PROXY STATEMENT

GENERAL INFORMATION

General

This Proxy Statement (first mailed to stockholders on or about May 2, 2011) is furnished to the holders of common stock, par value \$.01 per share (the "Common Stock"), of G-III Apparel Group, Ltd. ("G-III") in connection with the solicitation by our Board of Directors of proxies for use at the Annual Meeting of Stockholders (the "Annual Meeting"), or at any adjournment thereof, pursuant to the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held on Tuesday, June 7, 2011, at 10:00 a.m., New York time, at the offices of Fulbright & Jaworski L.L.P., 666 Fifth Avenue, 24th Floor, New York, New York 10103.

It is proposed that at the Annual Meeting: we (i) elect nine directors to serve on our Board of Directors for the ensuing year, (ii) approve an amendment to our certificate of incorporation that will increase the total number of authorized shares of our Common Stock from 40,000,000 shares to 80,000,000 shares, (iii) hold an advisory and non-binding vote on the compensation of our named executive officers, (iv) hold an advisory and non-binding vote on the frequency of the future advisory votes on the compensation of our named executive officers and (v) ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending January 31, 2012.

Management currently is not aware of any other matters that will come before the Annual Meeting. If any other matters properly come before the Annual Meeting, the persons designated as proxies intend to vote in accordance with their best judgment on such matters. Proxies for use at the Annual Meeting are being solicited by our Board of Directors. Proxies will be solicited chiefly by mail; however, certain of our officers, directors, employees and agents, none of whom will receive additional compensation therefor, may solicit proxies by telephone or other personal contact. We will bear the cost of the solicitation of the proxies, including postage, printing and handling, and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of shares of Common Stock.

Revocability and Voting of Proxy

A form of proxy for use at the Annual Meeting and a return envelope for the proxy are enclosed. Stockholders may revoke the authority granted by their execution of a proxy at any time prior to the effective exercise of the powers conferred by that proxy, by filing with the Secretary of G-III a written notice of revocation or a duly executed proxy bearing a later date, or by voting in person at the Annual Meeting.

Shares of Common Stock represented by executed and unrevoked proxies will be voted in accordance with the instructions specified in such proxies. If no specifications are given, the proxies intend to vote the shares represented thereby for the election of each of the nine nominees for director as shown on the form of proxy, for the approval of the amendment of our certificate of incorporation to increase the number of authorized shares of Common Stock, for

approval of the compensation of our named executive officers, in favor of conducting future advisory votes on the compensation of our named executive officers every year, and for the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending January 31, 2012, and in accordance with their best judgment on any other matters which may properly come before the meeting.

Record Date and Voting Rights

On April 29, 2011, there were 19,821,934 shares of Common Stock outstanding (excluding shares held in treasury). Each of these shares is entitled to one vote upon each of the matters to be presented at the Annual Meeting. Only stockholders of record at the close of business on April 29, 2011 are entitled to notice of and to vote at the

Table of Contents

Annual Meeting or any adjournment thereof. The holders of a majority of the outstanding shares of Common Stock, present in person or by proxy and entitled to vote, will constitute a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum, but will not be counted with respect to the specific matter being voted upon.

Broker non-votes are shares held by brokers or nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner. Under the applicable Delaware law, the effect of broker non-votes on a particular matter depends on whether the matter is one as to which the broker or nominee has discretionary voting authority under the applicable rules of the New York Stock Exchange. Under current New York Stock Exchange rules, brokers have discretionary authority to vote on the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending January 31, 2011, but do not have discretionary authority to vote on the election of the nine nominees for director, the approval of the amendment of our certificate of incorporation to increase the number of authorized shares of Common Stock, the advisory vote on the compensation of our named executive officers or the advisory vote on the frequency of future advisory votes on the compensation of our named executive officers. This means that if a brokerage firm holds your shares on your behalf, those shares will not be voted in the election of directors, the approval of the amendment of our certificate of incorporation to increase the number of authorized shares of Common Stock, the advisory vote on the compensation of our named executive officers or the advisory vote on the frequency of future advisory votes on the compensation of our named executive officers, unless you provide instructions to that firm by voting your proxy.

The affirmative vote of the holders of a plurality of the shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting is required for the election of directors and for the advisory vote on the frequency of future advisory votes on compensation of our named executive officers. The affirmative vote of a majority of the outstanding shares of our Common Stock is required for the approval of the amendment of our certificate of incorporation to increase the number of authorized shares of Common Stock. The other matters to be voted on will be decided by the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting.

To our knowledge, our directors, officers and beneficial owners of more than ten percent of our Common Stock were in compliance with the reporting requirements of Section 16(a) under the Securities Exchange Act of 1934, as amended, during fiscal 2011.

CORPORATE GOVERNANCE

The Board of Directors has determined that Thomas Brosig, Alan Feller, Laura Pomerantz, Willem van Bokhorst and Richard White are independent directors. The independent directors constitute a majority of the Board of Directors. In making its determination regarding the independence of the directors, the Board relied upon information provided by each of the directors and noted that each independent director meets the standards for independence set out in Marketplace Rule 5605(a)(2) of The NASDAQ Stock Market and under the applicable rules and regulations of the Securities and Exchange Commission, and that there is no material business relationship between G-III and any independent director, including any business entity with which any independent director is affiliated. The Board of Directors reviewed the role of Thomas Brosig as manager of a real estate development project in Mississippi in which Morris Goldfarb, Jeffrey Goldfarb and Sammy Aaron, each of whom is one of our executives and one of our directors, and Richard White, who is one of our directors, are investors. The Board determined that this transaction did not impact Mr. Brosig's status as an independent director.

The Board of Directors held six meetings during the fiscal year ended January 31, 2011. During the fiscal year ended January 31, 2011, each director in office during such fiscal year attended not less than 75% of the aggregate number of meetings of the Board of Directors and of meetings of committees of the Board on which he or she served during the time period in which he or she served. We do not have a formal policy regarding attendance by members of the Board of Directors at annual stockholders meetings. Four of our nine directors attended the 2010 Annual Meeting of Stockholders.

Our Board of Directors has an Audit Committee, Compensation Committee and Nominating Committee. Each member of our Audit, Compensation and Nominating Committees has been determined by the Board of Directors to be independent within the meaning of Marketplace Rule 5605(a)(2) of The NASDAQ Stock Market and, in addition,

each member of the Audit Committee is independent within the meaning of Marketplace Rule 5605(c)(2)(A) of The NASDAQ Stock Market and under the applicable rules and regulations of the Securities and Exchange Commission regarding the independence of audit committee members.

