PROXY STATEMENT

FOR

MEETING OF STOCKHOLDERS

TUESDAY, APRIL 26, 2011

INTRODUCTION

The annual meeting of stockholders (the “Meeting”) of PGT, Inc., a Delaware corporation (“PGT,” “we,” “us,” “our,” or the “Company”) will be held on Tuesday, April 26, 2011, beginning at 11:30 a.m., local time, at the Roosevelt Hotel, Madison Avenue at 45th Street, New York, New York 10017. We encourage all of our stockholders to vote, and we hope that the information contained in this document will help you decide how you wish to vote.

The Board of Directors does not intend to bring any matter before the Meeting except as specifically indicated in the notice and does not know of anyone else who intends to do so. If any other matters properly come before the Meeting, however, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Meeting, will be authorized to vote or otherwise act thereon in accordance with their judgment on such matters. If the enclosed proxy is properly executed and returned to, and received by, the Company prior to voting at the Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. In the absence of instructions, the shares will be voted “FOR” Proposal One, the nominees of the Board of Directors in the election of the four directors whose terms of office will extend until the 2014 annual meeting of stockholders and until their respective successors are duly elected and qualified; and “FOR” Proposal Two, the ratification of the appointment of Ernst & Young LLP as the Company’s independent registered public accounting firm for the 2011 fiscal year. Any proxy may be revoked at any time before its exercise by notifying the Secretary of PGT in writing, by delivering a duly executed proxy bearing a later date, or by attending the Meeting and voting in person.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to Be Held on April 26, 2011:

The proxy statement for the Meeting, the Annual Report to Stockholders and our
Annual Report on Form 10-K for the 2010 Fiscal Year Ended January 1, 2011
are available at www.pgtproxy.com.

THE MEETING OF STOCKHOLDERS

Why did I receive these proxy materials?

We are furnishing this proxy statement in connection with the solicitation by the Company’s Board of Directors of proxies to be voted at the Meeting and at any adjournment or postponement of the Meeting. At the Meeting, stockholders will act upon the following proposals to:

- Elect four directors, nominated by our Board of Directors, to serve until our 2014 annual meeting of the stockholders and until their respective successors shall have been duly elected and qualified;
- Ratify the appointment of Ernst & Young, LLP as the Company's independent registered public accounting firm for the 2011 fiscal year; and
 - Act on any other matter that may properly come before the Meeting.

These proxy solicitation materials are being sent to our stockholders on or about April 5, 2011.

What do I need to attend the Meeting?

Attendance at the Meeting is limited to stockholders. Registration will begin at 11:00 a.m., local time, and each stockholder will be asked to present a valid form of personal identification. Cameras, recording devices and other electronic devices will not be permitted at the Meeting. Additional rules of conduct regarding the Meeting will be provided at the Meeting.

Who is entitled to vote at the Meeting?

The Board of Directors has determined that those stockholders who are recorded in our record books as owning shares of PGT common stock as of the close of business on April 1, 2011, are entitled to receive notice of and to vote at the Meeting. As of the record date, there were 53,670,135 shares of PGT common stock issued and outstanding. Your shares may be (1) held directly in your name as the stockholder of record and/or (2) held for you as the beneficial owner through a stockbroker, bank or other nominee. Our common stock is our only class of outstanding voting securities. Each share of common stock is entitled to one vote on each matter properly brought before the Meeting. There are no dissenters' rights of appraisal in connection with any stockholder vote to be taken at the Meeting.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Most of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by us. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Meeting. We have enclosed or sent a proxy card for you to use.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or nominee which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker on how to vote your shares and are also invited to attend the Meeting. However, because you are not the stockholder of record, you may not vote these shares in person at the Meeting unless you obtain a signed proxy from the record holder giving you the right to vote the shares. Your broker, bank or nominee has enclosed or provided a voting instruction card for you to use in directing the broker or nominee how to vote your shares. If you do not provide the stockholder of record with voting instructions, your shares may constitute broker non-votes. The effect of broker non-votes is more specifically described in "What vote is required to approve each item?" below.

How can I vote my shares in person at the Meeting?

Shares of PGT common stock held directly in your name as the stockholder of record may be voted in person at the Meeting.

SHARES HELD BENEFICIALLY IN STREET NAME MAY BE VOTED IN PERSON BY YOU ONLY IF YOU OBTAIN A SIGNED PROXY FROM THE RECORD HOLDER GIVING YOU THE RIGHT TO VOTE THE SHARES.

EVEN IF YOU CURRENTLY PLAN TO ATTEND THE MEETING, WE RECOMMEND THAT YOU ALSO SUBMIT YOUR PROXY AS DESCRIBED BELOW SO THAT YOUR VOTE WILL BE COUNTED IF YOU LATER DECIDE NOT TO ATTEND THE MEETING.

How can I vote my shares without attending the Meeting?

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct your vote without attending the Meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker, bank or nominee.

Please refer to the summary instructions below and those included on your proxy card or, for shares held in street name, the voting instruction card included by your broker, bank or nominee.

BY INTERNET OR TELEPHONE – If you hold shares through a broker or other nominee in “street name,” you may be able to vote by the internet or telephone as permitted by your broker or nominee. The availability of internet and telephone voting for beneficial owners will depend on the voting process of your broker, bank or other holder of record. Therefore, we recommend that you follow the voting instructions you receive.

BY MAIL — You may vote by mail by marking, signing and dating your proxy card or, for shares held in street name, the voting instruction card included by your broker, bank or nominee and mailing it in the accompanying enclosed, pre-addressed envelope. If you provide specific voting instructions, your shares will be voted as you instruct. If the pre-addressed envelope is missing, please mail your completed proxy card to American Stock Transfer & Trust Company, LLC, 6201 15th Avenue, Brooklyn, New York 11219, Attn: Proxy Department.

If you cast your vote in any of the ways set forth above, your shares of PGT common stock will be voted in accordance with your voting instructions, unless you validly revoke your proxy. If you are a stockholder of record and you sign and return your proxy card or complete the internet or telephone voting procedures, but you do not specify how you want to vote your shares, we will vote them “FOR” Proposal One and Proposal Two. We do not currently anticipate that any other matters will be presented for action at the Meeting. If any other matters are properly presented for action, the persons named on your proxy will vote your shares of PGT common stock on these other matters in their discretion, under the discretionary authority you have granted to them in your proxy.

If you own shares in “street name” through a broker and you do not provide instructions to your broker on how to vote your shares, your broker has discretion to vote these shares on certain “routine” matters, including the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm. However, on non-routine matters such as the election of directors your broker must receive voting instructions from you, since it does not have discretionary voting power for these proposals. So long as the broker has discretion to vote on at least one proposal, these “broker non-votes” are counted toward establishing a quorum. When voted on “routine” matters, broker non-votes are counted toward determining the outcome of that “routine” matter. Therefore, it is important that you provide voting instructions to your bank, broker, or other nominee.

