WHEREAS, the respective Boards of Directors of Parent, Merger Sub and the Company have approved the merger of Merger Sub with and into the Company (the "First Step Merger" or the "Merger") upon the terms and subject to the conditions of this Agreement and in accordance with the Delaware General Corporation Law (the "DGCL");

WHEREAS, the respective Boards of Directors of Parent and the Company have determined that the Merger is advisable, the Board of Directors of Parent has determined that the Merger is in the best interest of its shareholders, the Board of Directors of the Company has determined that the Merger is in the best interests of its stockholders, and Parent has approved this Agreement and the Merger as the sole stockholder of Merger Sub;

WHEREAS, for federal income tax purposes, Parent, Merger Sub and the Company intend that the First Step Merger and the Second Step Merger shall be treated as a single integrated transaction (together, the "Transaction") and shall qualify as a "reorganization" under Sections 367 and 368(a) of the Internal Revenue Code of 1986, as amended (the "Code") and the regulations promulgated thereunder.

NOW, THEREFORE, in consideration of the foregoing and the respective representations, warranties, covenants and agreements set forth in this Agreement and intending to be legally bound hereby, the parties hereto agree as follows:

ARTICLE 1.
THE MERGER

Section 1.1 The Merger. Upon the terms and subject to satisfaction or waiver of the conditions set forth in this Agreement, and in accordance with the DGCL, at the Effective Time, Merger Sub shall be merged with and into the Company. As a result of the Merger, the separate corporate existence of Merger Sub shall cease and the Company shall continue as the surviving corporation following the Merger (the "Surviving Corporation").

Section 1.2 Closing. The closing of the Merger (the "Closing") shall take place on the first Business Day after the satisfaction or waiver (subject to applicable Law) of the conditions (excluding conditions that, by their nature, cannot be satisfied until the Closing Date) set forth in Article 7, unless this Agreement has been theretofore terminated pursuant to its terms or unless another time or date is agreed to in writing by the parties hereto (the actual date of the Closing being referred to herein as the "Closing Date"). The Closing shall be held at the offices of Latham & Watkins LLP, 135 Commonwealth Drive, Menlo Park, California 94025, unless another place is agreed to in writing by the parties hereto. As soon as practicable after the Closing, the parties hereto

Edgar Filing: ATRIX LABORATORIES INC - Form 425

shall cause the Merger to be consummated by filing a certificate of merger relating to the Merger (the "Certificate of Merger") with the Secretary of State of the State of Delaware, in such form as required by, and executed in accordance with the relevant

provisions of, the DGCL (the date and time of such filing, or if another date and time is specified in such filing, such specified date and time, being the "Effective Time").

Section 1.3 Effect of the Merger. At the Effective Time, the effect of the Merger shall be as provided in the applicable provisions of the DGCL. Without limiting the generality of the foregoing, at the Effective Time, except as otherwise provided herein, all the property, rights, privileges, powers and franchises of the Company and Merger Sub shall vest in the Surviving Corporation, and all debts, liabilities and duties of the Company and Merger Sub shall become the debts, liabilities and duties of the Surviving Corporation.

Section 1.4 Certificate of Incorporation; Bylaws.

(a) Certificate of Incorporation. At the Effective Time, the Certificate of Incorporation of the Surviving Corporation shall be amended in its entirety to read as the Certificate of Incorporation of Merger Sub, until thereafter changed or amended as provided therein or by applicable Law, except that Article 1 thereof shall be amended to read as follows: "The name of the Corporation is Atrix Laboratories, Inc."

(b) Bylaws. At the Effective Time, the Bylaws of Merger Sub, as in effect immediately prior to the Effective Time, shall be the Bylaws of the Surviving Corporation, until thereafter changed or amended as provided therein or by applicable Law.

Section 1.5 Directors and Officers of the Surviving Corporation. The directors of Merger Sub immediately prior to the Effective Time shall be the initial directors of the Surviving Corporation, each to hold office in accordance with the Certificate of Incorporation and Bylaws of the Surviving Corporation. The President and Chief Executive Officer of Parent immediately prior to the Effective Time shall be the initial President and Chief Executive Officer of the Surviving Corporation, and the officers of the Company other than the Chairman of the Board and Chief Executive Officer shall be the other initial officers of the Surviving Corporation, each to hold office in accordance with the Certificate of Incorporation and Bylaws of the Surviving Corporation.

Section 1.6 Second Step Merger. Immediately following the Effective Time, Parent shall cause the Surviving Corporation to merge into a Delaware corporation (the "Second Merger Sub") that is a wholly owned subsidiary of Parent (the "Second Step Merger"). There shall be no conditions to the completion of the Second Step Merger other than the completion of the Merger.

ARTICLE 2.

CONVERSION OF SECURITIES; EXCHANGE OF CERTIFICATES

Section 2.1 Conversion of Securities. At the Effective Time, by virtue of the Merger and without any action on the part of the Company or the holders of any of the following securities:

(a) Conversion Generally.

(i) Each share of common stock, par value \$0.001 per share, of the Company ("Company Common Stock") issued and outstanding immediately prior to the Effective Time, including shares of Company Common Stock resulting from the conversion of any Series A Convertible Exchangeable Preferred Stock, par value \$0.001 per share, of the Company ("Series A Convertible Preferred Stock") immediately prior to consummation of the Merger (other than any shares of Company Common Stock to be canceled pursuant to Section 2.1(b) and Appraisal Shares referred to in Section 2.1(e) ("Excluded Common Shares")), shall be converted, subject to Section 2.2(e), into the right to receive: (A) 1.0000 (the "Exchange Ratio") common share, no par value per share ("Parent Common Shares"), of Parent (the "Common Share Consideration") and (B) \$14.61 in cash (the "Common Cash Consideration," and together with the Common Share Consideration, the "Common Merger Consideration").

(ii) Each share of Series A Convertible Preferred Stock issued and outstanding immediately prior to the Effective Time (other than any shares of Series A Convertible Preferred Stock to be canceled pursuant to Section 2.1(b) and Appraisal Shares referred to in Section 2.1(e) ("Excluded Preferred Shares" and, together with the Excluded Common Shares, "Excluded Shares")), excluding shares of Series A Convertible Preferred Stock converted prior to consummation of the Merger, shall be converted, subject to Section 2.2(e), into the right to receive: (A) a number of Parent Common Shares (the "Preferred Share Consideration"), determined to seven decimal places, equal to the product of the number of shares of Company Common Stock into which such share of Series A Convertible Preferred Stock is convertible immediately prior to the Effective Time (the "Conversion Number") and the Exchange Ratio (the "Preferred Exchange Ratio") and (B) an amount of cash, determined to seven decimal places (the "Preferred Cash Consideration" and, together with the Preferred Share Consideration, the "Preferred Merger Consideration"), equal to the product of the Conversion Number and the Common Cash Consideration.

(iii) All such shares of Company Common Stock and Series A Convertible Preferred Stock shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist, and each certificate (a "Certificate") previously representing any such shares shall thereafter represent only the right to receive the Common Merger Consideration or the Preferred Merger Consideration (collectively, the "Merger Consideration"), as the case may be, payable in respect of such shares of Company Common Stock or Series A Convertible Preferred Stock, as the case may be, and the right, if any, to receive cash in lieu of fractional Parent Common Shares pursuant to Section 2.2(e) and any distributions or dividends pursuant to Section 2.2(c).

(b) Cancellation of Shares. Each share of Company Common Stock or Series A Convertible Preferred Stock, if any, either (i) owned by Parent or any of its Subsidiaries, (ii) held in the Company treasury or (iii) owned by any wholly-owned Subsidiary of the Company immediately prior to the Effective Time shall be canceled and retired and shall cease to exist and no Merger Consideration or other consideration shall be delivered in exchange therefor.

(c) Merger Sub. Each share of common stock of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into and be exchanged for one newly and validly issued, fully paid and nonassessable share of common stock of the Surviving Corporation.

Edgar Filing: ATRIX LABORATORIES INC - Form 425

(d) Change in Shares. If, between the date of this Agreement and the Effective Time, the outstanding Parent Common Shares, shares of Company Common Stock or shares of Series A Convertible Preferred Stock shall have been changed into, or exchanged for, a different number of shares or a different class, by reason of any stock dividend, subdivision, reclassification, recapitalization, split, combination or exchange of shares, the Exchange Ratio, the Preferred Exchange Ratio and the Option Exchange Ratio shall be correspondingly adjusted to provide the holders of Company Common Stock, Series A Convertible Preferred Stock and Company Options the same economic effect as contemplated by this Agreement prior to such event.

(e) Appraisal Rights. Notwithstanding anything in this Agreement to the contrary, shares of Company Common Stock and Series A Convertible Preferred Stock outstanding immediately prior to the Effective Time and held by a Company stockholder who has not voted in favor of the Merger or consented thereto in writing and who has properly demanded appraisal for such shares in accordance with the DGCL (the "Appraisal Shares"), shall not be converted into a right to receive the Merger Consideration as provided in Section 2.1(a), until such time as such stockholder fails to perfect or withdraws or otherwise loses such stockholder's right to appraisal. If after the Effective Time such stockholder fails to perfect or withdraws or loses such stockholder's right to appraisal, such shares of Company Common Stock or Series A Convertible Preferred Stock, as the case may be, shall be treated as if they had been converted as of the Effective Time into the right to receive the Merger Consideration as provided in Section 2.1(a). The Company shall give Parent prompt notice of any demands received by the Company pursuant to the DGCL for appraisal of shares of Company Common Stock or Series A Convertible Preferred Stock, and Parent shall have the right to participate in all negotiations and proceedings with respect to such demands. The Company shall not settle, make any payments with respect to, or offer to settle, any claim with respect to Appraisal Shares without the written consent of Parent.

