PROPOSAL ONE
ELECTION OF DIRECTORS

The Company has six directors on the board of directors, which is divided into three classes. He has served as Chairman and Chief Executive Officer of DryShips Inc. since January 2005, and President until 2016. He successfully took DryShips public in February 2005, on NASDAQ under the trading symbol "DRYS". Mr. Economou also serves as a director of Danaos Corporation. Michael Pearson was appointed a Director of the Company in January 2017. Mr. Pearson is based in the Cayman Islands. He is a chartered accountant and insolvency practitioner by background having commenced his career at Arthur Andersen. He moved to the Cayman Islands in 2008 from where he currently acts as an independent director to a number of listed and private entities and investment funds undertaking financial and operational turn arounds and wind downs. The Company's board of directors has determined that Mr. Pearson is considered to be an independent director, under the NASDAQ rules.

Required Vote. Approval of Proposal One will require the affirmative vote of a plurality of the votes cast at the Meeting by the holders of the Common Shares entitled to vote thereon.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE IN FAVOR OF THE PROPOSED DIRECTORS. UNLESS REVOKED AS PROVIDED ABOVE, PROXIES RECEIVED BY MANAGEMENT WILL BE VOTED IN FAVOR OF THE PROPOSED DIRECTORS UNLESS A CONTRARY VOTE IS SPECIFIED.

6

**PROPOSAL TWO
RATIFICATION OF THE APPOINTMENT OF
INDEPENDENT AUDITORS**

The board of directors is submitting for ratification at the Meeting the appointment of Ernst & Young (Hellas) Certified Auditors Accountants S.A. ("Ernst & Young"), as the Company's independent auditors for the fiscal year ending December 31, 2017.

Ernst & Young has advised the Company that the firm does not have any direct or indirect financial interest in the Company, nor has such firm had any such interest in connection with the Company during the past three fiscal years other than in its capacity as the Company's independent auditors.

All services rendered by the independent auditors are subject to review by the audit committee of the Company's board of directors.

Required Vote. Approval of Proposal Two will require the affirmative vote of a majority of the votes cast at the Meeting by the holders of Common Shares entitled to vote thereon.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG AS INDEPENDENT AUDITORS OF THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2017. UNLESS REVOKED AS PROVIDED ABOVE, PROXIES RECEIVED BY MANAGEMENT WILL BE VOTED IN FAVOR OF SUCH APPROVAL UNLESS A CONTRARY VOTE IS SPECIFIED.

7

PROPOSAL THREE

INCREASE THE COMPANY'S AUTHORIZED SHARE CAPITAL

The Company is submitting for approval at the Meeting a proposed increase of the Company's authorized share capital from one billion (1,000,000,000) common shares of a par value of US\$0.01 each and five hundred million (500,000,000) preferred shares of a par value of US\$0.01 each to one trillion (1,000,000,000,000) common shares of a par value of US \$0.01 each and five hundred million (500,000,000) preferred shares of a par value of US\$0.01 each. Of our authorized common shares, 138,666,384 are considered issued and outstanding for voting purposes as of the Record Date.

Pursuant to the Company's Amended and Restated Articles of Association, the shareholders of the Company may authorize an increase in the Company's share capital by a resolution passed by a majority of the shareholders as, being entitled to do so, voting in person or by proxy.

The Company and its wholly owned Marshall Islands incorporated subsidiaries, Drill Rigs Holdings Inc. ("DRH"), Drillships Financing Holdings Inc. ("DFH"), Drillships Ocean Ventures Inc. ("DOV") have entered into a restructuring agreement relating to its various debt facilities dated March 23, 2017 (the "RSA").² The restructuring set out in the RSA (the "Restructuring") will be implemented by way of four separate, but interconnected, Cayman Islands schemes of arrangement coupled with a provisional liquidation in the Cayman Islands, and ancillary proceedings under Chapter 15 of the U.S. Bankruptcy Code seeking recognition of the Cayman provisional liquidation proceedings and the schemes of arrangement as foreign main proceedings, and an order of the U.S. Bankruptcy Court giving effect to the schemes in the U.S. The provisional liquidators were appointed in the Cayman Islands on March 27, 2017. The Chapter 15 proceedings were filed immediately thereafter.

The Restructuring will involve a debt for equity exchange where the UDW, DRH and DOV debt facilities will be exchanged and transferred in consideration for, among other things, equity in the Company. The increase in authorized share capital is therefore required so that the Restructuring can be implemented, should it proceed, or any other Restructuring that may be negotiated in the future that involves a debt for equity exchange may proceed.

