Interest will be paid (i) on the Actual Maturity Date, and (ii) quarterly on February 4, May 4, August 4 and November 4, commencing on November 4, 2006, provided that if any such day (other than a maturity date or the date of redemption) is not a Business Day, then the Interest Payment Date will be postponed to the following day which is a Business Day, except that if such Business Day is in the next succeeding calendar month, such Interest Payment Date will be the immediately preceding Business Day.

| Spread:                              | For the issue date and Interest Reset Dates occurring:   | Spread:   |
|--------------------------------------|--|-----------|
|                                      | From and including the issue date to but excluding the August 4, 2007 Interest Reset Date  | plus .12% |
|                                      | From and including the August 4, 2007 Interest Reset Date to but excluding the August 4, 2008 Interest Reset Date  | plus .12% |
|                                      | From and including the August 4, 2008 Interest Reset Date to but excluding the August 4, 2009 Interest Reset Date  | plus .13% |
|                                      | From and including the August 4, 2009 Interest Reset Date to but excluding the August 4, 2010 Interest Reset Date  | plus .15% |
|                                      | From and including the August 4, 2010 Interest Reset Date to but excluding the August 4, 2011 Interest Reset Date  | plus .16% |
|                                      | From and including the August 4, 2011 Interest Reset Date to but excluding the August 4, 2012 Interest Reset Date  | plus .16% |
| Interest Reset Dates:                | Each Business Day, commencing on August 4, 2006, provided that (a) the Federal Funds (Open) Rate in effect for any day that is not a Business Day shall be the Federal Funds (Open) Rate in effect for the prior Business Day and (b) the Federal Funds (Open) Rate in effect on the second Business Day preceding an Interest Payment Date shall remain in effect for all days following such day prior to such Interest Payment Date.  |           |
| <b>Interest Determination Dates:</b> | Each Interest Reset Date.  |           |
| Calculation of Interest:             | Federal Funds (Open) Rate determined on the Interest Determination Date plus the Spread.   |           |
| Optional Redemption:                 | At the option of the Issuer, the notes are redeemable on or after August 4, 2011, in whole or in part, on any Interest Payment Date, at par plus accrued interest upon not less than 30 days notice. In addition, if a holder of any notes elects not to extend the maturity of such notes, the Issuer may elect to redeem such notes, in whole or in part, on any Interest Payment Date following such election not to extend the maturity.   |           |
| Day Count/Accrual of Interest:       | Actual/360. Accrued interest will be computed by adding the Interest Factors calculated for each day from the Settlement Date or from the last date to which interest has been paid or duly provided for up to but not including the day for which accrued interest is being calculated. The Interest Factor for any Note for each such day will be computed by multiplying the face amount of the Note by the interest rate applicable to such day and dividing the product thereof by 360. |           |
| Minimum Denomination:                | Minimum denominations of \$2,000 and integral multiples of \$1,000.  |           |
| Maximum Interest Rate:               | Maximum rate permitted by New York law.  |           |
| Minimum Interest Rate:               | 0.0%   |           |

#### **Other Provisions:**

Federal Funds (Open) Rate means for any Interest Determination Date, the rate on that date for the Federal Funds open rate as that rate is displayed on Bridge Telerate, Inc. (or any successor service) on page 5 (or any other page as may replace that page on that service) ( Telerate Page 5 ) or if not available on Telerate Page 5, the Federal Funds open rate at Garvin Guy Butler (or any successor entity). If the Federal Funds open rate does not appear on Telerate Page 5 and is not available from Garvin Guy Butler, or if the rate is not yet published by 9:00 a.m. New York City time, on any Interest Determination Date, then the Federal Funds (Open) Rate will be the Federal Funds open rate as displayed on Bridge Telerate, Inc. (or any successor service) on page 4833 (or any other page as may replace that page on that service) or from Prebon Marshall Yamane (or any successor entity). The Federal Funds (Open) Rate will be calculated on a weighted basis, meaning Friday s rate will be in effect for Saturday and Sunday.

Business Day means any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which banking institutions are authorized or required by law or regulation (including any executive order) to close in The City of New York.
