Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard

On April 11, 2013, The Hallwood Group Incorporated (the Company) received a letter from NYSE MKT LLC (the Exchange), indicating that the Company is not in compliance with certain NYSE MKT continued listing standards. The Exchange determined the Company's financial condition has become impaired based upon its review of the Company's Form 10-K for the fiscal year ended December 31, 2012. As a result of the Exchange's review and determination, the Company is not in compliance with one of the Exchange's continued listing standards, and therefore has become subject to the procedures and requirements of Section 1009 of the NYSE MKT Company Guide (Company Guide). Specifically, the Company is not in compliance with Section 1003(a)(iv) of the Company Guide in that it has sustained losses which are so substantial in relation to its overall operations or its existing financial resources, or its financial condition has become so impaired that it appears questionable, in the opinion of the Exchange, as to whether the Company will be able to continue operations and/or meet its obligations as they mature.

The letter states that, in order to maintain the Company's listing with the Exchange, the Company must submit a plan of compliance by May 13, 2013 addressing how it intends to regain compliance with Section 1003(a)(iv) by July 15, 2013. If the Company does not submit a plan, or if the plan is not accepted by the Exchange, the Company will be subject to delisting proceedings. Furthermore, if the plan is accepted but the Company is not in compliance with the continued listing standards of the Company Guide by July 15, 2013, or if the Company does not make progress consistent with the plan, the Exchange staff will initiate delisting proceedings in accordance with Section 1010 and Part 12 of the Company Guide.

On April 15, 2013, the Company issued a press release announcing receipt of this notice from the Exchange of potential delisting or failure to satisfy a continued listing rule or standard. A copy of the press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.
