Item 1.01 Entry into a Material Definitive Agreement

Plan of Reorganization

As previously disclosed, on April 13, 2016, Peabody Energy Corporation, a Delaware corporation (the "Peabody Energy" or the "Company"), and a majority of the Company's wholly owned domestic subsidiaries, as well as one international subsidiary in Gibraltar (collectively with the Company, the "Debtors"), filed voluntary petitions under Chapter 11 of Title 11 of the U.S. Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Eastern District of Missouri (the "Bankruptcy Court"). The Debtors' Chapter 11 cases (the "Chapter 11 Cases") were jointly administered under the caption In re Peabody Energy Corporation, et al., Case No. 16-42529.

On March 17, 2017, the Bankruptcy Court entered an order, Docket No. 2763 (the "Confirmation Order"), confirming the Debtors' Second Amended Joint Plan of Reorganization of Debtors and Debtors in Possession as revised March 15, 2017 (the "Plan"). Copies of the Confirmation Order and the Plan were included as exhibits to the Current Report on Form 8-K filed by the Company with the Securities and Exchange Commission (the "SEC") on March 20, 2017.

On April 3, 2017, (the "Effective Date"), the Company satisfied the conditions to effectiveness set forth in the Confirmation Order and in the Plan, the Plan became effective in accordance with its terms and the Company and the other Debtors emerged from the Chapter 11 Cases. All capitalized terms used herein but not otherwise defined in this Current Report on Form 8-K have the meanings set forth in the Plan.

Registration Rights Agreement

On the Effective Date, the Company entered into a registration rights agreement (the "Registration Rights Agreement") with certain parties (together with any person or entity that becomes a party to the Registration Rights Agreement, the "Holders") that received shares of the Company's new common stock (the "Common Stock") and new Series A Convertible Preferred Stock (the "Preferred Stock") in the Company on the Effective Date as provided in the Plan. The Registration Rights Agreement provides Holders with registration rights for the Holders' Registrable Securities (as defined in the Registration Rights Agreement).

Pursuant to the Registration Rights Agreement, the Company is required to file a Shelf Registration Statement (as defined in the Registration Rights Agreement) with respect to the Registrable Securities within 30 days of the Effective Date. Subject to limited exceptions, the Company is required to maintain the effectiveness of any such registration statement until the Registrable Securities covered by the Shelf Registration Statement have been disposed of or are no longer Registrable Securities.

In addition, specified Holders have the right to demand that the Company effect the registration of any or all of the Registrable Securities (a "Demand Registration") and/or effectuate the distribution of any or all of their Registrable Securities by means of an underwritten shelf takedown offering. The Company is not obligated to effect more than four Demand Registrations or more than four underwritten shelf takedown offerings in any twelve-month period, and it need not comply with such a request unless the aggregate gross proceeds from such a sale will exceed \$25 million. The Company will not be obligated to effect an underwritten shelf takedown within 90 days after the consummation of a previous underwritten shelf takedown or Demand Registration.

Holders also have customary piggyback registration rights, subject to the limitations set forth in the Registration Rights Agreement.

These registration rights are subject to certain conditions and limitations, including the right of the underwriters to limit the number of shares to be included in a registration statement and the Company's right to delay or withdraw a registration statement under certain circumstances. The Company will generally pay all registration expenses in connection with its obligations under the Registration Rights Agreement, regardless of whether a registration

statement is filed or becomes effective. The registration rights granted in the Registration Rights Agreement are subject to customary indemnification and contribution provisions, as well as customary restrictions such as blackout periods.

The foregoing description of the Registration Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Registration Rights Agreement, a copy of which is included as Exhibit 10.1 to this Current Report on Form 8-K and incorporated by reference herein.

Preferred Stock

The information set forth under Item 3.02 and Item 5.03 below is incorporated by reference into this section.

Warrant Agreement

On the Effective Date, the Company entered into a warrant agreement (the "Warrant Agreement") with American Stock Transfer and Trust Company, LLC. In accordance with the Plan, the Company issued 6,210,000 warrants to purchase up to an aggregate of 6,210,000 shares of Common Stock at an exercise price of \$0.01 per share (the "Warrants") to all Noteholder Co-Proponents (as defined in the Plan) and subscribers in the Rights Offering (as defined in the Plan) and related backstop commitment.