(f) Adjustments to Preserve Tax Treatment.

(i) If the amount obtained by dividing (x) the Aggregate Parent Share Value by (y) the Closing Transaction Value is less than 0.4500, the following shall occur:

(A) The Exchange Ratio shall be adjusted to a number, rounded to the nearest fourth decimal place, equal to (x) the product of 0.4500 and the Closing Transaction Value, divided by (y) the product of the Aggregate Company Share Number and the Closing Parent Share Price.

(B) The Common Cash Consideration shall be adjusted to an amount, rounded to the nearest cent, equal to the quotient obtained by dividing (x) the amount obtained by subtracting the Aggregate Appraisal Value from the product of 0.5500 and the Closing Transaction Value, by (y) the Aggregate Company Share Number.

(ii) In the event that the Exchange Ratio and the Common Cash Consideration are adjusted as provided for in this Section 2.1(f), all references in this Agreement (including, for the avoidance of doubt, references in Section 2.1(a)(ii)) to the "Exchange Ratio" and the "Common Cash Consideration" shall refer to the Exchange Ratio and the Common Cash Consideration as adjusted in this Section 2.1(f) except as may be otherwise specified herein.

Edgar Filing: ATRIX LABORATORIES INC - Form 425

(iii) For purposes of this Section 2.1(f), the following terms shall have the following meanings:

(A) "Aggregate Appraisal Value" means the product of (x) the aggregate number of Appraisal Shares determined at Closing, and (y) the sum of (1) the Common Cash Consideration (before any adjustment pursuant to Section 2.1(f)) and (2) the product of the Exchange Ratio (before any adjustment pursuant to Section 2.1(f)) and the Closing Parent Share Price.

(B) "Aggregate Cash Amount" means the product of (x) the Common Cash Consideration (before any adjustment pursuant to Section 2.1(f)) and (y) the Aggregate Company Share Number.

(C) "Aggregate Company Share Number" means the number obtained by subtracting (x) the aggregate number of shares of Company Common Stock to be cancelled in the Merger pursuant to Section 2.1(b) and (y) the aggregate number of Appraisal Shares determined at Closing, from (z) the aggregate number of shares of Company Common Stock outstanding on the Closing Date (assuming exercise of the Warrant, if it is exercised prior to the Effective Time, and exercise of any stock options, if such options are exercised prior to the Effective Time).

(D) "Aggregate Parent Share Number" means the product of (x) the Exchange Ratio (before any adjustment pursuant to Section 2.1(f)) and (y) the Aggregate Company Share Number.

(E) "Aggregate Parent Share Value" means the product of (x) the Aggregate Parent Share Number (before any adjustment pursuant to Section 2.1(f)) and (y) the Closing Parent Share Price.

(F) "Closing Parent Share Price" means the mean between the high and low selling prices, regular way, of a Parent Common Share on The Nasdaq Stock Market on the date of the Effective Time, as reported by Bloomberg LP (or if not so reported, as reported by such other reporting service as is reasonably agreed to by the parties).

(G) "Closing Transaction Value" means the sum of (x) the Aggregate Cash Amount, (y) the Aggregate Parent Share Value and (z) the Aggregate Appraisal Value.

(iv) For purposes of this Section 2.1(f), all shares of Series A Convertible Preferred Stock that are outstanding at Closing shall be deemed to have been converted into Company Common Stock immediately prior to Closing in accordance with their terms.

(g) Associated Rights. References in this Agreement to Parent Common Shares shall include, unless the context requires otherwise, the associated rights ("Parent Rights") issued pursuant to the Amended and Restated Shareholder Rights Plan Agreement, as amended and restated, dated as of April 8, 2002, between Parent and Computershare Trust Company of Canada, as Rights Agent (the "Parent Rights Plan"). Section 2.2 Exchange of Certificates.

(a) Exchange Agent. As of the Effective Time, Parent shall deposit, or shall cause to be deposited, with Computershare Trust Company of Canada or another bank or trust company designated by Parent and satisfactory to the Company (the "Exchange Agent"), for the benefit of the holders of shares of Company Common Stock and Series A Convertible Preferred Stock, for exchange, in accordance with this Article 2, through the Exchange Agent, sufficient cash and certificates representing Parent Common Shares to make all deliveries pursuant to this Article 2. Parent agrees to make available to the Exchange Agent, from time to time as needed, cash sufficient to pay any dividends and other distributions pursuant to Section 2.2(c). The Exchange Agent shall, pursuant to irrevocable instructions delivered by Parent to the Exchange Agent on or prior to the Effective Time, deliver to the holders of shares of Company Common Stock and Series A Convertible Preferred Stock (other than holders of Excluded Shares) the Merger Consideration contemplated to be paid for shares of Company Common Stock and Series A Convertible Preferred Stock pursuant to this Agreement out of the Exchange Fund. Except as contemplated by Sections 2.2(c) and 2.2(e) hereof, the Exchange Fund shall not be used for any other purpose. Any cash and certificates representing Parent Common Shares deposited with the Exchange Agent shall be referred to as the "Exchange Fund."

(b) Exchange Procedures. Promptly (and in any event, within five (5) Business Days) after the Effective Time, Parent shall cause the Exchange Agent to mail to each holder of record of a Certificate or Certificates which immediately prior to the Effective Time represented outstanding shares of Company Common Stock or Series A Convertible Preferred Stock (other than holders of Excluded Shares) (i) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon proper delivery of the Certificates to the Exchange Agent and shall be in customary form) and (ii) customary instructions for use in effecting the surrender of the Certificates in exchange for the Merger Consideration payable in respect of the shares represented by such Certificates, any cash in lieu of fractional Parent Common Shares pursuant to Section 2.2(e) and any distributions or dividends pursuant to Section 2.2(c). Upon surrender of a Certificate for cancellation to the Exchange Agent together with such letter of transmittal, properly completed and duly executed, and such other documents as may be required pursuant to such instructions, the holder of such Certificate shall be entitled to receive in exchange therefor the Merger Consideration payable in respect of the shares represented by such Certificate, any cash in lieu of fractional Parent Common Shares to which such holder is entitled pursuant to Section 2.2(e) and any dividends or other distributions to which such holder is entitled pursuant to Section 2.2(c), and the Certificate so surrendered shall forthwith be canceled. No interest shall be paid or accrued on any Cash Consideration, cash in lieu of fractional shares or any unpaid dividends and distributions payable to holders of Certificates. In the event of a transfer of ownership of shares of Company Common Stock or Series A Convertible Preferred Stock which is not registered in the transfer records of the Company, the Merger Consideration payable in respect of such shares of Company Common Stock or Series A Convertible Preferred Stock together with any cash to be paid upon due surrender of the Certificate and any other dividends or distributions in respect thereof may be paid to a transferee if the Certificate representing such shares of Company Common Stock or

Series A Convertible Preferred Stock is presented to the Exchange Agent, accompanied by all documents required to evidence and effect such transfer and to evidence that any applicable stock transfer Taxes have been paid. Until

Edgar Filing: ATRIX LABORATORIES INC - Form 425

surrendered as contemplated by this Section 2.2, each Certificate shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the Merger Consideration payable in respect of the shares of Company Common Stock or Series A Convertible Preferred Stock represented by such Certificate, cash in lieu of any fractional Parent Common Shares to which such holder is entitled pursuant to Section 2.2(e) and any dividends or other distributions to which such holder is entitled pursuant to Section 2.2(c).

(c) Distributions with Respect to Unexchanged Parent Common Shares. No dividends or other distributions declared or made with respect to Parent Common Shares, with a record date after the Effective Time, shall be paid to the holder of any unsurrendered Certificate, and no cash payment in lieu of fractional Parent Common Shares shall be paid to any such holder pursuant to Section 2.2(e), unless and until the holder of such Certificate shall surrender such Certificate. Subject to the effect of escheat, Tax or other applicable Laws, following surrender of any such Certificate, there shall be paid to such holder of the certificates representing whole Parent Common Shares issuable in exchange therefor, without interest, (i) the amount of any cash due pursuant to Section 2.1 and cash payable in lieu of fractional Parent Common Shares to which such holder is entitled pursuant to Section 2.2(e) and the amount of dividends or other distributions with a record date at or after the Effective Time theretofore paid with respect to such whole Parent Common Shares and (ii) at the appropriate payment date, the amount of dividends or other distributions, with a record date at or after the Effective Time but prior to such surrender and a payment date subsequent to such surrender, payable with respect to such whole Parent Common Shares.

(d) Further Rights in Company Common Stock. The Merger Consideration issued upon conversion of a share of Company Common Stock or Series A Convertible Preferred Stock in accordance with the terms hereof (including any dividends or distributions pursuant to Section 2.2(c) or cash in lieu of fractional shares pursuant to Section 2.2(e)) shall be deemed to have been issued in full satisfaction of all rights pertaining to such share of Company Common Stock or Series A Convertible Preferred Stock, as the case may be.

(e) Fractional Shares. No fraction of a Parent Common Share will be issued in connection with the Merger, and no certificates or scrip for any such fractional shares shall be issued. In lieu thereof, each holder of shares of Company Common Stock or Series A Convertible Preferred Stock who would otherwise be entitled to receive a fraction of a Parent Common Share (after aggregating all fractional Parent Common Shares to be received by such holder) shall, upon surrender of such holder's Certificate(s), receive from Parent an amount of cash (rounded to the nearest whole cent), without interest, equal to the product of (i) such fraction, multiplied by (ii) the volume weighted average price, regular way, on The Nasdaq Stock Market, as reported by Bloomberg LP (or if not so reported, as reported by such other reporting service as is reasonably agreed to by the parties) of the Parent Common Shares for the five (5) most recent trading days ending on the full trading day immediately prior to the Effective Time (the "Parent Closing Price").