Can I change my vote after I submit my proxy?

Yes. Even after you have submitted your proxy, you may change your vote at any time prior to the close of voting at the Meeting by:

- filing with our Secretary at 1070 Technology Drive, North Venice, Florida 34275 a signed, original written notice of revocation dated later than the proxy you submitted,
 - submitting a duly executed proxy bearing a later date,
 - voting by telephone or internet on a later date, or
 - attending the Meeting and voting in person.

In order to revoke your proxy, prior to the Meeting, we must receive an original notice of revocation of your proxy at the address above sent by U.S. mail or overnight courier. If you grant a proxy, you are not prevented from attending the Meeting and voting in person. However, your attendance at the Meeting will not by itself revoke a proxy that you have previously granted; you must vote in person at the Meeting to revoke your proxy.

If your shares of PGT common stock are held in a stock brokerage account or by a bank or other nominee, you may revoke your proxy by following the instructions provided by your broker, bank or nominee.

All shares of PGT common stock that have been properly voted and not revoked will be voted at the Meeting.

Is there a list of stockholders entitled to vote at the Meeting?

A complete list of stockholders entitled to vote at the Meeting will be available for examination by PGT stockholders for any purpose germane to the Meeting, during regular business hours, for a period of ten days prior to the Meeting, at the Company’s principal place of business and at the Meeting.

What constitutes a quorum to transact business at the Meeting?

Before any business may be transacted at the Meeting, a quorum must be present. The presence at the Meeting, in person or by proxy, of the holders of a majority of the shares of PGT common stock outstanding and entitled to vote on the record date will constitute a quorum. At the close of business on the record date, 53,670,135 shares of our

common stock were issued and outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the Meeting for purposes of a quorum.

What is the recommendation of the Board of Directors?

Our Board of Directors recommends a vote “FOR” the election of our four nominees to the Board of Directors and “FOR” the ratification of the appointment of Ernst & Young LLP as the Company’s independent registered public accounting firm for the 2011 fiscal year.

What vote is required to approve each item?

Directors named in Proposal One are elected by a plurality of the votes present in person or represented by proxy and entitled to vote, and the director nominees who receive the greatest number of votes at the Meeting (up to the number of directors to be elected) will be elected. You may vote “FOR” or “WITHHELD” with respect to election of directors. Shares will be voted, if authority to do so is not withheld, for election of the Board of Directors’ nominees named in Proposal One. Only votes “FOR” or “WITHHELD” are counted in determining whether a plurality has been cast in favor of a director. Broker non-votes, if any, will not affect the outcome of the vote on the election of directors.

The affirmative vote of at least a majority of our issued and outstanding common stock present, in person or by proxy, at the Meeting and entitled to vote on Proposal Two will be required to ratify the appointment of Ernst & Young LLP as the Company’s independent registered public accounting firm for the 2011 fiscal year. Abstentions will have the same effect as votes “AGAINST” Proposal Two.

The affirmative vote of at least a majority of our issued and outstanding common stock present, in person or by proxy, and entitled to vote at the Meeting will be required to approve any stockholder proposal.

As noted above, a “broker non-vote” occurs when a bank, broker or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. If you are a beneficial owner, your bank, broker or other holder of record is permitted to vote your shares on “routine” matters even if the record holder does not receive voting instructions from you. Absent instructions from you, the record holder may not vote on any “non-discretionary” matter, including the election of directors and any stockholder proposal. Without your voting instructions, a broker non-vote will occur. An “abstention” occurs at the Meeting if your shares of our common stock are deemed to be present at the Meeting, either because you attend the Meeting or because you have properly completed and returned a proxy, but you do not vote on any proposal or other matter which is required to be voted on by our stockholders at the Meeting, or, when applicable, if you specify that you wish to “abstain” from voting on an item. You should consult your broker if you have questions about this.

What does it mean if I receive more than one proxy or voting instruction card?

It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Where can I find the voting results of the Meeting?

We will announce preliminary voting results at the Meeting and will publicly disclose results in a Current Report on Form 8-K within four business days of the date of the Meeting.

Who will count the votes?

A representative of American Stock Transfer & Trust Company, LLC, our transfer agent, will both tabulate the votes and serve as the inspector of election.

Who will pay for the cost of this proxy solicitation?

We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. We will request banks, brokers, nominees,

custodians and other fiduciaries, who hold shares of PGT common stock in street name, to forward these proxy solicitation materials to the beneficial owners of those shares, and we will reimburse them the reasonable out-of-pocket expenses they incur in doing so.

How can I access the Company's proxy materials and annual report electronically?

A copy of our Annual Report on Form 10-K for the fiscal year ended January 1, 2011 as filed with the United States Securities and Exchange Commission ("SEC") on March 21, 2011, is being mailed concurrently with this proxy statement to all stockholders entitled to notice of and to vote at the Meeting. A copy of our Annual Report on Form 10-K and these proxy materials are available without charge at www.pgtproxy.com. References to our website in this proxy statement are not intended to function as hyperlinks, and the information contained on our website is not intended to be incorporated into this proxy statement. These proxy materials are also available in print to stockholders without charge and upon request, addressed to PGT, Inc., 1070 Technology Drive, North Venice, Florida 34275, Attention: Secretary. You are encouraged to access and review all of the important information contained in the proxy materials before voting.

May I propose actions for consideration at next year's annual meeting of stockholders?

Any proposals that our stockholders wish to have included in our proxy statement and form of proxy for the 2012 annual meeting of stockholders must be received by us no later than the close of business on December 7, 2011 and must otherwise comply with the requirements of Rule 14a-8 under the Exchange Act. The Company's bylaws provide that, in order for a stockholder to propose any matter for consideration at an annual meeting of the Company other than matters set forth in the Notice of Meeting such stockholder must have given timely prior written notice to the Corporate Secretary of the Company of such stockholder's intention to bring such business before the meeting. To be timely for the 2012 Annual Meeting of Stockholders, notice must be received by the Company not less than ninety days nor more than one hundred twenty days prior to April 26, 2012, which will be the anniversary date of the prior year's meeting (or if the meeting date for the 2012 annual meeting is not within thirty days before or after the anniversary date of the prior year's meeting, then not later than the tenth day following the first to occur of the day on which the notice of the date of the meeting is mailed or public disclosure thereof is made). Such notice must contain certain information about such business and the stockholder who proposes to bring the business before the meeting, including a brief description of the business the stockholder proposes to bring before the meeting, the reasons for conducting such business at the annual meeting, the name and address of the stockholder, the class and number of shares of common stock owned beneficially or of record by such stockholder, any material interest of such stockholder in the business so proposed and a representation that such stockholder intends to appear in person or by proxy at the annual meeting to bring such business before the Meeting. Any proposals should be sent to:

NO PERSON IS AUTHORIZED TO GIVE ANY INFORMATION OR TO MAKE ANY REPRESENTATION OTHER THAN THOSE CONTAINED IN THIS PROXY STATEMENT AND, IF GIVEN OR MADE, SUCH INFORMATION MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED, AND THE DELIVERY OF THIS PROXY STATEMENT SHALL, UNDER NO CIRCUMSTANCES, CREATE ANY IMPLICATION THAT THERE HAS BEEN NO CHANGE IN THE AFFAIRS OF THE COMPANY SINCE THE DATE OF THIS PROXY STATEMENT.

