-

Item 8.01 Other Events.

On May 26, 2016, Flexion Therapeutics, Inc. (“Flexion”) reported that on May 25, 2016 it had received written responses from the U.S. Food & Drug Administration (“FDA”) to questions Flexion had submitted in advance of a pre-New Drug Application (“NDA”) meeting regarding its lead product candidate, Zilretta™ (also known as FX006). The FDA indicated in its responses that the safety and efficacy data from the registration program for Zilretta are acceptable to support filing of an NDA submission. Based on this positive FDA feedback, Flexion has determined to forgo the in-person pre-NDA meeting and the FDA’s written responses will serve as the official meeting minutes.

On May 26, 2016, Flexion issued a press release related to the written responses from the FDA. A copy of the press release is attached as Exhibit 99.1 hereto.

Item 9.01 Financial Statements and Exhibits.
(d) Exhibits.