(f) Termination of Exchange Fund. Any portion of the Exchange Fund which remains undistributed to the holders of Company Common Stock and Series A Convertible Preferred Stock for six (6) months after the Effective Time shall be delivered to Parent, upon demand, and, from and after such delivery to Parent, any holders of Company Common Stock or Series A Convertible Preferred Stock who

Edgar Filing: ATRIX LABORATORIES INC - Form 425

have not theretofore complied with this Article 2 shall thereafter look only to Parent for the Merger Consideration payable in respect of such shares of Company Common Stock or Series A Convertible Preferred Stock, as the case may be, any cash in lieu of fractional Parent Common Shares to which they are entitled pursuant to Section 2.2(e) and any dividends or other distributions with respect to Parent Common Shares to which they are entitled pursuant to Section 2.2(c), in each case, without any interest thereon.

(g) No Liability. None of Parent, the Surviving Corporation or the Company shall be liable to any holder of shares of Company Common Stock or Series A Convertible Preferred Stock for any such Parent Common Shares (or dividends or distributions with respect thereto) or cash from the Exchange Fund delivered to a public official pursuant to any abandoned property, escheat or similar Law.

(h) Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent, the posting by such Person of a bond, in such reasonable amount as Parent may direct, as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent shall pay in exchange for such lost, stolen or destroyed Certificate the Merger Consideration payable in respect of the shares of Company Common Stock or Series A Convertible Preferred Stock represented by such Certificate, any cash in lieu of fractional Parent Common Shares to which the holders thereof are entitled pursuant to Section 2.2(e) and any dividends or other distributions to which the holders thereof are entitled pursuant to Section 2.2(c), in each case, without any interest thereon.

(i) Withholding. Parent or the Exchange Agent shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement to any holder of Company Common Stock or Series A Convertible Preferred Stock such amounts as Parent or the Exchange Agent are required to deduct and withhold under the Code, or any Tax Law, with respect to the making of such payment. To the extent that amounts are so withheld by Parent or the Exchange Agent, Parent shall, or shall cause the Exchange Agent to, provide the applicable holder of Company Common Stock or Series A Convertible Preferred Stock with notice of the reason for withholding such amounts and such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of Company Common Stock Series A Convertible Preferred Stock, as the case may be, in respect of whom such deduction and withholding was made by Parent or the Exchange Agent.

(j) Investment of Exchange Fund. The Exchange Agent shall invest any cash included in the Exchange Fund, as directed by Parent, on a daily basis. Any interest and other income resulting from such investments shall be paid to Parent upon termination of the Exchange Fund pursuant to Section 2.2(f). In the event the cash in the Exchange Fund shall be insufficient to fully satisfy all of the payment obligations to be made by the Exchange Agent hereunder, Parent shall promptly deposit cash into the Exchange Fund in an amount which is equal to the deficiency in the amount of cash required to fully satisfy such payment obligations.

Section 2.3 Stock Transfer Books. At the Effective Time, the stock transfer books of the Company shall be closed and thereafter there shall be no further registration of transfers of shares of Company Common Stock or Series A Convertible Preferred Stock theretofore outstanding on the records of the Company. From and after the Effective Time, the holders of Certificates representing shares of Company Common Stock or Series A Convertible Preferred

Edgar Filing: ATRIX LABORATORIES INC - Form 425

Stock outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such shares of Company Common Stock or Series A Convertible Preferred Stock except as otherwise provided herein or by Law. On or after the Effective Time, any Certificates presented for any reason to the Exchange Agent or Parent shall be converted into the Merger Consideration payable in respect of the shares of Company Common Stock or Series A Convertible Preferred Stock represented by such Certificates, any cash in lieu of fractional Parent Common Shares to which the holders thereof are entitled pursuant to Section 2.2(e) and any dividends or other distributions to which the holders thereof are entitled pursuant to Section 2.2(c), without any interest thereon.

Section 2.4 Stock Options.

(a) The Company shall take all actions necessary to provide that, immediately prior to the Effective Time, each Company Option then outstanding under any Company Stock Option Plan shall become vested and exercisable with respect to one hundred percent (100%) of the shares of Company Common Stock subject to each such Company Option; provided that the holder of such Company Option renders continuous service to the Company as an employee, consultant or member of the Board of Directors of the Company from the date hereof until at least immediately prior to the Effective Time. At the Effective Time, each Company Option then outstanding under any Company Stock Option Plan, whether or not then exercisable, shall be assumed and become an option to purchase Parent Common Shares in accordance with this Section 2.4. Each Company Option so assumed shall continue to have, and be subject to, the same terms and conditions (including vesting schedule, as adjusted pursuant to the first sentence of this Section 2.4(a)) as set forth in the applicable Company Stock Option Plan and any agreements thereunder immediately prior to the Effective Time, except that, as of the Effective Time, (i) each Company Option shall be exercisable (or shall become exercisable in accordance with its terms) for that number of whole Parent Common Shares equal to the product of the number of shares that were issuable upon exercise of such Company Option immediately prior to the Effective Time multiplied by the sum of (A) the Exchange Ratio and (B) the quotient obtained by dividing the Common Cash Consideration by the Parent Closing Price (such sum, the "Option Exchange Ratio"), rounded down to the nearest whole number of Parent Common Shares, and (ii) the per share exercise price for the Parent Common Shares issuable upon exercise of such Company Option so converted shall be equal to the quotient determined by dividing the exercise price per share of Company Common Stock at which such Company Option was exercisable immediately prior to the Effective Time by the Option Exchange Ratio, rounded up to the nearest whole cent. Notwithstanding the foregoing, the conversion of any Company Options which are "incentive stock options," within the meaning of Section 422 of the Code, into options to purchase Parent Common Shares shall be made so as not to constitute a "modification" of such Company Options within the meaning of Section 424 of the Code. Following the assumption of the Company Options, all references to the Company in the Company Options and the Company Stock Option Plans shall be deemed to refer to Parent.

9

(b) As soon as practicable after the Effective Time, Parent shall deliver to each holder of an outstanding Company Option an appropriate notice setting forth such holder's rights pursuant thereto and that such Company Option shall continue in effect on the same terms and conditions (subject to the adjustments, amendments and other terms required by this Section 2.4 and Section 6.16(e), as applicable, after giving effect to the Merger).

Except with respect to (a) the securities of non-Affiliates held for investment purposes which do not constitute more than a 2% interest in any such non-Affiliate or (b) the capital stock of, or voting securities or equity interests in, its Subsidiaries, neither the Company nor any of its Subsidiaries owns, directly or indirectly, any capital stock of, or other voting securities or equity interests in, any corporation, partnership, joint venture, association or other entity.

Each Contract to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound of the type described in clauses (i) and (ii) above is referred to herein as a "Company Material Contract." The Company has made

17

available to Parent true and complete copies of all Company Material Contracts as of the date hereof.

(b) Each Company Material Contract is valid and binding on the Company and each of its Subsidiaries party thereto and, to the Company's Knowledge, each other party thereto, and is in full force and effect, except, insofar as this representation is made as of the Closing Date, as would not be reasonably likely to have a Material Adverse Effect on the Company. The Company has not received any written notice from any other party to any Company Material Contract, and otherwise has no Knowledge, that such third party intends to terminate, not renew, or challenge the validity or enforceability of any Company Material Contract, except for such terminations, non-renewals or challenges as would not be reasonably likely to have a Material Adverse Effect on the Company. There has occurred no default under, or violation of, any such Permit, except for any such default or violation that individually or in the aggregate has not had and would not reasonably be expected to have a Material Adverse Effect on the Company. The consummation of the Merger, in and of itself, will not cause the revocation, limitation, suspension or cancellation of any such Permit that individually or in the aggregate would reasonably be expected to have a Material Adverse Effect on the Company.

Subsidiaries of any Intellectual Property Rights.

(b) To the Knowledge of the Company, the Intellectual Property Rights of the Company or any of its Subsidiaries have not been infringed or misappropriated, and are not being infringed or misappropriated, in a manner which individually or in the aggregate has had or would reasonably be expected to have a Material Adverse Effect on the Company.

(c) There are no actions, suits, proceedings or claims pending or, to the Knowledge of the Company, threatened in writing or in a manner that would reasonably be expected to result in any actions, suits, proceedings or claims claiming that the Company or any of its Subsidiaries has infringed or is infringing (including with respect to the manufacture, use or sale by the Company or any of its Subsidiaries of any Company Products & Technology or to the operations of the Company and its Subsidiaries) any intellectual property rights of any Person. Reg. 46191 (September 10, 1991) or any similar policy. Neither the Company nor any of its Subsidiaries, nor, to the Knowledge of the Company, any officer, employee or agent of the Company or any of its Subsidiaries, has been convicted of any crime or engaged in any conduct for which debarment is mandated by 21 U.S.C. 31

Except as permitted by the Exchange Act, including Sections 13(k)(2) and (3), since the enactment of the Sarbanes-Oxley Act, neither the Company nor any of its Subsidiaries has, directly or indirectly, made, entered into, arranged, renewed, modified (in any material way) or forgiven any personal loans to any executive officer or director of the Company.

