**Item 2.02 Results of Operations and Financial Condition.**

On March 3, 2011, Energy Partners, Ltd. ( *EPL* or the *Company* ) issued a press release announcing financial and operational results for the fourth quarter and full year ended December 31, 2010. The Company's press release also stated that, as previously announced, on February 14, 2011, the Company completed its acquisition of producing Gulf of Mexico shelf properties from Anglo-Suisse Offshore Partners, LLC for \$200.7 million in cash, subject to customary adjustments to reflect the January 1, 2011 economic effective date. The Company financed the acquisition by issuing \$210 million aggregate principal amount of 8.25% Senior Notes due 2018, and EPL concurrently closed on a new \$250 million credit facility with \$150 million of undrawn revolving capacity. A copy of the press release issued by the Company is attached hereto as Exhibit 99.1.

The Company's press release announcing its financial results for the fourth quarter and full year ended December 31, 2010 contains non-GAAP financial measures. Generally, a non-GAAP financial measure is a numerical measure of a company's performance, financial position, or cash flows that either excludes or includes amounts that are not normally excluded or included in the most directly comparable measure calculated and presented in accordance with United States generally accepted accounting principles ( *GAAP* ). Pursuant to the requirements of Regulation G, the Company has provided quantitative reconciliations within the press release of the non-GAAP financial measures to the most directly comparable GAAP financial measures.

The information furnished pursuant to this Item 2.02, including Exhibit 99.1, shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and will not be incorporated by reference into any registration statement filed under the Securities Act of 1933, as amended, unless specifically identified therein as being incorporated therein by reference.