All unexercised Warrants will expire, and the rights of the holders of such Warrants to purchase Common Stock will terminate, on the date that is 90 days after the Effective Date, or if such date falls on a date other than a business day, on the next succeeding business day, which is July 3, 2017.

The Warrant Agreement provides that nothing contained therein will be construed as conferring upon any holder of Warrants or his, her or its transferees the right to vote or to receive dividends or distributions (except as otherwise expressly provided therein) or to consent or to receive notice as a stockholder in respect of any meeting of stockholders for the election of directors of the Company or of any other matter, or any rights whatsoever as stockholders of the Company.

The number of shares of Common Stock for which a Warrant is exercisable, and the exercise price per share of such Warrant, is subject to adjustment from time to time upon the occurrence of specified events, including: (1) the subdivision or combination of the Common Stock into a greater or lesser number of shares (2) the payment of a dividend on the Common Stock and (3) certain forms of tender offers or exchange offers made by the Company or any of its subsidiaries as specified in the Warrant Agreement.

In connection with any Organic Change (as defined in the Warrant Agreement) prior to the expiration of the exercise period, the Company will make appropriate provision to ensure that the holders of the Warrants have the right to acquire and receive, upon exercise of the Warrants, the cash, stock, securities or other assets or property as would have been issued or payable in such Organic Change with respect to, or in exchange for, as applicable, the number of shares of Common Stock that would have been issued upon exercise of such Warrants, if such Warrants had been exercised immediately prior to the occurrence of such Organic Change.

The foregoing description of the Warrant Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Warrant Agreement, a copy of which is included as Exhibit 4.1 to this Current Report on Form 8-K and incorporated by reference herein.

2022 and 2025 Notes

As previously disclosed, on February 15, 2017, Peabody Securities Finance Corporation ("PSFC"), a Delaware corporation and wholly owned subsidiary of the Company, entered into an indenture (the "Indenture") between PSFC and Wilmington Trust, National Association, as trustee (the "Trustee"), relating to the issuance by PSFC of \$500.0 million aggregate principal amount of 6.000% senior secured notes due 2022 (the "2022 Notes") and \$500.0 million aggregate principal amount of 6.375% senior secured notes due 2025 (together with the 2022 Notes,

the Notes). The Notes were sold on February 15, 2017 in a private transaction exempt from the registration requirements of the Securities Act of 1933 (the Securities Act).

Prior to the Effective Date, PSFC deposited the net proceeds of the offering of the Notes, together with additional funds deposited by the Company, into an escrow account pending confirmation of the Plan and certain other conditions being satisfied. On the Effective Date, the net proceeds from the offering were released from

escrow to the Company and the Company became a co-obligor of the Notes by executing a supplemental indenture, dated as of April 3, 2017 (the First Supplemental Indenture), among the Company, PSFC, the subsidiary guarantors party thereto and the Trustee, and, thereafter, became the sole issuer of the Notes upon the merger of PSFC with and into the Company pursuant to the Certificate of Ownership and Merger, dated as of April 3, 2017, with the Company as the surviving corporation (the Assumption).

Upon the Assumption, the Notes became jointly and severally and fully and unconditionally guaranteed on a senior secured basis by substantially all of the Company's material domestic subsidiaries and secured by first priority liens over (1) substantially all of the assets of the Company and the guarantors, except for certain excluded assets, (2) 100% of the capital stock of each domestic restricted subsidiary of the Company, (3) 100% of the non-voting capital stock of each first tier foreign subsidiary of the Company or a foreign subsidiary holding company and no more than 65% of the voting capital stock of each first tier foreign subsidiary of the Company or a foreign subsidiary holding company, (4) a legal charge of 65% of the voting capital stock and 100% of the non-voting capital stock of Peabody Investments (Gibraltar) Limited and (5) all intercompany debt owed to the Company or any guarantor, in each case, subject to certain exceptions, including that the Notes and guarantees are secured by second priority liens on certain collateral pledged under the Credit Agreement (as defined below).