PROPOSAL ONE –
ELECTION OF DIRECTORS

There are currently eleven members of our Board of Directors. Pursuant to the Company’s Amended and Restated Certificate of Incorporation, the Board is “classified,” which means it is divided into three classes of directors based on the expiration of their terms. Under the classified board arrangement, directors are elected to terms that expire on the annual meeting date three years following the annual meeting at which they were elected, and the terms are “staggered” so that the terms of approximately one-third of the directors expire each year. At the Meeting, our stockholders will elect four directors to hold office until the 2014 annual meeting of stockholders and until their respective successors have been duly elected and qualified. Accordingly, this Proposal One seeks the election of four directors (Messrs. Brett N. Milgrim, Ramsey A. Frank, Richard D. Feintuch, and Daniel Agroskin as Class II directors) whose terms expire in 2011.

The Board of Directors has nominated Messrs. Milgrim, Frank, Feintuch, and Agroskin to serve again as Class II directors until the 2014 annual meeting of stockholders and until their respective successors have been duly elected and qualified. Each nominee has consented to continue to serve as a director if elected at the Meeting. Should a nominee become unavailable to accept election as a director, the persons named in the enclosed proxy will vote the shares that such proxy represents for the election of such other person as the Board of Directors may nominate. We have no reason to believe that any of the nominees will be unable to serve.

THE BOARD OF DIRECTORS RECOMMENDS VOTING “FOR” THE ELECTION OF THE
FOUR CLASS II DIRECTOR NOMINEES.

Set forth below is certain information concerning each nominee for election as a director at the Meeting and each director whose current term of office will continue after the Meeting. Each of our directors brings to our Board a wealth of varied experience derived from service as executives, financial experts, subject experts and/or industry leaders. They also all bring extensive board experience. Specific considerations considered by the Board in the process undertaken in searching for and recommending qualified director candidates are described below under “Corporate Governance – Director Nomination Process - Policy Regarding Processes for Identifying and Evaluating Director Nominees”. The specific individual qualifications, experience, and skills of each of our directors that led to the conclusion that the individual should serve as a director of ours in light of our business and structure are described in the following paragraphs, and we believe that such qualifications, experience, and skills contribute to the Board’s effectiveness as a whole.

INFORMATION REGARDING THE BOARD AND ITS COMMITTEES

Board Purpose and Structure

The mission of the Board of Directors is to provide strategic guidance to the Company's management, to monitor the performance and ethical behavior of the Company's management, and to maximize the long-term financial return to the Company's stockholders, while considering and appropriately balancing the interests of other stakeholders and constituencies. The Board is constituted of eleven directors.

We currently separate the roles of Chief Executive Officer and Chairman of the Board. This structure properly reflects our belief that our stockholders' interests are best served by the day-to-day management direction of the Company under our co-founder, Mr. Hershberger, as President and Chief Executive Officer and the strong leadership, energy

and vision brought to the Board of Directors by our Chairman of the Board, Mr. Levy. We believe the two roles are innately and significantly different, and though our Chief Executive Officer is most familiar with the Company's business and industry, and most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy, our Chairman of the Board provides guidance to the Chief Executive Officer, presides over meetings of the full Board, and brings a depth of varied business and management experience which is unsurpassed in our organization.

Risk Oversight

The Board has an active role, as a whole and also at the committee level, in overseeing management of the Company's risks. The Board regularly receives information regarding the Company's credit, liquidity and operations from senior management. During its review of such information, the Board discusses, reviews and analyzes risks associated with each area, as well as risks associated with new business ventures and those relating to the Company's executive compensation plans and arrangements. As a result of such discussion, review and analysis, and considering input from the Compensation Committee, the Board determined that risks arising from the Company's compensation policies and practices are not reasonably likely to have a material adverse effect on the Company or its results. The Audit Committee oversees management of financial and compliance risks and potential conflicts of interest, and the entire Board of Directors is regularly informed through committee reports about such risks.

Director Independence

The Board of Directors applies standards in affirmatively determining whether a director is “independent,” in compliance with applicable SEC rules and the rules and listing standards of The NASDAQ Stock Market LLC (the “NASDAQ”). The Board of Directors, in applying the above-referenced standards, has affirmatively determined that Messrs. Feintuch, McHugh, Morgan, Sherman, and White are “independent” directors. As part of the Board’s process in making such determination, it also determined that each such director has no other “material relationship” with the Company that could interfere with his ability to exercise independent judgment.

The Board of Directors includes one management director, Mr. Hershberger, who is the Company’s President and CEO. The Board of Directors has determined that Mr. Hershberger is not independent under the rules and listing standards of NASDAQ. In addition, our Board of Directors includes the following non-management directors about whom the Board of Directors has made no determination with respect to independence: Chairman Levy and Messrs. Agroskin, Castaldi, Frank and Milgrim, each of whom is or was affiliated with JLL Partners, Inc. As described below in “—Controlled Company Exemption and Committees,” we are a “Controlled Company” under the rules of NASDAQ and, as a result, are exempt from the requirement that our Board of Directors consist of a majority of independent directors.

As part of its annual evaluation of director independence, the Board examined (among other things) whether any transactions or relationships exist currently (or existed during the past three years), between each independent director and the Company, its subsidiaries, affiliates, equity investors, or independent auditors and the nature of those relationships under the relevant NASDAQ and SEC standards. The Board also examined whether there are (or have been within the past year) any transactions or relationships between each independent director and any executive officer of PGT or its affiliates. As a result of this evaluation, the Board has affirmatively determined that each independent director is independent under those criteria. Independent directors meet in regularly scheduled executive sessions outside the presence of other directors and management representatives. Interested parties, including stockholders, may communicate with the Chairman of the Board of Directors or the independent directors as a group through the process described in this Proxy Statement under the heading “Corporate Governance — Director Nomination Process - Policy on Stockholder Recommendations for Director Candidates and Stockholder-Director Communication.”

