation policies and practices to not have a material adverse effect on the Company. The fact that our executive officers and other employees have their incentive compensation tied to earnings, rather than revenues, encourages actions that improve the Company's profitability over the short and long term. Furthermore, our stock option plan further aligns the interests of our executive officers and other employees with the long term interests of our stockholders. In addition, our Compensation Committee reviews our compensation policies and practices to ensure that such policies and practices do not encourage our executive officers and other employees to take action that is likely to create a material adverse effect on the Company.

Number of Meetings of the Board of Directors

The Board held 10 meetings during fiscal 2009. Directors are expected to attend Board meetings and committee meetings for which they serve, and to spend time needed to meet as frequently as necessary to properly discharge their responsibilities. Each director attended at least 88% of the aggregate number of meetings of the Board and the Board committees on which he or she served during the period.

Table of Contents

Attendance at Annual Meetings of the Stockholders

The Company has no policy requiring directors and director nominees to attend its annual meeting of stockholders; however, all directors and director nominees are encouraged to attend.

Director Independence

The rules of the NASDAQ Global Select Market require that the Board be comprised of a majority of independent directors and that the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee each be comprised solely of independent directors, as defined under applicable NASDAQ rules.

The Board has determined that each of the director nominees standing for election, except Michael P. O'Donnell, our President and Chief Executive Officer, has no relationship which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and is an independent director. In determining the independence of our directors, the Board has adopted independence standards that mirror the criteria specified by applicable laws and regulations of the Securities and Exchange Commission and NASDAQ.

Executive Sessions

The Company requires the non-management directors to meet in executive sessions on a periodic basis without management. The presiding director, for purposes of leading these meetings, is the Chairman of the Nominating and Corporate Governance Committee, which currently is Bannus B. Hudson. He can be contacted by writing to: Bannus B. Hudson, c/o Ruth's Hospitality Group, Inc., 400 International Parkway, Suite 325, Heathrow, Florida 32746. In fiscal 2009, our non-management directors held three executive sessions.

Communications between Stockholders and the Board

Stockholders may send communications to the Company's directors as a group or individually by writing to those individuals or the group: c/o the Corporate Secretary, 400 International Parkway, Suite 325, Heathrow, Florida 32746. The Corporate Secretary will review all correspondence received and will forward all correspondence that is relevant to the duties and responsibilities of the Board or the business of the Company to the intended director(s). Examples of inappropriate communication include business solicitations, advertising and communication that is frivolous in nature, communication that relates to routine business matters (such as product inquiries, complaints or suggestions) or communication that raises grievances which are personal to the person submitting them. Upon request, any director may review communication that is not forwarded to the directors pursuant to this policy.

Committees of the Board of Directors

Our Board currently has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The composition, duties and responsibilities of these committees are set forth below. Committee members hold office for a term of one year.

Audit Committee. The Audit Committee was established in accordance with section 3(a)(58)(A) of the Exchange Act and is responsible for:

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

This Compensation Discussion and Analysis is designed to provide stockholders with an understanding of our compensation philosophy and objectives as well as the analysis that we performed in setting executive compensation. This discussion addresses the compensation with respect to 2009 for our Chief Executive Officer, Michael P. O'Donnell, our Chief Financial Officer, Robert M. Vincent, and our Chief Operating Officers, Kevin W. Toomy and Samuel A. Tancredi (collectively, our named executive officers). In addition, this discussion addresses the compensation provided to a former named executive officer, Sarah C. Jackson, our former Senior Vice President of Human Resources, who is no longer employed by us.

Compensation Objectives and Program Structure

Our executive compensation philosophy, policies, plans and programs are under the direction of the Compensation Committee of our Board of Directors. The Compensation Committee is responsible for determining the compensation elements and amounts paid to named executive officers.

Generally, the types of compensation and benefits provided to our named executive officers are similar to those provided to executive officers of other national restaurant companies. The overall philosophy is to create value for our stockholders by using all elements of executive compensation to reinforce a results-oriented management culture focusing on our level of earnings and performance as compared to our annual operating plan and industry competitors, the achievement of longer-term strategic goals and objectives and specific individual performance. Accordingly, our executive compensation program has been designed to achieve the following objectives:

reinforce a results-oriented management culture with total executive compensation that varies according to performance;

focus executive officers on both annual and long-term business results with the goal of enhancing stockholder value;

align the interests of our executives and stockholders; and

provide executive compensation packages that attract, retain and motivate individuals of the highest qualifications, experience and ability.