Audit Committee

The Audit Committee, composed of Alan Feller, Willem van Bokhorst and Richard White, is responsible for, among other things, assisting the Board in monitoring (i) the integrity of our financial statements, (ii) the qualifications and independence of our independent auditors, (iii) the performance of our internal audit function and independent auditors, and (iv) the compliance by us with legal and regulatory requirements. Mr. Feller is the

Table of Contents

Chairman of the Audit Committee. The Board has determined that each of Messrs. Feller and White is an audit committee financial expert as such term is defined in the rules of the Securities and Exchange Commission. The Audit Committee met eight times during the fiscal year ended January 31, 2011. In addition, the Audit Committee reviewed proposed updates to the Audit Committee Charter to reflect statutory revisions and recent developments in corporate governance best practices, and recommended to the Board that it adopt a revised version of the Audit Committee Charter reflecting these updates. A copy of the Audit Committee's charter, as so revised, is available in the Investor Relations section of our website at <http://www.g-iii.com>.

Compensation Committee

The purpose of the Compensation Committee is to establish and monitor the basic philosophies and policies governing the compensation of our directors and executive officers and to discharge the responsibilities of the Board relating to such compensation. The Compensation Committee, composed of Laura Pomerantz, Willem van Bokhorst and Richard White, is responsible for reviewing and discussing with management, and recommending to the Board the inclusion of, the Compensation Discussion and Analysis in our annual proxy statement. Mr. White is the Chairman of the Compensation Committee. The Compensation Committee is also empowered to establish and review our compensation practices and policies and to recommend and/or set the compensation for our executive officers, as well as to authorize and approve employment agreements with our executive officers.

In accordance with NASDAQ rules and the Compensation Committee Charter adopted by the Board of Directors, fiscal 2011 compensation of G-III's executive officers was determined by the Compensation Committee. The Compensation Committee consults with Morris Goldfarb, our Chairman and Chief Executive Officer, in connection with making its determinations regarding base salary and bonuses for all executive officers, excluding Morris Goldfarb and Sammy Aaron, whose base salaries and bonuses are determined by their respective employment agreements with us. The Compensation Committee has relied to a large extent on the Chief Executive Officer's evaluation of each executive officer's performance and his recommendations in determining the amount and mix of the total compensation paid to our named executive officers.

The Compensation Committee is empowered to oversee and make all decisions regarding our 2005 Stock Incentive Plan. The Compensation Committee also may form and delegate authority to any subcommittee comprised solely of its members who are independent so long as such formation and delegation are in compliance with applicable law and NASDAQ rules. The Compensation Committee met three times and acted five times by unanimous written consent during the year ended January 31, 2011. In addition, the Compensation Committee reviewed proposed updates to the Compensation Committee Charter to reflect statutory revisions and recent developments in corporate governance best practices, and recommended to the Board that it adopt a revised version of the Compensation Committee Charter reflecting these updates. A copy of the Compensation Committee's charter, as so revised, is available in the Investor Relations section of our website at <http://www.g-iii.com>.

Compensation Committee Interlocks and Insider Participation

During the year ended January 31, 2011, Laura Pomerantz, Willem van Bokhorst and Richard White served on our Compensation Committee. None of the members of the Compensation Committee (i) has ever been an officer or employee of ours or (ii) had any relationship requiring disclosure by us under Item 404 of Regulation S-K. None of our executive officers have served on the board or compensation committee (or other committee serving as equivalent function) of any other entity, where an executive officer of the other entity served on our Board of Directors or Compensation Committee.

Nominating Committee and Nominations Process

The Nominating Committee assists the Board in its selection of individuals (i) as nominees for election to the Board of Directors and (ii) to fill any vacancies or newly created directorships on the Board. The members of the Nominating Committee are Messrs. Brosig and White. Mr. White is the Chairman of the Nominating Committee. The Nominating Committee met formally once during the fiscal year ended January 31, 2011 and the members of the Nominating Committee informally discussed Committee matters on several occasions. The Nominating Committee met to review the performance and the experience, qualifications, attributes and skills of the members

Table of Contents

of the Board and recommended to our Board that the existing directors be nominated for election as directors at the Annual Meeting. In addition, the Nominating Committee reviewed proposed updates to the Nominating Committee Charter to reflect statutory revisions and recent developments in corporate governance best practices, and recommended to the Board that it adopt a revised version of the Nominating Committee Charter reflecting these updates. A copy of the Nominating Committee's charter, as so revised, is available in the Investor Relations section of our website at <http://www.g-iii.com>.

It is the policy of the Nominating Committee to consider candidates for Board membership suggested by Nominating Committee members and other Board members, management, our stockholders, third-party search firms and any other appropriate sources. As a stockholder, you may recommend any person for consideration as a nominee for director by writing to the Nominating Committee of the Board of Directors, c/o G-III Apparel Group, Ltd., 512 Seventh Avenue, New York, New York 10018. Recommendations must be received by January 2, 2012 to be considered for the 2012 Annual Meeting of Stockholders. Recommendations must include the name and address of the stockholder making the recommendation, a representation setting forth the number of shares of our Common Stock beneficially owned by the recommending stockholder, a statement that the recommended nominee has expressed his or her intent to serve on the Board if elected, biographical information about the recommended nominee, any other information the stockholder believes would be helpful to the Nominating Committee in evaluating the individual recommended nominee and a description of all arrangements or understandings between the recommending stockholder and each nominee and any other person concerning the nomination.

In evaluating candidates, the Nominating Committee considers the following criteria: personal integrity, sound business judgment, business and professional skills and experience, independence (as that term is defined under the rules of the Securities and Exchange Commission and the NASDAQ listing standards), the requirement to maintain a Board that is composed of a majority of independent directors, potential conflicts of interest, the extent to which a candidate would fill a present need, and concern for the long term interests of stockholders. In any particular situation, the Nominating Committee may focus on persons possessing a particular background, experience or qualifications which the Committee believes would be important to enhance the effectiveness of the Board.

The Nominating Committee does not have a formal policy with respect to considering diversity in identifying director nominees. The Board and the Nominating Committee believe it is important that the Board members represent diverse viewpoints and a variety of skills so that, as a group, the Board will possess the appropriate talent, skills and expertise to oversee our business. The evaluation process for stockholder recommendations is the same as for candidates recommended from any other source. The needs of the Board and the factors that the Nominating Committee considers in evaluating candidates is reassessed on an annual basis, when the committee's charter is reviewed.

