Pursuant to the instructions of Item 9.01(a)(4) of Form 8-K, Norfolk Southern Corporation (NSC) is filing this Current Report on Form 8-K/A in order to amend its Current Report on Form 8-K filed on September 2, 2004, and incorporated herein by reference, to provide certain financial disclosures required by Item 9.01 with respect to the acquisition of the assets of Pennsylvania Lines LLC (PRR). Item 9.01 of this Current Report on Form 8-K/A contains the supplemental financial information.

## Section 9 - Financial Statements and Exhibits

### Item 9.01. Financial Statements and Exhibits.

- (a) Attached hereto as Exhibit 99 are the financial statements of PRR as of December 31, 2003.
- (b) A limited number of pro forma adjustments are required to illustrate the effects of the transaction on NSC's balance sheet and income statement. As permitted by Article 11-02(b)(1) of Regulation S-X (17 C.F.R. 210.11-02(b)(1)), the pro forma effects of the acquisition are described below.

Pursuant to the transaction (Conrail Reorganization) described in its Current Report on Form 8-K filed on September 2, 2004, Norfolk Southern Railway Company (NSR) became the direct owner, and NSC, through its wholly-owned subsidiary NSR, became the indirect owner of all of PRR's assets. Prior to the consummation of the Conrail Reorganization, NSC's financial statements already included the effects of its equity investment in Conrail. As a result of the transaction, NSC's investment in Conrail no longer includes amounts related to PRR and NYC. Instead, the assets and liabilities of PRR are reflected in their respective line items in NSC's Consolidated Balance Sheet and amounts due to PRR were extinguished.

The following summarizes the effect of the transaction on NSC's Consolidated Balance Sheet (\$ in millions):

Properties	\$	8,368
Extinguishment of amounts due to PRR		870
Other assets and liabilities, net		177
Deferred income taxes		(3,113)
Long-term debt, including current maturities		<u>(734)</u>
Net assets received		5,568
Investment in Conrail		<u>(5,515)</u>
Gain from Conrail corporate reorganization	\$	<u>53</u>

The amounts shown above for the net assets received reflect the fair value of such assets. Properties have been valued based on information received from an independent valuation consultant, and NSC will receive a final detailed valuation report in the fourth quarter. Debt has been recorded at fair value based on interest rates at the time of the reorganization.

Edgar Filing: NORFOLK SOUTHERN CORP - Form 8-K/A

On the Consolidated Income Statement, "Conrail rents and services" is reduced as a result of the transaction. After the Conrail Reorganization, "Conrail rents and services" reflects only the expenses associated with the Shared Assets Areas, and other expenses (primarily the depreciation related to the PRR assets) are reflected in their respective line items. The transaction's impact on net income was the \$53 million gain discussed above. Prospectively, the transaction will not have a significant ongoing effect on net income.

This Current Report on Form 8-K/A contains forward-looking statements. These statements reflect our current understanding with respect to planned future events and are based on assumptions and subject to risks and uncertainties. Given these uncertainties, you should not place undue reliance on these forward-looking statements. These forward looking statements represent our estimates and assumptions only as of the date of this report, and we do not assume any obligation to update any of these statements.
