Item 1.01 Entry into a Material Definitive Agreement.

Digital River, Inc. (Digital River) and Microsoft Corporation (Microsoft) have entered into, in the ordinary course of business, the Second Omnibus Amendment to the Microsoft Operations Digital Distribution Agreement (the

Second Omnibus Amendment). The Second Omnibus Amendment extends the term of Microsoft Operations Digital Distribution Agreement through October 31, 2013. On August 30, 2010, Digital River and Microsoft entered into the Microsoft Store USA SOW whereby Digital River will build, host and manage Microsoft® Store, an e-commerce store that supports the sale and fulfillment of Microsoft and third party software as well as consumer electronics products to customers in the United States. The Second Omnibus Amendment contemplates Digital River providing e-commerce hosting and payment processing services in connection with Microsoft Store in addition to Digital River maintaining its role as a reseller of Microsoft products via Digital River's existing online stores. Currently, Digital River is providing e-commerce services, ranging from transaction and payment processing, to e-marketing, digital downloads, fraud prevention and multi-lingual customer support in support of some of the popular Microsoft software titles, including Microsoft® Office. The global arrangement incorporates digital fulfillment across multiple geographies, including North America, Asia, Europe and Latin America.