Stockholder Communications

The Board of Directors has provided a process for stockholders to send communications to the Board. Stockholders who wish to send communications to the Board of Directors, or any particular director, should address such communications to the Board or such director c/o G-III Apparel Group, Ltd., 512 Seventh Avenue, New York, New York 10018, Attn: Secretary. All such communications should include a representation from the submitting stockholder setting forth the stockholder's address and the number of shares of our Common Stock beneficially owned by the stockholder. The Board will give appropriate attention to written communications on issues that are submitted by stockholders and will respond as appropriate. Absent unusual circumstances, the Secretary of G-III will (i) be primarily responsible for monitoring communications from stockholders and (ii) provide copies or summaries of such communications to the Board, or the director to whom such communication is addressed, as the Secretary considers appropriate. Each stockholder communication will be forwarded to all directors, or the director to whom it is addressed, if it relates to a substantive matter and includes suggestions or comments that the Secretary considers to be important for the directors, or director, to know. In general, stockholder communications relating to corporate

governance and long-term corporate strategy are more likely to be forwarded than stockholder communications relating to personal grievances and matters as to which we may receive repetitive or duplicative communications.

Risk Oversight

The risk oversight function of our Board of Directors is carried out by both the Board and the Audit Committee. The Audit Committee meets periodically with management and our internal audit team to discuss our major financial and operating risks and the steps, guidelines and policies management and our internal audit team have taken to monitor and control exposures to risk, including the G-III's risk assessment and risk management policies. Matters of strategic risk are considered by the Board as a whole. In addition, our internal disclosure committee reviews with management the risk factors that appear in our Annual Report on Form 10-K prior to its filing with the SEC, as well as prior to the filing of our Quarterly Reports on Form 10-Q.

The Board encourages management to promote a corporate culture that incorporates risk management into our corporate strategy and day-to-day business operations. The Board continually works, with input from our executive officers, to assess and analyze the most likely areas of future risk for us and our business.

Leadership Structure of the Board

The Board of Directors believes that Morris Goldfarb's service as both Chairman of the Board and Chief Executive Officer is in our best interest, as well as the best interest of our stockholders. Mr. Goldfarb is the director most familiar with our business and industry and possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing us and our business. Thus, he is in the best position to develop agendas and plans that ensure that the Board's time and attention are focused on its most critical matters. As a result, we have a single leader for our company. We believe that Mr. Goldfarb is viewed by our customers, suppliers, business partners, investors and other stakeholders as providing strong leadership for our company in the marketplace and in our industry. This approach is commonly utilized by other public companies in the United States and we believe it has been effective for our company as well.

Although the Board believes that the combination of the Chairman and Chief Executive Officer roles is appropriate for us in the current circumstances, our Board does not have a specific policy as to whether or not these roles should be combined or separated. The Board of Directors does not have a lead independent director.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The following discussion describes the compensation objectives and policies which were utilized with respect to our named executive officers with respect to the fiscal year ended January 31, 2011, or fiscal 2011. As the Compensation Committee continues to review our compensation program with respect to our named executive officers, the objectives of our executive compensation program, as well as the methods which the Compensation Committee utilizes to determine both the types and amounts of compensation to award to our named executive officers, may change.

Executive Compensation Philosophies and Policies

Our compensation philosophies and policies have evolved over the years. The goals of our compensation program are intended to:

attract and retain the most highly qualified managerial and executive talent by paying compensation that is competitive with the compensation paid to persons having similar responsibilities and duties at our company and at other companies in our industry and of similar size;

provide appropriate incentives to produce superior performance of our executives and employees;
emphasize sustained performance by aligning rewards with stockholders' interests;
motivate executives and employees to achieve G-III's annual and long-term business goals; and
reward executives for superior individual contributions to G-III.

Table of Contents

The Compensation Committee, comprised entirely of independent directors, seeks to achieve these goals in making its decisions with respect to executive compensation. Compensation for our named executive officers is linked to individual performance, experience, leadership and company performance. Measurement of performance is made against financial and non-financial objectives. Additionally, while we generally place more emphasis on internal equity in our compensation decisions, the Compensation Committee may also periodically review competitive market and trend data, performance and market data of other publicly-held apparel companies, individual and company performance.

Executive Officer Compensation Process

In establishing the compensation for our executive officers for fiscal 2011, we:

assessed our executive officers' performance in relation to G-III's performance;

analyzed the compensation levels of comparable executive officers in our company;

assessed our financial and business results compared to our forecast and our financial performance relative to our past performance and financial goals; and

determined a mix of base salary and bonus, along with equity grants, to align our executive officers' compensation with performance.

The Compensation Committee takes into consideration the accounting and tax treatment of its compensation decisions. The Compensation Committee has been cognizant of the benefit of restricted stock units or stock options granted to employees measured against the related future compensation charges that will be incurred as a result of equity grants. Because we had not provided equity-based compensation to some of our executive officers for over three years, in June 2008, the Compensation Committee granted restricted stock units to three of our named executive officers. In April 2009 and March 2010, the Compensation Committee granted restricted stock units to each of our named executive officers. In each case, the Compensation Committee considered whether it was preferable to grant restricted stock units or options, the potential future impact of the cost to be recognized and potential dilution and considered it against the benefit to the executives and determined that restricted stock units provided a better matching of benefit to our executives and related cost, as well as lower potential dilution to us.

The Compensation Committee consults with Morris Goldfarb, our Chairman and Chief Executive Officer, in connection with making its determinations regarding base salary and bonuses for all executive officers, excluding Morris Goldfarb and Sammy Aaron, whose base salaries and bonuses are determined by their respective employment agreements with us. The Compensation Committee has relied to a large extent on the Chief Executive Officer's evaluation of each executive officer's performance and his recommendations in determining the amount and mix of the total compensation paid to our other named executive officers.

Components of the Executive Compensation Program

One of G-III's strengths is a strong management team. The compensation program is designed to enable G-III to attract, retain and reward capable employees who contribute to G-III's success. Equity participation and a strong alignment to stockholders' interests are also elements of our compensation philosophy. Generally, executive compensation has been paid primarily in cash as base salaries and bonus, although this is not due to any specific practice, policy or formula regarding the allocation between long-term and currently paid out compensation or the allocation between cash and non-cash compensation. Our executive compensation program consists, in general, of

base salary, annual bonuses and stock-based awards. For the fiscal year ended January 31, 2011, base salary and bonus comprised greater than 75% of the total compensation package for each named executive officer.

Base Salary. Base salaries are intended to attract and retain talent, provide competitive compensation for the performance of an executive's basic job duties, and recognize an executive's responsibilities, experience, leadership and contribution to the success of G-III. Base salaries are reviewed periodically. The base annual salary for each of Morris Goldfarb, our Chairman and Chief Executive Officer, and Sammy Aaron, our Vice Chairman, are determined pursuant to their employment agreements with us, subject to increase as determined by the Compensation Committee. The Compensation Committee reviews base salaries, as well as other components of

Table of Contents

compensation, on an annual basis. Salary adjustments are generally determined by evaluating the performance of the executive and any increased responsibilities assumed by the executive, the performance of G-III and the competitive marketplace. Salary adjustments to our named executive officers are usually the result of a recommendation by our Chief Executive Officer.

