INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The Company is subject to the informational and reporting requirements of Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934 (the "Exchange Act"), and, in accordance therewith, files reports, proxy statements and other information with the Securities and Exchange Commission (the "Commission"). The following documents previously filed by the Company with the Commission are incorporated by reference:

- (a) The Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2017 filed with the Commission on August 10, 2017;
- (b) The Annual Reports on Form 11-K for the year ended December 31, 2016 filed with the Commission on June 20, 2017 with respect to the 401(k) and Puerto Rico 401(k) Plans; and
- (c) The description of the common shares contained in the Company's Registration Statement on Form 8-A dated August 19, 1994, pursuant to Section 12 of the Exchange Act, and all amendments and reports filed for the purpose of updating such description, including the Current Reports on Form 8-K filed on August 10, 2012 and November 9, 2015.

All documents filed by the Company with the Commission pursuant to Sections 13(a), 13(c), 14, and 15(d) of the Exchange Act, subsequent to the date of this registration statement and prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this registration statement and to be a part hereof from the date of filing of such documents. Any statement contained herein or in a document, all or a portion of which is incorporated or deemed to be incorporated by reference herein, shall be deemed to be modified or superseded for purposes of this registration statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or amended, to constitute a part of this registration statement.

Item 4. Description of Securities.

The deferred compensation obligations being registered pursuant to the DCP represent obligations of the Company to pay deferred compensation in the future ("deferred compensation obligations") in accordance with the terms of the DCP, which is filed as Exhibits 4.4 and 4.5 to this registration statement. Eligible employees and non-employee members of the Board of Directors of the Company are entitled to defer receipt of certain compensation into the DCP. All benefits under the DCP are unfunded and the Company is not required to establish any special or separate fund or make any other segregation of assets in order to provide a source of payment for its obligations under the DCP; provided, however, that in order to provide a source of payment for its obligations under the DCP, the Company may establish a trust fund. The deferred compensation obligations are general unsecured obligations of the Company subject to the claims of its general creditors.

The amount of compensation to be deferred by each participant is determined in accordance with the DCP based on elections by the participant. Under the DCP, amounts credited to a participant's account are credited with deemed

investment returns equal to the experience of certain investment funds offered under the DCP and selected by the participant. A participant generally may elect to have all or a portion of his or her account to be deemed invested in the Company's common shares. The deferred compensation obligations are generally payable upon a participant's separation from service with the Company, death or disability, subject to exceptions for in-service withdrawals upon the occurrence of an unforeseeable emergency. The deferred compensation obligations generally are payable in cash in the form of a lump-sum distribution or in installments, at the election of the participant.

A participant may designate one or more beneficiaries to receive any portion of the deferred compensation obligations payable in the event of death. Participants or beneficiaries may not anticipate, alienate, sell, transfer, assign or otherwise dispose of any right or interest in the plan in which they are participating. The Company reserves the right to amend or terminate the DCP.

Item 6. Indemnification of Directors and Officers.

Section 1701.13(E) of the Ohio Revised Code (the “Ohio Code”) sets forth conditions and limitations governing the indemnification of directors, officers and certain other persons. In general, the Ohio Code authorizes Ohio corporations to indemnify directors, officers and certain other persons from liability if the director, officer or certain other person acted in good faith and in a manner reasonably believed by the director, officer or certain other person to be in or not opposed to the best interests of the corporation, and, with respect to any criminal actions, if the director, officer or certain other person had no reasonable cause to believe his conduct was unlawful. In the case of an action by or on behalf of a corporation, indemnification may not be made (i) if the person seeking indemnification is adjudged liable for negligence or misconduct, unless an appropriate court determines such person is fairly and reasonably entitled to indemnification, or (ii) if liability asserted against such person concerns certain unlawful dividends, distributions and other payments. Section 1701.13(E) provides that to the extent a director, officer or certain other person has been successful on the merits or otherwise in defense of any such action, suit or proceeding, such individual shall be indemnified against expenses reasonably incurred in connection therewith. The indemnification authorized under Ohio law is not exclusive and is in addition to any other rights granted to officers and directors under the articles of incorporation or code of regulations of the corporation or any agreement with directors, officers and certain other persons. A corporation may purchase and maintain insurance or furnish similar protection on behalf of any director, officer or certain other person against any liability asserted against him and incurred by him in his capacity, or arising out of the status, as a director, officer or certain other person, whether or not the corporation would have the power to indemnify him against such liability under the Ohio Code.

Article 5 of the Company’s Restated Code of Regulations, as amended (the “Code of Regulations”), contains certain indemnification provisions adopted pursuant to authority contained in Section 1701.13(E) of the Ohio Code. The Code of Regulations provides that the Company shall, to the fullest extent authorized by law, including but not limited to the laws of the State of Ohio, indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that he or she is or was a director, officer, or employee of the Company, or is or was serving at the written request of the Company as a director, trustee, officer, employee, member, or manager of another corporation, domestic or foreign, nonprofit or for profit, limited liability company, partnership, joint venture, trust, or other enterprise, against expenses, including attorneys’ fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit, or proceeding. No amendment, termination, or repeal of Article 5, nor, to the fullest extent permitted by law, any modification of law, shall adversely affect or impair in any way the rights to be indemnified or to advancement of expenses pursuant to Article 5 with respect to any actions, omissions, transactions or facts occurring prior to the final adoption of such amendment, modification, termination or repeal. The Company has also entered into indemnification contracts with certain of its directors and executive officers which have terms similar to the indemnification provisions set forth in the Code of Regulations.

The Company maintains a directors’ and officers’ insurance policy that insures the officers and directors of the Company from claims arising out of an alleged wrongful act by such persons in their respective capacities as officers and directors of the Company.
