2006 ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD ON DECEMBER 4, 2006

---

SOLICITATION OF PROXIES

This proxy statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors (the "Board") of Scientific Industries, Inc., a Delaware corporation (the "Company"), for use at the 2006 Annual Meeting of Stockholders (the

## Edgar Filing: SCIENTIFIC INDUSTRIES INC - Form DEF 14A

"Annual Meeting") to be held at the Holiday Inn Hotel, 3845 Veterans Memorial Highway, Ronkonkoma, New York, 11779, on Monday, December 4, 2006, at 11:00 a.m. (New York time), and at any adjournments or postponements thereof.

At the Annual Meeting, stockholders of the Company will be asked to: (1) elect two Directors of the Company to serve until the Company's annual meeting of stockholders with respect to the fiscal year ending June 30, 2009, and the election and qualification of their respective successors; (2) ratify the appointment of Nussbaum Yates & Wolpov, P. C., as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2007; and (3) transact such other business as may properly come before the Annual Meeting and any adjournments or postponements thereof.

### RECORD DATE, VOTING RIGHTS

Only stockholders of record of the Company's Common Stock, par value \$0.05 per share (the "Common Stock"), as of the close of business on October 30, 2006 (the "Record Date"), are entitled to notice of and to vote at the Annual Meeting and any adjournments or postponements thereof. On the Record Date, there were 1,000,352 shares of Common Stock issued and outstanding. Each share of Common Stock is entitled to one vote.

The presence at the Annual Meeting, in person or by a properly executed proxy, of the holders of a majority of the outstanding shares of the Company's Common Stock as of the Record Date is necessary to constitute a quorum. Abstentions and broker "non-votes" are included in the determination of the number of shares of Common Stock present at the Annual Meeting for quorum purposes. A broker "non-vote" occurs when a nominee holding shares of Common Stock for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

### VOTING OF PROXIES, REVOCATION, SOLICITATION

All stockholders who deliver properly executed and dated proxies to the Company prior to the Annual Meeting will be deemed present at the Annual Meeting regardless of whether such proxies direct the proxy holders to vote for or against, or to withhold or abstain from voting. The proxies, when properly executed and returned to the Company, will be voted in accordance with the instructions given therein by the person executing the proxy. In the absence of instructions, properly executed proxies will be voted FOR (1) the election of the

Board's nominees, Arthur M. Borden and James S. Segasture, as Directors of the Company; and (2) the ratification of the appointment by the Board of Directors of Nussbaum Yates & Wolpov, P.C., as the Company's

## Edgar Filing: SCIENTIFIC INDUSTRIES INC - Form DEF 14A

independent registered public accounting firm for the fiscal year ending June 30, 2007.

Any stockholder who executes and delivers a proxy may revoke it at any time before it is voted by delivering a written notice of such revocation to the Secretary of the Company at the address of the Company set forth in this proxy statement, by submitting a properly executed proxy bearing a later date, or by appearing at the Annual Meeting and requesting the return of the proxy or by voting in person. In accordance with applicable rules, boxes and designated spaces are provided on the proxy card for stockholders to mark if they wish either to vote for or withhold authority to vote for the nominees for Directors, or to vote for or against or to abstain from voting for the proposal to ratify the appointment of the Company's independent registered public accounting firm.

A stockholder's attendance at the Annual Meeting will not, by itself, revoke a proxy given by that stockholder. Stockholders vote at the Annual Meeting by casting ballots (in person or by proxy), which are tabulated by a person who is appointed by the Board of Directors before the Annual Meeting to serve as inspector of election at the Annual Meeting and who has executed and verified an oath of office.

It is anticipated that this proxy statement, the enclosed proxy card and the Company's Annual Report will be mailed to the Company's stockholders on or about November 3, 2006.

### PROPOSAL 1

#### ELECTION OF DIRECTORS

##### GENERAL

The Company's Certificate of Incorporation provides for a classified Board of Directors, consisting of three classes, each class serving a three-year term on a staggered basis. The Board of Directors is currently comprised of five members, of whom two are Class A Directors, one is a Class B Director and two are Class C Directors. The Company has agreed in principle to acquire the outstanding capital stock of Altamira Instruments Inc., a privately held producer and seller of catalyst research instruments, and if effected, to appoint its President and principal stockholder, Grace Morin, a Director. In such event, the Board of Directors intends to expand the Board of Directors to six and appoint Ms. Morin as a Class B Director. At the Annual Meeting, two Class A Directors are to be elected to serve until the annual meeting of stockholders with respect to the fiscal year ending June 30, 2009, and until their

## Edgar Filing: SCIENTIFIC INDUSTRIES INC - Form DEF 14A

successors are duly elected and qualified. Shares of Common Stock represented by proxies solicited by the Board of Directors will be voted for the nominees hereinafter named if authority to do so is not specifically withheld. If for any reason said nominees shall become unavailable for election, which is not now anticipated, the proxies will be voted for a substitute nominee designated by the Board of Directors.

