PROXY STATEMENT

2010 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JANUARY 7, 2011

Solicitation of Proxies

This proxy statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors (the "Board") of Scientific Industries, Inc., a Delaware corporation (the "Company"), for use at the 2010 Annual Meeting of Stockholders (the "Annual Meeting") to be held at La Quinta Inn & Suites, 10 Aero Road, Bohemia, New York, 11716, on Friday, January 7, 2011, at 11:00 a.m. (New York time), and at any adjournments or postponements thereof.

At the Annual Meeting, stockholders of the Company will be asked to:

- (1) elect two Directors of the Company to serve until the Company's annual meeting of stockholders with respect to the fiscal year ending June 30, 2013, and the election and qualification of their respective successors;

- (3) transact such other business as may

Edgar Filing: SCIENTIFIC INDUSTRIES INC - Form DEF 14A

properly come before the Annual Meeting and any adjournments or postponements thereof.

Record Date, Voting Rights

Only stockholders of record of the Company's Common Stock, par value \$0.05 per share (the "Common Stock"), as of the close of business on November 30, 2010 (the "Record Date"), are entitled to notice of and to vote at the Annual Meeting and any adjournments or postponements thereof. On the Record Date, there were 1,196,577 shares of Common Stock issued and outstanding. Each share of Common Stock is entitled to one vote.

The presence at the Annual Meeting, in person or by a properly executed proxy, of the holders of a majority of the outstanding shares of the Company's Common Stock as of the Record Date is necessary to constitute a quorum. In the determination of the number of shares of Common Stock present at the Annual Meeting for quorum purposes abstentions and broker "non-votes" are included. A broker "non-vote" occurs when a nominee holding shares of Common Stock for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Voting of Proxies, Revocation, Solicitation

All stockholders who deliver properly executed and dated proxies to the Company prior to the Annual Meeting will be deemed present at the Annual Meeting regardless of whether such proxies direct the proxy holders to vote for or against, or to withhold or abstain from voting. The proxies, when properly executed and returned to the Company, will be voted in accordance with the instructions given therein by the person executing the proxy. In the absence of instructions, properly executed proxies other than with respect to broker "non-votes" will be voted FOR (1) the election of the Board's nominees, Grace S. Morin and Joseph I.

Kesselman as Directors of the Company; and (2) the ratification of the appointment by the Board of Directors of Nussbaum Yates Berg Klein & Wolpov, LLP, as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2011.

Any stockholder who executes and delivers a proxy may revoke it at any time before it is voted by delivering a written notice of such revocation to the Secretary of the Company at the address of the Company set forth in this proxy statement, by submitting a properly executed proxy bearing a later date, or by appearing at the Annual Meeting and requesting the return of the proxy or by voting in person. In accordance with applicable rules, boxes and designated spaces are provided on the proxy card for stockholders to mark if they wish either to vote for or withhold authority to vote for the nominees for Directors, or to vote for, against or to abstain from voting for the proposal to ratify the appointment of the Company's independent registered public accounting firm.

A stockholder's attendance at the Annual Meeting will not, by itself, revoke a proxy given by that stockholder. Stockholders vote at the Annual Meeting by casting ballots (in person or by proxy), which are tabulated by a person who is appointed by the Board of Directors before

Edgar Filing: SCIENTIFIC INDUSTRIES INC - Form DEF 14A

the Annual Meeting to serve as inspector of election at the Annual Meeting and who has executed and verified an oath of office.

It is anticipated that this proxy statement, the enclosed proxy card and the Company's Annual Report will be mailed to the Company's stockholders on or about December 6, 2010.