Board Meetings and Attendance

In 2010, including both regularly scheduled and special meetings, our Board of Directors met a total of six times, the Audit Committee met a total of four times and the Compensation Committee, in addition to numerous calls and various other interactions, officially met once. During 2010, two of the meetings of the Board of Directors were attended by 100% of the Company’s directors, three were attended by all but one director, and one was attended by all but two directors. Additionally, in 2010, 100% of the members of the Audit Committee attended all of the meetings of such committee, and 100% of the members of the Compensation Committee attended all of the meetings of such committee. Pursuant to the PGT, Inc. Policy on Director Attendance at the Annual Meeting of Stockholders, which can be obtained without charge in the “Investors” section of our Company website at www.pgtindustries.com under the heading “Corporate Governance,” all directors are strongly encouraged to attend the annual meeting in person. Any director who is unable to attend an annual meeting of stockholders is expected to notify the Chairman of the Board in advance of such meeting. All members except three of the Company’s Board of Directors, including each nominee for election as a director and each director whose then current term of office continued after the meeting, attended our 2010 annual meeting of stockholders held on April 6, 2010, and, with the exception of Mr. Frank, all members of the Company’s Board of Directors attended greater than 75% of the aggregate of the total meetings of the Board of Directors and the total meetings held by all committees on which each such director served.

Controlled Company Exemption and Committees

As of the date hereof, we are a “Controlled Company” for purposes of Rule 5615(c) of the NASDAQ Marketplace Rules (the “NASDAQ Rules”) by virtue of the fact that our majority stockholder holds more than 50% of the voting power of our common stock. As a Controlled Company, we are exempt from the provisions of the NASDAQ Rules that require us to have a board of directors comprised of a majority of independent directors and to maintain compensation and nominating committees comprised solely of independent directors. Accordingly, the Board does not have a standing nominating committee. The Board has two standing committees: the Audit Committee and the Compensation Committee. The Board believes that in light of its current status as a Controlled Company and its adoption of the Policy Regarding Processes for Identifying and Evaluating Director Nominees, it has in place adequate processes to identify, evaluate, select and nominate qualified director candidates. As and when openings occur on the Board, which may result from a vacancy created by an increase in the size of the Board or as part of the annual election cycle, the Board intends to consider nominee recommendations from a variety of sources, including nominees, if any, recommended by stockholders, and the Board may retain an executive search firm to help facilitate the screening and interview process of director nominees. Though no specific minimum age, education, experience, or skill requirements for potential members, have been established, in general, the Board expects that qualified candidates will have a record and reputation for honest and ethical conduct in both his or her professional and personal activities, as well as the ability to make meaningful contributions to the Board’s oversight of the business and affairs of the Company. The Board also intends to consider each candidate’s judgment, independence, skill, diversity of background, viewpoint, professional experience, and skill, and conflicts of interest and commitments, among other factors. If we cease to be a Controlled Company under the NASDAQ Rules, we will come into full compliance with all of the requirements thereof within the applicable transition periods provided by the NASDAQ Rules.

Audit Committee

The Audit Committee's purpose is to assist the Board of Directors in fulfilling its responsibilities with respect to the oversight of the accounting and financial reporting practices of PGT, including oversight of the integrity of our financial statements and compliance with legal and regulatory requirements, the qualifications and independence of our independent registered public accounting firm, and the performance of our independent registered public accounting firm. The Audit Committee also reviews the adequacy of staff and management performance and procedures in connection with financial and disclosure controls, including our system to monitor and manage business risks and legal and ethical compliance programs. The Audit Committee also is charged with preparation of an audit committee report, retention and termination of our independent registered public accounting firm, annual review of the report of our independent registered public accounting firm, and discussion with our independent registered public accounting firm of the audited annual and unaudited quarterly financial statements of PGT and any audit problems or difficulties and management's response thereto. The Audit Committee Charter can be obtained without charge in the "Investors" section of our Company website at www.pgtindustries.com under the heading "Corporate Governance."

The Audit Committee is comprised of three independent directors (as that term is defined by the NASDAQ listing standards and SEC regulations), Messrs. Feintuch, McHugh and Morgan. Mr. McHugh serves as the Chairman of the Audit Committee. The Audit Committee met four times during 2010. During each meeting, the Audit Committee met privately with the Company's independent registered public accounting firm. The Board of Directors has: (i) affirmatively determined that all Audit Committee members are financially literate and possess "financial sophistication" as defined by the NASDAQ listing standards; (ii) has designated Messrs. McHugh and Morgan, as audit committee "financial experts" as defined by SEC rules; and (iii) determined that Messrs. Feintuch, McHugh and Morgan meet the independence standards of both the SEC rules and the NASDAQ Rules for Audit Committee members.

Compensation Committee

The Compensation Committee determines the compensation of our executive officers, including our Chief Executive Officer and Chief Financial Officer. The Compensation Committee also reviews and reassesses the compensation paid to members of our Board for their service on our Board and Board committees and recommends any changes in compensation to the full Board for its approval. In addition, the Compensation Committee authorizes all stock option and other equity-based awards to employees and non-employee directors under our stock option and equity incentive plans. The Compensation Committee, in addition to numerous calls and various other interactions, officially met one (1) time during 2010. For information about our compensation program, the role of the Compensation Committee and the engagement of compensation consultants in setting executive compensation, see "Executive Compensation - Compensation Discussion and Analysis." The Compensation Committee charter can be obtained without charge in the "Investors" section of our Company website at www.pgtindustries.com in the section titled "Corporate Governance."

The Compensation Committee is comprised of three directors, Messrs. Castaldi, Feintuch and Sherman, of whom Messrs. Feintuch and Sherman are independent directors (as that term is defined by the NASDAQ listing standards and SEC regulations). Mr. Castaldi serves as Chairman of the Compensation Committee and, given his experience and knowledge of the Company, the Board of Directors determined that the service of Mr. Castaldi on the Compensation Committee is in the best interests of the Company and its stockholders.

Information on the Compensation of Directors

In recognition of financial sacrifices being made by employees, including all of our Named Executive Officers, all non-management directors other than those affiliated with JLL Partners, Inc. voted to temporarily reduce their annual cash retainer by 16%, effective as of the beginning of the Company's second quarter in 2009, and our Board of Directors ratified such vote. Additionally, the Compensation Committee recommended, and on October 27, 2009, the Board of Directors approved, the following changes regarding compensation of directors for the Company's 2010

No Material Proceedings

There were no material proceedings to which any of our directors, executive officers or affiliates, or any owner of record or beneficially of more than five percent of our common stock (or their associates), is a party adverse to the Company or its subsidiary or has a material interest adverse to the Company or its subsidiary.

CORPORATE GOVERNANCE

We are committed to conducting our business in a way that reflects best practices, as well as the highest standards of legal and ethical conduct. We want to be a company of integrity and to be perceived as such by everyone who comes in contact with us. To that end, the Board of Directors has approved a comprehensive system of corporate governance documents. These documents meet or exceed the requirements established by the NASDAQ listing standards and by SEC rules and are reviewed periodically and updated as necessary to reflect changes in regulatory requirements and evolving oversight practices. These policies embody the principles, policies, processes, and practices followed by the Board, executive officers and employees in governing the Company, and serve as a flexible framework for sound corporate governance.

