PROXY STATEMENT

2007 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON NOVEMBER 29, 2007

Solicitation of Proxies

This proxy statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors (the "Board") of Scientific Industries, Inc., a Delaware corporation (the "Company"), for use at the 2007 Annual Meeting of Stockholders (the "Annual Meeting") to be held at the Holiday Inn Hotel, 3845 Veterans Memorial Highway, Ronkonkoma, New York, 11779, on Thursday, November 29, 2007, at 11:00 a.m. (New York time), and at any adjournments or postponements thereof.

At the Annual Meeting, stockholders of the Company will be asked to:
(1) elect two Directors of the Company to serve until the Company's annual meeting of stockholders with respect to the fiscal year ending June 30, 2010,

Edgar Filing: SCIENTIFIC INDUSTRIES INC - Form DEF 14A

and the election and qualification of their respective successors; (2) ratify the appointment of Nussbaum Yates Berg Klein & Wolpow, LLP (formerly Nussbaum, Yates & Wolpow, P.C.), as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2008; and (3) transact such other business as may properly come before the Annual Meeting and any adjournments or postponements thereof.

Record Date, Voting Rights

Only stockholders of record of the Company's Common Stock, par value \$0.05 per share (the "Common Stock"), as of the close of business on October 18, 2007 (the "Record Date"), are entitled to notice of and to vote at the Annual Meeting and any adjournments or postponements thereof. On the Record Date, there were 1,145,352 shares of Common Stock issued and outstanding. Each share of Common Stock is entitled to one vote.

The presence at the Annual Meeting, in person or by a properly executed proxy, of the holders of a majority of the outstanding shares of the Company's Common Stock as of the Record Date is necessary to constitute a quorum. Abstentions and broker "non-votes" are included in the determination of the number of shares of Common Stock present at the Annual Meeting for quorum purposes. A broker "non-vote" occurs when a nominee holding shares of Common Stock for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Voting of Proxies, Revocation, Solicitation

All stockholders who deliver properly executed and dated proxies to the Company prior to the Annual Meeting will be deemed present at the Annual Meeting regardless of whether such proxies direct the proxy holders to vote for or against, or to withhold or abstain from voting. The proxies, when properly executed and returned to the Company, will be voted in accordance with the instructions given therein by the person executing the proxy. In the absence of instructions, properly executed proxies will be voted FOR (1) the election of the Board's nominees, Joseph I. Kesselman and Grace S. Morin, as Directors of the Company; and (2) the ratification of the appointment by the Board of Directors of Nussbaum Yates Berg Klein & Wolpow, LLP, as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2008.

Any stockholder who executes and delivers a proxy may revoke it at any time before it is voted by delivering a written notice of such revocation to the Secretary of the Company at the address of the Company set forth in this proxy statement, by submitting a properly executed proxy bearing a later date, or by appearing at the Annual Meeting and requesting the return of the proxy or by voting in person. In accordance with applicable rules, boxes and designated spaces are provided on the proxy card for stockholders to mark if they wish either to vote for or withhold authority to vote for the nominees for Directors, or to vote for or against or to abstain from voting for the proposal to ratify the appointment of the Company's independent registered public accounting firm.

A stockholder's attendance at the Annual Meeting will not, by itself, revoke a proxy given by that stockholder. Stockholders vote at the Annual Meeting by casting ballots (in person or by proxy), which are tabulated by a person who is appointed by the Board of Directors before the Annual Meeting to serve as inspector of election at the Annual Meeting and who has executed and verified an oath of office.

It is anticipated that this proxy statement, the enclosed proxy card and

Edgar Filing: SCIENTIFIC INDUSTRIES INC - Form DEF 14A

the Company's Annual Report will be mailed to the Company's stockholders on or about October 26, 2007.

PROPOSAL 1

ELECTION OF DIRECTORS

General

The Company's Certificate of Incorporation provides for a classified Board of Directors, consisting of three classes, each class serving a three-year term on a staggered basis. The Board of Directors is currently comprised of six members, of whom two are Class A Directors, two are a Class B Directors and two are Class C Directors. At the Annual Meeting, two Class B Directors are to be elected to serve until the annual meeting of stockholders with respect to the fiscal year ending June 30, 2010, and until their successors are duly elected and qualified. Shares of Common Stock represented by proxies solicited by the Board of Directors will be voted for the nominees hereinafter named if authority to do so is not specifically withheld. If for any reason said nominees shall become unavailable for election, which is not now anticipated, the proxies will be voted for a substitute nominee designated by the Board of Directors.

