GOLDCORP ANNOUNCES NEW CREDIT FACILITY

(All figures are in US dollars unless stated otherwise)

Vancouver, British Columbia - May 21, 2007 - Goldcorp Inc. (GG:NYSE; G:TSX) today announced that it has entered into a \$1.5 billion credit facility with a syndicate of twelve lenders.

The credit facility replaces the Company's existing credit facilities. It is intended to be used to finance growth opportunities and for general corporate purposes. The floating rate facility is unsecured and amounts drawn are required to be financed or repaid by May 18, 2012.

"Funds from recent transactions and our continued strong cash flow have resulted in Goldcorp being essentially debt-free in the current quarter," said Kevin McArthur, Goldcorp President and Chief Executive Officer. "This facility is consistent with the liquidity needs of a company our size, and it enables us to finance the mine construction activities that underpin the best growth profile in the gold mining industry."

For the facility, Bank of Montreal acted as Co-Lead Arranger, Administrative Agent and Sole Bookrunner and Bank of Nova Scotia acted as Co-Lead Arranger, Syndication Agent and Processing Agent.

Goldcorp is one of the world's lowest-cost and fastest growing multi-million ounce gold producers with operations throughout the Americas. The Company does not hedge its gold production.

Cautionary Note Regarding Forward-Looking Statements

This press release contains "forward-looking statements", within the meaning of the United States Private Securities Litigation Reform Act of 1995 and applicable Canadian securities legislation, concerning the business, operations and financial performance and condition of Goldcorp. Forward-looking statements include, but are not limited to, statements with respect to the future price of gold, silver, copper, lead and zinc, the estimation of mineral reserves and resources, the realization of mineral reserve estimates, the timing and amount of estimated future production, costs of production, capital expenditures, costs and timing of the development of new deposits, success of exploration activities, permitting time lines, hedging practices, currency exchange rate fluctuations, requirements for additional capital, government regulation of mining operations, environmental risks, unanticipated reclamation expenses, timing and possible outcome of pending litigation, title disputes or claims and limitations on insurance coverage. Generally, these forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Forward-looking statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Goldcorp to be materially different from those expressed or implied by such forward-looking statements, including but not limited to: risks related to the integration of acquisitions; risks related to international operations; risks related to joint venture operations; actual results of current exploration activities; actual results of current reclamation

activities; conclusions of economic evaluations; changes in project parameters as plans continue to be refined; future prices of gold, silver, copper, lead and zinc; possible variations in ore reserves, grade or recovery rates; failure of plant, equipment or processes to operate as anticipated; accidents, labour disputes and other risks of the mining industry; delays in obtaining governmental approvals or financing or in the completion of development or construction activities, as well as those factors discussed in the section entitled "Description of the Business - Risk Factors" in Goldcorp's Annual Information Form for the year ended December 31, 2006, available on www.sedar.com, and Form 40-F for the year ended December 31, 2006 on file with the United States Securities and Exchange Commission in Washington, D.C. Although Goldcorp has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. Goldcorp does not undertake to update any forward-looking statements that are incorporated by reference herein, except in accordance with applicable securities laws.
