JOINT ANNUAL MEETING OF STOCKHOLDERS

To Be Held On April 27, 2017

INTRODUCTION

This Combined Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Boards of Directors (the **Boards**) of the above listed entities, each a Maryland corporation (each a **Fund**, and collectively, the **Funds**), to be voted at the Joint Annual Meeting of Stockholders of the Funds, to be held at the offices of the Funds, 280 Park Avenue, 10th Floor, New York, New York 10017, on April 27, 2017 at 10:00 a.m., New York City time, and at any postponements or adjournments thereof (collectively, the **Meeting**). In order to attend the Meeting in person, stockholders must bring valid photo identification. The solicitation will be by mail and the cost (including printing and mailing this Proxy Statement, Notice of Meeting and Proxy Card, as well as any necessary supplementary solicitation) will be borne by each Fund pursuant to the terms of its investment management agreement. In addition to soliciting proxies by mail, each Fund's officers or representatives of the Funds' investment manager may solicit proxies by telephone. The Notice of Meeting, Proxy Statement and Proxy Card are being mailed to stockholders on or about March 17, 2017.

Edgar Filing: Cohen & Steers Closed-End Opportunity Fund, Inc. - Form DEF 14A

In accordance with each Fund's bylaws, the presence in person or by proxy of the holders of record of a majority of the shares of each Fund issued and outstanding and entitled to vote at the Meeting shall constitute a quorum for such Fund at the Meeting. If, however, a quorum shall not be present or represented at the Meeting or if fewer shares are present in person or by proxy than is the minimum required to take action with respect to any proposal presented at the Meeting, the chairman of the Meeting or

the holders of a majority of the shares of each Fund present in person or by proxy (or a majority of votes cast if a quorum is present) shall have the power to adjourn the Meeting from time to time, without notice other than announcement at the Meeting, until the requisite number of shares entitled to vote at the Meeting shall be present, to a date not more than 120 days after the record date. At any adjourned Meeting, if the relevant quorum is subsequently constituted, any business may be transacted which might have been transacted at the Meeting as originally called. For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker non-votes (that is, proxies from brokers or nominees indicating that they have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the brokers or nominees do not have discretionary voting power) will be treated as shares that are present but which have not been voted. Abstentions and broker non-votes, if any, will have no effect on obtaining the requisite approval of the proposal.

Although each Fund is a separate investment company that holds an annual meeting of stockholders, the Funds Proxy Statements have been combined into this Combined Proxy Statement to reduce expenses to the Funds of soliciting proxies for the Meeting.

The Boards have fixed the close of business on March 1, 2017 as the record date for the determination of stockholders entitled to notice of and to vote at the Meeting. The outstanding voting shares of each Fund as of the close of business on March 1, 2017 consisted of:

Fund	Shares of Common Stock
FOF	27,209,148.0000
INB	23,142,068.0000
RQI	109,161,402.0369
RNP	47,566,736.3480
UTF	85,319,793.6420
RFI	26,135,469.0000
PSF	11,993,588.0000
LDP	28,830,580.0000
MIE	26,793,340.0000

Each share is entitled to one vote and each fractional share is entitled to a proportional fractional share vote. All properly executed proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked thereon or as otherwise provided therein. Accordingly, unless instructions to the contrary are marked, proxies will be voted **FOR** the election of each of the Directors. Any stockholder may revoke his or her proxy at any time prior to exercise thereof by giving written notice to the Secretary of the Fund(s) at its offices at 280 Park Avenue, New York, New York 10017, or by signing another proxy of a later date or by personally casting his or her vote at the Meeting. Stockholders can vote only on

matters affecting the Fund(s) in which they hold shares. Because the proposals in the Notice of Joint Annual Meeting of Stockholders are separate for each Fund, it is essential that stockholders who own shares in multiple Funds complete, date, sign and return (or authorize their proxy by telephone or internet in respect of) each Proxy Card they receive.

The most recent annual report of each Fund, including financial statements, has been previously mailed to that Fund's stockholders. If you have not received a report for any Fund(s) in which you own shares or would like to receive an additional copy free of charge, please contact Tina M. Payne, Secretary of the Funds, at 280 Park Avenue, New York, New York 10017, (800) 330-7348, and it will be sent promptly by first-class mail.