Code of Business Conduct and Ethics

Properly reflecting PGT's desire and commitment to conducting business in the highest ethical and legal standards, on June 2, 2006 our Board of Directors adopted: (i) a Code of Business Conduct and Ethics that applies to the Company's directors, officers and employees, (ii) a Supplemental Code of Ethics for our Chief Executive Officer, President, and Senior Financial Officers, and (iii) a Policy on Insider Trading. Our Compliance Committee, comprised of representatives from our Legal, Finance, and Human Resources departments, administers our Code of Business Conduct and Ethics, and our General Counsel administers our Supplemental Code of Ethics and our Policy on Insider Trading.

The Company's Code of Business Conduct and Ethics includes provisions ranging from restrictions on gifts and respect for colleagues to conflicts of interest and fraud. In the case of communications to the Board or any group or committee of directors, the General Counsel’s office will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope or e-mail is addressed.

Policy Regarding Processes for Identifying and Evaluating Director Nominees

Each member of our Board of Directors participates in the consideration of director nominees. The Board of Directors has adopted a Policy Regarding Processes for Identifying and Evaluating Director Nominees that describes the process followed by the Board to identify, evaluate, select and nominate director candidates. A copy of the Policy Regarding Processes for Identifying and Evaluating Director Nominees is available without charge in the “Investors” section of our Company website at www.pgtindustries.com under the heading “Corporate Governance.”

The Board of Directors believes that the minimum qualifications for serving as a director of the Company are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board’s oversight of the business and affairs of the Company and have a record and reputation for honest and ethical conduct in both his or her professional and personal activities. Nominees for director shall be those people who the Board believes, after taking into account, among other things, their skills, expertise, integrity, character, judgment, age, independence, corporate experience, length of service, conflicts of interest and commitments, including, among other things, service on the boards (or comparable governing bodies) of other public companies, private business companies, charities, civic bodies or similar organizations and other qualities, will enhance the Board’s ability to manage and direct, in an effective manner, the affairs and business of the Company, including, when applicable, to enhance the ability of committees of the Board to fulfill their duties and satisfy any independence requirements imposed by law, regulation or NASDAQ listing requirements. While the Board of Directors has not adopted a formal policy with respect to diversity, our Board of Directors seeks directors who have a diversity of experience, expertise, viewpoints, skills, and specialized knowledge.

The Board will identify potential nominees by asking current directors and executive officers to notify the Board if they become aware of persons meeting the criterion described above or by engaging a firm or firms that specialize in identifying director candidates. The Board also will consider candidates recommended by stockholders as described above.

Notwithstanding the foregoing, so long as the Company continues to be a Controlled Company (within the meaning of NASDAQ Rule 5615(c)), the Board will be guided by the recommendations of the Company’s majority stockholder, in its nomination process.

Auditor Services Pre-Approval Policy

The Audit Committee Charter, available in the “Investors” section of our Company’s website at www.pgtindustries.com under the heading “Corporate Governance”, tasks the Audit Committee with the responsibility of appointing, compensating, retaining and overseeing the work of the Company’s independent registered public accounting firm, and defines the principles and procedures followed by the Audit Committee in overseeing the annual audit, quarterly reviews, financial reporting process and internal controls.

The Audit Committee is responsible for pre-approving all audit services and permitted non-audit services (including the fees and retention terms) to be performed for us by Ernst & Young LLP prior to their engagement for such services. The Audit Committee has adopted a pre-approval policy pursuant to which the Audit Committee establishes detailed pre-approved categories of non-audit services that may be performed by Ernst & Young LLP during the fiscal year, subject to dollar limitations set by the Audit Committee. All of the fees paid to Ernst & Young LLP and corresponding services provided under the categories Audit-Related Fees, Tax Fees and All Other Fees were pre-approved by the Audit Committee, and none of such fees were approved in reliance on the de minimis exception established by the SEC.

Procedures for Anonymous Reporting Regarding Accounting and Auditing Matters

In accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee also has established procedures for the receipt, retention, and treatment of complaints regarding accounting, internal accounting controls, or auditing matters and for the confidential, anonymous submission by our employees of concerns regarding accounting or auditing matters.

PROPOSAL TWO –
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM

The Audit Committee appointed Ernst & Young LLP, independent registered public accounting firm, to audit the consolidated financial statements of the Company for the 2011 fiscal year ending December 31, 2011. As a matter of good corporate governance, the Company's stockholders will be requested to ratify the Audit Committee's selection at the Meeting. Ernst & Young LLP has audited the Company's consolidated financial statements since 2001.

Although there is no requirement that Ernst & Young LLP's appointment be terminated if the ratification fails, the Audit Committee will consider the appointment of other independent registered public accounting firms if the stockholders choose not to ratify the appointment of Ernst & Young LLP. A representative of Ernst & Young LLP will be present at the Meeting, will not have the opportunity to make a statement, but will be available to answer appropriate questions. The Audit Committee may terminate the appointment of Ernst & Young LLP as our independent registered public accounting firm without the approval of the stockholders whenever the Audit Committee deems such termination appropriate.

Amounts paid by us to Ernst & Young LLP for audit and non-audit services rendered in 2010 and 2009 are disclosed on page 33.

Ernst & Young LLP has affirmed that they are not aware of any relationships between Ernst & Young LLP and the Company that may reasonably be thought to bear on their independence.

The Audit Committee approves the annual audit fee of the Company's independent auditors. Unless otherwise indicated, each person or entity named in the table has sole voting and investment power, or shares voting and investment power with his or her spouse, with respect to all shares of stock listed as owned by that person. The number of shares shown does not include the interest of certain persons in shares held by family members in their own right. Shares issuable upon the exercise of options that are exercisable within 60 days of March 23, 2011 are considered outstanding for the purpose of calculating the percentage of outstanding shares of our common stock held by the individual, but not for the purpose of calculating the percentage of outstanding shares held by any other individual.

EXECUTIVE COMPENSATION – COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy and Objectives

Our goal in establishing the executive compensation structure is to attract, retain and reward key leaders who drive both near-term and long-term value for our stockholders. Our compensation structure is designed to reward leadership skills, operating performance and financial accomplishments. We also believe that successful compensation programs for executive officers and other key employees, including the Named Executive Officers, must further the following primary objectives:

- ensure employee interests are aligned with the enhancement of stockholder value;
- attract and retain quality leaders;
- reward consistent and superior performance for exemplary company and individual performance; and
- provide incentives to enhance future performance and increased levels of responsibility.