The Directors of the Company are elected by the affirmative vote of the holders of a plurality of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote. A plurality means that the nominee with the largest number of votes is elected as Director. In tabulating the vote, abstentions and broker "non-votes" will be disregarded and will have no effect on the outcome of the vote.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE ELECTION OF THE NOMINEES IDENTIFIED BELOW TO THE BOARD OF DIRECTORS.

### NOMINEES

The Board of Directors has designated Messrs. Arthur M. Borden and James S. Segasture, both currently Class A Directors, as their nominees for election.

Arthur M. Borden, Esq. (age 86), a Director since 1974, has been counsel to the law firm of Katen Muchin Zavis Rosenman (formerly Rosenman & Colin) during the past five years. He is a director of Supreme Industries, Inc., a nationwide manufacturer of specialized truck bodies.

James S. Segasture (age 70), a Director since 1991, has been a private investor since February 1990.

### OTHER DIRECTORS

Mr. Joseph I. Kesselman (age 81) is a Class B Director (the current term of Class B Directors expires at the annual meeting with respect to the fiscal year ending June 30, 2007). Mr. Kesselman, a Director since 1961 and Chairman of the Board of Directors from August 29, 2002 until February 2006, has been for more than five years a consultant to various corporations. He is a director of Nuclear and Environmental Protection Inc., Hopare Holding, S.A. (a Swiss company), and Infranor Inc., a developer and manufacturer of servo systems.

Joseph G. Cremonese (age 70) and Roger B. Knowles (age 81) are Class C Directors whose current terms expire at the annual meeting with respect to the fiscal year ending June 30, 2008.

Mr. Cremonese, a Director since November 2002 and Chairman of the Board since February 2006, has been a marketing consultant to the Company since 1996. He has been since 1991, President of Laboratory Innovation Company, Ltd., which is a vehicle for technology transfer and consulting services for companies engaged in the production and sale of products for science and biotechnology. Since

March 2003, Mr. Cremonese has been a director of and consultant to Proteomics, Inc., a producer of recombinant proteins for medical research. Prior to 1991, he had been employed by Fisher Scientific, which had been until May 2006 a distributor for and the largest customer of the Company.

Mr. Knowles, a Director since 1965, is retired. During the past five years he has been involved in liquidating various real estate and manufacturing concerns.

If the acquisition of Altamira Instruments, Inc. described above is effected, the Board of Directors intends to appoint Grace Morin as a Class B Director to serve until the Annual Meeting of Stockholders with respect to the fiscal year ending June 30, 2007. Ms. Morin has been President, Director and principal stockholder of Altamira since December 2003. Prior thereto she was a general business consultant for two years, and prior to that she was a member of senior management of a designer of gas flow environmental engineered products for approximately four years.

The Board of Directors acts as the Company's Audit Committee.

### MEETINGS

During the fiscal year ended June 30, 2006, the Board of Directors held seven meetings, at each of which all Directors were present.

### DIRECTORS' COMPENSATION AND OPTIONS

The Company currently pays each non-employee director a quarterly retainer of \$750 and a fee of \$500 for each meeting attended, plus reimbursement for out-of-pocket expenses incurred in connection with attendance at board meetings in the amount of \$50 or the Director's itemized expenses, whichever is greater. Mr. Joseph I. Kesselman, until February 2006, and Mr. Joseph G. Cremonese, since February 2006, also received as Chairman of the Board, a monthly fee of \$750. (See "Related Transactions" for consulting fees paid by the Company to Mr. Cremonese's affiliate). During fiscal 2006, the fees to non-employee Directors aggregated \$44,000.

Pursuant to the Company's 1992 Stock Option Plan ("1992 Plan") options to purchase 3,000 shares of Common Stock at the then fair market value were granted to each non-employee Director who was on the Board of Directors on the first business day of each March, in 1993, 1994, 1995, and 1996, namely Messrs. Borden, Kesselman, Knowles and Segasture. In addition, in December 1997 and through December 2001 the Board of Directors granted annually under the 1992 Plan options to purchase 4,000 shares of Common Stock to each of them exercisable at the fair market value on the date of grant. Accordingly, as

of June 30, 2006, the Company had granted under the 1992 Plan to the foregoing four non-employee Directors options to purchase an aggregate of 128,000 shares of Common Stock, or options to purchase 32,000 shares of Common Stock for each. The fair market value per share of Common Stock on the dates of grant ranged from \$0.50 for options granted in 1993 to \$2.40 in 2002. As of June 30, 2006, options under the 1992 Plan with respect to 58,000 shares had been exercised by the Directors. In addition, they had exercised options with respect to 48,000 shares granted to them prior to the adoption of the 1992 Plan.

Under the Company's 2002 Plan, none of the Directors at the time of the adoption by the Board of Directors of the 2002 Plan (subsequently approved by stockholders) were eligible to receive option grants. Mr. Joseph G. Cremonese who was elected Director at the 2002 Annual Meeting of Stockholders, was granted on December 1, 2003 an option to purchase

5,000 shares of Common Stock at the fair market value of \$1.35.

