Section 8 Other Events

Item 8.01. Other Events.

On June 12, 2009, Standard & Poor's Ratings Service announced that it had downgraded its ratings of CIT Group Inc. and on June 15, 2009, DBRS made a similar announcement. Standard & Poor's downgraded CIT's ratings, including CIT's counterparty credit rating, from BBB-/A-3 to BB-/B, and placed CIT on CreditWatch with negative implications. DBRS downgraded CIT's ratings from BBB (high)/R-2 (high) to BB (high)/R-4 (high), and the DBRS ratings remain Under Review with Negative Implications.

As a result of Standard & Poor's downgrade of CIT's ratings to below investment grade, certain vendors have a right to early terminate their finance program agreements with CIT. CIT has not received any notice of election to terminate from any of its vendor partners. If any vendor elects to exercise its right to early terminate its program with CIT, such termination is subject to cure and is not expected to affect origination volumes, asset levels or net income from any such program prior to the first or second quarter of 2010.

Forward-Looking Statement

This document contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. All forward-looking statements (including statements regarding future financial and operating results) involve risks, uncertainties and contingencies, many of which are beyond CIT's control, which may cause actual results, performance, or achievements to differ materially from anticipated results, performance, or achievements. All statements contained in this document that are not clearly historical in nature are forward-looking, and the words anticipate, believe, expect, estimate, plan, and similar expressions are generally intended to identify forward-looking statements. Economic, business, funding market, competitive and/or regulatory factors, among others, affecting CIT's businesses are examples of factors that could cause actual results to differ materially from those described in the forward-looking statements. More detailed information about these factors are described in CIT's filings with the Securities and Exchange Commission, including its Annual Report on Form 10-K for the year ended December 31, 2008. CIT is under no obligation to (and expressly disclaims any such obligation to) update or alter its forward-looking statements, whether as a result of new information, future events or otherwise.