The foregoing description of the Indenture and the First Supplemental Indenture does not purport to be complete and is qualified in its entirety by reference to the full text of the Indenture, a copy of which is incorporated as Exhibit 4.2 to this Current Report on Form 8-K and incorporated by reference herein, and the full text of the First Supplemental Indenture, a copy of which is included as Exhibit 4.3 to this Current Report on Form 8-K and incorporated by reference herein.

(collectively with the Arrangers and the Initial Lenders, the Commitment Parties), pursuant to which, in connection with the consummation of the Plan, the Initial Lenders agreed to provide a senior secured term loan facility in an aggregate amount of \$1.5 billion, less the aggregate principal amount of privately placed debt securities of the Company, or special purpose escrow issuer, issued on or prior to the closing date of the term loan facility (the Closing Date), plus any amount of additional senior secured term loans funded on the Closing Date at the sole discretion of the Arrangers and the Company.

On April 3, 2017, the Company entered into the Credit Agreement, dated as of April 3, 2017, among the Company, as Borrower, Goldman Sachs Bank USA, as Administrative Agent, and the other lenders party thereto (the Credit Agreement) as contemplated by the Exit Facility Commitment Letter. The Credit Agreement provides for a \$950 million senior secured term loan, matures in 2022 and bears interest at a fluctuating rate of LIBOR plus 4.50% per annum with a 1.00% LIBOR floor.

The foregoing description of the Exit Facility Commitment Letter and the Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Exit Facility Commitment Letter, a copy of which is incorporated as Exhibit 10.2 to this Current Report on Form 8-K and incorporated by reference herein, and the full text of the Credit Agreement, a copy of which is included as Exhibit 10.3 to this Current Report on Form 8-K and incorporated by reference herein.

Indemnification Agreements

The previous Board approved a form of indemnification agreement (the Indemnification Agreement) to be entered into by all of the members of the new Board and the Company's executive officers. The Indemnification Agreement provides for the mandatory advancement and reimbursement of reasonable expenses (subject to limited exceptions) incurred by indemnitees in various legal proceedings in which they may be involved by reason of their service as directors or officers, as applicable, as permitted by Delaware law and the Company's Fourth Amended and Restated Certificate of Incorporation (the Charter). Each executive officer listed in Exhibit 10.4 has entered into an Indemnification Agreement and the Company anticipates that each director will each enter into an Indemnification Agreement.

2017 Incentive Compensation Plan

In accordance with the Plan, the Peabody Energy Corporation 2017 Incentive Plan (the 2017 Incentive Plan) became effective as of the Effective Date. The 2017 Incentive Plan is intended to, among other things, help

-7-

attract and retain employees and directors upon whom, in large measure, the Company depends for sustained progress, growth and profitability. The 2017 Incentive Plan also permits awards to consultants. By encouraging employees, consultants and directors of the Company and its subsidiaries to acquire a proprietary interest in the Company's growth and performance, the 2017 Incentive Plan is intended to motivate employees, consultants and directors to achieve Company goals and to more closely align such persons' interests with those of the Company's other stockholders.

Unless otherwise determined by the Board, the Compensation Committee (the "Committee") will administer the 2017 Incentive Plan. The 2017 Incentive Plan generally provides for the following types of awards:

options (including non-qualified stock options and incentive stock options);

stock appreciation rights;

restricted stock;

restricted stock units;

deferred stock;

performance units;

dividend equivalents; and

cash incentive awards.

The aggregate number of shares of Common Stock reserved for issuance pursuant to the 2017 Incentive Plan is 14,092,376. The 2017 Incentive Plan will remain in effect, subject to the right of the Board to terminate the Plan at any time, subject to certain restrictions, until the earlier to occur of (a) the date all shares of common stock subject to the 2017 Incentive Plan are purchased or acquired and the restrictions on all restricted stock granted under the 2017 Incentive Plan have lapsed, according to the 2017 Incentive Plan's provisions, and (b) ten years from the Effective Date.