As the Board believes that the Restructuring is in the best interests of the Company, it also believes that the required increase in the Company's authorized share capital is in the best interests of the Company. In addition, the Board believes that should the Restructuring be successful, the increase in the Company's authorized share capital to the above level will provide flexibility for the Company to conduct future equity offerings and raise capital without the delay and expense of calling special shareholder meetings.

Further information about the terms of the current restructuring can be found in our press release dated March 28, 2017 which is posted on our website at www.ocean-rig.com and has been filed with the U.S. Securities and Exchange Commission (the "SEC") and our recent SEC filings.

Required Vote. Approval of Proposal Three will require the affirmative vote of a majority of the votes cast at the Meeting, either in person or by proxy.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE TO INCREASE THE COMPANY'S AUTHORIZED SHARE CAPITAL AS DETAILED ABOVE. UNLESS REVOKED AS PROVIDED ABOVE, PROXIES RECEIVED BY MANAGEMENT WILL BE VOTED IN FAVOR OF SUCH APPROVAL UNLESS A CONTRARY VOTE IS SPECIFIED.

² Senior secured notes issued by DRH; the outstanding principal of US\$800mm is due for repayment in October 2017. Senior unsecured notes issued by UDW; the outstanding principal of US\$500mm is due for repayment in April 2019. A US\$1.9 billion facility owed by DFH, which is due for repayment in October 2020. A US\$1.3 billion facility owed by DOV which is due for repayment in July 2021.

PROPOSAL FOUR

APPROVAL OF ONE OR MORE REVERSE STOCK SPLITS OF THE COMPANY'S ISSUED COMMON SHARES

General. The Board believes that it is in the best interest of the Company and the shareholders and is hereby soliciting shareholder approval to effect one or more reverse stock splits of the Company's issued Common Shares at a ratio of not less than one-for-two and not more than one-for-100,000, inclusive, whereby, except as explained below with respect to fractional shares, on the effective date, Common Shares issued immediately prior thereto will be, automatically and without any action on the part of the shareholders, combined, converted and changed into new Common Shares in accordance with the reverse stock split ratio, which shall be determined by the Board of Directors, or any duly constituted committee thereof, in its discretion. If the shareholders approve Proposal Four, the Board, or any duly constituted committee thereof, will have the authority, but not the obligation, in its sole discretion, and without further action on the part of the shareholders, to determine each reverse stock split ratio within the approved range and to effect one or more reverse stocks split at any time after the approval of the shareholders.

The Board believes that shareholder approval of an exchange ratio range (rather than an exact exchange ratio) in connection with Proposal Four provides the Board with maximum flexibility to achieve the purposes of any such reverse stock split that may be effected. If shareholders approve Proposal Four, a reverse stock split will only be effected, if at all, upon a determination by the Board, or any duly constituted committee thereof, that a reverse stock split is in the Company's and the shareholders' best interests at that time. In connection with any determination to effect a reverse stock split, the Board or any duly constituted committee thereof, will set the time for such a split and select a specific exchange ratio within the approved range. These determinations will be made by the Board with the intention to create the greatest marketability of the Company's Common Shares based upon prevailing market conditions at that time. The Board of Directors reserves its right to elect not to proceed, and abandon, any reverse stock split if it determines, in its sole discretion, that implementing such reverse stock split is not in the best interests of the Company and its shareholders.

Purpose. The purpose for seeking approval to effect the reverse stock split is to increase the market price of each Common Share. The Company believes that effecting one or more reverse stock splits will help achieve compliance with the minimum bid price of \$1.00 per share listing that is a requirement to maintain the listing on the Company's Common Shares on the NASDAQ Global Select. On September 27, 2016, the Company received written notification from the NASDAQ Global Select indicating that because the closing bid price of the Company's Common Shares was below \$1.00 per share for 30 consecutive business days, the Company no longer met the minimum bid price requirement for the Nasdaq Global Select. On November 22, 2016, the Company received a letter stating that it has regained compliance with the minimum bid requirement. Furthermore, our shares have been trading below the \$1.00 per share bid price Nasdaq requirement since February 23, 2017. It is important to note that if our shares continue to trade below \$1.00 for a total of 30 consecutive business days, we expect to receive another minimum bid notification from Nasdaq and there is no guarantee that our stock price will rise over the \$1.00 minimum in the future. As such, we cannot assure you that we will be able to maintain the minimum bid price level in the future. Also, we cannot assure you that an active and liquid public market for our common shares will continue. Further, notwithstanding the minimum price bid requirement, the listing of our shares on Nasdaq may be halted or discontinued if we are unable to maintain other Nasdaq listing requirements or for various other reasons, including the Restructuring.