PROPOSAL ONE

ELECTION OF DIRECTORS

For each Fund, at the Meeting, four Directors are nominated to be elected to serve for their respective terms and until their successors are duly elected and qualify. The nominees for Director are Bonnie Cohen, Michael Clark, Dean Junkans, and Richard E. Kroon. The terms of each nominee are set to expire at the 2020 annual meeting of stockholders and until their successors are duly elected and qualify. In accordance with the Board's retirement policy, Richard E. Kroon and Bonnie Cohen are scheduled to retire at the end of the 2017 calendar year. It is the intention of the persons named in the enclosed proxy to vote in favor of each of the nominees. At the Meeting, the holders of each Fund's common stock will have equal voting rights (*i.e.*, one vote per share), and will vote as a single class on the election of Ms. Cohen and Messrs. Clark, Junkans and Kroon. Ms. Cohen and Messrs. Clark, Junkans and Kroon currently serve as Directors of each of the twenty-two funds within the group of funds registered under the Investment Company Act of 1940, as amended (the Act), that are managed by Cohen & Steers (the Cohen & Steers Fund Complex).

Each Fund's stockholders initially elected their Board to staggered terms at the respective Annual Meeting of Stockholders held on:

Funds	Date of stockholder meeting electing Board of Directors to staggered terms
FOF	April 19, 2007
INB	April 17, 2008
RQI	April 24, 2003
RNP	April 29, 2004
RFI	April 27, 1994
UTF	April 28, 2005
PSF	April 28, 2011
LDP	April 25, 2013
MIE	April 24, 2014

Accordingly, the term of office of only a single class of Directors for each Fund will expire at the Meeting. As a result of this system, only those Directors in any one class may be changed in any one year, and it would require two years or more to change a majority of a Fund's Board. This system of electing Directors, which may be regarded as an anti-takeover provision, may have the effect of maintaining the continuity of management and, thus, make it more difficult for each Fund's stockholders to change the majority of Directors.

The nominees have consented to serve as Directors. The Board of each Fund knows of no reason why a nominee would be unable to serve, but in the event of such unavailability, the proxies received will be voted **FOR** such substitute nominee as the Board may recommend.

Additional information about each Independent Director follows (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes or skills that each Director possesses which the Boards believe has prepared him or her to be an effective Director.

Dean Junkans - Prior to becoming a Director of the Cohen & Steers funds, Mr. Junkans was Chief Investment Officer at Wells Fargo Private Bank from 2004 to 2014 and Chief Investment Officer of the Wealth, Brokerage and Retirement group at Wells Fargo & Company from 2011 to 2014. He was a member and Chair of the Claritas Advisory Committee at the CFA Institute from 2013 to 2015, and is also a board member and Investment Committee member of Bethel University Foundation. He served as President of the Pennsylvania Institute of Certified Public Accountants (PICPA) from 2014 to 2015, and is a member of the Council of the American Institute of Certified Public Accounts (AICPA). He was a member of the Board of Directors of PICPA from 2012 to 2016 and a member of the Board of Trustees of the AICPA Foundation, and has previously served on the boards of several non-profit organizations. C. Edward Ward, Jr. - In addition to his tenure as a Director of the Cohen & Steers funds, Mr. Ward has over 31 years of industry experience with closed-end investment companies, previously serving as Director of Closed-End Fund Management at the New York Stock Exchange. He also earned a master of business administration degree from Harvard University and currently serves as a trustee of a private university. The Boards believe that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the board level, with no single Director, or particular factor, being indicative of board effectiveness. However, the Boards believe that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; the Boards believe that each of their members satisfies this standard. Experience relevant to having this ability may be achieved through a Director's educational background; business, professional training or practice (*e.g.*, accountancy or law), public service or academic positions; experience from service as a board member (including the Boards of the Funds) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. The charter for each Board's Nominating Committee contains certain other specific requirements and factors considered by the Committee in identifying and selecting Director candidates (please see below).

To assist them in evaluating matters under federal and state law, the Directors are counseled by their own independent legal counsel, who participates in Board meetings and interacts with the Advisor, and also may benefit from information provided by the Funds and the Advisor's counsel; both Board and Fund counsel have significant experience advising funds and fund board members. Each Board and its committees have the power to engage other experts as appropriate. Each Board evaluates its performance on an annual basis.

