Interest Reset Dates: Quarterly on August 18, November 18,

February 18 and May 18 of each year, commencing August 18, 2004, provided that if any Interest Reset Date would otherwise fall on a day that is not a Business Day (as defined below), then the Interest Reset Date will be the first following day that is a Business Day, except that if such Business Day is in the next succeeding calendar month, such Interest Reset Date will be the

immediately preceding Business Day.

Interest Payment Dates: Interest will be paid on the Maturity Date

and quarterly on August 18, November 18, February 18 and May 18 of each year,

commencing August 18, 2004, provided that if any such day (other than the Maturity Date) is not a Business Day, the Interest Payment Date will be the next succeeding Business Day, except that if such Business Day is in the next succeeding calendar month, such Interest Payment Date will be the immediately preceding Business Day, and no interest on such payment will accrue for the period from and after the Maturity Date or such other Interest Payment Date (other than the

Maturity Date), as applicable.

Accrued interest will be computed by adding

the Interest Factors calculated for each day from the Original Issue Date or from the last date to which interest has been paid or duly provided for up to but not including the day for which accrued interest is being calculated. The "Interest Factor" for any Note for each such day will be computed by multiplying the face amount of the Note by the interest rate applicable to

such day and dividing the product thereof by 360.

Interest payments will include the amount of

interest accrued from and including the most recent Interest Payment Date to which interest has been paid (or from and including the Original Issue Date) to but excluding the applicable

Interest Payment Date.