PROPOSAL 1

ELECTION OF DIRECTORS

General

The Company's Certificate of Incorporation provides for a classified Board of Directors, consisting of three classes, each class serving a three-year term on a staggered basis. The number of Directors constituting the Board was reduced from seven to six upon the resignation in February 2010 as Director of Mr. Arthur M. Borden. Two are Class A Directors, two are Class B Directors and two are Class C Directors. At the Annual Meeting, the two Class B Directors are to be elected to serve until the annual meeting of stockholders with respect to the fiscal year ending June 30, 2013, and until their successors are duly elected and qualified. Shares of Common Stock represented by executed and returned proxies solicited by the Board of Directors will be voted for the nominees hereinafter named if authority to do so is not specifically withheld. If for any reason said nominees shall become unavailable for election, which is not now anticipated, the proxies will be voted for a substitute nominee designated by the Board of Directors.

The Directors of the Company are elected by the affirmative vote of the holders of a plurality of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote. A plurality means that the nominee with the largest number of votes is elected as Director. In tabulating the vote, abstentions and broker "non-votes" will be disregarded and will have no effect on the outcome of the vote.

The Board of Directors recommends that stockholders vote FOR the election of the nominees identified below to the Board of Directors.

(4) Represents compensation as a consultant received for her administrative services for Altamira (See "Related Transactions").

The Company pays each Director who is not an employee of the Company or a subsidiary a quarterly retainer fee of \$1,500 and \$1,000 for each meeting of the Company's Board of Directors attended. In addition, the Company reimburses each Director for out-of-pocket expenses incurred in connection with attendance at board meetings in the amount of \$50 or the Director's itemized expenses, whichever is greater. Mr. Cremonese, in his capacity as Chairman of the Board since February 2006, receives an additional fee of \$1,000 per month. During fiscal 2010, the fees to non-employee Directors aggregated \$152,500, including the consulting fees paid to Mr. Cremonese's affiliate, and to Ms. Morin.

Pursuant to the Company's 1992 Stock Option Plan ("1992 Plan") options to purchase 3,000 shares of Common Stock at the then fair market value were granted to each non-employee director who was on the Board of Directors on the first business day of each March, in 1993, 1994, 1995, and 1996, namely Messrs. Borden, Kesselman, Knowles and Segasture. In addition, in December 1997 and through December 2001 the Board of Directors granted under the 1992 Plan annually options to purchase 4,000 shares of Common Stock to each of them exercisable at the fair market value on the date of grant. Accordingly, as of June 30, 2010, the Company had granted under the 1992 Plan to the foregoing four

Edgar Filing: SCIENTIFIC INDUSTRIES INC - Form DEF 14A

individuals options to purchase an aggregate of 128,000 shares of Common Stock, or options to purchase 32,000 shares of Common Stock to each. The fair market value per share of Common Stock on the dates of grant ranged from \$0.50 for options granted in 1993 to \$2.40 in 2001. As of June 30, 2010, options under the 1992 Plan with respect to 94,000 shares had been exercised by them and with respect to 22,000 shares had expired. In addition, they had exercised options with respect to 48,000 shares granted to them prior to the adoption of the 1992 Plan.

Under the Company's 2002 Plan, none of the Directors at the time of the adoption by the Board of Directors of the 2002 Plan (subsequently approved by stockholders) have been eligible to receive option grants thereunder. Mr. Joseph G. Cremonese who was elected a Director at the 2002 Annual Meeting of Stockholders, was granted on December 1, 2003 a ten-year option to purchase 5,000 shares of Common Stock at the fair market value of \$1.35 per share, on February 20, 2007 a ten-year option to purchase 5,000 shares of Common Stock at the fair market value of \$3.10 per share, and on September 17, 2009 a five-year option to purchase 10,000 shares at the fair market value of \$1.88 per share. The \$1.88 option had a total fair value (as determined using the Black-Scholes option-pricing model) of \$9,300 of which \$8,300 was recognized as consulting expense in fiscal 2010. None of the options have been exercised to date.

Executive Officers and Key Personnel

Ms. Helena R. Santos and Mr. Robert P. Nichols are the executive officers of the Company. Mr. Brookman P. March is President and Director of Sales and Marketing of the Company's subsidiary, Altamira Instruments, Inc.

See "Election of Directors" for the employment history of Ms. Santos.