(b) The management of the Company has (i) in accordance with Rule 13a-15 under the Exchange Act, designed disclosure controls and procedures (as such term is defined in Rule 13a-15(e) under the Exchange Act) to ensure that material information relating to the Company, including its Subsidiaries, is made known to the management of the Company by others within those entities, and (ii) disclosed, based on its most recent evaluation prior to the date hereof, to the Company's auditors and the audit committee of the Company's Board of Directors (A) any significant deficiencies in the design or operation of internal controls over financial reporting ("Internal Controls") which are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information and has disclosed to the Company's auditors any material weaknesses in Internal Controls and (B) any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's Internal Controls. Such policies are sufficient for compliance by the Company in all material respects with all Contracts to which the Company is a party, and each of the Company and its Subsidiaries has complied in all material respects with the provisions of each such policy under which it is an insured party. 32

Section 3.21 State Takeover Statutes; Self-Dealing. The Board of Directors of the Company has approved the terms of this Agreement and the consummation of the Merger and the other transactions contemplated by this Agreement, and such approval represents all the action necessary to render inapplicable to this Agreement, the Merger and the other transactions contemplated by this Agreement, the provisions of Section 203 of the DGCL and the provisions of Section Fifth of the Company Certificate of Incorporation. No other Delaware or Colorado state takeover statute (including any "fair price," "merger moratorium" or "control share acquisition" statute or regulation) or similar Delaware or Colorado statute or regulation applies to or purports to apply to this Agreement or the Merger or the other transactions contemplated by this Agreement.

Section 3.22 Brokers; Advisory Fees. A signed copy of the written opinion confirming such oral opinion will be delivered to Parent promptly after delivery thereof to the Company.

Edgar Filing: ATRIX LABORATORIES INC - Form 425

Stock Acquisition Date, a Section 11(a)(ii) event or a Section 13 Event (each as defined in the Company Rights Plan).

ARTICLE 4. REPRESENTATIONS AND WARRANTIES OF PARENT AND MERGER SUB

Except as set forth on the disclosure schedule delivered by Parent to the Company prior to the execution of this Agreement, which disclosure schedule specifies the section or subsection of this Agreement to which the exception relates, and subject to Section 9.13 (the "Parent Disclosure Schedule"), Parent and Merger Sub represent and warrant to the Company as follows:

Section 4.1 Organization, Standing and Corporate Power. Each of Parent and its Subsidiaries is a corporation duly organized, validly existing and in good standing under the Laws of the jurisdiction in which it is organized and has all requisite corporate power and authority to carry on its business as now being conducted. Section 4.1 of the Parent Disclosure Schedule contains a true and complete list of each jurisdiction where Parent is qualified to do

33

business. Each of Parent and its Subsidiaries has corporate or equivalent qualification to do business and is in good standing in each jurisdiction in which the nature of its business or the ownership, leasing or operation of its properties makes such qualification or licensing necessary, other than in such jurisdictions where the failure to be so qualified or licensed individually or in the aggregate is not reasonably likely to have a Material Adverse Effect on Parent. Parent has made available to the Company prior to the execution of this Agreement true and complete copies of its Notice of Articles (the "Parent Notice of Articles") and Articles (the "Parent Articles") and the Certificate of Incorporation and Bylaws of Merger Sub, in each case as amended to the date hereof. Neither Parent nor Merger Sub is in violation of any of the provisions of the Parent Notice of Articles or the Parent Articles or its Certificate of Incorporation or Bylaws, as applicable.

Section 4.2 Subsidiaries. Section 4.2 of the Parent Disclosure Schedule lists each of the Subsidiaries of Parent and, for each such Subsidiary, the jurisdiction under which laws it was organized and, as of the date hereof, each jurisdiction in which Subsidiary has corporate or equivalent qualification to do business. All the issued and outstanding shares of capital stock of, or other equity interests in, each such Subsidiary have been validly issued and are fully paid and nonassessable and are owned directly or indirectly by Parent free and clear of all Liens, and free of any restriction on the right to vote, sell or otherwise dispose of such capital stock or other equity interests. Except with respect to (a) the securities of non-Affiliates held for investment purposes which do not constitute more than a 2% interest in any such non-Affiliate or (b) the capital stock of, or voting securities or equity interests in, its Subsidiaries, neither Parent nor any of its Subsidiaries owns, directly or indirectly, any capital stock of, or other voting securities or equity interests in, any corporation, partnership, joint venture, association or other entity.

(b) All outstanding shares of capital stock of Parent are, and all shares which may be issued pursuant to the Parent Preferred Shares or Parent Options will be, when issued in accordance with the terms thereof, duly authorized, validly issued, fully paid and nonassessable, not subject to preemptive rights and not subject to a hold period under securities Laws of Canada subject to requirements of general application or the Toronto Stock Exchange (in each case, other than in respect of control persons). Other than Parent's outstanding 3% convertible senior notes due 2023 (the "Parent Convertible Notes"), there are no bonds, debentures, notes or other indebtedness of Parent having the right to vote (or convertible into, or exchangeable for, securities having the right to vote) on any matters on which stockholders of Parent may vote.

(c) Except as set forth above in Section 4.3(a) and except for the Parent Convertible Notes and the Parent Common Shares to be issued in connection with the Merger, as of the close of business on June 10, 2004:

(iii) there are no outstanding contractual obligations of Parent or any of its Subsidiaries to make any loan or guarantee to, or any equity or other investment (in the form of a capital contribution or otherwise) in, any of Parent's Subsidiaries or any other Person, other than guarantees by Parent of any indebtedness or other obligations of any of its wholly-

35

owned Subsidiaries and other than loans or guarantees made in the ordinary course consistent with past practice to employees of Parent and its Subsidiaries.

(d) The Parent Common Shares to be issued in connection with the Merger, when issued as contemplated herein, will be duly authorized, validly issued, fully paid and nonassessable and will not be issued in violation of any preemptive rights.

(e) There are no outstanding contractual obligations of Parent or any of its Subsidiaries (i) affecting the voting rights of, or (ii) except as provided for in the Parent Convertible Notes, granting any preemptive, right of first refusal or antidilutive right with respect to, any Parent Common Shares or Parent Preferred Shares or any capital stock of, or other securities in, any of Parent's Subsidiaries.

Section 4.4 Authority; Noncontravention.

(a) Each of Parent and Merger Sub has all requisite corporate power and authority to execute and deliver this Agreement and to consummate the transactions contemplated by this Agreement. The execution and delivery of this Agreement and the consummation of the transactions contemplated by this Agreement have been duly authorized by all necessary corporate action on the part of Parent and Merger Sub and no other corporate proceedings on the part of Parent or Merger Sub are necessary to authorize this Agreement or to consummate the transactions contemplated hereby, other than, in the case of Parent with respect to the consummation of the Merger, obtaining the Parent Shareholder Approval. This Agreement has been duly executed and delivered by each of Parent and Merger Sub and, assuming the due authorization, execution and delivery by the Company, constitutes a legal, valid and binding obligation of Parent and Merger Sub, as applicable, enforceable against Parent and Merger Sub, as applicable, in accordance with its terms, subject to bankruptcy, insolvency, fraudulent transfer, moratorium, reorganization or similar Laws affecting the rights of creditors generally and the availability of equitable remedies (regardless of whether such enforceability is considered in a proceeding at equity or at law). The Board of Directors of Parent, at a meeting duly called and held, duly adopted resolutions: (i) approving this Agreement, the Share Issuance and the other transactions to be entered into by Parent contemplated by this Agreement; (ii) declaring that it is in the best interest of Parent and its shareholders that Parent enter into this Agreement and that the transactions contemplated by this Agreement, including the Merger and the Share Issuance, be consummated, (iii) directing that the Share Issuance be submitted as promptly as practicable to a vote at the Parent Shareholders' Meeting; (iv) recommending that the shareholders of Parent approve the Share Issuance and (v) appointing David R. resolutions, as of the date of this Agreement, have not been subsequently rescinded, modified or withdrawn in any way.

(b) The execution and delivery of this Agreement do not, and (assuming receipt of Parent Shareholder Approval) the consummation of the Merger and the other transactions contemplated by this Agreement to be entered into by Parent or Merger Sub and compliance by Parent and Merger Sub with the provisions of this Agreement will not: (i) conflict with, or result in any violation or breach of, or default (with or without notice or lapse of time, or

36

both) under, the Parent Notice of Articles and the Parent Articles or the Certificate of Incorporation or Bylaws of Merger Sub; (ii) conflict with, or result in any violation or breach of, or default (with or without notice or lapse of time, or both) under, or give rise to a right of, or result in, termination, cancellation or acceleration of any obligation or to the loss of a benefit under, or result in the creation of any Lien in or upon any of the properties or other assets of Parent or Merger Sub under, any Contract to which Parent or Merger Sub is a party or any of their respective properties or other assets is subject; or (iii) conflict with, or result in any violation or breach of, or default (with or without notice or lapse of time, or both) under, any Law applicable to Parent or Merger Sub or their respective properties or other assets or the rules and regulations of the Toronto Stock Exchange or any other stock exchange or regulatory organization applicable to Parent or its Subsidiaries, other than, in the case of clauses (ii) and (iii), any such conflicts, violations, breaches, defaults, rights, losses or Liens that individually or in the aggregate have not had and would not reasonably be expected to have a Material Adverse Effect on Parent or Merger Sub, and subject to, in the case of clauses (ii) and (iii), the governmental filings, the obtaining of the Parent Shareholder Approval and the other matters referred to in Section 4.4(c).

(c) No consent, approval, order or authorization of, action by or in respect of, or registration, declaration or filings with, any Governmental Entity is required by or with respect to Parent or Merger Sub in connection with the execution and delivery of this Agreement by Parent and Merger Sub or the consummation by Parent and Merger Sub of the Merger or the other transactions contemplated by this Agreement by Parent, except for:

Edgar Filing: ATRIX LABORATORIES INC - Form 425

(v) any filings required under the rules and regulations of Nasdaq and the Toronto Stock Exchange; and

Section 4.5 Parent SEC Filings.

