We have examined management's assertion, included in the accompanying Management Statement Regarding Compliance With Certain Provisions of the Investment Company Act of 1940, that the funds in Attachment I (hereafter referred to as the "Funds") complied with the requirements of subsections (b) and (c) of Rule 17f-2 under the Investment Company Act of 1940 (the "Act") as of October 31, 2002. Edgar Filing: FRANKLIN UNIVERSAL TRUST - Form 40-17F2

responsibility is to express an opinion on management's assertion about the Funds' compliance based on our examination.

Our examination was made in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Funds' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. Included among our procedures were the following tests performed as of October 31, 2002, and with respect to agreement of security purchases and sales, for the periods indicated:

- o Inspection of the records of Franklin/Templeton Investors Services, Inc. as they pertain to the security positions owned by the Funds and held in book entry form.
- o Reconciliation of such security positions to the books and records of the Funds.
- o Agreement of a sample of security purchases and sales since our last report to the books and records of the Funds.

We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination of the Funds' compliance with specified requirements.

In our opinion, management's assertion that the Funds were in compliance with the requirements of subsections (b) and (c) of Rule 17f-2 of the Investment Company Act of 1940 as of October 31, 2002 with respect to securities reflected in the investment accounts of the Funds are fairly stated, in all material respects.

This report is intended solely for the information and use of management and the Board of Directors and the Securities and Exchange Commission and is not intended to be and should not be used by anyone other than these specified parties.
