The ISIN is XS0249719534; the Common Code is 024971953.

OPTIONAL REDEMPTION

At the option of the Issuer, the Issuer may redeem the Notes in whole (but not in part) on April 2, 2018 (or if such day is not a Business Day, on the next succeeding Business Day), at a redemption price equal to 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest on the principal amount being redeemed to such redemption date. Notwithstanding the foregoing, installments of interest on Notes that are due and payable on the Interest Payment Date falling on the redemption date will be payable on such Interest Payment Date to the registered holders as of the close of business on the relevant record date according to the Notes and the indenture.

The Issuer will mail notice of any redemption at least 30 days but not more than 60 days before the redemption date to each registered holder of the Notes to be redeemed. Once notice of redemption is mailed, the Notes called for redemption will become due and payable on the redemption date at the applicable redemption price, plus accrued and unpaid interest to the redemption date.

On and after the redemption date, interest will cease to accrue on the Notes or any portion of the Notes called for redemption (unless the Issuer defaults in the payment of the redemption price and accrued interest). On or before the redemption date, the Issuer will deposit with a paying agent (or the Trustee) money sufficient to pay the redemption price of and accrued interest on the Notes to be redeemed on that date.

OFFERING RESTRICTIONS

The Notes have not been and will not be registered under the Securities and Exchange Law of Japan. The Notes purchased may not be transferred directly or indirectly in Japan or to, or for the benefit of, any resident of Japan (which term as used herein means any person resident in Japan, including any corporation or other entity organized under the laws of Japan) except that they may be transferred to qualified institutional investors as defined under the Securities and Exchange Law of Japan.

SPECIAL PROVISIONS RELATING TO THE NOTES

For information relating to payment currency and certain risk factors relating to the Notes, see Special Provisions Relating to Foreign Currency Notes Payment Currency and Foreign Currency Risks, in the accompanying prospectus supplement.

PLAN OF DISTRIBUTION

We have entered into a terms agreement, dated as of March 27, 2006, with Deutsche Bank Securities Inc. (Deutsche Bank). Subject to the terms and conditions set forth in the terms agreement, we have agreed to sell to Deutsche Bank, and Deutsche Bank has agreed to purchase, the principal amount of Notes set forth opposite its name below:

| <u>Underwriters of Notes</u> | <u>Principal Amount</u> |
|-------------------------------|-------------------------|
| Deutsche Bank Securities Inc. | ¥ 20,000,000,000 |
| Total | ¥ 20,000,000,000 |

The Notes are a new issue of securities with no established trading market. Deutsche Bank has advised us that they intend to make a market in the Notes, but Deutsche Bank is not obligated to do so and may discontinue any market making at any time without notice. The trading market for the Notes may not be liquid.

In connection with this offering, Deutsche Bank and its respective affiliates may engage in transactions that stabilize, maintain, or otherwise affect the market price of the Notes. Those transactions may include stabilization transactions effected in accordance with Rule 104 of Regulation M under the Securities Exchange Act of 1934, pursuant to which Deutsche Bank and its affiliates may bid for or purchase Notes for the purpose of stabilizing the market price. Deutsche Bank also may create a short position for its own account by selling more Notes in connection with this offering than they are committed to purchase from us. In that case, Deutsche Bank may purchase Notes in the open market following completion of this offering to cover their short position. Any of the transactions described in this paragraph may result in the maintenance of price of the Notes at a level above that which might otherwise prevail in the open market. None of the transactions described in this paragraph is required, and, if they are undertaken, they may be discontinued at any time.

Other than this pricing supplement, the accompanying prospectus and prospectus supplement and the registration statement of which they form a part (collectively, the Offering Documents) (each in electronic format as filed with the SEC), the information on any Web site is not a part of the Offering Documents.

Deutsche Bank and its affiliates have provided and will in the future continue to provide banking and/or other financial services to CIT and its subsidiaries.
