**Item 8.01 Other Events.**

On July 22, 2016, Geron Corporation (the Company or Geron) entered into a stipulation of settlement that will resolve (i) the consolidated state derivative lawsuits titled *Oriente v. Scarlett, et al.*, Case No. CIV 528121 and *Cavel v. Scarlett, et al.*, Case No. CIV 535151, pending in the Superior Court of the State of California, County of San Mateo (collectively, the State Derivative Action), and (ii) the consolidated federal derivative lawsuits titled *DiLaura v. Scarlett, et al.*, Case No. 4:15-CV-02989 and *Haddock v. Scarlett, et al.*, Case No. 3:15-CV-03007, pending in the United States District Court, Northern District of California (collectively, the Federal Derivative Action). The State Derivative Action and the Federal Derivative Action are referred to collectively as the Derivative Actions. Geron's current and former employees and directors named as individual defendants in the Derivative Actions have also entered into the stipulation of settlement. The stipulation of settlement remains subject to preliminary and final approval by the Superior Court of the State of California, County of San Mateo (the Superior Court of California).

If the settlement is approved preliminarily by the Superior Court of California, Geron's stockholders will be notified of the proposed settlement and the procedure by which they can object to the settlement. The settlement will then be subject to final approval by the Superior Court of California.

Subject to final approval of the settlement by the Superior Court of California, and in exchange for a release of all claims by the plaintiffs to the Derivative Actions and a dismissal of the Derivative Actions with prejudice, the Company has agreed to (i) implement certain corporate governance refinements and (ii) instruct the Company's insurer to pay the plaintiffs' attorneys a total of \$950,000 United States dollars.

The stipulation of settlement does not involve the stockholder class actions consolidated under the caption *In re: Geron Corporation Securities Litigation*, Case No. 3:14-CV-01224-CRB, which is currently pending in the United States District Court, Northern District of California.