All compensation policies and decisions are designed to reward employees, including the Named Executive Officers, who demonstrate the capacity to make significant contributions to our operational, financial and competitive performance, thereby furthering the first primary objective referred to above. Key factors to increase or decrease compensation include:

- the nature, scope and level of the individual's responsibilities;
- our overall performance and profitability, which we primarily measure by net sales, EBITDA, and return on operating investment;

- our long-term stock price performance and total return to stockholders; and
- the employee's performance compared to goals and objectives.

Compensation to our Named Executive Officers is intended to be competitive with that of similar companies. As part of our assessment, we look to the compensation paid to individuals with similar responsibilities at peer companies. Because peer selection is somewhat difficult due to the lack of publicly-traded companies with which we compete and the lack of available data for privately-held competitors, we focus primarily on compensation levels within our relevant labor market to ensure that PGT's compensation arrangements are in line with companies of its size.

Based on our assessment, we believe our total direct annual compensation to senior management (including our Named Executive Officers), comprised of total cash compensation and the annualized expected value of long-term incentive awards is generally at or below the level of total direct compensation for our peer group.

However, for purposes of determining appropriate levels of certain aspects of executive compensation for our Named Executive Officers, we also compared base salaries, annual bonus targets and longer-term incentive targets against the median levels of such compensation elements at a selected peer group of similarly situated companies. Following are the most relevant companies included in our peer group which were selected for a variety of reasons which included industry, revenue size, investor comparisons, and competition for talent:

Gibraltar Industries, Inc.
Eagle Materials, Inc.
American Woodmark Corp.
TrexCo, Inc.
Ply Gem Industries, Inc.
Atrium Companies, Inc.

Additionally, based on our assessment we do not believe our compensation programs encourage excessive risk-taking, nor do we believe that they are reasonably likely to have a material adverse effect on our company.

Roles and Responsibilities

The Compensation Committee of the Board of Directors (“Compensation Committee”) has the primary responsibility for assisting the Board in the development, evaluation, and approval of our executive compensation programs. Our President and our Executive Vice President assist the Compensation Committee in administering our compensation programs. Matters considered by the Compensation Committee include, but are not limited to, competitive market information, current industry trends, compensation practices and guidelines, and, in years when the Compensation Committee engages a consultant, research by an independent compensation consultant. In general, the roles are discussed below; additional details regarding the roles of each are discussed throughout this Compensation Discussion and Analysis section.

Compensation Committee - As discussed above under “Information Regarding the Board and its Committees – Controlled Company Exemption and Committees,” our Compensation Committee was formed in 2007. Until the Compensation Committee was formed, the Board maintained direct authority and responsibility for the review, evaluation and approval of the compensation structure and level for all of our executive officers. The Compensation Committee’s primary responsibilities include: (1) establishing, in consultation with management, the Company’s general compensation and incentive philosophy; (2) establishing, reviewing and recommending approval of the Chief Executive Officer’s annual compensation, and evaluating his performance in light of the goals and objectives of the Company’s executive compensation plans, (3) evaluating the appropriate level of compensation for Board and committee service by members of the Board, (4) reviewing incentive compensation programs to ensure unnecessary risk is not encouraged, and (5) overseeing the long-term incentive plan, the annual cash incentive plan and any other equity-based awards.

Management - In collaboration with the Compensation Committee and considering information provided by the compensation consultants, in years when one is retained by the Compensation Committee, our President and our Executive Vice President coordinate the annual review of the compensation programs for senior management, including certain Named Executive Officers. Such review includes an evaluation of individual and Company performance, competitive practices and trends, and various compensation issues. Based on the outcomes of this review, management makes recommendations to the Compensation Committee regarding the compensation of each of the Named Executive Officers, other than the Chief Executive Officer.

Our senior leadership team (which includes representation from each of the Company's major functional areas) sets our strategic business and operational objectives and strives to design and develop compensation programs that motivate leadership behaviors consistent with such objectives.

Compensation Consultant - In 2008, the Compensation Committee retained the services of Deloitte Consulting, LLP ("Deloitte"), a compensation consultant, to assist in evaluating and discussing our compensation structure. The role of the consultant was to advise the Compensation Committee and management in the executive compensation design process, provide independent compensation data and analysis to facilitate a review of the Company's compensation programs, and advise the Compensation Committee in its oversight role. Deloitte attended meetings with our Compensation Committee and management as needed. Specifically, Deloitte analyzed our then-current incentive compensation arrangements for the executive team, including each of the Named Executive Officers; and utilized a group of peer companies in recommending an appropriate structure for incentive compensation, including a long-term incentive plan through which the interests of management are directly aligned with those of our stockholders. Deloitte's fees for consulting advice to the Compensation Committee for the year ended January 3, 2009 were approximately \$25,000. In the Company's fiscal year 2008, Deloitte also provided certain services to the Company relating to compliance with the Sarbanes-Oxley Act, and earned fees relating to such services of approximately \$33,000. While we may use Deloitte for one-time, discrete projects (separate from the consulting advice provided to the Compensation Committee) in the future, the Compensation Committee believes that Deloitte is able to provide independent advice to the Compensation Committee. In 2010 and 2009, the Compensation Committee did not engage a compensation consultant.

Compensation Actions for 2010

When evaluating and setting the 2010 executive compensation relative to our performance, the Compensation Committee and management took into account the economic environment in which we are currently operating, the state of the housing market, unemployment rates both nationally and in the Company's core markets, the national credit crisis, and sensitivity regarding executive pay. We believe our programs have a balanced approach and properly reflect our views that, in challenging times such as these, senior management, including the Named Executive Officers, should sacrifice in the interest of the Company with the expectation that, in more profitable years, such sacrifices will be rewarded. Continuing recent, tangible examples of such sacrifices are evidenced by the fact that (i) in fiscal years 2009 and 2010, excluding increases in connection with acquiring significant additional responsibilities, none of our Named Executive Officers received a base salary increase; and (ii) beginning in the second quarter of 2009, all salaried employees, including the Named Executive Officers, agreed to a temporary 16% salary decrease, which was eliminated in the third quarter of 2010, and salaries were returned to historic levels. The aggregate effect of these actions helped to strengthen our financial position, better enabling us to compete in the long term.

Compensation Elements We Used in 2010

The following items summarize the essential elements used as compensation tools to reward and retain our named executives officers during fiscal 2010:

- Annual Base Salary. Base salaries for our executives depend on the scope of their responsibilities and performance. Our objectives are to target annual base salary at the median level and to make it competitive, when taken in conjunction with the other compensatory elements;
- Annual Cash Incentive Plan. For each executive, we use annual cash bonuses for the achievement of annual company and individual performance objectives;
- Long-Term Equity-Based Incentives. Our long-term equity based incentives recognize leadership accomplishments, scope of responsibilities and performance, retain our executives and align their interest with long-term stockholder value. We believe grants of stock options effectively focus our executives on delivering long-term value for PGT and its stockholders; and
- Executive Benefit and Perquisites. As the Company seeks to maintain a classless culture in our facilities and operations, our executive compensation program remains relatively free of executive benefits and perquisites. Such benefits and perquisites which do exist, however, are described below.

