The Trustees  
The Perficient 401(k) Employee Savings Plan  
Austin, Texas

We have audited the accompanying statements of net assets available for benefits of the Perficient 401(k) Employee Savings Plan as of December 31, 2004 and 2003, and the related statements of changes in net assets available for benefits for the years then ended. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of The Perficient 401(k) Employee Savings Plan as of December 31, 2004 and 2003, and the changes in its net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule (Schedule of Assets (Held at End of Year)) as of December 31, 2004, is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan s management. The supplemental schedule has been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**The Perficient 401(k) Employee Savings Plan  
Notes to Financial Statements**

**1. Description of Plan**

The following description of The Perficient 401(k) Employee Savings Plan (the Plan ) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan s provisions.

**General**

The Plan is a defined contribution plan covering substantially all employees of Perficient, Inc. (the Company ) who are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions**

Each year participants may contribute up to 20% of their pretax annual compensation to any of the investment funds. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may make matching contributions up to specified amounts at its discretion. The Company may not make a contribution to the Plan for any Plan year to the extent the contribution would exceed the participant s maximum permissible amount. The matching contribution for 2004 and 2003 was 25% of the first 6% of eligible compensation deferred by the participant.

**Participant Accounts**

Each participant s account is credited with the participant s contribution and allocations of (a) the Company s contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant s vested account.

**Participant-Directed Investments**

All assets of the Plan are participant-directed investments.

Participants have the option of directing their account balance to one or more different investment options. The investment options include various fixed and equity mutual funds and Perficient, Inc. common stock.

**Table of Contents****Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. The Company matching contributions plus earnings thereon vest based on years of service as follows:

Years of Service	Nonforfeitable Percentage
Less than 1	0
1	33
2	66
3 or more	100

**Payment of Benefits**

Participants are entitled to receive benefit payments at the normal retirement age of 65, in the event of the participant's death or disability, or in the event of termination under certain circumstances other than normal retirement, disability or death, or if the participant reaches age 70 1/2 while still employed. Benefits may be paid in a lump-sum distribution or installment payments.

**Forfeited Accounts**

In accordance with the Plan provisions, the forfeitures of participants leaving the Plan are reallocated to the remaining participants. Forfeitures during the years ended December 31, 2004 and 2003, were \$11,754 and \$4,569, respectively.

**Participant Loans**

Upon written application of a participant, the Plan may make a loan to the participant. Participants are allowed to borrow no less than \$1,000 and no greater than the lesser of 50% of the participant's vested account balance, or \$50,000. Loans are amortized over a maximum of 60 months unless used to purchase the participant's principal residence and repayment is made through payroll deductions. The amount of the loan is deducted from the participant's investment accounts and bears interest at a rate commensurate with local rates for similar plans.

**2. Summary of Significant Accounting Policies****Basis of Presentation**

The financial statements of the Plan have been prepared on the accrual basis of accounting, except for benefit payments, which are reported when paid.

**Valuation of Investments**

Investments in mutual funds and employer securities are stated at fair value, which is determined based on quoted market prices. Participant loans are stated at cost, which approximates fair value.

**Table of Contents****Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**3. Investments**

The following investments represented 5% or more of the Plan's net assets available for benefits at December 31, 2004:

	<b>Current Value</b>

**4. Income Tax Status**

The Plan's latest determination letter is dated August 7, 2001, in which the Internal Revenue Service stated the Plan, as then designed, was in compliance with the application requirements of the Internal Revenue Code. Effective January 1, 2002, the Plan was amended and restated to comply with applicable law changes. Perficient, Inc. believes the Plan currently is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2004. Therefore, no provision for income taxes has been included in the Plan's financial statements.

**Table of Contents****5. Plan Termination**

The Plan is administered by trustees consisting of officers and employees of the Company. The Company pays all administrative expenses of the Plan.

**7. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**8. Plan Mergers**