The Board intends to effect one or more reverse stock splits in connection with Proposal Four only if it believes that a decrease in the number of Common Shares outstanding is likely to improve the trading price for the Company's Common Shares, and if needed in order maintain compliance with the rules of the Nasdaq Global Select, and only if the implementation of a reverse stock split is determined by the Board of Directors to be in the best interests of the Company and its shareholders. There can be no assurance that any reverse stock split, if and when implemented, will achieve any of the desired results. There also can be no assurance that the Company will be successful in maintaining compliance with NASDAQ Global Select requirements or that the price per share of the Company's Common Shares immediately after any such reverse stock split, if implemented, will increase proportionately with any reverse stock split, or that any increase will be sustained for any period of time.

Fractional Shares. No fractional Common Shares will be created or issued in connection with the reverse stock split. Shareholders of record who otherwise would be entitled to receive fractional Common Shares as a consequence of the reverse stock split will be entitled, upon surrender to the exchange agent of certificates representing such Common Shares or, in the case of non-certificated Common Shares, such proof of ownership as required by the exchange agent, to a cash payment in lieu thereof at a price equal to the fraction to which the shareholder would otherwise be entitled multiplied by the closing price of the Common Shares on the NASDAQ Global Select on the last trading day prior to the effective date of the reverse stock split, as adjusted for the reverse stock split as appropriate or, if such price is not available, a price to be determined by our Board of Directors. The ownership of a fractional interest will not give the holder thereof any voting, dividend or other rights except to receive payment therefore as described herein.

Authorized Common Shares and Par Value. A reverse stock split will not result in a change in the number of authorized Common Shares or par value of the Common Shares. Because the Company's authorized number of Common Shares will not decrease in accordance with the reverse stock split ratio, the reverse stock split would provide the Company with additional Common Shares, which would be available for issuance from time to time for corporate purposes such as acquisitions of companies or assets, sales of stock or securities convertible into Common Shares and raising additional capital.

Material U.S. Federal Income Tax Consequences. The following is a summary of the material U.S. federal income tax consequences of the reverse stock split to U.S. Holders (as defined below) of our Common Shares. This summary is based on the Internal Revenue Code of 1986, as amended (the "Code"), the Treasury regulations promulgated thereunder, and administrative rulings and court decisions in effect as of the date of this proxy statement, all of which may be subject to change, possibly with retroactive effect. This summary only addresses holders who hold their shares as capital assets within the meaning of the Code and does not address all aspects of U.S. federal income taxation that may be relevant to U.S. Holders subject to special tax treatment, such as financial institutions, dealers in securities, insurance companies, regulated investment companies, persons that own shares as part of a hedge, straddle, or conversion transaction, persons whose functional currency is not the U.S. dollar, foreign persons and tax-exempt entities. In addition, this summary does not consider the effects of any applicable state, local, foreign or other tax laws and does not address the U.S. federal income tax consequences of the reverse stock split to persons who are not U.S. Holders.

As used herein, the term "U.S. Holder" means a beneficial owner of common stock that is a U.S. citizen or resident, U.S. corporation or other U.S. entity taxable as a corporation, an estate the income of which is subject to U.S. federal income taxation regardless of its source, or a trust if a court within the United States is able to exercise primary jurisdiction over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust.

If a partnership holds our Common Shares, the tax treatment of a partner will generally depend upon the status of the partner and upon the activities of the partnership. If you are a partner in a partnership holding our Common Shares, you are encouraged to consult your tax advisor.

We have not sought and will not seek any ruling from the Internal Revenue Service (the "IRS"), or an opinion from counsel with respect to the U.S. federal income tax consequences discussed below. There can be no assurance that the tax consequences discussed below would be accepted by the IRS or a court. The authorities on which this summary is based are subject to various interpretations, and it is therefore possible that the U.S. federal income tax treatment may differ from the treatment described below.

We urge holders to consult with their own tax advisors as to any U.S. federal, state, or local or foreign tax consequences applicable to them that could result from the reverse stock split.

The reverse stock split is intended to constitute a "reorganization" within the meaning of Section 368 of the Code and is not intended to be part of a plan to increase periodically a shareholder's proportionate interest in our earnings and profits. Assuming the reverse stock split so qualifies,

A U.S. Holder should not recognize any gain or loss for federal income tax purposes (except for cash, if any, received in lieu of a fractional Common Share);

The U.S. Holder's aggregate tax basis of the common stock received pursuant to the reverse stock split, including any fractional Common Share not actually received, should be equal to the aggregate tax basis of such holder's Common Share surrendered in the exchange;

The U.S. Holder's holding period for the Common Shares received pursuant to the reverse stock split should include such holder's holding period for the Common Shares surrendered in the exchange; and

Cash payments received by the U.S. Holder for a fractional Common Share generally should be treated as if such fractional share had been issued pursuant to the reverse stock split and then redeemed by us, and such U.S. Holder generally should recognize capital gain or loss with respect to such payment, measured by the difference between the amount of cash received and such U.S. Holder's tax basis in such fractional share. However, in certain circumstances, it is possible that the cash received in lieu of a fractional share could be characterized as a dividend for such purposes. U.S. Holders are encouraged to consult their tax adviser on the treatment of the receipt of cash in lieu of fractional shares in their specific situation.