(a) Parent has since January 1, 2002 timely filed all reports, schedules, forms, statements and other documents (including exhibits and other information incorporated therein) (i) that Parent would be required to file with the SEC if Parent were a reporting person under the Exchange Act (other than requirements arising under Sections 14 and 16 of the Exchange Act) (collectively, the "Parent SEC Filings") and (ii) required to be filed by Parent in accordance with Canadian securities laws (collectively, the "Canadian Filings"). As of their respective filing dates, and if amended, the date of such amendment, (A) the Parent SEC Filings complied as to form in all material respects with the requirements of the Securities Act, the Exchange Act and the rules and regulations promulgated thereunder applicable to such Parent SEC Filings and (B) the Canadian Filings complied as to form in all material respects with the requirements of British Columbia corporate and Canadian securities laws applicable to such filings. None of the Parent SEC Filings, as of their respective filing dates, and, if amended, the dates of such amendment, if any, filed prior to the date hereof, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. (b) The financial statements (including the related notes) of Parent included in the Parent SEC Filings complied at the time they were filed, or if amended, the date of such amendment, as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto, were prepared in accordance with GAAP (except, in the case of unaudited statements, as permitted by the rules and regulations of the SEC) applied on a consistent basis during the periods involved (except as may be indicated in the notes thereto) and each fairly presented in all material respects the consolidated financial position of Parent and its consolidated Subsidiaries as of the respective dates thereof and the consolidated results of their operations and cash flows for the respective periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments).

(c) Except as and to the extent set forth on the consolidated balance sheet of Parent and its Subsidiaries as of December 31, 2003 included in Parent's Form 10-K for the year ended December 31, 2003, including the notes thereto (the "Parent Form 10-K"), or in the financial statements included in any Parent SEC Filing filed prior to the date hereof with the SEC after filing the Parent Form 10-K, neither Parent nor any of its Subsidiaries has any liabilities

Edgar Filing: ATRIX LABORATORIES INC - Form 425

or obligations of any nature (whether accrued, absolute, contingent or otherwise), except for (i) liabilities or obligations incurred in the ordinary course of business consistent with past practice since December 31, 2003, (ii) liabilities and obligations incurred in connection with this Agreement and Parent's performance of its obligations hereunder, and (iii) liabilities and obligations that would not reasonably be expected to have a Material Adverse Effect on Parent.

38

None of the Subsidiaries of Parent are, or have at any time since January 1, 2002 been, subject to the reporting requirements of Sections 13(a) and 15(d) of the Exchange Act.

(d) No "material contract" (as such term is defined in Item 601(b)(10) of Regulation S-K of the SEC) filed as an exhibit to the Parent Form 10-K has been amended or modified, except for such amendments or modifications that have been filed with the SEC as an exhibit to a subsequently dated Parent SEC Filing or would not currently be required to be filed with the SEC if Parent were a reporting Person under the Exchange Act.

Section 4.6 Absence of Certain Changes or Events. Except for liabilities incurred in connection with this Agreement or as permitted pursuant to Section 5.2, since December 31, 2003, except as disclosed in the Filed Parent SEC Filings, Parent and each of its Subsidiaries have conducted their businesses in the ordinary course consistent with past practice and there has not been any Material Adverse Effect on Parent, and from such date to the date hereof there has not been:

(a) any material change by Parent or by any of its Subsidiaries in its accounting methods not required pursuant to GAAP;

(b) any declaration, setting aside or payment of any dividend or other distribution with respect to Parent's or any of its Subsidiaries' capital stock;

(c) any split, combination or reclassification of Parent's or any of its Subsidiaries' capital stock or any issuance of or the authorization of any issuance of any other securities in respect of, in lieu of or in substitution for, shares of its capital stock;

(d) any revaluation by Parent or any of its Subsidiaries of any of their assets having a Material Adverse Effect on Parent; or

(e) any event or development that would, individually or in the aggregate, reasonably be expected to prevent or materially delay the performance of this Agreement by Parent.

Section 4.7 Litigation. Except as and to the extent disclosed in the Filed Parent SEC Filings there is no suit, claim, action or proceeding pending or, to the Knowledge of Parent, threatened against or affecting Parent or any of its Subsidiaries or any of their respective assets that individually or in the aggregate has had or would reasonably be expected to have a Material Adverse Effect on Parent, nor is there any judgment, decree, injunction, rule or order of any Governmental Entity or arbitrator outstanding against, or, to the Knowledge of Parent, any demand, requirement, investigation, audit, inquiry, hearing, review or other similar action brought by any Governmental Entity involving, Parent or any of its Subsidiaries or any of their respective assets that individually or in the aggregate has had or would reasonably be expected to have a Material Adverse Effect on Parent. There is no suit, claim, action, proceeding, enforcement action or investigation pending or, to the Knowledge of

Edgar Filing: ATRIX LABORATORIES INC - Form 425

Parent, threatened against Parent or any of its Subsidiaries that, as of the date hereof, challenges the validity or propriety of, or seeks to prevent consummation of, the Merger or any other transaction contemplated by this Agreement.

39

Section 4.8 Contracts.

(a) Except as filed as exhibits to the Filed Parent SEC Filings or as disclosed in Section 4.8 of the Parent Disclosure Schedule, none of Parent or any of its Subsidiaries is a party to or bound by any Contract which, as of the date hereof (i) would prohibit or materially delay the consummation of the Merger or any of the other transactions contemplated by this Agreement; (ii) is a "material contract" (as such term is defined in Item 601(b)(10) of Regulation S-K of the SEC); (iii) any of the benefits to any party of which will be increased, or the vesting of the benefits to any party of which will be accelerated, by the occurrence of any of the transactions contemplated by this Agreement or the value of any of the benefits to any party of which will be calculated on the basis of any of the transactions contemplated by this Agreement; or (iv) relates to the registration of securities. Each Contract to which Parent or any of its Subsidiaries is a party or by which Parent or any of its Subsidiaries is bound of the type described in this Section 4.8, whether or not set forth in Section 4.8 of the Parent Disclosure Schedule, is referred to herein as a "Parent Material Contract." As of the date hereof, Parent has made available to the Company true and complete copies of all Parent Material Contracts.

(b) Each Parent Material Contract is valid and binding on Parent and each of its Subsidiaries party thereto and, to Parent's Knowledge, each other party thereto, and is in full force and effect, except, insofar as this representation is made as of the Closing Date, as would not be reasonably likely to have a Material Adverse Effect on Parent. Parent has not received any written notice from any other party to any Parent Material Contract, and otherwise has no Knowledge, that such third party intends to terminate, not renew, or challenge the validity or enforceability of any Parent Material Contract, except for such terminations, non-renewals or challenges as would not be reasonably likely to have a Material Adverse Effect on Parent. Neither Parent nor any of its Subsidiaries, and, to the Knowledge of Parent, no other party thereto, is in violation of or in default under (nor does there exist any condition which upon the passage of time or the giving of notice or both would cause such a violation of or default under) any Parent Material Contract to which it is a party or by which it or any of its properties or assets is bound, except for violations or defaults that individually or in the aggregate are not reasonably likely to have a Material Adverse Effect on Parent.

Section 4.9 Compliance with Laws; Permits. Each of Parent and its Subsidiaries is in compliance with all Laws and rules and regulations of any stock exchange or regulatory organization applicable to it, its properties or other assets or its business or operation, except for failures to be in compliance that individually or in the aggregate have not had and would not reasonably be expected to have a Material Adverse Effect on Parent. Each of Parent and its Subsidiaries has in effect all Permits, including all Permits under the FDCA, and the regulations of the FDA promulgated thereunder, necessary for it to own, lease or operate its properties and other assets and to carry on its business and operations as presently conducted, except where the failure to have such Permits individually or in the aggregate has not had and would not

reasonably be expected to have a Material Adverse Effect on Parent. There has occurred no default under, or violation of, any such Permit, except for any such default or violation that individually or in the aggregate has not had and would not reasonably be expected to have a Material Adverse Effect on Parent. The consummation of the Merger, in and of itself, will not cause the revocation or cancellation of any such Permit that individually or in the aggregate would reasonably be expected to have a Material Adverse Effect on Parent.

40

Section 4.10 Intellectual Property.

(a) Parent and/or its Subsidiaries owns or licenses all Intellectual Property necessary for the conduct of Parent's business, as presently conducted, free and clear of all Liens other than Permitted Liens, subject to any rights granted by Parent or its Subsidiaries to any third party under any licenses set out in the Parent Disclosure Schedule or under a license to use such information for evaluation purposes provided pursuant to nondisclosure agreements or material transfer agreements entered into in the ordinary course of business. To the Knowledge of Parent, there has been and is no infringement, misappropriation or violation by third parties of any of Parent's Intellectual Property, except as such infringement, misappropriation or violation, individually or in the aggregate, has not had and would not reasonably be expected to have a Material Adverse Effect on Parent. There is no action, suit, proceeding or claim pending or, to the Knowledge of Parent, threatened in writing or in a manner that would reasonably be expected to result in any action, suit, proceeding or claim by others challenging Parent's or a Subsidiary's rights in or to any such Intellectual Property. The Intellectual Property owned by Parent has not been adjudged invalid or unenforceable, in whole or in part, by any Governmental Entity, and there is no pending or to the Knowledge of Parent, threatened action, suit, proceeding or claim by others challenging the validity or scope of any such Intellectual Property.

(b) There is no action, suit, proceeding or claim pending, or to the Knowledge of Parent, threatened in writing or in a manner that would reasonably be expected to result in any action, suit, proceeding or claim, by others that Parent or a Subsidiary has infringed, misappropriated or otherwise violated, or infringes, misappropriates or otherwise violates, any Intellectual Property or other proprietary rights of others, and Parent has not received any written notice of such claim. To the Knowledge of Parent, there is no intellectual property right or other legal right (except as may be contained in any Material Contract of Parent) that could be asserted by a Person to exclude or prevent Parent or any of its Subsidiaries from developing, manufacturing, or selling any current product of Parent or its Subsidiaries that is material to the conduct of the business of Parent and its Subsidiaries. To the Knowledge of Parent, no employee of Parent or a Subsidiary is in or has ever been in violation of any material term of any employment contract, patent disclosure agreement, invention assignment agreement, non-competition agreement, non-solicitation agreement, nondisclosure agreement or any restrictive covenant to or with a former employer where the basis of such violation relates to such employee's employment with Parent or actions undertaken by the employee while employed with Parent, except as such violation would not have a Material Adverse Effect on Parent.

