Section 8 - Other Events

Item 8.01 Other Events.

We initiated operations of a newly organized, wholly owned subsidiary, Telerad Service, Inc., a Nevada corporation. This subsidiary is in the business of providing radiological interpretation readings and report services for the subsidiary's clients who provide diagnostic services to their patients. These clients include a variety of hospitals, clinics and others. This subsidiary began generating modest revenues in June, which will be reported in our quarterly report on Form 10-Q for the quarter ended June 30, 2008. The subsidiary employs radiologists on a non-exclusive basis each of whom is compensated based on the number of reports he or she generates. We are not able to estimate the revenues which the subsidiary may generate in future periods.