Unless otherwise set forth in the applicable award agreement, upon the occurrence of (a) an event satisfying the definition of "Change in Control" (as defined in the 2017 Incentive Plan) with respect to a particular award, and (b) during the two year period immediately following such event, an involuntary termination of service of a grantee who holds an award either (i) by the grantee for good reason (as may be defined in the applicable award agreement) or (ii) by the Company for a reason other than Cause (as defined in the 2017 Incentive Plan), then such award will become fully vested, all restrictions will lapse and all performance goals will be deemed to be met at target levels, as applicable; provided that no payment of an award will be accelerated to the extent such payment would cause such award to be subject to the adverse consequences described in Section 409A of the Internal Revenue Code of 1986 (the "Code"). The Committee may, in its discretion, include such further provisions and limitations in any award agreement as it may deem desirable.

In order to maintain the grantee's rights with respect to an award upon the occurrence of a Change in Control in which such award is assumed by the acquiring or surviving entity, the Committee will, unless otherwise set forth in an applicable award agreement, either (a) make such adjustment to any such award then outstanding as the Committee deems appropriate to reflect such Change in Control or (b) cause any such award to be substituted for new rights, by the acquiring or surviving entity after such Change in Control. In order to maintain the grantee's rights with respect to an award upon the occurrence of a Change in Control in which such award is not to be assumed by the acquiring or surviving entity, the Committee will, unless otherwise set forth in an applicable award agreement, cause such award to be canceled in exchange for consideration (whether in cash or other property) based on the price paid per share of Common Stock as part of the transaction which constitutes the Change in Control; provided, that such cancellation and payment complies with Section 409A of the Code. In addition, for each option or stock appreciation right with an option price or strike price, respectively, that is greater than the price paid per share of Common Stock as part of the transaction which constitutes the Change in Control, the Committee may cancel such award without any payment therefor.

Grant of Emergence Awards

On the Effective Date, the Company granted restricted stock units under the 2017 Incentive Plan and the terms of the relevant restricted stock unit agreement to employees, including its executive officers, covering an

aggregate of 2,941,731 shares of Common Stock (the "Emergence Awards"). The Emergence Awards granted to our executive officers generally will vest ratably on each of the first three anniversaries of the Effective Date, subject to, among other things, each such executive officer's continued employment with the Company. The Emergence Awards will become fully vested upon each such executive officer's termination of employment by the Company and its subsidiaries without Cause or by the executive for Good Reason (each, as defined in the award agreement) or due to a termination of employment with the Company and its subsidiaries by reason of death or Disability (as defined in the award agreement).

In order to receive the Emergence Awards, the executive officers must execute a restrictive covenant agreement (a "Restrictive Covenant Agreement") which requires the recipient to: (1) maintain the confidentiality of the Company's confidential information, (2) not compete with the Company during the term of employment and for a period of twelve months thereafter, and (3) not solicit the Company's employees or customers during the period of employment and for a period of twelve months thereafter.

The foregoing description of the 2017 Incentive Plan, Restricted Stock Unit Agreements and Restrictive Covenant Agreements does not purport to be complete and is qualified in its entirety by reference to the full text of the 2017 Incentive Plan, the full text of the Form of Restricted Stock Unit Agreement, and the full text of the Form of Restrictive Covenant Agreement, copies of which are included as Exhibits 10.6, 10.7 and 10.8, respectively, to this Current Report on Form 8-K and incorporated by reference herein.

Other Items

Also, in connection with the Company's emergence from the Chapter 11 Cases, Mr. Kellow executed the standard participation agreement for the Peabody Energy Corporation 2015 Amended and Restated Executive Severance Plan (the "Executive Severance Plan"), commiserate with the Company's previously disclosed intent for its executives to transition from employment agreements to its Executive Severance Plan. Mr. Kellow's participation in the Executive Severance Plan will be upon terms materially consistent with the previously disclosed terms of the plan. None of the Company's executive officers are parties to employment agreements and, with the addition of Mr. Kellow, all of the Company's executive officers are now covered by the Executive Severance Plan.