Board Composition and Leadership Structure. The Act requires that at least 40% of a Fund's Directors be Independent Directors and, as such, not affiliated with the Advisor. To rely on certain exemptive rules under the Act, a majority of a Fund's Directors must be Independent Directors, and for certain important matters, such as the approval of investment advisory agreements or certain transactions with affiliates, the Act or the rules thereunder require the approval of a majority of the Independent Directors. Currently, over 75% of each Fund's Directors are Independent Directors. The Chairman of the Boards is an interested person of the Funds, and the Independent Directors have designated a lead Independent Director who chairs meetings or executive sessions of the Independent Directors, reviews and comments on Board meeting agendas, represents the views of the Independent Directors to management and facilitates communication among the Independent Directors and their counsel. The

Boards have determined that their leadership structure, in which the Independent Directors have designated a lead Independent Director to function as described above, is appropriate in light of the services that the Advisor and its affiliates provide to the Funds and potential conflicts of interest that could arise from these relationships.

During the calendar year ended December 31, 2016, the Boards met the number of times indicated in the table below:

Fund	Number of Board Meetings
RFI	6
RQI	6
RNP	6
UTF	6
FOF	6
INB	6
PSF	6
LDP	6
MIE	6

Each Director attended at least 75% of the aggregate number of meetings of the Boards and the Committees of which he or she was a member. The Funds do not have policies with regard to the Directors' attendance at annual meetings and none of the Directors attended any Fund's 2016 annual meeting of stockholders. Each Fund maintains five standing Board Committees: the Audit Committee, the Nominating Committee, the Contract Review Committee, the Governance Committee and the Dividend Committee (each, a Committee and collectively, the Committees). The Directors serving on each Committee are Independent Directors, and otherwise satisfy the applicable standards for independence of a committee member of an investment company issuer under the federal securities laws and under applicable listing standards of the New York Stock Exchange. The members of the Audit Committee of each Fund are Ms. Cohen and Messrs. Clark, Grossman, Maginnis, and Ross. The members of the Nominating Committee and the Contract Review Committee of each Fund are Ms. Cohen and Magpiong and Messrs. Clark, Grossman, Junkans, Kroon, Maginnis, Norman, Ross and Ward. The members of the Governance Committee of each Fund are Ms. Magpiong and Messrs. Clark, Junkans, Norman and Ward. The members of the Dividend Committee of each Fund are Ms. Cohen and Messrs. Clark and Junkans.

The Audit Committee of each Fund met six times during the fiscal year ended December 31, 2016. Each Audit Committee operates pursuant to a written charter adopted by the Board. A current copy of the Audit Committee charter is available on the Advisor's website at www.cohenandsteers.com/assets/content/uploads/AuditCommitteeCharter.pdf. The general purposes of each Audit Committee are to oversee the Fund's accounting and financial reporting and processes and audits of the Fund's financial statements; the integrity of the Fund's financial statements; the Fund's compliance with legal and regulatory requirements that relate to the Fund's accounting

and financial reporting processes and financial statement audits; and the qualifications, independence and performance of the independent registered public accounting firm(s) engaged by the Fund and the performance of the Fund's independent audit function, if any.

The Nominating Committee of each Fund, which met one time during the fiscal year ended December 31, 2016, operates pursuant to a written charter adopted by the Board. A current copy of the Nominating Committee charter is available on the Advisor's website at www.cohenandsteers.com/assets/content/uploads/nominating_and_governing_comm_charter.pdf. The main functions of each Nominating Committee are to (i) identify individuals qualified to become Directors in the event that a position is vacated or created, (ii) select the Director nominees for the next annual meeting of stockholders and (iii) set any necessary standards or qualifications for service on the Board. Each Nominating Committee requires that Director candidates have a college degree or equivalent business experience. Each Nominating Committee may take into account a wide variety of factors in considering Director candidates, including (but not limited to): (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board, (ii) an assessment of the candidate's ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties, (iii) educational background, (iv) business, professional training or practice (*e.g.*, accountancy or law), public service or academic positions, (v) an assessment of the candidate's character and integrity, (vi) experience from service as a board member (including the Board of the Funds) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations, (vii) whether or not the candidate has any relationships that might impair his or her independence, such as any business, financial or family relationships with Cohen & Steers, Fund service providers or their affiliates and (viii) overall interplay of a candidate's experience, skill and knowledge with that of other Nominating Committee members. In addition, although the Nominating Committee does not have a formal policy with regard to consideration of diversity in identifying Director candidates, the Nominating Committee may consider whether a potential candidate's qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Such considerations will vary based on the Board's existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations. The Nominating Committee may, but is not required to, retain a third party search firm at the Fund's expense to identify potential candidates. The Nominating Committee will consider Director candidates recommended by stockholders, provided that any such stockholder recommendation is submitted in writing to the Fund, to the attention of the Secretary, at the address of the principal executive offices of the Fund and further provided that such recommendation includes all other information specified in the Nominating Committee charter and complies with the procedures set forth in Appendix A thereto.