Our Compensation Committee sets the pay range and specific components of the total compensation package for each of our named executive officers. The Chief Executive Officer and Chief Financial Officer review compensation for the Company's executive officers on an annual basis, with the exception of their own as those are determined by the Compensation Committee. A recommendation is then presented to the Compensation Committee for review and approval. Any salary increase or other adjustments are determined by the Compensation Committee and are approved by the Board of Directors.

Table of Contents

The Compensation Committee considers Company performance, both operational and financial, to determine compensation. In addition, the Compensation Committee considers the annual chain restaurant compensation survey published by the Chain Restaurant Compensation Association when reviewing compensation for the Company's executive officers and focuses on those organizations with similar system-wide revenue. During 2009, the Compensation Committee considered organizations with annual revenue of \$350 million to \$999 million, which is similar to the Company's revenue, and / or the restaurants that fall under the same concept category as the Company. These organizations included:

Applebee's International	Darden Restaurants	P.F. Chang's China Bistro
Benihana	Dave and Buster's	Quiznos Master
Boddie-Noell Enterprises	Duke and King Acquisitions	Real Mex Restaurants
Briad Group	Famous Dave's of America	Red Robin Gourmet Burgers
Brinker International	Hard Rock Café	Restaurants Unlimited
Buca	Hooters of America	Rocky Bottom Restaurants
Buffalo Wild Wings	Legal Sea Foods	Ruby Tuesday
Buffets	Logan's Roadhouse	Texas Roadhouse
Carlson Restaurants Worldwide	Morton's Restaurant Group	Thomas and King
Cheesecake Factory	O'Charley's	Uno Restaurant Holding
Claim Jumper Restaurants		

During 2009, the Company did not employ an outside compensation consultant because the Company relies primarily on the compensation survey described above.

Elements of Compensation

Consistent with our compensation objectives described above, our executive compensation program is designed to be similar to the programs that are offered at nationwide restaurant companies comparable to us, as identified in the annual chain restaurant compensation survey published by the Chain Restaurant Compensation Association. This survey includes a presentation of the minimum, median and maximum compensation provided by nationwide restaurant companies that are similar in size and operation to our Company. We attempt to set our total compensation levels at the median level because of the desire to attract and retain top-level executives in the market in which we operate and compete for talent in. We believe that this benchmarking process is an important part of the Compensation Committee's decision making process; however, we do deviate from these surveys for a number of reasons.

The total compensation program for the named executive officers includes base salary, performance-based cash incentive compensation under our Management Bonus Plans, long-term equity incentive compensation benefits and perquisites. It is the Compensation Committee's practice to target each of these elements to deliver compensation to each executive and all executives as a group within the mid-level range of compensation for persons having similar responsibilities at other nationwide restaurant companies.

We allocate the majority of the total annual compensation paid to the named executive officers to base salary and bonus payments, with a smaller portion allocated to equity incentive awards. The Compensation Committee is focused on providing a total compensation package that delivers short and long-term incentives. We do this primarily so that we can compete with compensation packages provided by nationwide restaurant companies similar to ours. We believe this increases our ability to attract and retain our named executive officers. In addition, allocating a larger percentage of compensation to bonus payments aligns the interest of our named executive officers with our stockholders because no bonuses are paid unless our performance measures are met or exceeded and the achievement of our performance goals have created value for our stockholders.

A significant portion of the compensation paid to executive officers is designed to reward them based on our financial performance compared to financial objectives, the growth of the Company, and increased stockholder

Table of Contents

value, as reflected in increases in the Company's share price. Our base salary structure and its periodic salary reviews are designed to reward individual achievement and our overall performance. Our Management Bonus Plans are designed to reward executive officers with cash awards for the achievement of annual objectives tied to the financial performance of the Company and their individual performance. In fiscal 2009, our performance goals for the Management Bonus Plans were based on earnings before interest, taxes, depreciation and amortization (EBITDA) targets; however, we may consider using other performance goals in the future. The equity component of their compensation, in the form of stock options and / or restricted stock, is designed to reward relative total stockholder return and corresponding stock price improvement over the grant-date stock price.