Annual Base Salary

Our Compensation Committee separately considers the salary and bonus of our President. In determining his annual compensation, our Compensation Committee considers the highly competitive industry in which we operate and the unique experience he brings to the position as well as his contributions to our long-term performance.

For our other Named Executive Officers, our President provides our Compensation Committee with recommendations regarding compensation. Our Compensation Committee reviews such recommendations and approves annual compensation for Named Executive Officers, consisting of base salary and target bonus (discussed below), on an annual basis. Our Compensation Committee may request additional information and analysis and ultimately determines in its discretion, based on its own analysis and judgment and the recommendations of the President, whether to approve any recommended changes in compensation.

Our goal is to pay each Named Executive Officer a base salary sufficient to remain competitive in the market. Our base salaries are less performance based than our annual cash bonuses and long term equity-based incentives. See the “Summary Compensation Table” for a listing of our Named Executive Officers. At the end of fiscal 2010, Mr. Hershberger’s base salary was \$360,000 per year, Mr. Jackson’s base salary was \$300,000 per year, Mr. McCutcheon’s base salary was \$185,000 per year, Mrs. LaPinska’s base salary was \$195,000 per year and Mr. Burns’ base salary was \$175,000 per year. Base salary paid to the Named Executive Officers in 2010 constituted approximately the following percentages of their total compensation as set forth in the Summary Compensation Table: Mr. Hershberger: 22%; Mr. Jackson: 26%; Mr. Burns: 22%; Mr. McCutcheon 33%; and Mrs. LaPinska 24%.

Annual Cash Incentive Plan

In order to provide incentives for future annual performance, we believe that a substantial portion of each Named Executive Officer's total potential compensation should be in the form of a bonus, the amount of which is based upon both individual and Company performance. Accordingly, our policy is to allocate an amount equal to a target range of 40% to 70% of a Named Executive Officer's annual base salary to performance based cash bonus awards. The target percentage of each Named Executive Officer's annual base salary is determined by comparing the total annual cash compensation, including cash incentives, paid to individuals with similar responsibilities at peer companies, to the Named Executive Officer's annual base salary.

Our Board of Directors established annual cash bonus targets as a percentage of salary under the 2010 Annual Incentive Plan ("2010 AIP") for each Named Executive Officer. As a percentage of base salary, these targets were 70% for Mr. Hershberger, 60% for Mr. Jackson and 40% for Messrs. McCutcheon and Burns, and Mrs. LaPinska. The 2011 AIP is designed to pay out based on the following percentages:

- 20% based on net sales,
- 35% based on EBITDA,

- 20% based on return on operating investment, and
- 25% based on discretionary factors.

Amounts earned under the portions of the 2010 AIP based on net sales, EBITDA or return on operating investment were 35%, 53%, and 0%, respectively. In addition, our Board of Directors approved a bonus under the portion of the 2010 AIP based on discretionary factors including, among other things, management's success in actions taken to respond to the severe market and economic downturns that have had a negative effect on our Company. Substantially all employees of the Company who participated in the 2010 AIP were awarded bonuses under its discretionary portion, including the Named Executive Officers.

Payments of cash bonuses made to participants in 2011 related to the 2010 AIP are included in the Summary Compensation Table in the column titled "Non-Equity Incentive Plan Compensation".

On March 31, 2011, our Board of Directors approved the details of the 2011 AIP. The 2011 AIP established annual cash bonus targets as a percentage of salary for each Named Executive Officer. As a percentage of base salary, these targets are 100% for Mr. Hershberger, 75% for Mr. Jackson, and 40% for Messrs. McCutcheon and Burns and Mrs. LaPinska, and are:

- 20% based on net sales,
- 35% based on EBITDA,
- 20% based on return on operating investment, and
- 25% based on discretionary factors.

If PGT achieves less than 100% of its target for net sales, EBITDA, or return on operating investment, the corresponding percentage of the opportunity based on such respective measurement will be reduced accordingly. Conversely, if PGT achieves greater than 100% of its target for net sales, EBITDA, or return on operating investment, the corresponding percentage of the opportunity based on such respective measurement will be increased, to a maximum of 175%. Specific targets, for each of the above, are set so they can only be achieved through performance that exceeds that which is generally expected in the current economic and industrial environment. As such, Company-wide performance at these targeted levels, which is required for an executive officer to obtain his/her target annual cash bonus, is challenging.

Long-Term Equity-Based Incentives

We believe the best way to align the interests of the Named Executive Officers and our stockholders are for such officers to own a meaningful amount of our common stock, or have the opportunity to purchase a meaningful amount of our common stock through the grant of stock options. In order to reach this objective and to retain our executives, we granted equity-based awards to Named Executive Officers in the form of stock options.

Long-term incentive compensation, rather than reflecting a single year's results, is intended to reward performance over the long-term. Our practice had been to structure this long-term incentive compensation in the form of options and restricted stock granted under the Company's Long-Term Incentive Plan, or LTIP. All outstanding options have an exercise price equal to the fair market value of the common stock on the date of grant. Options granted to officers and employees have been granted on, or shortly after, the date that PGT's Board of Directors authorized the grant of the option.

The Board of Directors of the Company determined that, as a result of economic conditions that adversely affected the Company and the industry in which the Company competes, the options held by certain designated employees had exercise prices that were significantly above the current market price of the Company's common stock and that the grants of replacement options would help the Company retain and provide additional incentive to such designated employees and align their interests with those of the Company's stockholders.

Therefore, on March 18, 2010, the Board of Directors approved the cancellation and termination of the then-current option agreements of certain designated employees of the Company, including our Named Executive Officers, and the grant of replacement options under the Company's Amended and Restated 2006 Equity Incentive Plan. This program was voted on and approved by the Company's shareholders at the Company's 2010 Annual Meeting.

Executive Benefits and Perquisites

Our executive compensation program remains relatively free of fringe benefits and perquisites. Generally, benefits and perquisites available to executive officers are available to all employees on similar terms.

The Company does not provide its executive officers separate dining or other facilities, company cars, club dues, or other similar perquisites. Company-provided air travel for executive officers is for business purposes only. The Company's use of non-commercial aircraft on a rental basis is limited to appropriate business-only travel. The Company's health care, insurance, 401(k) plan, and other welfare and employee-benefit programs are the same for all eligible employees, including the Named Executive Officers. In certain situations, we provide our Named Executive Officers with expense reimbursement relating to relocation. Additionally, the Company does, within certain limits, provide our products free of charge to executive officers for installation in their respective primary residences. The Company does not, however, pay for the cost of installing such product.