In response to economic uncertainties with respect to fiscal 2010 and as part of our cost reduction program, in January 2009, based on a recommendation from our management, the Compensation Committee recommended that the base salaries of Morris Goldfarb and Sammy Aaron be reduced by 20% to \$800,000 per year for Mr. Goldfarb and \$600,000 per year for Mr. Aaron, which was agreed to by each of them. We also reduced the base salaries of Wayne S. Miller and Jeanette Nostra by 20%, and the base salary of Neal S. Nackman by 10%. All of these reductions were effective for the six-month period that commenced on February 1, 2009. The base salary of each of our named executive officers was restored to its regular amount as of August 1, 2009. The Compensation Committee also reduced compensation paid to directors who are not employees of, or consultants to, us (Non-Employee Directors) by 20% during the same six month period. For a description of the base salaries paid to our named executive officers for fiscal 2011, you should read the Summary Compensation Table and the narrative discussion thereof in this Proxy Statement.

Annual Bonuses. Annual bonuses for our named executive officers are intended to reward company-wide and individual performance during the year. Bonuses for executive officers, other than as required by our employment agreements with our Chief Executive Officer and our Vice Chairman, are determined by our Compensation Committee and are generally based on the recommendation of our Chief Executive Officer. In April 2010, the Compensation Committee adopted performance goals for fiscal 2011 for each of Wayne Miller and Jeanette Nostra based on achieving certain levels of earnings before taxes, or pre-tax income, utilizing the same definition for pre-tax income contained in the employments agreements with our Chief Executive Officer and our Vice Chairman. Each of Mr. Miller and Ms. Nostra were entitled to receive a bonus of up to 2.5% of our earnings before taxes, as so defined, provided that our earnings before taxes exceed \$6.0 million in fiscal 2011. Under the terms of these awards, the formula represents the maximum incentive that could be earned by Mr. Miller and Ms. Nostra for fiscal 2011, and the Compensation Committee had the discretion to reduce the amount otherwise payable under this formula based on such factors as it deemed appropriate.

The Compensation Committee reviews with our Chief Executive Officer our performance compared to our plan for the year in determining the amount of bonuses to be granted to executives other than our Chief Executive Officer and Vice Chairman. In addition to measuring our performance against our plan for the year, individual awards are determined based upon an executive's base salary relative to other senior executives and the executive's performance and contribution to us during the year.

In assessing individual performance, much like the determination of base salaries, the Compensation Committee considers the individual's achievement in light of his or her position and responsibilities and contribution to our financial performance, as well as relative bonus levels among our senior executives. Individual performance is measured by, among other things, our financial performance, including sales growth, margin improvement and cost reduction, as well as managing major corporate transactions such as raising capital or the successful completion of an acquisition. The Compensation Committee retains authority to award bonuses on a discretionary basis reflecting, for example, excellent performance in unusual or difficult circumstances even if our financial plan is not achieved. The Compensation Committee believes that bonuses should constitute a higher percentage of the overall compensation of named executive officers to reward individual performance and our overall performance and, over the past few years, bonus compensation has generally represented an increasing portion of an executive's cash compensation.

The Compensation Committee discussed the bonuses to be awarded to each of Mr. Nackman, Mr. Miller and Ms. Nostra with G-III's Chief Executive Officer, who reviewed the performance of each of these executive officers

during fiscal 2011. In determining the bonuses to be awarded, the Compensation Committee considered overall company performance, the scope of job responsibilities, tenure with G-III, the contributions by each executive to our performance, the performance of the divisions or departments of G-III for which the executive was responsible, internal equity, the relationship of total compensation paid to compensation paid to other executives and the relationship of compensation paid in fiscal 2011 to compensation paid in prior years. Subject to the maximum bonus

Table of Contents

permitted by the performance goals adopted with respect to Mr. Miller and Ms. Nostra, the analysis by the Compensation Committee made with respect to each of Mr. Nackman, Mr. Miller and Ms. Nostra generally involved the use of qualitative/subjective individual performance goals.

Bonuses for fiscal 2011 awarded to Mr. Nackman, Mr. Miller and Ms. Nostra are reflected in the Summary Compensation Table set forth in this Proxy Statement. The bonuses paid to Messrs. Goldfarb and Aaron pursuant to their respective employment agreements are also reflected in the Summary Compensation Table. Bonuses are also discussed further in the narrative discussion following the Summary Compensation Table.

Stock-Based Awards. We believe that equity ownership by management is beneficial in aligning management's and stockholders' interests in the enhancement of stockholder value. The Compensation Committee believes that restricted stock unit, restricted stock and option awards are consistent with the objectives of our executive compensation program, because grants of restricted stock units, restricted stock or stock options promote a long-term view and incentivize growth in stockholder value. The Compensation Committee believes that the compensation program should provide employees with an opportunity to increase their ownership and potentially gain financially from increases in the price of our Common Stock. By this approach, the best interests of stockholders, executives and employees will be closely aligned. As discussed above, in recent years, the Compensation Committee determined that restricted stock units provided a better matching of benefit to our executives and related cost, as well as lower potential dilution to us.

The Compensation Committee granted restricted stock units to our named executive officers in June 2008, April 2009 and March 2010 as set forth below:

Named Executive Officer	June 2008	April 2009	March 2010
Morris Goldfarb	150,000	60,000	90,000
Sammy Aaron		40,000	60,000
Wayne S. Miller	50,000	30,000	25,000
Jeanette Nostra	35,000	20,000	10,000
Neal S. Nackman		15,000	5,000

These grants enable the recipients to receive shares of Common Stock, subject to satisfaction of specified performance and continuing service conditions. In particular, the grants were subject to the satisfaction of a price vesting condition which provided that the above-named executive officers were entitled to receive the applicable number of shares of Common Stock only if the average closing price per share of Common Stock on the NASDAQ Global Select Market was \$16.06 or higher, in the case of the June 2008 grants, \$6.93 or higher, in the case of the April 2009 grants, and \$25.07 or higher, in the case of the March 2010 grants, in each case over a twenty consecutive trading day period during the four-year period commencing on the date of grant of the restricted stock units and ending on the day prior to the fourth anniversary of the date of grant.

As the price vesting condition has been satisfied with respect to each of the June 2008 grants and the April 2009 grants, we have and will issue to the executive officer 25% of the shares of Common Stock to which the executive officer is entitled on each anniversary of the date of grant, through the fourth anniversary, but only if the executive officer remains employed by us or otherwise performs service for us on the relevant anniversary date. The price vesting condition has also been satisfied with respect to the March 2010 grants and we will issue to the executive officer 25% of the shares of Common Stock to which the executive officer is entitled on the second and third anniversaries of the date of grant, and 50% on the fourth anniversary, but only if the executive officer remains employed by us or otherwise performs service for us on the relevant anniversary date.