Section 4.11 Taxes.

(a) Parent and each of its Subsidiaries has duly and timely filed with the appropriate Tax authorities or other Governmental Entities all Tax Returns that

Edgar Filing: ATRIX LABORATORIES INC - Form 425

All Taxes due and owing by any of Parent and its Subsidiaries (whether or not shown on any Tax Returns) have been paid. Neither Parent nor any of Parent's Subsidiaries currently is the beneficiary of any extension of time within which to file any material Tax Return. No written claim has ever been made by a Tax authority in a jurisdiction where any of Parent and its Subsidiaries does not file Tax Returns that it is or may be subject to taxation by that jurisdiction.

41

(b) The unpaid Taxes of Parent and its Subsidiaries did not, as of the date of the financial statements contained in the most recent Parent SEC Filings, exceed the reserve for Tax liability (excluding any reserve for deferred Taxes established to reflect timing differences between book and Tax income) set forth on the face of the balance sheets (rather than in any notes thereto) contained in such financial statements. Since the date of the financial statements in the most recent Parent SEC Filings, neither Parent nor any of its Subsidiaries has incurred any liability for Taxes outside the ordinary course of business or otherwise inconsistent with past custom and practice.

(c) No deficiencies for Taxes with respect to any of Parent and its Subsidiaries have been claimed in writing, proposed or assessed by a Tax authority. There are no pending or, based on written notice, threatened audits, assessments, administrative proceedings, court proceedings or other actions for or relating to any liability in respect of material Taxes of any of Parent or its Subsidiaries.

Section 4.12 Regulatory Compliance.

(a) Parent and its Subsidiaries are, to the Knowledge of Parent, in compliance with the Health Care Laws material to the operation of their businesses as now being conducted except for failures to be in compliance that individually or in the aggregate have not had and would not reasonably be expected to have a Material Adverse Effect on Parent. Neither Parent nor any of its Subsidiaries has received any written notice that the FDA or any other Governmental Entity has (i) commenced, or threatened to initiate, any action to withdraw its approval or request the recall of any of its products, (ii) commenced, or threatened to initiate, any action to enjoin production of any of its products or (iii) to Parent's Knowledge, commenced, or threatened to initiate, any action to enjoin the production of any of its products produced at any facility where any such product is manufactured, tested or packaged, except for any such action that individually or in the aggregate has not had and would not reasonably be expected to have a Material Adverse Effect on Parent.

(b) All clinical trials and, to the Knowledge of Parent, all studies, tests and preclinical studies conducted by or on behalf of Parent or any of its Subsidiaries were and, if still pending, are being conducted in all material respects in accordance with experimental protocols, procedures and controls pursuant to accepted professional scientific standards and all applicable Laws and Permits. The descriptions of the results of such studies, tests and trials submitted to FDA and other Governmental Entities are true and correct in all material respects and fairly present the data derived from such studies, tests and trials, and neither Parent nor any of its Subsidiaries has Knowledge of any such studies, tests or trials the results of which Parent or any of its Subsidiaries believes reasonably call into question its studies, tests, or trial results. Neither Parent nor any of its Subsidiaries has received any notices or

Edgar Filing: ATRIX LABORATORIES INC - Form 425

(c) All reports, documents, claims, notices, or approvals required to be filed, obtained, maintained, or furnished to any Governmental Entity for each material medical device, biologic or drug developed, marketed, manufactured or sold by Parent or any of its Subsidiaries

Section 335a(k)(1) or any similar Law and the list described in 21 U.S.C. Section 335a(k)(2) or any similar Law, and each such certification and list was true and complete in all material respects when made. In addition, Parent and its Subsidiaries are in substantial compliance with all applicable registration and listing requirements set forth in 21 U.S.C. Section 360 and 21 C.F.R. Part 207 and all similar Laws.

(d) Neither Parent nor any of its Subsidiaries, nor, to the Knowledge of Parent, any officer, Affiliate, employee or agent of Parent or any of its Subsidiaries, has made an untrue statement of a material fact or fraudulent statement to the FDA or any other Governmental Entity, failed to disclose a material fact required to be disclosed to the FDA or any other Governmental Entity, or committed an act, made a statement, or failed to make a statement that, at the time such disclosure was made, would reasonably be expected to provide a basis for the FDA or any other Governmental Entity to invoke its policy respecting "Fraud, Untrue Statements of Material Facts, Bribery, and Illegal Gratuities", set forth in 56 Fed. Reg. 46191 (September 10, 1991) or any similar policy. Neither Parent nor any of its Subsidiaries, nor, to the Knowledge of Parent, any officer, employee or agent of Parent or any of its Subsidiaries, has been convicted of any crime or engaged in any conduct for which debarment is mandated by 21 U.S.C. Section 335a(a), or any similar Law or authorized by 21 U.S.C. Section 335a(b), or any similar Law.

(e) Neither Parent nor any of its Subsidiaries has received any written notice that the FDA or any other Governmental Entity has (i) commenced, or threatened to initiate, any action to withdraw its approval or request the recall of any Parent Product, (ii) commenced, or threatened to initiate, any action to enjoin production of any Parent Product or (iii) to Parent's Knowledge, commenced, or threatened to initiate, any action to enjoin the production of any Parent Product produced at any facility where any Parent Product is manufactured, tested or packaged, except for any such action that individually or in the aggregate has not had and would not reasonably be expected to have a Material Adverse Effect on Parent.

(f) To the Knowledge of Parent, there are no facts, circumstances or conditions that would reasonably be expected to form the basis for any material investigation, suit, claim, audit, action (legal or regulatory) or proceeding (legal or regulatory) by a Governmental Entity against or affecting Parent or any of its Subsidiaries relating to or arising under (i) the FDCA or the regulations of the FDA promulgated thereunder or (ii) the Health Care Laws.

Nothing in the foregoing Section 5.2(e) however shall apply to a Parent Takeover, as to which any Parent obligations are set forth solely in Section 6.3(b) of this Agreement.

Section 5.3 Tax-Free Reorganization Treatment.

(a) Neither Company nor Parent shall, nor shall they permit any of their respective Subsidiaries to, take or cause to be taken any action (whether before or after the Transaction) that would disqualify the Transaction as a reorganization within the meaning of Section 368(a) of the Code (including any action that would prevent the Transaction from satisfying the requirements of Treasury Regulation Section 1.367(a)-3(c)(1)). Parent and the Company shall use their reasonable best efforts, and shall cause their respective Subsidiaries to use their reasonable best efforts, to take or cause to be taken any action (whether before or after the Transaction) that is required to cause the Transaction to qualify as a reorganization within the meaning of Section 368(a) of the Code (including any action that is required to satisfy the requirements of Treasury Regulation Section 1.367(a)-3(c)(1)).

(b) Each of the Company and Parent shall report the Transaction as a reorganization within the meaning of Section 368 of the Code, unless otherwise required pursuant to a "determination" within the meaning of Section 1313(a) of the Code. Parent will cause the Company to comply with all applicable reporting

requirements set forth in the Treasury

51

Regulations under Section 367 of the Code, including Treasury Regulation Section 1.367(a)-3(c)(6).

(c) The parties hereto shall cooperate and use their commercially reasonable efforts in order for Parent to obtain the opinion of Latham & Watkins LLP described in Section 7.2(c) and for the Company to obtain the opinion of Morrison & Foerster LLP described in Section 7.3(c). In connection therewith, both Parent (together with Merger Sub) and the Company shall deliver to Latham & Watkins LLP and Morrison & Foerster LLP representation letters, dated and executed as of the dates of such opinions, in substantially the form attached to this Agreement as Exhibits 7.2(c)(i) and 7.2(c)(ii), respectively.

Section 5.4 Control of Other Party's Business. Nothing contained in this Agreement shall give Parent or Merger Sub, directly or indirectly, the right to control or direct the operations of the Company prior to the consummation of the Merger. Prior to the consummation of the Merger, the Company shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision over its operations.

ARTICLE 6.

ADDITIONAL AGREEMENTS

Section 6.1 Registration Statement; Proxy Statement.

(a) As promptly as practicable after the execution of this Agreement, Parent and the Company shall prepare a joint proxy statement relating to the Company Stockholders' Meeting and Parent Shareholders' Meeting (together with any amendments thereof or supplements thereto, the "Proxy Statement") and Parent shall prepare and file with the SEC a registration statement on Form S-4 (together with all amendments thereto, the "Registration Statement"; the prospectus contained in the Registration Statement together with the Proxy Statement, the "Joint Proxy/Prospectus"), in which the Proxy Statement shall be included, in connection with the registration under the Securities Act of the Parent Common Shares to be issued to the stockholders of the Company as Merger Consideration. Each of Parent and the Company shall use reasonable best efforts to cause the Registration Statement to become effective as promptly as practicable, and, prior to the effective date of the Registration Statement, Parent shall take all or any action reasonably required under any applicable securities Laws in connection with the issuance of Parent Common Shares in the Merger or the registration or qualification thereof. Each of Parent and the Company shall furnish all information concerning it and the holders of its capital stock as the other may reasonably request in connection with such actions and the preparation of the Registration Statement and Proxy Statement. As promptly as reasonably practicable after the Registration Statement shall have become effective and the Proxy Statement shall have been cleared by the SEC, the Company and Parent shall mail the Joint Proxy/Prospectus to their respective shareholders; provided, however, that the parties shall consult and cooperate with each other in determining the appropriate time for mailing the Joint Proxy/Prospectus in light of the date set for the Company Stockholders' Meeting and the Parent Shareholders' Meeting. No filing of, or amendment or supplement to, the Proxy Statement shall be made by the Company or Parent, and no filing of, or amendment or supplement to, the Registration Statement shall be made by Parent, in each case, without providing the other party a reasonable opportunity to review and comment thereon, which comments shall be considered in

good faith. Parent shall advise the Company, promptly after it receives notice thereof, of the time when the Registration Statement has become effective or any supplement or amendment has been filed, of any request by the SEC for amendment of the Registration Statement or comments thereon and responses thereto and requests by the SEC for additional information, of the issuance of any stop order, or the suspension of the qualification of the Parent Common Shares issuable in connection with the Merger for offering or sale in any jurisdiction. Parent and the Company shall each advise the other, promptly after it receives notice thereof, of any request by the SEC for amendment of the Proxy Statement or the Registration Statement or comments thereon and responses thereto or requests by the SEC for additional information.