We provide the above-described executive benefits and perquisites in order to attract and retain executive officers by offering compensation opportunities that are competitive with those offered by similarly situated public companies. However, such executive benefits and perquisites represent a relatively small portion of their total compensation. The value of benefits and perquisites provided are presented in the "All Other Compensation" column (and described in the related footnotes) of the "Summary Compensation Table".

Other Compensation

Retirement/Post-Employment Benefits. The Company does not provide any retirement programs, pension benefits or deferred compensation plans to its Named Executive Officers other than its 401(k) plan, which is available to all employees.

(1) These columns show the range of payouts targeted for 2010 performance under the PGT, Inc. 2010 Annual Incentive Plan. The 2010 Annual Incentive Plan is described in the section titled "Annual Cash Incentive Plan" in the Compensation Discussion and Analysis. Payments of cash bonuses to be made to participants in 2011 related to the 2010 AIP are included in the Summary Compensation Table in the column titled "Non-Equity Incentive Plan Compensation".

(2) Amounts shown reflect the aggregate fair value of option awards calculated in accordance with FASB ASC Topic 718. The stock option values represent the incremental fair value of the options awarded in 2010, less than the value of the options and share awards surrendered in exchange for the new options, detailed below. The value of the new options were calculated using (a) the number of option shares awarded as of the grant date and (b) the Black-Scholes method of stock option valuation. The value of the surrendered options was determined using (a) the number of option shares cancelled on April 6, 2010, and (b) the Black-Scholes method of stock option valuation using assumptions in place on April 6, 2010. The cancelled share award values were calculated using (a) the number of share awards surrendered on April 6, 2010 (b) the market value of the stock on that date.

(3) In connection with the new options granted on April 6, 2010, Mr. Hershberger surrendered 152,277 options which had an exercise price of \$8.64 and 89,679 shares of unvested restricted

stock.

Employment Agreements

Effective on February 20, 2009, the Named Executive Officers (other than Mr. Burns who executed his employment agreement on January 11, 2010) individually, entered into employment agreements with the Company that superseded and replaced any prior employment agreements entered into by each named executive and the Company.

Pursuant to the new employment agreements, in the event that (a) the executive's employment is terminated by the Company without "cause" (as defined in the employment agreement) or (b) the executive terminates his or her employment for "good reason" (as defined in the employment agreement), the executive is entitled to (1) continuation of his/her base salary for twelve months after the date of termination (except in the case of Messrs. Hershberger and Jackson, for whom the period is 24 months and 18 months, respectively), (2) payment by the Company of applicable premiums for medical benefits for twelve months following the date of termination (except in the case of Messrs. Hershberger and Jackson for whom the period is 18 months); and (3) payment in a lump sum of an amount of cash equal to 100% of the executive's target incentive amount (except for Messrs. Hershberger and Jackson from whom such percentage is 200% and 150%, respectively) payable under the Company's annual incentive plan for the award period ending in which the termination of employment occurred.

Should the executive terminate his/her employment other than for "good reason", the Company will continue to pay such executive's salary for the shorter of thirty days or the notice period provided by the executive with respect to his/her termination. Further, under each employment agreement, in the event that the executive's employment is terminated by his or her death or disability (as defined in the employment agreement), the Company will pay to the executive (or, in the case of death, to his or her designated beneficiary) his or her base salary for a period of twelve months.

Each employment agreement also provides that during the executive's employment with the Company and at all times thereafter, he or she may not disclose any confidential information of the Company and that all inventions of the executive shall belong exclusively to the Company. In addition, each employment agreement provides that during the executive's employment with the Company and for two years thereafter, unless the employment agreement is terminated by the Company without "cause" or by such executive for "good reason", in which case the period will be the duration of the executive's employment with the Company and for one year thereafter, the executive may not directly or indirectly compete with the Company or solicit employees of the Company.

The following table summarizes the value of the termination payments and benefits that each of our Named Executive Officers would receive under the circumstances shown had such circumstances occurred on the last business day of our fiscal year 2010. The amounts shown in the table exclude distributions under our 401(k) retirement plan and any additional benefits that are generally available to all of our salaried employees.

IMPACT OF TAX TREATMENTS ON COMPENSATION

Section 162(m) of the Internal Revenue Code limits the tax deduction for public companies to \$1 million for compensation paid to a company's chief executive officer or any of the four other most highly compensated executive officers. Qualifying performance-based compensation is not subject to the deduction limit if Internal Revenue Code requirements are met. We believe that stock options granted under our long-term incentive plans would qualify as performance-based compensation. While such stock options vest over a specified period of time contingent upon the option holder's continued employment with the Company, such stock options only have value if the Company's performance results in a stock price higher than the price on the date of grant. In addition, we believe that annual cash bonus awards would qualify as performance-based compensation. In contrast, restricted stock awards, do not qualify as performance-based compensation because they have immediate value (at a minimum, once the restrictions are released) irrespective of the Company's performance.

While we seek to take advantage of favorable tax treatment for executive compensation where appropriate, the primary drivers for determining the amount and form of executive compensation must be the retention and motivation of superior executive talent rather than tax-based considerations.

All related party transactions are reviewed and, as appropriate, may be approved or ratified by the Board of Directors based upon our written policies and procedures. If a Director is involved in the transaction, he may not participate in any review, approval or ratification of such transaction. Related party transactions are approved by the Board of Directors only if, based on all of the facts and circumstances, they are in, or not inconsistent with, the best interests of the Company and the best interests of our stockholders, as the Board of Directors determines in good faith. The Board of Directors takes into account, among other factors it deems appropriate, whether the transaction is on terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related party's interest in the transaction. The Board of Directors may also impose such conditions as it deems necessary and appropriate on the Company or the related party in connection with the transaction.

In the case of a transaction presented to the Board of Directors for ratification, the Board of Directors may ratify the transaction or determine whether rescission of the transaction is appropriate.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Since January 3, 2010 (the first day of the Company's 2010 fiscal year), there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or are to be a party in which the amount involved exceeds \$120,000 and in which any director, nominee for director, executive officer or holder of more than 5% of our common stock, or an immediate family member of any of the foregoing, had or will have a direct or indirect interest other than compensation arrangements, which are described above.

In the ordinary course of business, we sell windows to Builders FirstSource, Inc., a company controlled by affiliates of JLL Partners, Inc. One of our directors, Floyd F. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. In addition, the Audit Committee has received from Ernst & Young LLP the written disclosures and letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding Ernst & Young LLP's communications with the Audit Committee concerning independence, and the Audit Committee has had discussions with Ernst & Young LLP regarding its independence from the Company and its management.

Based on the reviews and discussions described above, the Audit Committee recommended to our Board of Directors, and the Board of Directors approved, inclusion of the audited consolidated financial statements for the fiscal year ended January 1, 2011 in our Annual Report on Form 10-K for 2010 for filing with the SEC.