The grant of restricted stock units, restricted stock or stock options is based primarily on an employee's potential contribution to our growth and financial results. In determining the size of grants, we also consider the number of shares of restricted stock units or restricted stock and the number and exercise price of stock options previously granted to each executive, and the aggregate amount of the current restricted stock unit, restricted stock or stock option grants. We have granted restricted stock units that vested based on an increase in the price of our Common Stock of between 15% and 25% over the price on the date of grant and that also have a time-based vesting condition. Stock options are granted at the prevailing market value of our Common Stock and will only have value if our stock price increases over the price on the date of grant. Generally, equity grants vest over time, and the

Table of Contents

individual must be employed by G-III for the stock options to vest. We do not currently have a formal policy with respect to required stock ownership or with respect to adjusting or recovering bonus awards or payments if we were to restate our financial statements.

Other Compensation

Consistent with our pay-for-performance compensation philosophy, we intend to continue to maintain executive benefits and perquisites for our executive officers; however, the Compensation Committee at its discretion may revise, amend or add to our executive officers' benefits and perquisites if it deems it advisable. We believe these benefits and perquisites are currently at competitive levels for companies similar to ours.

Our named executive officers are eligible to participate in benefit plans generally available to all of our employees, which include health, dental, life insurance, vision and disability plans. We also sponsor a voluntary 401(k) Employee Retirement Savings Plan for eligible employees administered by Wells Fargo Bank, N.A. Employees must be at least 21 years of age and have one year with us to be eligible to participate in the plan. Fifty percent of the amount of employee contributions, including those by our named executive officers, may be matched by us up to a maximum of six percent of eligible compensation. As part of our cost reduction efforts, in January 2009, we elected not to make matching contributions to our 401(k) plan for the calendar year 2008. In February 2010, we elected to resume our matching contribution for the calendar year 2009.

In addition, we provide reasonable perquisites to our named executive officers. For a description of the perquisites paid to our named executive officers for fiscal 2011, you should read the Summary Compensation Table and the narrative discussion thereof in this Proxy Statement.

Change-in-Control Payments

We do not have in effect any general plan that provides for change-in-control payments to our executive officers. Our employment agreements with Morris Goldfarb and Sammy Aaron contain change-in-control provisions. In addition, our Compensation Committee approved the terms of executive transition agreements, containing change-in-control provisions, with each of Wayne S. Miller and Jeanette Nostra in June 2008, and with Neal S. Nackman in February 2011. These provisions are discussed under Potential Payments Upon Termination or Change-in-Control below.

2005 Stock Incentive Plan

In 2005, our Board of Directors and stockholders adopted the G-III Apparel Group, Ltd. 2005 Stock Incentive Plan (as amended to date, the 2005 Plan). There were 1,802,629 shares available for issuance under the 2005 Plan as of January 31, 2011.

At the 2009 Annual Meeting, our stockholders approved amendments to the 2005 Plan, including an amendment to increase the number of shares available for issuance under the Plan. At the 2010 Annual Meeting, our stockholders approved further amendments to the 2005 Plan primarily to increase our flexibility to award equity and cash bonus compensation that will be tax deductible because they qualify for the performance-based compensation exemption from the executive compensation deduction limitation imposed by Section 162(m) of the Internal Revenue Code. On September 21, 2010, our Compensation Committee and Board of Directors approved other amendments to the 2005 Plan to (i) require the vesting of all Plan awards, including restricted stock awards, if and to the extent such awards are not converted into economically equivalent awards for stock of the acquiring or successor company upon a merger or similar transaction and (ii) revise the definition of change in control.

The 2005 Plan permits us to grant stock options, stock appreciation rights, restricted stock, restricted stock units and other stock-based awards to directors, officers, employees, consultants and other individuals (including, independent contractors) who perform or will perform services for us or our affiliates. The amendments approved at the 2010 Annual Meeting also allow us to grant performance based cash incentive awards under that Plan. The Compensation Committee may establish conditions and restrictions on the vesting of such awards and on the issuance of shares of restricted stock as it deems appropriate, including, without limitation, conditions and

Table of Contents

restrictions based upon continued service, the attainment of specified performance goals and/or other factors and criteria deemed relevant for this purpose.

Generally, the Compensation Committee administers the 2005 Plan, and has discretion to select the persons to whom awards will be made under the 2005 Plan and prescribe the terms and conditions of each award under the 2005 Plan, subject to the delegation of authority discussed above. The Board of Directors also has the power to administer the 2005 Plan.

With respect to the application of the 2005 Plan to directors who are Non-Employee Directors, the Compensation Committee has sole responsibility and authority for matters relating to the grant and administration of such awards. Our policy has been to grant to each Non-Employee Director an option to purchase up to 3,000 shares of our Common Stock on the day after each annual meeting of our stockholders.

Timing of Equity Grants

We do not have any plan to select option grant dates or restricted stock or restricted stock unit award grant dates for our named executive officers in coordination with the release of material non-public information. The Compensation Committee has adopted a general policy that equity grants to existing employees should be made annually during the first half of our fiscal year. It is anticipated that equity grants to new hires or upon a promotion will generally be made on the first business day of the month after the commencement of employment or effectiveness of the promotion. The exercise price of all stock options awarded to our named executive officers has been made at the market price on the date of the award. The Committee retains the discretion not to make equity grants at the times provided in the policy if the members determine it is not appropriate to make a grant at such time. Additionally, the Committee retains the discretion to make grants, including an annual equity grant, at times other than as provided in the policy if the members determine circumstances warrant making a grant at such other times.

Effect of Section 162(m) of the Code

In general, under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), a publicly held corporation may not deduct as an expense for federal income tax purposes total compensation in excess of \$1 million paid in any taxable year to each of its chief executive officer and other named executive officers (other than the Chief Financial Officer). Section 162(m) of the Code provides an exemption for certain performance-based compensation. Annual bonus amounts payable to Messrs. Goldfarb and Aaron pursuant to their employment agreements, as well as compensation to our named executive officers attributable to non-qualified stock options or performance-based restricted stock units, are intended to qualify for the performance-based compensation exemption. Prior to June 2010, the discretionary annual bonuses payable to our other named executive officers did not qualify for the performance-based compensation exemption. At the 2010 Annual Meeting, our stockholders approved the Amended and Restated 2005 Stock Incentive Plan, and we are now able to award bonuses to our other named executive officers in a manner that will also qualify them for the performance-based compensation exemption.