(b) The information supplied by Parent for inclusion in the Registration Statement and the Proxy Statement shall not, at (i) the time the Registration Statement is declared effective, (ii) the time the Proxy Statement (or any amendment thereof or supplement thereto) is first mailed to the stockholders of the Company, (iii) the time the Proxy Statement (or any amendment thereof or supplement thereto) is first mailed to shareholders of Parent, (iv) the time of the Company Stockholders' Meeting and (v) the time of the Parent Shareholders' Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading. If at any time prior to the Effective Time any event or circumstance relating to Parent or any of its Subsidiaries, or their respective officers or directors, should be discovered by Parent which should be set forth in an amendment or a supplement to the Registration Statement or Proxy Statement, Parent shall promptly inform the Company and, to the extent required by applicable Law, an appropriate amendment or supplement describing such event or circumstance shall be promptly filed with the SEC and disseminated to stockholders of the Company and shareholders of Parent, as applicable. All documents that Parent is responsible for filing with the SEC in connection with the transactions contemplated herein will comply as to form and substance in all material respects with the applicable requirements of the Securities Act and the rules and regulations thereunder and the Exchange Act and the rules and regulations thereunder.

(c) The information supplied by the Company for inclusion in the Registration Statement and the Proxy Statement shall not, at (i) the time the Registration Statement is declared effective, (ii) the time the Proxy Statement (or any amendment thereof or supplement thereto) is first mailed to the stockholders of the Company, (iii) the time the Proxy Statement (or any amendment thereof or supplement thereto) is first mailed to shareholders of Parent, (iv) the time of the Company Stockholders' Meeting and (v) the time of the Parent Shareholders' Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading. If at any time prior to the Effective Time any event or circumstance relating to the Company or any of its Subsidiaries, or their respective officers or directors, should be discovered by the Company which should be set forth in an amendment or a supplement to the Registration Statement or Proxy Statement, the Company shall promptly inform Parent and, to the extent required by applicable Law, an appropriate amendment or supplement describing such event or circumstance shall be promptly filed with the SEC and disseminated to stockholders of the Company and shareholders of Parent, as applicable. All documents that the Company is responsible for filing with the SEC in connection with the transactions contemplated herein will comply as to form and substance in all material

respects with the applicable requirements of the

53

Securities Act and the rules and regulations thereunder and the Exchange Act and the rules and regulations thereunder.

(d) The Company shall use its reasonable best efforts to cause to be delivered to Parent a letter of Deloitte & Touche LLP, its independent auditors, dated (i) as of a date within two days of the date on which the Registration Statement shall become effective and (ii) within two days of the Closing Date, and addressed to Parent, in form and substance customary for "comfort" letters delivered by independent public accountants in connection with registration statements similar to the Registration Statement, the cost of which shall be shared by the Company and Parent equally.

Section 6.2 Shareholders' Meetings.

(a) The Company shall duly call and hold a meeting of its stockholders (the "Company Stockholders' Meeting") as promptly as practicable in accordance with applicable Law following the date the Registration Statement becomes effective and the Proxy Statement is cleared by the SEC and after coordination with Parent, provided that the meeting shall be held not later than five Business Days prior to the Outside Date (provided that the Company shall not be required to hold the Company Stockholders' Meeting prior to the date of the Parent Stockholders' Meeting), for the purpose of voting upon the adoption of this Agreement and approval of the Merger. In connection with the Company Stockholders' Meeting and the transactions contemplated hereby, the Company will (i) subject to applicable Law, use its reasonable best efforts (including postponing or adjourning the Company Stockholders' Meeting to obtain a quorum or to solicit additional proxies) to obtain the necessary approvals by its stockholders of this Agreement and the Merger and (ii) otherwise comply with all legal requirements applicable to the Company Stockholders' Meeting.

(b) Parent shall duly call and hold a meeting of its shareholders (the "Parent Shareholders' Meeting") as promptly as practicable in accordance with applicable Law following the date the Registration Statement becomes effective and the Proxy Statement is cleared by the SEC and after coordination with the Company, provided that the meeting shall be held not later than five Business Days prior to the Outside Date (provided that Parent shall not be required to hold the Parent Shareholders' Meeting prior to the date of the Company Stockholders' Meeting), for the purpose of voting upon the approval of the Share Issuance. In connection with the Parent Shareholders' Meeting and the transactions contemplated hereby, Parent will (i) subject to applicable Law, use its reasonable best efforts (including postponing or adjourning Parent Shareholders' Meeting to obtain a quorum or to solicit additional proxies) to obtain the necessary approvals by its shareholders of the Share Issuance and (ii) otherwise comply with all legal requirements applicable to the Parent Shareholders' Meeting.

(c) The Board of Directors of the Company shall recommend adoption of this Agreement and approval of the Merger by the stockholders of the Company (the "Company Recommendation"). Subject to Section 6.4, the Company shall not withdraw or adversely modify (or propose to withdraw or adversely modify) such recommendation, and the Joint Proxy/Prospectus shall contain such recommendation.

(d) The Board of Directors of Parent shall recommend the approval of the Share Issuance by the shareholders of Parent (the "Parent Recommendation"), and

the Joint

54

Proxy/Prospectus shall contain such recommendation. Parent shall not withdraw or adversely modify (or propose to withdraw or adversely modify) such recommendation, and the Joint Proxy/Prospectus shall contain such recommendation.

Section 6.3 Access to Information; Parent Takeover Proposal; Confidentiality.

(a) Except as required pursuant to any confidentiality agreement or similar agreement or arrangement to which the Company or Parent or any of their respective Subsidiaries is a party (which such Person shall use reasonable best efforts to cause the counterparty to waive) from the date of this Agreement to the Effective Time, the Company and Parent shall, and shall cause each of its Subsidiaries and each of their respective directors, officers, employees, accountants, consultants, legal counsel, investment bankers, advisors, and agents and other representatives (collectively, "Representatives") to (i) provide to the other party and its respective Representatives access at reasonable times upon prior notice to the officers, employees, agents, properties, offices and other facilities of such party and its Subsidiaries and to the books and records thereof and (ii) subject to applicable Laws relating to the exchange of information, furnish promptly such information concerning the business, properties, Contracts, assets, liabilities, personnel and other aspects of itself and its Subsidiaries as the other party and its Representatives may reasonably request. No investigation conducted pursuant to this Section 6.3(a) shall affect or be deemed to modify or limit any representation or warranty made in this Agreement.

(b) From and after the date of this Agreement until the earlier of the Effective Time or termination of this Agreement pursuant to Article 7, Parent agrees that in the event it receives a written offer or proposal concerning a Parent Takeover (as defined below) or any written inquiry which it reasonably believes could lead to such an offer or proposal, Parent shall promptly (and in any event within 36 hours) notify the Company that it has received such an offer or proposal and shall thereafter keep the Company reasonably informed as to the status of such offer, proposal or inquiry. As used in this Agreement, "Parent Takeover" shall mean any of the following transactions: (i) a merger, consolidation, business combination, recapitalization or similar transaction involving Parent pursuant to which the stockholders of Parent immediately preceding such transaction hold less than 50% of the aggregate voting power of the surviving or resulting entity of such transaction or the parent of such entity; (ii) a sale or other disposition by Parent or any of its Subsidiaries, directly or indirectly, of assets representing collectively in excess of 50% of the consolidated assets of Parent and its Subsidiaries immediately prior to such sale; (iii) the issuance, sale or other disposition of securities (or options, rights or warrants to purchase, or securities convertible into or exchangeable for such securities, in each case by Parent or any Subsidiary representing 50% or more of the voting power of Parent; or (iv) the acquisition by any person or group (including by way of a tender offer or an exchange offer or issuance by Parent), directly or indirectly, of beneficial ownership or a right to acquire beneficial ownership of shares representing in excess of 50% of the voting power of the then outstanding shares of capital stock of Parent.

(c) With respect to the information disclosed pursuant to this Section 6.3, the parties shall comply with, and shall cause their respective Representatives to comply with, all of their respective obligations under the

Edgar Filing: ATRIX LABORATORIES INC - Form 425

confidentiality agreement, dated March 23, 2004, previously executed by the Company and Parent (the "Confidentiality Agreement"); provided,

55

however, the restrictions on Parent, its Subsidiaries and Affiliates, and their respective Representatives set forth in paragraphs 3 and 4.3 of the Confidentiality Agreement shall be inapplicable with respect to any of the transactions set forth in this Agreement.

Section 6.4 No Solicitation of Transactions.