U.S. Holders will be required to provide their social security or other taxpayer identification numbers (or, in some instances, additional information) to the transfer agent in connection with the reverse stock split to avoid backup withholding requirements that might otherwise apply. This information is generally provided on IRS Form W-9. The letter of transmittal will require each U.S. Holder to deliver such information when the common stock certificates are surrendered following the effective date of the reverse stock split. Failure to provide such information may result in backup withholding at a rate of 28%.

THE FOREGOING IS A SUMMARY OF THE MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE REVERSE STOCK SPLIT TO U.S. HOLDERS UNDER CURRENT LAW AND IS FOR GENERAL INFORMATION ONLY. THE FOREGOING DOES NOT PURPORT TO ADDRESS ALL U.S. FEDERAL INCOME TAX CONSEQUENCES OR TAX CONSEQUENCES THAT MAY ARISE UNDER THE TAX LAWS OF OTHER JURISDICTIONS OR THAT MAY ARISE UNDER THE TAX LAWS OF OTHER JURISDICTIONS OR THAT MAY APPLY TO PARTICULAR CATEGORIES OF SHAREHOLDERS. YOU ARE ENCOURAGED TO CONSULT YOUR OWN TAX ADVISOR AS TO THE PARTICULAR TAX CONSEQUENCES OF THE REVERSE STOCK SPLIT TO YOU, INCLUDING THE APPLICATION OF U.S. FEDERAL, STATE, LOCAL AND FOREIGN TAX LAWS, AND THE EFFECT OF POSSIBLE CHANGES IN TAX LAWS THAT MAY AFFECT THE TAX CONSEQUENCES DESCRIBED ABOVE.

Procedures for Effecting Reverse Stock Split. As soon as practicable after the effective date of the reverse stock split, the Company's shareholders will be notified that the reverse stock split has been effected. The Company expects that its transfer agent, American Stock Transfer & Trust Company, LLC, will act as exchange agent for purposes of implementing the exchange of share certificates. Holders of pre-split Common Shares will be asked to surrender to the exchange agent certificates representing pre-split Common Shares in exchange for certificates representing post-split Common Shares or, in the case of holders of non-certificated shares, such proof of ownership as required by the exchange agent, in accordance with the procedures to be set forth in a letter of transmittal the Company will send to its registered shareholders and the register of members of the Company will be updated to reflect the new shareholding. No new share certificates will be issued to a shareholder until such shareholder has surrendered such shareholder's outstanding share certificate(s) together with the properly completed and executed letter of transmittal to the exchange agent. Any pre-split Common Shares submitted for transfer, whether pursuant to a sale or other disposition, or otherwise, will automatically be exchanged for post-split Common Shares and the register of members of the Company will be updated to reflect the new shareholding. **SHAREHOLDERS SHOULD NOT DESTROY ANY SHARE CERTIFICATE(S) AND SHOULD NOT SUBMIT ANY CERTIFICATE(S) UNTIL REQUESTED TO DO SO.**

Upon the effectiveness of the reverse stock split, the Company intends to treat Common Shares held by shareholders in "street name" through a bank, broker or other nominee in the same manner as registered shareholders whose Common Shares are registered in their names. Banks, brokers or other nominees will be instructed to effect the reverse stock split for their beneficial holders holding Common Shares in "street name." However, these banks, brokers or other nominees may have different procedures from those that apply to registered shareholders for processing the reverse stock split and making payment for fractional shares. If a shareholder holds Common Shares with a bank, broker or other nominee and has any questions in this regard, shareholders are encouraged to contact their bank, broker or other nominee.

Required Vote. Approval of Proposal Four will require the affirmative of a majority of the shareholders who, being entitled to do so, vote in person or by proxy at the Meeting the Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE TO APPROVE A REVERSE STOCK SPLIT OF THE COMPANY'S ISSUED COMMON SHARES. UNLESS REVOKED AS PROVIDED ABOVE, PROXIES RECEIVED BY MANAGEMENT WILL BE VOTED IN FAVOR OF SUCH APPROVAL UNLESS A CONTRARY VOTE IS SPECIFIED.