Base Salary

Base salary is established based on the experience, skills, knowledge and responsibilities required of the executive officers in their roles. When establishing the base salaries of the executive officers, a number of factors are considered, including the individual's duties and responsibilities, the individual's experience, the ability to replace the individual, the base salary at the individual's prior employment, market data on similar positions with competitive companies and information derived from our directors' experience at other companies. We seek to provide base salaries that are competitive with the marketplace and allow us to attract and retain executive talent.

There were no salary increases in 2009 for any of the named executive officers. However, effective March 2010, Mr. Toomy was promoted to President and Chief Operating Officer of Ruth's Chris Steak House and Mr. Tancredi was promoted to President and Chief Operating Officer of Mitchell's Fish Market. As a result of these promotions and consideration for individual performance, additional responsibilities and market competition, both Mr. Toomy and Mr. Tancredi's base salaries were increased by \$50,000 to \$250,000.

Bonuses

Our performance-based cash incentive awards focus on closely aligning rewards with results. The philosophy of our performance-based annual cash incentive awards is simple: a basic reward for reaching minimum expectations and an upside for reaching the Company's goals.

Management Bonus Plan

In fiscal 2009, we adopted a Management Bonus Plan, pursuant to which certain of our employees are eligible to receive cash bonuses based on personal and Company performance over the course of each fiscal year. The purpose of the Management Bonus Plan is to encourage a consistent high standard of excellence and continued employment by officers and management personnel of the Company. Bonus awards under the Management Bonus Plan are determined by the Compensation Committee, subject to approval by the Board, and are based on (i) the financial performance of the Company during the applicable fiscal period as measured against the Board's previously approved plan with targeted EBITDA or other Board-approved thresholds adjusted for changes in accounting policies and non-recurring extraordinary transactions and (ii) individual performance.

Individual performance is measured against goals developed prior to the period in question. The goals typically address whether the individual complied with budget objectives and managed to achieve department specific objectives oriented toward facilitating the Company achieving its EBITDA goal. These goals differ by person and include, among others, same store sales, entrée count, development of additional operating units, addition of operating weeks, increase in check average, completion of transactions, settlement of litigation and management of third party vendor costs.

In fiscal 2009, our goals were based on EBITDA as they tend to provide a true measure of profitability by aligning incentives with stockholder value. The 2009 EBITDA target range under the Management Bonus Plan,

Table of Contents

which included Mr. O'Donnell and Mr. Vincent, was approximately \$35,000,000 to \$38,000,000. Mr. Toomy and Mr. Tancredi did not participate in the Management Bonus Plan but rather participated in the Management Bonus Plans for the Chief Operating Officers.

The percentage of base salary for each cash bonus is established based on the individual's level of responsibility. During 2009, the target cash bonus was set as follows:

Name	Base Salary %
Michael P. O'Donnell	75%
Robert M. Vincent	55%

These percentages are used to calculate the annual bonus amounts and are prorated at a percentage based on the number of weeks worked by the individual in the fiscal year. The actual cash bonuses payable to our executive officers may be less than or greater than the target cash bonus, depending on the operational performance, the individual's performance and certain other factors that may be considered by the Board and the Compensation Committee. Each award may, subject to recommendation by the Compensation Committee and approval by the Board, be increased up to 100%, based on our Company's performance. The Compensation Committee also periodically considers bonuses outside of the bonus plan, based on both individual and corporate performance.

Management Bonus Plans for Chief Operating Officers

In fiscal 2009, we also adopted two additional Management Bonus Plans for each of the Chief Operating Officers with a purpose consistent to the Management Bonus Plan that includes Mr. O'Donnell and Mr. Vincent. Similar to the Management Bonus Plan that includes Mr. O'Donnell and Mr. Vincent, the bonus awards for the Chief Operating Officers are reviewed and approved by the Compensation Committee and Board. However, the awards are based on the financial performance of the respective concept each Chief Operating Officer oversees as measured against an approved consolidated restaurant EBITDA target. The 2009 consolidated restaurant EBITDA target range for Mr. Toomy was approximately \$53,000,000 to \$55,000,000 and the 2009 consolidated restaurant EBITDA target range for Mr. Tancredi was approximately \$5,000,000 to \$7,000,000.

Under the Management Bonus Plans for the Chief Operating Officers, Mr. Toomy and Mr. Tancredi are eligible for a bonus of 10% of the amount over their respective consolidated restaurant EBITDA targets.