Robert P. Nichols (age 49), employed by the Company since February 1998, has served since August 2002 as Executive Vice President. Previously, he had been since May 2001 Vice President, Engineering. Prior to joining the Company, Mr. Nichols was an Engineer Manager with Bay Side Motion Group, a precision motion equipment manufacturer from January 1996 to February 1998.

Brookman P. March (age 65) has been Director of Sales and Marketing since November 30, 2006 and President since July 2008 of Altamira, which conducts the Catalyst Research Instruments operation. He had been Vice President and a Director of Altamira from December 2003 until it was acquired by the Company. Mr. March is the husband of Ms. Morin, a Director.

The executive officers of the Company are elected by the Board of Directors of the corporation for which they serve and hold office until their respective successors are elected and qualified or until his or her earlier resignation or removal. None of the officers need to be Directors, and more than one office may be held by the same person. There is no arrangement or understanding between any executive officer and any person other than the Company regarding election as an officer.

Edgar Filing: SCIENTIFIC INDUSTRIES INC - Form DEF 14A

The Compensation Committee reviews and recommends to the Board of Directors the compensation to be paid to each executive officer. In making a determination, the Committee and the Board give material consideration to the Company's results of operations and financial condition, competitive factors, and the Company's resources. The compensation at times includes grants of options under its stock option plan to the named executives. Each officer is employed pursuant to a long-term employment agreement, containing terms proposed by the Committee and approved as reasonable by the Board of Directors. The Board is cognizant that as a relatively small company, the Company has limited resources and opportunities with respect to recruiting and retaining key executives. Accordingly, the Company has relied upon long-term employment agreements to retain qualified personnel.

In May 2010, The Company entered into new employment agreements with Ms. Santos and Mr. Nichols related to their employment in their current positions. The agreements extended the terms of employment to June 30, 2011 and increased their annual base salaries commencing January 1, 2010 to \$135,000 from \$130,000 for Ms. Santos and to \$123,600 from \$120,000 for Mr. Nichols. Bonuses may be awarded to either or both at the discretion of the Board of Directors, as to services for the six months ending June 30, 2010 and for the fiscal year ending June 30, 2011. Under the previous agreements, a bonus of \$5,000 was paid during the fiscal year ended June 30, 2010 to each of Ms. Santos and Mr. Nichols.

Mr. March is employed by Altamira pursuant to an employment agreement dated as of October 1, 2010, which amended his employment agreement dated November 30, 2006. The new agreement provides for his employment through June 30, 2012 at a base salary of \$121,900 per annum for the 12 months ending November 30, 2010 and \$128,000 per annum thereafter through June 30, 2012. Pursuant to the prior agreement, the Company, with Mr. March's consent, granted him on December 2, 2009 options to purchase 6,500 shares at \$3.07 per share of which 4,000 options were in payment of a salary increase of \$6,900 and 2,500 options were in payment of a bonus. The agreement also provides for a bonus at the discretion of Altamira's Board of Directors for services for each of the following periods: 12 months ending November 30, 2010, the seven months ending June 30, 2011, and the 12 months ending June 30, 2012. The 2,500 shares option was valued at \$4,100 using the Black-Scholes options pricing model in accordance with ASC No. 718.

Each of the foregoing employment agreements contains confidentiality and non-competition covenants. Each contains termination provisions stipulating that if the Company terminates during the term of the agreement the employment of the employee other than for death, disability, or cause (defined as (i) conviction of a felony or (ii) gross neglect or gross misconduct (including conflict of interest) in the carrying out of his or her duties under the agreement, the Company shall pay severance payments equal to one year's salary at the rate

of the compensation at the time of termination, and continue to pay his or her regular benefits provided by the Company for a period of two years from termination.

Mr. March may terminate his agreement for any reason upon 90-day prior notice, but will remain obligated under his non-competition and confidentiality covenants.

Edgar Filing: SCIENTIFIC INDUSTRIES INC - Form DEF 14A

Increases in the annual compensation provided by their employment agreements were based on the factors set forth above and the increase in sales and income under their management.