The Compensation Committee is mindful of the \$1 million limit on deductibility of executive compensation under Section 162(m) of the Code, however, the Committee is not constrained from authorizing the payment of compensation that is subject to the deduction limit and may do so, as and when it deems appropriate, and in our best interest, under the circumstances. Morris Goldfarb's annual salary rate is \$1 million per year. Salary does not qualify as performance based compensation for purposes of Section 162(m). Other portions of compensation that Mr. Goldfarb may receive also may not qualify. Although the Compensation Committee considers the net cost to G-III in making all compensation decisions (including the potential limitation on deductibility of executive compensation), there is no assurance that we will be allowed to deduct all of the compensation paid to our executives.

Narrative Discussion of Summary Compensation Table Information

The following is a narrative discussion of the material factors which we believe are necessary to understand the information disclosed in the foregoing Summary Compensation Table. The following narrative disclosure is separated into sections, with a separate section for each of our named executive officers.

Morris Goldfarb

Base Salary and Bonus

Pursuant to his employment agreement, in fiscal 2009, Mr. Goldfarb was paid a base annual salary at the rate of \$650,000 through June 30, 2008 and \$1,000,000 from July 1, 2008 through January 31, 2009. In fiscal 2010,

Mr. Goldfarb agreed to be paid a base annual salary at the reduced rate of \$800,000 for the six-month period beginning February 1, 2009. His base annual salary was returned to the rate of \$1,000,000 effective August 1, 2009. His base annual salary payments for fiscal 2010 totaled \$900,000. His base annual salary for fiscal 2011 was \$1,000,000.

Severance and Change in Control Arrangements of Mr. Goldfarb

In the event we terminate Mr. Goldfarb's employment for cause (as defined in his employment agreement) or Mr. Goldfarb voluntarily resigns without cause (as defined in his employment agreement), Mr. Goldfarb will not be entitled to any severance or other compensation of any kind following the effective date of such termination, other than such portion of base salary and other compensation accrued through the date of the termination.

In the event we terminate Mr. Goldfarb's employment without cause, or Mr. Goldfarb terminates his employment for cause, Mr. Goldfarb will continue to receive his annual salary, annual bonus and other benefits for the term of the employment agreement. If such termination is effectuated after the occurrence of a Change in Control (as defined in the employment agreement), then, in lieu of the payments described in the preceding sentence, Mr. Goldfarb will be entitled to receive an amount equal to 2.99 times his annual base salary and bonus in a lump sum in cash within 30 days after such termination date, plus certain employment-related benefits for a period of three years from the date of his termination. If Mr. Goldfarb's employment is terminated due to his death, Mr. Goldfarb's estate will be entitled to receive the base salary for a period of six months from the last day of the month of his death and will be eligible to receive bonus compensation pro-rated according to the number of days of employment in such fiscal year.

Severance and Change in Control Arrangements of Mr. Aaron

If we terminate Mr. Aaron's employment for justifiable cause (as defined in his employment agreement) or Mr. Aaron voluntarily resigns without good reason (as defined in his employment agreement), Mr. Aaron will not be entitled to any severance or other compensation of any kind following the effective date of such termination, other than such portion of base salary and other compensation accrued through the date of the termination.

In the event Mr. Aaron's employment is terminated without justifiable cause or by Mr. Aaron for good reason, Mr. Aaron will continue to receive his annual salary and other benefits for the term of the employment. However, if a Change in Control (as defined in the employment agreement) occurs and Mr. Aaron is terminated without justifiable cause or resigns for good reason within three months of the event giving rise to such good reason, he will be entitled to continuation of specified benefits and periodic severance payments totaling 2.0 times the sum of (a) his highest annual salary in effect during the one-year period before his termination of employment and (b) the average annual cash bonus earned during our two fiscal years before the fiscal year of his termination of employment. Our obligation to pay such compensation will be conditional upon Mr. Aaron executing a general release. If Mr. Aaron's employment agreement is terminated due to his disability or death, Mr. Aaron will be entitled to receive such portion of his annual salary, accrued leave and reimbursement of expenses as has been accrued through the date on which his employment is terminated or through the date of his death.

Mr. Aaron has agreed that until one year following the termination of his employment (or, if a Change in Control occurs and Mr. Aaron is terminated without justifiable cause or resigns for good reason within three months of the event giving rise to such good reason, until the date that is six months after his termination date) he will not carry on, take part in, or render services to, any person engaged in the manufacture, distribution, sale or promotion of men's and women's outerwear or women's suits and will not cause any customers with whom we have a business relationship to cancel or terminate such business relationship or solicit or hire from any of our employees. In addition, Mr. Aaron has agreed that at any time following expiration or termination of his employment, he will not disclose to any person any confidential information (as defined in the employment agreement) acquired during the course of his employment relating to G-III or any client of G-III.

Severance and Change in Control Arrangements of Mr. Nackman, Mr. Miller and Ms. Nostra

The executive transition agreements between Mr. Nackman and us, Mr. Miller and us and Ms. Nostra and us provide that if a Change in Control (as defined in the executive transition agreement) occurs and, during the three months before a Change in Control or the two years after a Change in Control, Mr. Miller or Ms. Nostra is terminated by us without Cause (as defined in the executive transition agreement) or resigns for Good Reason (as defined in the executive transition agreement) he or she will be entitled to continuation of specified benefits and periodic severance payments totaling 1.5 times the sum of (a) his or her highest annual salary in effect during the

Table of Contents

one-year period before his or her termination of employment and (b) the average annual cash bonus he or she earned during our two fiscal years before the fiscal year of his or her termination of employment.

Acceleration of Vesting upon Termination or Change in Control

There are no agreements with the Named Executive Officers that provide for an acceleration of vesting of the stock options upon their termination of employment or a change in control. Each Named Executive Officer has three months after the termination of his employment to exercise his vested stock options, unless his employment is terminated by reason of death or disability, in which case any vested stock options would remain exercisable for one year after termination, or his employment is terminated for cause, in which case the options will immediately terminate and cease to be exercisable.

Estimated Payouts on Termination of Employment

The following tables disclose the estimated payments and benefits that would be provided to each of Messrs. Goldfarb, Aaron, Nackman and Miller and Ms. Nostra, applying the assumptions that each of the triggering events described in their respective employment or executive transition agreements took place on January 31, 2011 and their last day of employment was January 31, 2011.

These amounts are in addition to benefits payable generally to our salaried employees, such as distributions under the G-III s 401(k) plan, disability benefits and accrued vacation pay.

Due to a number of factors that affect the nature and amount of any benefits provided upon the events discussed below, any actual amounts paid or distributed may be different. Factors that could affect these amounts include the timing during the year of any such event, our stock price and the executive's age.