Long-Term Incentive Awards

The Company's equity programs are designed to encourage creation of long-term value for our stockholders, employee retention and stock ownership. The programs currently consist of stock option grants and restricted stock awards. Our equity incentive programs are intended to promote a long-term focus on results and to align employee and stockholder interests.

Executive officers receive a portion of their overall targeted compensation in the form of equity in order to align interests of management and stockholders and promote a focus on long-term results. The Compensation Committee generally targets certain amounts of option awards upon hire and promotion for executives and other management personnel based on the level of these individuals and comparable awards given to similar positions in the restaurant industry. Every year, the Compensation Committee reviews the amounts of incentive equity held by our executives and management and considers whether to provide for additional incentive equity grants. In 2009, the Board did not grant any long-term incentive awards because the Board believed it was prudent to wait for the completion of the private placement and rights offering transactions that were finished in February 2010 before considering any additional incentive equity awards.

Table of Contents

Benefits

The Company's benefits philosophy for executive officers is that benefits should provide employees protection from catastrophic events, enable employees to plan for their future and be competitive in order to attract and retain a high-quality workforce. The types of benefits provided to the named executive officers consist of medical benefits plans, life and accidental death and dismemberment insurance plans, long-term disability plans, 401(k) matching contributions and automobile allowances.

The Company maintains a non-qualified deferred compensation plan that is unsecured and allows certain high-level employees, including executive officers, to voluntarily defer receipt of their salary above specified amounts and bonus payments into accounts established under the plan. These accounts are credited with earnings from amounts invested in funds available through Fidelity Investments, the plan's record keeper, as selected by each participant.

The Company also allows its executive officers to dine in its restaurants free of charge in order to permit those officers to conduct quality control tests.

Tax and Accounting Implications

Deductibility of Executive Compensation

The Compensation Committee has considered the provisions of Section 162(m) of the Internal Revenue Code of 1986, as amended, which generally limits the annual tax deductibility of compensation paid to each named executive officer to \$1.0 million. To the extent possible, the Compensation Committee intends to preserve the federal income tax deductibility, but may choose to provide compensation that may not be deductible if it believes that such payments are appropriate to ensure that our named executive officers receive total compensation that is competitive with our peer group, or reflects superior performance.

Severance and Termination Arrangements

Current Named Executive Officers

The current named executive officers have employment agreements that provide for payments upon a termination of employment by the executive for good reason, by the Company without cause or upon death or disability as described later in this proxy statement in the section entitled "Employment Agreements." The Company believes that these agreements effectively create incentives for our executives to build stockholder value without the fear of losing employment for situations other than for cause or termination by the employee for good reason. These arrangements are intended to attract and retain qualified executives who could have other job alternatives that may appear to them to be less risky absent these arrangements.

Former Named Executive Officers

Effective January 31, 2010, Sarah Jackson resigned from her position as the Company's Senior Vice President of Human Resources. In connection with her departure, Ms. Jackson and the Company entered into a Separation Agreement and General Release outlining the terms of her separation from the Company. The Separation Agreement and General Release modify the terms and compensation Ms. Jackson would have been entitled to under her employment agreement to include, among other things, the following:

Ms. Jackson will receive 12 months of severance pay equal to her salary in effect on January 31, 2010.

Ms. Jackson's options to purchase common stock of the Company will continue to vest during the 12 months following January 31, 2010. All remaining unvested options after such period will be forfeited.

Table of Contents

The Company will accelerate the vesting of the 50,000 shares of restricted stock that were issued to Ms. Jackson in 2008.

Ms. Jackson's one year non-compete period commenced on January 31, 2010.

Ms. Jackson and the Company executed mutual general releases.

Equity Compensation Plans

2000 Stock Option Plan

The 2000 Stock Option Plan provides for the grant of nonqualified stock options to our directors, officers and employees and other persons who provide services to us. A total of 1,765,981 shares of common stock are reserved for issuance under this plan. These options vest pro rata on a daily basis over a five year period. Options granted under the 2000 Stock Option Plan are generally not transferable by the optionee, and must be exercised within 30 days after the end of an optionee's status as an employee, director or consultant of ours (other than a termination by us for cause, as defined in the 2000 Stock Option Plan), within 180 days after such optionee's termination by death or disability, or within 90 days after such optionee's retirement, but in no event later than the expiration of the option term. All options were granted at or above the fair market value of our common stock, as determined by our Board, on the date of grant. The term of all options granted under the 2000 Stock Option Plan may not exceed ten years. We anticipate that all future option grants will be made under our 2005 Long-Term Equity Incentive Plan, discussed below, and we do not intend to issue any further options under the 2000 Stock Option Plan.

