Section 7 Regulation FD

Item 7.01 Regulation FD.

The Company is furnishing under Item 7.01 of this Current Report on Form 8-K the information included as Exhibit 99.1 to this report. The Exhibit contains certain information about the Company, its financial and operating results, competitive position, fleet strategy and business strategy. This information is being presented at meetings with investors or is otherwise being made available to interested parties. Statements in the presentation included as Exhibit 99.1 regarding the airline industry and market conditions for aircraft are based on management's views of current market conditions.

The information in Sections 7 and 9 of this Current Report on Form 8-K, including the information set forth in the Exhibit, is furnished pursuant to Item 7.01 of Form 8-K and shall not be deemed to be "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities of that Section. As such, this information shall not be incorporated by reference into any of the Company's reports or other filings made with the Securities and Exchange Commission.

Forward-Looking Statements: Under the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, statements in the management presentation that are not historical facts are forward-looking statements. These forward-looking statements are only estimates or predictions based on our management's beliefs and assumptions and on information currently available to our management. Forward-looking statements may include, among others, our ability to negotiate definitive agreements with respect to and to consummate announced transactions, timing of aircraft deliveries, future operating costs, future capacity growth, future capital expenditures, availability of used aircraft in the future and other statements or comments about our future performance or strategic plans. Forward-looking statements include all statements that are not historical facts and can be identified by the use of forward-looking terminology such as the words "believe," "expect," "guidance," "anticipate," "intend," "plan," "estimate," "project", "hope" or similar expressions.

Forward-looking statements involve risks, uncertainties and assumptions. Actual results may differ materially from those expressed in the forward-looking statements. Important risk factors that could cause our results to differ materially from those expressed in the forward-looking statements generally may be found in our periodic reports and registration statements filed with the Securities and Exchange Commission at www.sec.gov. These risk factors include, without limitation, high fuel costs, the effect of the economic downturn on leisure travel, debt covenants, terrorist attacks, risks inherent to airlines, demand for air services to our leisure destinations from the markets served by us, unionization efforts, our dependence on our leisure destination markets, our competitive environment, problems with our aircraft, our reliance on our automated systems, economic and other conditions in markets in which we operate, aging aircraft and other governmental regulation, increases in maintenance costs and cyclical and seasonal fluctuations in our operating results.

Edgar Filing: Allegiant Travel CO - Form 8-K

Any forward-looking statements are based on information available to us today and we undertake no obligation to update publicly any forward-looking statements, whether as a result of future events, new information or otherwise.