The Contract Review Committee of each Fund met one time during the fiscal year ended December 31, 2016, and each Contract Review Committee operates pursuant to a written charter adopted by the Board. The main functions of each Contract Review Committee are to make recommendations to the Board after reviewing advisory and other contracts that the Fund has with the Advisor and to select third parties to provide evaluative reports and other information to the Board regarding the services provided by the Advisor.

The Governance Committee of each Fund met four times during the fiscal year ended December 31, 2016 and operates pursuant to a written charter adopted by the Board. The main function of each Governance Committee is to assist the Board in the oversight of appropriate and effective governance of the Fund. The Governance Committee oversees, among other things, the structure and composition of the Board Committees, the size of the Board and the compensation of Independent Directors for service on the Board and any Board Committee and the process for securing insurance coverage for the Board.

The Dividend Committee of each Fund met four times during the fiscal year ended December 31, 2016. The main function of each Dividend Committee is to assist the Board in the oversight of the Funds' process for determining distributions and to exercise the power to declare distributions delegated to it by the Board.

Board's Oversight Role in Management. The Board's role in management of each Fund is oversight. As is the case with virtually all investment companies (as distinguished from operating companies), service providers to the Funds, primarily the Advisor and its affiliates, have responsibility for the day-to-day management of the Funds, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, each Board, acting at its scheduled meetings, or the lead Independent Director, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers, including the Funds' and the Advisor's Chief Compliance Officer and portfolio management personnel. Each Board's Audit Committee meets during its scheduled meetings, and between meetings the Audit Committee chair maintains contact, with the Funds' independent registered public accounting firm and the Funds' Treasurer and Chief Financial Officer. Each Board also receives periodic presentations from senior personnel of the Advisor or its affiliates regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas such as business continuity, anti-money laundering, personal trading, valuation, credit, investment research and securities lending. Each Board also receives reports from counsel to the Funds' and the Advisor and the Boards' own independent legal counsel regarding regulatory compliance and governance matters. Each Board's oversight role does not make the Board a guarantor of the Fund's investments or activities.

Audit Committee Report

The Audit Committee of each Fund has met with PricewaterhouseCoopers LLP, the Fund's independent registered public accounting firm, to discuss the scope of the audit engagement, review the Fund's financial statements, and discuss the statements and audit results with management. Each Audit Committee discussed with PricewaterhouseCoopers LLP the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board, received the written disclosures and the letter from PricewaterhouseCoopers LLP required by PCAOB Rule 3526 and discussed with PricewaterhouseCoopers LLP the independent registered public accounting firm's independence. Based on these reviews and discussions, each Audit Committee recommended to the Board of Directors that the audited financial statements of each Fund be included in each Fund's annual report to stockholders for the last fiscal year for filing with the Securities and Exchange Commission (SEC).

Section 16(a) Beneficial Ownership Reporting Compliance. Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), and Section 30(h) of the Act, as applied to the Funds, require certain of the Funds Directors, officers, the Advisor, affiliates of the Advisor, and persons who beneficially own more than 10% of a class of the Funds outstanding securities to file reports of ownership of the Funds securities and changes in such ownership with the SEC. Those persons are required by SEC regulations to furnish the relevant Fund(s) with copies of all filings. To each Fund's knowledge, all of its Directors and officers, the Advisor and its affiliates and certain holders of more than 10% of the applicable Fund's common stock complied with all filing requirements under Section 16(a) of the Exchange Act and Section 30(h) of the Act during the fiscal year ended December 31, 2016.