2005 Long-Term Equity Incentive Plan

The 2005 Long-Term Equity Incentive Plan, which the Board approved in August 2005 and which was amended by a vote of stockholders at the 2008 annual meeting, provides for grants of stock options, restricted stock, restricted stock units, deferred stock units and other equity-based awards. A total of 3,862,500 shares of common stock are reserved for issuance under this plan. Directors, officers and other employees of the Company, as well as others performing services for us, are eligible for grants under the plan. The purpose of the plan is to provide these individuals with incentives to maximize stockholder value and otherwise contribute to our success and to enable us to attract, retain and reward the best available persons for positions of responsibility.

Employment Agreements

In August 2008, we and Mr. O'Donnell signed an employment agreement outlining the terms by which Mr. O'Donnell would serve as our President and Chief Executive Officer and a member of our Board. Mr. O'Donnell's initial base salary was \$500,000 and he was eligible to receive a bonus of up to 75% of his base salary (with a minimum bonus of \$100,000 during fiscal year 2009). Mr. O'Donnell was also granted the following options to purchase shares of the Company's publicly-traded stock: 500,000 shares at a strike price equal to the closing price of the Company's stock on the date of his first date of employment; 150,000 shares at a strike price of \$7.00 per share; and 150,000 shares at a strike price of \$8.50 per share. Twenty percent (20%) of these options will vest pro rata on each of the first five anniversary dates of Mr. O'Donnell's first date of employment with the Company. Mr. O'Donnell's salary is subject to annual review and his annual bonus is now provided under the Management Bonus Plan. Pursuant to his employment agreement, if Mr. O'Donnell's employment is terminated by us without cause, or by Mr. O'Donnell for good reason (as those terms are defined below) during the employment term, Mr. O'Donnell will be entitled to continue to receive his base salary for 12 months after the date of such termination (with an additional fifty percent (50%) of his base salary payable if terminated within the first two years of employment due to a change in the majority of the current Board of Directors) and 12 monthly payments in the aggregate equal to 50% of his prior year bonus compensation. Mr. O'Donnell would also receive 12 months continued health, welfare and retirement benefits, 12 months automobile allowance pursuant to current Company guidelines and continued vesting rights for his options and restricted stock for 12 months. We have the option of paying the severance on a monthly or lump-sum basis. The employment agreements for our executive officers define cause as meaning, subject to any applicable cure periods, (i) an officer's theft, embezzlement, perpetration of fraud, misappropriation of property or attempts at such; (ii) any act of disloyalty, misconduct or moral turpitude by an officer that is injurious to the Company; or (iii) an officer's willful disregard of a lawful directive given by a superior or the Board of Directors or a violation of the Company's employment policy.

The employment agreements for our executive officers define good reason to mean (i) the assignment by the Board of Directors to an officer of any material duties that are clearly inconsistent with the officer's status, title and position or (ii) failure by the Company to pay the officer any amounts required under the officer's employment agreement with which failure continues uncured for a period of 15 days after written notice is given. Additionally, with respect to Mr. O'Donnell's employment agreement, good reason also includes a material relocation of the Company requiring Mr. O'Donnell to relocate or upon notice of the Company's intent not to renew the agreement.

Table of Contents

Except as specifically described above, all options and restricted stock issued under the Company's equity incentive plans, whether or not then exercisable (as applicable), generally cease vesting when a grantee ceases to be an employee. Options generally expire 30 days after the date of cessation of service, so long as the grantee does not compete with us during that 30-day period without our permission. Upon termination for cause, all options will terminate immediately.