There is no arrangement or understanding between any executive officer and any person other than the Company regarding election as an officer. There are no family relationships between any Director and any executive officer of the Company.

The Company's employment agreements with Ms. Helena R. Santos and Mr. Robert P. Nichols are effective through December 31, 2006 and provide for base annual salaries of \$110,000 for Ms. Santos and \$105,000 for Mr. Nichols. ### PROPOSAL 2

#### APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors, subject to stockholders' approval, appointed Nussbaum Yates & Wolpow, P.C. ("NY&W") as the Company's independent registered public accounting firm of the Company for its financial statements for fiscal year ending June 30, 2007. NY&W has audited the consolidated financial statements of the Company since 1991. A representative of that firm is expected to be present at the Annual Meeting, and will have an opportunity to make a statement to the stockholders and will be available to respond to appropriate questions. The ratification of the appointment will require the affirmative vote of the holders of a majority of the outstanding shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote. Abstentions will be included in determining the number of shares of Common Stock present or represented and entitled to vote for purposes of approval and will have the effect of votes "against" the proposal. Broker "non-votes" will not be counted in determining the number of shares of Common Stock present or represented and entitled to vote to approve the proposal and will therefore not have the effect of votes either "for" or "against".

Stockholder ratification of the appointment is not required by the Company's Certificate of Incorporation or By-laws or otherwise. If the stockholders fail to ratify the appointment, the Board of Directors will reconsider whether to retain that firm. Even if the appointment is ratified, the Board of Directors in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Board of Directors determines that such a change would be in the best interests of the Company and its stockholders.

The following is a description of the fees incurred by the Company for services by NY&W during the fiscal years ended June 30, 2006 and 2005:

**Audit Fees:** The Company incurred fees of NY&W of approximately \$24,500 and \$23,400 in connection with its audit of the Company's financial statements for fiscal years ended June 30, 2006 and 2005, respectively, and \$2,850 and \$2,700 in connection with the review of the Company's interim financial statements included in the Company's Quarterly Reports on Form 10-QSB during the fiscal years ended June 30, 2006 and 2005, respectively.

## Edgar Filing: SCIENTIFIC INDUSTRIES INC - Form DEF 14A

**Tax Fees:** The Company incurred fees of NY&W of approximately \$4,000 for each of the fiscal years ended June 30, 2006 and 2005, in connection with preparation of the corporate tax returns.

**Financial Information Systems Design and Implementation Fees:** The Company did not engage NY&W during each of the two years to provide advice to the Company regarding financial information systems design and implementation.

**Other Fees:** The Company paid \$3,600 in fiscal 2005 to NY&W in connection with its review of amendments of the Company's annual and quarterly reports filed under the Securities Exchange Act of 1934 in fiscal 2005. NY&W did not perform other non-audit services in fiscal year 2006 or 2005.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF NUSSBAUM YATES & WOLPOW, P.C. AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING JUNE 30, 2007.

### OTHER MATTERS

The Board of Directors is not aware of any matters other than those set forth in this proxy statement that will be presented for action at the Annual Meeting; however, if any other matters properly come before the Annual Meeting, the persons named as proxies intend to vote the shares of Common Stock they represent in accordance with their judgment on such matters.

### ADDITIONAL INFORMATION

THE COMPANY'S ANNUAL REPORT TO STOCKHOLDERS FOR THE FISCAL YEAR ENDED JUNE 30, 2006, INCLUDES ITS ANNUAL REPORT ON FORM 10-KSB FOR THE YEAR WHICH WAS FILED WITH THE U.S. SECURITIES AND EXCHANGE COMMISSION ON SEPTEMBER 29, 2006. THE ANNUAL REPORT TO STOCKHOLDERS ON FORM 10-KSB IS NOT PART OF THIS PROXY MATERIAL, BUT IS BEING MAILED TO STOCKHOLDERS WITH THIS PROXY SOLICITATION.

### STOCKHOLDER PROPOSALS

Proposals of stockholders of the Company intended to be presented at the Company's 2007 Annual Meeting of Stockholders following the year ending June 30, 2007 must be received by the Secretary of the Company for inclusion in the appropriate proxy materials no later than July 7, 2007.

### EXPENSES AND SOLICITATION

The entire cost of soliciting proxies will be borne by the Company. In addition to the use of the mails, proxies may be solicited by officers, directors and regular

Edgar Filing: SCIENTIFIC INDUSTRIES INC - Form DEF 14A

employees of the Company personally or by telephone. No additional compensation will be paid to such persons for any additional solicitations. The Company will also request securities brokers, custodians, nominees and fiduciaries who hold shares of Common Stock of record to forward solicitation material to the beneficial owners of such shares, and will reimburse them for their reasonable out-of-pocket expenses in forwarding such soliciting materials.