The Directors of the Company are elected by the affirmative vote of the holders of a plurality of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote. A plurality means that the nominee with the largest number of votes is elected as Director. In tabulating the vote, abstentions and broker "non-votes" will be disregarded and will have no effect on the outcome of the vote.

The Board of Directors recommends that stockholders vote FOR the election of the nominees identified below to the Board of Directors.

(1) Mr. Cremonese received additional compensation amounting to \$32,900 for fiscal 2007 under a separate agreement with the Company for marketing consulting services as described under "Related Transactions".

(2) Ms. Morin, as an employee-director does not receive director compensation; however, since November 30, 2006, she received \$41,000 in compensation as an employee of Altamira.

As of April 1, 2007, the Company increased its quarterly retainer fees to its Directors from \$750 to \$1,500 and for each meeting attended from \$500 to \$1,000. In addition, the Company reimburses each Director for out-of-pocket expenses incurred in connection with attendance at board meetings in the amount of \$50 or the Director's itemized expenses, whichever is greater. Mr. Joseph I. Kesselman as Chairman of the Board until February 2006 received \$750 per month, and Mr. Joseph G. Cremonese, as Chairman of the Board, since February 2006 received \$750 per month until April when the monthly fee was increased to \$1,000. During

Edgar Filing: SCIENTIFIC INDUSTRIES INC - Form DEF 14A

fiscal 2007, the fees to non-employee Directors aggregated \$46,000.

Pursuant to the Company's 1992 Stock Option Plan ("1992 Plan") options to purchase 3,000 shares of Common Stock at the then fair market value were granted to each non-employee director who was on the Board of Directors on the first business day of each March, in 1993, 1994, 1995, and 1996, namely Messrs. Borden, Kesselman, Knowles and Segasture. In addition, in December 1997 and through December 2002 the Board of Directors granted under the 1992 Plan annually options to purchase 4,000 shares of Common Stock to each of them exercisable at the fair market value on the date of grant. Accordingly, as of June 30, 2007, the Company had granted under the 1992 Plan to the foregoing four non-employee Directors options to purchase an aggregate of 128,000 shares of Common Stock, or options to purchase 32,000 shares of Common Stock for each. The fair market value per share of Common Stock on the dates of grant ranged from \$0.50 for options granted in 1993 to \$2.40 in 2002. As of June 30, 2007, options under the 1992 Plan with respect to 68,000 shares had been exercised by the Directors. In addition, they had exercised options with respect to 48,000 shares granted to them prior to the adoption of the 1992 Plan.

Under the Company's 2002 Plan, none of the Directors at the time of the adoption by the Board of Directors of the 2002 Plan (subsequently approved by stockholders) were eligible to receive option grants. Mr. Joseph G. Cremonese who was elected Director at the 2002 Annual Meeting of Stockholders, was granted on December 1, 2003 an option to purchase 5,000 shares of Common Stock at the fair market value of \$1.35 per share, and, on February 20, 2007 an option to purchase 5,000 shares of Common Stock at the fair market value of \$3.10 per share.

Executive Officers

The following are the Executive Officers of the Company:

Helena R. Santos, CPA (age 43), employed by the Company since 1994, was appointed in August 2002 as President, Chief Executive Officer and Treasurer. Previously she served as Vice President, Controller from 1997 and Secretary from May 2001. Ms. Santos was an internal auditor with a major defense contractor from March 1991 to April 1994. She had been previously employed in public accounting.

Robert P. Nichols (age 46), employed by the Company since February 1998, was appointed in August 2002 as Executive Vice President. He had been Vice President, Engineering from May 2001. Prior to joining the Company, Mr. Nichols was an Engineer Manager with Bay Side Motion Group, a precision motion equipment manufacturer, from January 1996 to February 1998.

