## **Report on review of interim financial information**

To the Members of the Board of Directors and Management

Braskem S.A.

Camaçari - Bahia

### **Introduction**

We have reviewed the accompanying individual and consolidated interim financial information of Braskem S.A. (the “Company”) included in the Quarterly Financial Information for the quarter ended September 30, 2015, which comprises the balance sheet as of September 30, 2015, the statements of profit or loss and comprehensive income for the three-month and the nine-month periods then ended, changes in equity and cash flows for the nine-month period then ended, and notes to the interim financial information.

Management is responsible for the preparation and presentation of this individual interim financial information in accordance with CPC 21(R1) Technical Pronouncement - Interim Financial Information and the consolidated interim financial information in accordance with CPC 21(R1) and international standard IAS 34 - *Interim Financial Reporting*, issued by the *International Accounting Standards Board* - IASB, as well as for the presentation of this quarterly information in accordance with the standards issued by the Brazilian Securities and Exchange Commission, applicable to the preparation of interim financial information. Our responsibility is to express a conclusion on this interim financial information based on our review.

### **Scope of review**

We conducted our review in accordance with Brazilian and international review standards applicable to interim financial information (NBC TR 2410 - *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* and ISRE 2410 - *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*, respectively). A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Conclusion on the individual interim financial information**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying individual interim financial information referred to above is not prepared, in all material respects, in accordance with CPC 21(R1) applicable to the preparation of interim financial information and presented in accordance with the standards issued by the Brazilian Securities and Exchange Commission.

**Conclusion on the consolidated interim financial information**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying consolidated interim financial information referred to above is not prepared, in all material respects, in accordance with CPC 21(R1) and IAS 34, issued by IASB, applicable to the preparation of interim financial information and presented in accordance with the standards issued by the Brazilian Securities and Exchange Commission.

---

### **Emphasis of a matter**

We call attention to note 20 (a) to the interim financial information which discloses events and the actions taken by the Company with respect to the ongoing internal investigations. Our conclusion does not have a change related to this issue.

### **Other matters**

#### *Statements of value added*

We also reviewed the individual and consolidated statements of value added for the nine-month period ended September 30, 2015, prepared under the responsibility of the Company's management, whose presentation on the interim financial information is required under the standards issued by CVM - Brazilian Securities and Exchange Commission applicable to the preparation of Interim Financial Information and considered as additional information by IFRS, which do not require the presentation of the statement of value added. These financial statements have been submitted to the same review procedures described above and, based on our review, nothing has come to our attention that causes us to believe that the accompanying statements of value added are not prepared, in all material respects, in accordance with the individual and consolidated interim financial information taken as a whole.

#### *Corresponding figures*

The corresponding figures related to the balance sheets, individual and consolidated, as of December 31, 2014 and to the interim financial information related to the statements of profit or loss and comprehensive income for the three-month and nine-month periods and of the statements of changes in equity, cash flows and value added for the nine-month periods ended September 30, 2014, presented for comparison purposes in the interim financial information for the current period, have been audited and reviewed by other independent auditors, who issued reports dated February 12, 2015 and November 6, 2014, respectively, without any modification.