Each Fund's Board of Directors, including the Independent Directors, unanimously recommends that the stockholders of its Fund vote FOR the election of each nominee to serve as a Director of the Fund.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

For the fiscal year ended November 30, 2016 for MIE and December 31, 2016 for all other Funds, each Fund's Audit Committee selected PricewaterhouseCoopers LLP, an independent registered public accounting firm, to audit the accounts of the Fund. Their selection was ratified and approved by the vote, cast in person, of a majority of the Directors of the Fund, including a majority of the Independent Directors, each of whom are independent as defined in the New York Stock Exchange listing standards. On December 6, 2016, the Audit Committee of MIE selected PricewaterhouseCoopers LLP as the Fund's registered public account firm (auditor) for the fiscal year ending November 30, 2017. On March 7, 2017, the Audit Committee of each Fund, other than MIE, will meet to consider the appointment of PricewaterhouseCoopers LLP as the Fund's auditor for the fiscal year ending December 31, 2017. This Proxy Statement will be updated if the Audit Committee of each Fund, other than MIE, does not select PricewaterhouseCoopers LLP as the Fund's auditor for the year ending December 31, 2017. Each Audit Committee meets at least twice a year with representatives of the Funds' auditor to discuss the scope of the auditor's engagement and to review the financial statements of the Funds and the results of its examination thereof. The auditor will not be at the Meeting but will be available to participate by telephone if needed.

Fees Paid to PricewaterhouseCoopers LLP

Aggregate fees billed to the Funds for the last two fiscal years for professional services rendered by PricewaterhouseCoopers LLP were as follows:

* Each fiscal year ended November 30.

Tax fees were billed in connection with tax compliance services, including the preparation and review of tax returns and the computation of corporate income and franchise tax amounts.

MIE is structured as a C Corporation and, through November 30, 2015, had a wholly owned subsidiary. Due to MIE's structure and its MLP investments, the audit and tax fees are typically higher than the audit and tax fees for our other closed-end funds. For 2015, MIE's audit-related fees included attest services provided in connection with the deconsolidation of the subsidiary.

Aggregate fees billed by PricewaterhouseCoopers LLP for the last two fiscal years for non-audit services provided to the Advisor and any entity controlling, controlled by, or under common control with the Advisor that provides ongoing services to the Funds (collectively, with the Advisor, Service Affiliates), where the engagement relates directly to the operations and financial reporting of the Funds and which were pre-approved by the Audit Committees, were as follows:

	2016	2015
Audit-Related Fees	\$ 0	\$ 12,500
Tax Fees	\$ 169,840	\$ 217,740
All Other Fees	\$ 0	\$ 0

The Audit Committees are required to pre-approve audit and non-audit services performed for the Funds by their auditor. The Audit Committees also are required to pre-approve non-audit services performed by the Funds' auditor for any Service Affiliate if the engagement for services relates directly to the operations and financial reporting of a Fund.

The Audit Committees may delegate pre-approval authority to one or more of their members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committees at their next scheduled meeting. The Audit Committees may not delegate their responsibility to pre-approve services to be performed by the Funds' principal auditor to the Advisor.

None of the services described above were approved by the Audit Committees pursuant to paragraphs (c)(7)(i)(C) of Rule 2-01 of Regulation S-X.

The aggregate fees billed by PricewaterhouseCoopers LLP for non-audit services rendered to the Funds and for non-audit services rendered to Service Affiliates for the fiscal years ended December 31, 2016 and December 31, 2015 were:

Fund	December 31, 2016	December 31, 2015
FOF	\$ 6,600	\$ 6,600
INB	\$ 13,080	\$ 13,080
RQI	\$ 6,380	\$ 6,380
RNP	\$ 6,600	\$ 6,600
UTF	\$ 15,100	\$ 15,100
RFI	\$ 6,380	\$ 6,380
PSF	\$ 6,600	\$ 6,600
LDP	\$ 6,600	\$ 6,600
MIE*	\$ 102,500	\$ 150,400
Service Affiliates	\$ 0	\$ 0

* Each fiscal year ended November 30.

Due to MIEs structure and its MLP investments, the non-audit fees are typically higher than the non-audit fees for our other closed-end funds. MIE's non-audit fees are billed in connection with tax compliance services, including the preparation and review of tax returns and the computation of corporate income and franchise tax amounts.

The Audit Committees considered whether the provision of non-audit services that were rendered to Service Affiliates that were not required to be pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X was compatible with maintaining the independence of PricewaterhouseCoopers LLP.