Payments Made Upon Termination

Assuming each executive officer's employment was terminated by us without cause or by the executive for good reason on December 27, 2009, the estimated values of payments and benefits to each named executive officer are set forth in the following table:

	Michael P. O'Donnell	Robert M. Vincent
Severance(1)	\$ 750,000(2)	\$ 300,000
Bonus(3)		
Minimum Bonus(4)	\$ 100,000	
Health and Welfare Benefits(5)	\$ 9,075	\$ 9,075
Car Allowance(6)	\$ 12,000	\$ 10,800
Total	\$ 871,075	\$ 319,875

- (1) Based on payment of one year of current base salary.
- (2) The amount includes an additional 50% of Mr. O'Donnell's base salary that he is entitled to per his employment agreement if Mr. O'Donnell is terminated within the first two years of employment due to a change in the majority of the current Board of Directors.
- (3) Based on payment of a percentage of the named executive officer's bonus compensation for 2008. There were no bonuses paid in 2008 to the listed named executive officer.
- (4) Per Mr. O'Donnell's employment agreement, Mr. O'Donnell is entitled to receive a minimum bonus for the fiscal year ending 2009 of \$100,000, regardless of whether he is employed on the date it is paid.
- (5) Amount represents premiums that will be paid by the Company in respect to health insurance and other medical benefits for one year after termination of employment.
- (6) Based on the value, as of December 27, 2009, of the current pre-established car allowance that would be received by the executive officer for one year after termination.

Additionally, with respect to Mr. O'Donnell, in the event he is terminated without cause at any time after a change in control of the Company, there will be an accelerated vesting of all equity grants to Mr. O'Donnell notwithstanding any contrary terms of the 2005 Long-Term Equity Incentive Plan. Assuming a change in control has occurred and Mr. O'Donnell's employment was terminated by us without cause on December 27, 2009, the estimated value of the accelerated vesting of his equity grants is \$0.

Table of Contents***Payments Made Upon Death or Disability***

In the event of the death or disability of a named executive officer, all named executive officers will receive benefits under our disability plan or payments under our life insurance plan, as appropriate. In the case of a grantee's death or disability, a number of options and restricted stock equal to the sum of (1) the number of options that were exercisable on the date of the grantee's death or disability and (2) the number of options that would become exercisable within one year after the date of the grantee's death or disability, will become fully vested and exercisable and remain so for up to 180 days after the date of death or disability, provided the grantee does not compete with us during that 180-day period without our permission.

Restricted Stock \$(1)		\$ 68,700		
Other Equity \$(1)				\$ 55,200

(1) Value is based on the closing price of the last business day in the fiscal year ending on December 27, 2009 of \$2.29.

Payments Made Upon a Change in Control

We are not contractually obligated to make any type of cash payment to any named executive officer in the event of a change in control. All of the restricted stock and options issued under the 2005 Long-Term Equity Incentive Plan will become fully vested if a grantee is terminated within one year of a change in control. If we undergo a change in control, the committee administering the 2005 Long-Term Equity Incentive Plan may provide that the options issued under such plan become exercisable and that such options may terminate if not exercised on the date of the change in control. Such committee may also accelerate the vesting of restricted stock grants under the 2005 Long-Term Equity Incentive Plan.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related-Party Transactions Policy and Procedure

During fiscal 2009, we have not been a party to, and we have no plans to be a party to, any transaction or series of similar transactions in which the amount involved exceeded or will exceed \$120,000 and in which any current director, executive officer, holder of more than 5% of our capital stock, or any member of the immediate family of any of the foregoing, had or will have a direct or indirect material interest.

As part of our quarterly internal certification of our financial statements, officers of the Company must either certify that they are not aware of any related-party transactions or they must disclose any such transactions.

The Audit Committee is responsible for review, approval or ratification of related-person transactions between Ruth's Hospitality Group, Inc. or its subsidiaries and related persons. Under SEC rules, a related person is a director, officer, nominee for director or 5% stockholder of the company since the beginning of the last fiscal year and their immediate family members. In the course of its review and approval or ratification of a related-party transaction, the Audit Committee considers:

the nature of the related-party's interest in the transaction;

the material terms of the transaction, including the amount involved and type of transaction;

the importance of the transaction to the related-party and to the Company;

whether the transaction would impair the judgment of a director or executive officer to act in our best interest and the best interest of our stockholders; and

any other matters that the Audit Committee deems appropriate.

Any member of the Audit Committee who is a related-party with respect to a transaction under review may not participate in the deliberations or vote on the approval or ratification of the transaction. However, such a director may be counted in determining the presence of a quorum at a meeting of the committee that considers the transaction.