PROPOSAL NO. 2

**AMENDMENT TO OUR CERTIFICATE OF INCORPORATION
TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK**

The Board of Directors has unanimously approved, subject to stockholder approval, an amendment to Paragraph (A) of Article Fourth of our certificate of incorporation to increase the total number of authorized shares of Common Stock from 40,000,000 shares to 80,000,000 shares. The number of authorized shares of our preferred stock will remain the same, at 1,000,000 shares.

Subject to stockholder approval, Paragraph (A) of Article Fourth of our certificate of incorporation will be amended and restated in its entirety as follows:

FOURTH: A. *Authorized Capital Stock.* The total number of shares of all classes of stock which this Corporation shall have authority to issue is EIGHTY ONE MILLION (81,000,000) shares, consisting of ONE MILLION (1,000,000) shares of Preferred Stock, par value \$.01 per share (hereinafter, the Preferred Stock), and EIGHTY MILLION (80,000,000) shares of Common Stock, par value \$.01 per share (hereinafter, the Common Stock).

At April 29, 2011, there were 19,821,934 shares of Common Stock outstanding. An aggregate of 2,934,019 shares of Common Stock were reserved for issuance, as follows:

471,015 shares of Common Stock issuable upon the exercise of outstanding options;

569,300 shares of Common Stock issuable upon the vesting of restricted stock awards; and

1,802,629 shares of common stock reserved for future grants under our stock incentive plan.

As a result, as of April 29, 2011, we have issued or reserved for issuance 22,664,878 of the 40,000,000 authorized shares of Common Stock.

There are no plans, arrangements, commitments or understandings with respect to issuance of any of the additional shares of Common Stock which would be authorized by the proposed amendment. If the proposed amendment is approved by our stockholders, the additional shares authorized could be issued at the direction of the Board of Directors from time to time for any proper corporate purpose, including, without limitation, the acquisition of other businesses, the raising of additional capital for use in our business, a split or dividend on then outstanding shares or in connection with any employee stock plan or program.

Our company has grown significantly over the past few years. We review and evaluate potential capital raising activities, strategic transactions and other corporate actions on an ongoing basis to determine if such actions would be in the best interests of G-III and its stockholders. Our Board believes that the currently available number of unissued and unreserved shares of Common Stock does not provide sufficient flexibility for corporate action in the future, and that additional authorized shares would provide us with needed ability to issue Common Stock or Common Stock-based instruments in the future to take advantage of opportunities that are presented to us or favorable market conditions without the potential expense or delay incident to obtaining stockholder approval for a particular issuance.

Our Board of Directors will determine whether, when and on what terms the issuance of shares of Common Stock or Common Stock-based instruments may be warranted. The additional shares of Common Stock will be available for issuance without further action by our stockholders unless such action is required by applicable law or by the rules of

the NASDAQ Global Select Market. Under our certificate of incorporation, stockholders do not have preemptive rights with respect to the authorization of additional shares of Common Stock. Except in certain cases such as a stock dividend, the issuance of additional shares of Common Stock would have the effect of diluting the voting power of existing stockholders.

Although not a factor in the Board of Directors' decision to propose the amendment, one of the effects of the amendment to our certificate of incorporation may be to enable the Board of Directors to render more difficult or to discourage an attempt to obtain control of G-III, since the issuance of these additional shares of Common Stock could be used to dilute the stock ownership of persons seeking to obtain control or otherwise increase the cost of

Table of Contents

obtaining control of us. As of March 31, 2011, our directors and executive officers, in the aggregate, beneficially owned 17.4% of our outstanding Common Stock.

Interests of Certain Persons

While none of our other directors or executive officers has a present commitment to purchase any of the additional authorized shares, it is possible that one or more of such persons will participate in any future transaction in which we issue additional shares of Common Stock or securities convertible into Common Stock, in which case the participating officers and directors may be deemed to have an interest in the approval of this Proposal No. 2.

Vote Required

The affirmative vote of the holders of a majority of the shares of Common Stock outstanding is required for the approval of the amendment to our certificate of incorporation. Broker non-votes and abstentions with respect to this matter have the same effect as a vote against the matter.

PROPOSAL NO. 3

ADVISORY VOTE ON COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

The recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act"), enables stockholders to vote to approve, on an advisory (non-binding) basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules.

We are asking our stockholders to indicate their support for the compensation of our named executive officers as disclosed in this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives stockholders the opportunity to express their views on the compensation paid to our named executive officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we are asking the stockholders to vote "FOR" the following resolution at the Annual Meeting:

RESOLVED, that G-III's stockholders approve, on an advisory basis, the compensation of G-III's named executive officers, as disclosed in G-III's proxy statement for the 2011 Annual Meeting of Stockholders, pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables, and other related tables and disclosure.

Vote Required

The affirmative vote of holders of a majority of the shares of Common Stock issued, outstanding and entitled to vote, present or represented at the meeting, a quorum being present, is required for the adoption of this proposal. Broker non-votes with respect to this matter will be treated as neither a vote "for" nor a vote "against" the matter, although they will be counted in determining the number of votes required to attain a majority of the shares present or represented at the meeting and entitled to vote. An abstention from voting by a stockholder present in person or by proxy at the meeting has the same legal effect as a vote "against" the matter because it represents a share present or represented at the meeting and entitled to vote, thereby increasing the number of affirmative votes required to approve this proposal.

The "say-on-pay" vote is advisory, and therefore is not binding on us, the Compensation Committee or the Board of Directors. However, the Board and the Compensation Committee value the opinions of the stockholders and, to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, will consider the stockholders' concerns and the Board and Compensation Committee will evaluate whether any actions are necessary to address those concerns.

THE BOARD OF DIRECTORS DEEMS PROPOSAL NO. 3 TO BE IN THE BEST INTERESTS OF G-III AND OUR STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL THEREOF.

PROPOSAL NO. 4

**ADVISORY VOTE ON THE FREQUENCY OF FUTURE
ADVISORY VOTES ON COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS**

The Dodd-Frank Act also enables the stockholders to indicate how frequently we should seek an advisory vote (non-binding) on the compensation of our named executive officers as disclosed pursuant to the SEC's compensation disclosure rules. By voting on this proposal, which is also advisory and non-binding, stockholders may indicate whether they would prefer an advisory vote on the compensation of our named executive officers every year, once every two years, or once every three years.

After careful consideration of this proposal, the Board of Directors has determined that an advisory vote on compensation of our named executive officers that occurs every year is the most appropriate alternative. The Board believes that an annual advisory vote on compensation of our named executive officers will allow our shareholders to provide timely, direct input on our executive compensation philosophy, policies and practices as disclosed in the proxy statement each year. The Board understands that the stockholders may have different views as to what is the best approach for G-III and looks forward to hearing from stockholders as to their preferences on the frequency of an advisory vote on compensation of our named executive officers.