The executive officers of the Company are elected by the Board of Directors and hold office until their respective successors are elected and qualified or until his or her earlier resignation or removal. None of the officers need to be Directors, and more than one office may be held by the same person. There is no arrangement or understanding between any executive officer and any person other than the Company regarding election as an officer. There are no family relationships between any Director and any executive officer of the Company.

On December 29, 2006, the Company entered into new employment agreements with Ms. Helena R. Santos and Mr. Robert P. Nichols replacing employment agreements that were entered into in September 2004.

Edgar Filing: SCIENTIFIC INDUSTRIES INC - Form DEF 14A

The new agreements increased their base annual salaries by \$10,000 each - to \$120,000 for Ms. Santos and \$115,000 for Mr. Nichols. The new agreements also extended their employment period to December 31, 2008. They otherwise contain substantially the same provisions as the replaced agreements, including annual bonuses at the discretion of the Board and non-competition and confidentiality covenants. The Board awarded a \$10,000 bonus to each of Ms. Santos and Mr. Nichols on December 4, 2006 which was paid on December 31, 2006.

The Compensation Committee along with the other members of the Board reviews and determines the compensation payable to executives. In making a determination, the Committee and the Board give material consideration to the Company's results of operations and financial condition and competitive factors. The compensation at times includes grants of options under its stock option plan to the named executive, each subject to long-term employment agreements, containing terms which the Board of Directors deemed reasonable. The Board is cognizant that as a relatively small company, the Company has limited resources and opportunities with respect to recruiting and retaining key executives. Accordingly, the Company has relied upon long-term employment agreements to retain qualified personnel.

The following table summarizes all compensation paid by the Company to its then Chief Executive Officer ("CEO"), Chief Financial Officer ("CFO"), and President; and Executive Vice President with respect to each of the three fiscal years ended June 30, 2007, 2006 and 2005. No other executive officer earned in excess of \$100,000 in any of such fiscal periods.

Mr. Joseph G. Cremonese, who was first elected a Class C Director at the Annual Meeting of Stockholders in November 2002 through his affiliate, Laboratory Innovation Company, Ltd., has been providing independent marketing consulting services to the Company for approximately ten years. Commencing January 1, 2003, the services have been rendered pursuant to a consulting agreement which was amended and restated for a second time in March 2007. The agreement as amended and restated provides that Mr. Cremonese and his affiliate render, at the request of the Company, through December 31, 2008 marketing consulting services of at least 60, but not more than 96, days per year at the rate of \$600 per day with a monthly payment of \$3,000, with the Company's obligation reduced to the extent the consulting services are less than 60 days for the 12 month period. The agreement contains confidentiality and non-competition covenants. During fiscal 2007, the Company paid an aggregate of \$32,900 for the consulting services.

Pursuant to the Altamira acquisition, Ms. Morin, a former 90.4% owner of the capital stock of Altamira, received \$361,440 in cash, 112,950 shares of the Common Stock of the Company and the right to receive 90.4% of 5% as adjusted, of the net sales of Altamira for each of the following five periods - December 1, 2006 to June 30, 2007, each of the 12 month periods ending respectively on June 30, 2008, June 30, 2009, and June 30, 2010; and July 1, 2010 to November 30, 2010. The payment to Ms. Morin for the first period amounted to \$59,700. The Company and Ms. Morin and the other sellers agreed to the filing by the Company of an election under Section 338 of the Internal Revenue Code to treat the acquisition as a purchase for tax purposes within the meaning of the Code ("Code") and the Company agreed to reimburse them for any tax consequences resulting from such election. Accordingly, in September 2007, the Company paid Ms. Morin \$39,800 and \$2,200 to the other selling stockholders in reimbursement. In connection with the Altamira transaction, the Company agreed to have Altamira continue to employ Ms. Morin for up to 90 days. However, due to operational needs, she has been employed on a part-time basis since May 1, 2007 to supervise the on-site administrative duties.

In connection with the Altamira acquisition, Altamira entered into a two-year employment agreement with Mr. Brookman March, husband of Ms. Morin, who was prior to the acquisition Altamira's Vice President and a director, employing him as Director of Marketing and Operations. The employment agreement provides for a two year term at a salary of \$110,000 per annum with Altamira having two one-year renewal options, at a salary increase of 2% during each renewal period plus adjustments based on annual increases in the consumer price index.