Code of Conduct and Ethics

The Company's employees, officers and directors are required to abide by the Company's Code of Conduct and Ethics (the *Code of Ethics*), which is intended to insure that the Company's business is conducted in a consistently legal and ethical manner. The Code of Ethics covers all areas of professional conduct, including, among other things, conflicts of interest, fair dealing and the protection of confidential information, as well as strict compliance with all laws, regulations and rules. Any material waiver or changes to the policies or procedures set forth in the Code of Ethics in the case of officers or directors may be granted only by the Board and will be disclosed on our website within four business days. The full text of the Code of Ethics is published on the Investor Relations section of our website at www.rhgi.com.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors has reviewed and discussed the audited financial statements with management, which has represented that the financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee discussed with management the quality and acceptability of the accounting principles employed, including all critical accounting policies used in the preparation of the financial statements and related notes, the reasonableness of judgments made and the clarity of the disclosures included in the statements.

The Audit Committee also reviewed our consolidated financial statements for fiscal 2009 with KPMG LLP, our independent auditors for fiscal 2009, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States. The Audit Committee has discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended.

The Audit Committee has received the written disclosures and the letter from KPMG LLP mandated by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the audit committee concerning independence, has discussed with KPMG LLP its independence and has considered whether the provision of non-audit services provided by KPMG LLP is compatible with maintaining KPMG LLP's independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 27, 2009 for filing with the Securities and Exchange Commission. The Audit Committee has selected KPMG LLP as our independent auditor for fiscal 2010.

PROPOSAL NO. 2

**THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS THE
COMPANY S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2010**

The Audit Committee has appointed KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 26, 2010, and has further directed that the Board submit the selection of KPMG LLP for ratification by the stockholders at the annual meeting. During fiscal year 2009, KPMG LLP served as our independent registered public accounting firm and also provided certain audit-related and tax services as described below. The stockholder vote is not binding on the Audit Committee. If the appointment of KPMG LLP is not ratified, the Audit Committee will evaluate the basis for the stockholders' vote when determining whether to continue the firm's engagement, but may ultimately determine to continue the engagement of the firm or another audit firm without re-submitting the matter to the stockholders. Even if the appointment of KPMG LLP is ratified, the Audit Committee may, in its sole discretion, terminate the engagement of the firm and direct the appointment of another independent auditor at any time during the year if it determines that such an appointment would be in the best interests of our Company and our stockholders.

Representatives of KPMG LLP are expected to attend the annual meeting, where they will be available to respond to appropriate questions and, if they desire, to make a statement.

Our Board recommends a vote FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for fiscal year 2010. If the appointment is not ratified, our Audit Committee will consider whether it should select another independent registered public accounting firm.

Table of Contents**INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FEES AND SERVICES**

The following table presents fees for professional services rendered by KPMG LLP for fiscal 2008 and 2009.

Audit-Related Fees		48,600

All Other Fees		
Total Fees	\$ 623,950	\$ 657,080

Audit Fees: Consists of fees billed or estimated to be billed for professional services rendered for the integrated audit of our consolidated financial statements and internal control over financial reporting, the review of the interim consolidated financial statements included in quarterly reports and services that are typically provided by KPMG LLP in connection with statutory and regulatory filings or engagements.

Audit-Related Fees: Consists of fees billed or estimated to be billed for professional services provided by KPMG LLP in connection with the rights offering, including due diligence work with the filing of SEC registration statements and comfort letter preparation.

Tax Fees: Consists of fees billed for professional services provided by KPMG LLP relating to worldwide tax planning and compliance services, expatriate tax services (including preparation of amended tax returns that were not completed in fiscal 2008) and assistance with tax audits and appeals.

Pursuant to the Audit Committee charter, the Audit Committee must approve all audit engagement fees and other significant compensation to be paid to the independent auditor and the terms of such engagement. The Audit Committee's charter provides that individual engagements must be separately approved. Additionally, the Audit Committee must pre-approve any permissible non-audit services to be provided to the Company by the independent auditor. The policy also authorizes the Committee to delegate to one or more of its members pre-approval authority with respect to permitted services.

All audit, audit-related and tax services performed by KPMG LLP in fiscal 2008 and 2009 were pre-approved by the Audit Committee, which concluded that the provision of such services by KPMG LLP was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.