Vote Required

The proxy card provides the stockholders with the opportunity to choose among four alternatives with respect to this proposal (holding the vote every one, two or three years, or abstaining) and, therefore, stockholders will not be simply voting to approve or disapprove the Board's recommendation.

The alternative that receives the greatest number of votes (holding the vote every one, two or three years) will be the frequency that stockholders choose. Abstentions will not be taken into account in determining the outcome of the vote. Brokers do not have discretion to vote uninstructed shares with respect to this proposal. Accordingly, if brokers do not receive voting instructions from beneficial owners of the shares, they will not be able to vote the shares and broker non-votes may occur with respect to this proposal. However, broker non-votes will not affect the outcome of the vote.

Although the vote on the frequency of the say on pay vote is advisory and nonbinding, the Board of Directors and the Compensation Committee will take into account the outcome of the vote when considering the frequency of future advisory votes on compensation of our named executive officers.

**THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE TO CONDUCT
FUTURE ADVISORY VOTES ON COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS EVERY
YEAR.**

AUDIT COMMITTEE REPORT

In accordance with its written charter adopted by the Board of Directors, the Audit Committee of the Board of Directors is responsible for, among other things, overseeing G-III's accounting and financial reporting processes and reviewing and discussing G-III's audited financial statements with management.

Management is responsible for G-III's financial reporting process including its system of internal control and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. G-III's independent auditors are responsible for auditing those financial statements. The responsibility of the Audit

Committee is to monitor and review these processes. Members of the Audit Committee are not employees of G-III and are not required to be accountants or auditors by profession. Therefore, the Audit Committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with generally accepted accounting principles and on the representations of the independent auditors included in their report of G-III's financial statements.

Table of Contents

The oversight by the Audit Committee does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee cannot give assurance that G-III's financial statements are presented in accordance with generally accepted accounting principles, that the audit of G-III's financial statements has been carried out in accordance with generally accepted auditing standards or that G-III's independent accountants are in fact independent.

Review of Audited Financial Statements. The Audit Committee has reviewed G-III's audited financial statements for the fiscal year ended January 31, 2011 as prepared by management and audited by Ernst & Young LLP, G-III's independent auditors, and has discussed these financial statements with management. In addition, the Audit Committee has discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 114 (The Auditor's Communication With Those Charged With Governance), as amended, regarding the codification of statements on auditing standards. Furthermore, the Audit Committee has received the written disclosures and the letter from Ernst & Young LLP required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with Ernst & Young LLP its independence.

Recommendation. In reliance on the reviews and discussions referenced above, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended January 31, 2011 be included in G-III's Annual Report on Form 10-K for that fiscal year.

PRINCIPAL ACCOUNTING FEES AND SERVICES

The following table sets forth fees we paid for audit, audit-related, tax and other services provided by Ernst & Young LLP during each of the last two fiscal years.

	Fiscal Year Ended January 31,	
	2011	2010
Audit fees	\$ 1,019,000	\$ 1,064,400
Audit-related fees		
Tax fees	238,315	213,600
All other fees		
Total	\$ 1,218,315	\$ 1,278,000

Audit Fees. Audit fees include services associated with the audit of our annual financial statements included in our Annual Report on Form 10-K, the audit of management's assessment and overall effectiveness of internal controls over financial reporting, review of financial statements included in our quarterly reports on Form 10-Q, statutory audits required internationally during each fiscal year and work performed in connection with the issuance of consents related to registration statements filed by G-III.

Audit-related Fees. Audit-related fees include assurance and other services that are related to the audit and review of our financial statements.

Tax Fees. Tax fees include services related to income tax compliance, assistance with tax audits, tax advice and tax planning. In fiscal 2011, these services included consultation with respect to international tax planning and

compliance with sales and use tax filings. In fiscal 2010, these services included compliance with respect to state and local tax filings for Wilsons, other than income tax.

The Audit Committee has considered whether the provision of the above services is compatible with maintaining Ernst & Young LLP's independence and all of the above services were pre-approved by the Audit Committee.

It is the Audit Committee's policy that it pre-approve all audit and permissible non-audit services to be performed by our independent accountants, the fees to be paid for those services and the time period over which those services are to be provided. On an annual basis, the independent accountants present a listing of all services they expect to perform for us in the ensuing one-year period, including fee estimates, in sufficient detail to enable the Audit Committee to perform an independence review of each proposed service. The Audit Committee reviews this list and approves appropriate services which, in the Audit Committee's judgment, will not impair the accountants' independence. With respect to any additional services proposed to be performed by the independent accountants during the year, management will evaluate the impact on the independent accountant's independence and obtain Audit Committee approval for such service. The Audit Committee has delegated interim pre-approval authority to the Chairman of the Audit Committee.

The stockholders will be asked to ratify the appointment by the Audit Committee of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending January 31, 2012. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We have had in effect for many years a Code of Ethics that contains our conflicts of interest policy. Our Audit Committee has been responsible for reviewing transactions that might involve our Code of Ethics and for reviewing related party transactions. In addition, our Board of Directors has also adopted a written related party transactions policy. The policy covers all transactions between us and any related party (including any transactions requiring disclosure under Item 404 of Regulation S-K), other than transactions generally available to all employees and transactions involving less than ten thousand dollars (\$10,000) when aggregated with all similar transactions. The Audit Committee is generally responsible for administering this policy. However, our policy permits the disinterested directors of the Board of Directors to exercise the authority otherwise assigned to the Audit Committee. A related party transaction may be consummated only if it is ratified or approved by the Audit Committee or disinterested members of the Board of Directors and if it is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party. Our Compensation Committee reviewed and approved the compensation of Jeffrey Goldfarb set forth in the next paragraph and our Audit Committee ratified the approval by our Compensation Committee.

Jeffrey Goldfarb, the son of Morris Goldfarb, our Chairman, Chief Executive Officer and a director, is our Director of Business Development. Jeffrey Goldfarb has been employed by us since 2002 in several different capacities. Jeffrey Goldfarb is a member of our Board of Directors. For fiscal 2011, Jeffrey Goldfarb was paid an aggregate salary and bonus of \$700,000 for his services and our Compensation Committee granted him restricted stock units that enable him to receive up to 5,000 shares of our Common Stock, subject to satisfaction of performance and time vesting conditions. The performance conditions for that grant have been satisfied. In July 2008, he entered into an executive transition agreement with us, under which he is entitled to receive specified severance payments and benefits in the event of his involuntary termination in conjunction with a change of control of G-III.