(a) The Company agrees that it and its Subsidiaries shall not, and shall not authorize or permit any of their respective directors, officers or employees and shall use reasonable best efforts not to permit their respective Representatives (provided that such agreement shall not apply with respect to employees of the Company below the level of director) to, directly or indirectly:

(i) solicit, initiate, encourage, knowingly facilitate or induce any inquiry with respect to, or the making, submission or announcement of, any Acquisition Proposal;

(ii) participate or engage in any discussions or negotiations regarding, or furnish to any Person any nonpublic information with respect to, or take any other action to facilitate any inquiries or the making of any proposal that constitutes or may reasonably be expected to lead to, any Acquisition Proposal, except to notify such Person as to the existence of these provisions (except to the extent permitted pursuant to this Section 6.4);

(iii) approve, endorse or recommend any Acquisition Proposal with respect to the Company (except to the extent permitted by this Section 6.4); or

(iv) enter into any letter of intent or similar document or any agreement, commitment or understanding contemplating or otherwise relating to any Acquisition Proposal or a transaction contemplated thereby (except for confidentiality agreements permitted pursuant to Section 6.4(c)).

(v) The Company shall immediately terminate, and shall cause the Company Subsidiaries to immediately terminate, and shall instruct the Representatives of it and its Subsidiaries to immediately terminate, all discussions or negotiations, if any, with any third party with respect to, or any that could reasonably be expected to lead to or contemplate the possibility of, an Acquisition Proposal. The Company shall as soon as practicable demand that each Person which has executed within the twelve-month period prior to the date of this Agreement a confidentiality agreement with the Company or any of its Affiliates or Subsidiaries or any of its or their Representatives with respect to such Person's consideration of a possible Acquisition Proposal to immediately return or destroy (which destruction shall be certified in writing by such Person to the Company) all confidential information heretofore furnished by the Company or any of its Affiliates or Subsidiaries or any of its or their Representatives to such Person or any of its Affiliates or Subsidiaries or any of its or their Representatives.

(b) Promptly (but in any event within 36 hours) after receipt of any Acquisition Proposal or any request for nonpublic information or inquiry which it reasonably believes could lead to an Acquisition Proposal, the Company shall provide Parent with written notice of the material terms and conditions of such Acquisition Proposal, request or inquiry, and the identity of the Person or

Edgar Filing: ATRIX LABORATORIES INC - Form 425

group making any such Acquisition Proposal, request or inquiry, and

56

a copy of all written materials provided in connection with such Acquisition Proposal, request or inquiry. After receipt of the Acquisition Proposal, request or inquiry, the Company shall promptly keep Parent informed in all material respects of the status and details (including material amendments or proposed material amendments) of any such Acquisition Proposal, request or inquiry and shall promptly provide to Parent a copy of all written materials subsequently provided in connection with such Acquisition Proposal, request or inquiry.

(c) If the Company receives an Acquisition Proposal which (i) constitutes a Superior Proposal or (ii) which the Board of Directors of the Company in good faith concludes could reasonably be expected to result in a Superior Proposal, the Company shall promptly provide to Parent written notice that shall state expressly (A) that it has received an Acquisition Proposal which constitutes a Superior Proposal or which could reasonably be expected to result in a Superior Proposal, and (B) the identity of the party making such Acquisition Proposal and the material terms and conditions of the Acquisition Proposal (the "Superior Proposal Notice") and may then take the following actions (either directly or through its Subsidiaries or any of their respective directors, officers, employees or Representatives):

(i) furnish nonpublic information to the third party making such Acquisition Proposal, provided, that (A) prior to so furnishing, the Company receives from the third party an executed confidentiality agreement containing customary standstill provisions and other terms and conditions that are no less restrictive to such third party than the terms and conditions of the Confidentiality Agreement, and (B) contemporaneously with furnishing any such nonpublic information to such third party, the Company furnishes a copy of such nonpublic information to Parent (to the extent such nonpublic information has not been previously so furnished); and

(ii) participate or engage in any discussions or negotiations with the third party with respect to the Acquisition Proposal.

(d) For a period of not less than five Business Days after Parent's receipt from the Company of each Superior Proposal Notice, the Company shall, if requested by Parent, negotiate in good faith with Parent to revise this Agreement so that the Acquisition Proposal that constituted a Superior Proposal no longer constitutes a Superior Proposal.

(e) Notwithstanding anything in this Agreement to the contrary, in response to the receipt of a Superior Proposal that has not been withdrawn and continues to constitute a Superior Proposal after the Company's compliance with Section 6.4(d), the Board of Directors of the Company may withhold, withdraw or modify the Company Recommendation and, in the case of a Superior Proposal that is a tender or exchange offer made directly to its stockholders, may recommend that its stockholders accept the tender or exchange offer (any of the foregoing actions, whether by the Board of Directors or a committee thereof, a "Change of Recommendation"), if both of the following conditions in Sections 6.4(e) (i) and 6.4(e) (ii) are met:

(i) the Company Stockholder Approval has not been obtained; and

57

(ii) the Board of Directors of the Company has concluded in good faith, following the receipt of advice of its outside legal counsel, that, in light of such Superior Proposal, the failure of the Board of Directors to effect a Change of Recommendation would result in a breach of its fiduciary obligations to its stockholders under applicable Law.

(f) Notwithstanding anything to the contrary contained in this Agreement, (i) the obligation of the Company to call, give notice of, convene and hold the Company Stockholders' Meeting and to hold a vote of the Company's stockholders on this Agreement and the Merger at the Company Stockholders' Meeting shall not be limited or otherwise affected by the commencement, disclosure, announcement or submission to it of any Acquisition Proposal (whether or not a Superior Proposal), or by any Change of Recommendation and (ii) in any case in which the Company withholds or withdraws the Company Recommendation pursuant to Section 6.4(e), the Company shall nonetheless submit this Agreement to a vote of its stockholders. The Company agrees that it shall not submit to the vote of its stockholders any Acquisition Proposal (whether or not a Superior Proposal) or propose to do so.

(g) Nothing contained in this Agreement shall be deemed to restrict the Company from complying with Rules 14d-9 or 14e-2 under the Exchange Act or be deemed to restrict the Company or Parent from making such other disclosures as may be required by federal securities Laws or applicable fiduciary duties Laws.

(h) Nothing contained in Section 5.1 of this Agreement shall be deemed to limit or restrict in any manner the rights of the Company pursuant to this Section 6.4.

Section 6.5 Appropriate Action; Consents; Filings.

(a) The Company and Parent shall use their reasonable best efforts to:

(i) take, or cause to be taken, all appropriate action, and do, or cause to be done, all things necessary, proper or advisable under applicable Law or otherwise to consummate and make effective the transactions contemplated by this Agreement as promptly as practicable;

(ii) obtain from any Governmental Entities any consents, licenses, permits, waivers, approvals, authorizations or orders required (A) to be obtained or made by the Company or Parent, respectively, or any of their Subsidiaries, (B) to avoid any action or proceeding by any Governmental Entity (including those in connection with the HSR Act and antitrust and competition Laws of any other applicable jurisdiction), in connection with the authorization, execution and delivery of this Agreement and the consummation of the transactions contemplated herein, including the Merger, and (C) to prevent a Material Adverse Effect on the Company or Parent, respectively, from occurring prior to or after the Effective Time;

(iii) make all necessary filings, and thereafter make any other required submissions, with respect to this Agreement, the Merger and the Share Issuance required of the Company or Parent, respectively, under (A) the Securities Act and the Exchange Act, and any other applicable federal or state or Canadian or other foreign securities Laws, (B)

Edgar Filing: ATRIX LABORATORIES INC - Form 425

the HSR Act and antitrust and competition Laws of any other applicable jurisdiction, (C) the rules and regulations of the Toronto Stock Exchange, and (D) any other applicable Law; and

(iv) give (or shall cause their respective Subsidiaries to give) any notices to third parties or any Governmental Entity required by the Company or Parent, respectively, and use, and cause their respective Subsidiaries to use, reasonable best efforts to obtain any non-governmental third party consents, (A) necessary to consummate the transactions contemplated in this Agreement, (B) required to be disclosed in the Company Disclosure Schedule or the Parent Disclosure Schedule, as applicable, or (C) required to prevent a Material Adverse Effect on the Company or Parent, respectively, from occurring prior to or after the Effective Time.

(b) Without limiting Section 6.5(a), Parent and the Company shall duly file with the U.S. Federal Trade Commission and the Antitrust Division of the Department of Justice, and in any applicable Canadian or foreign jurisdiction with the appropriate Governmental Entity, the notification and report form required under the HSR Act or the antitrust or competition laws of such Canadian or foreign jurisdiction with respect to the transactions contemplated by this Agreement as promptly as practicable, and in any event within ten (10) days after the date hereof. Nothing in this Agreement shall be deemed to require Parent or the Company to agree to, or proffer to, divest or hold separate any assets or other portion of any business of Parent, the Company or any of their respective Subsidiaries.

(c) Parent and the Company shall cooperate with each other in connection with the making of all filings, the giving of all notices and the obtaining of all consents referenced in Section 6.5(a), including, with respect to filings, providing copies of all such filings (other than information with respect to third parties) to the non-filing party and its advisors prior to filing and, if requested, to consider all reasonable additions, deletions or changes suggested in connection therewith, subject to applicable Law. Subject to applicable Law, each of Parent and the Company shall keep the other apprised of the status of matters relating to the completion of the transactions contemplated hereby, including promptly furnishing the other with copies of written notices or other communications received by Parent or the Company, as the case may be, or any of their respective Affiliates from any third party or Governmental Entity with respect to the transactions contemplated hereby. Parent and the Company shall have the right to review in advance, and to the extent practicable each shall consult the other on, all the information relating to the Company and its Subsidiaries or Parent and its Subsidiaries, as the case may be, that appears in any filing made with, or written materials submitted to, any third party and/or any Governmental Entity in connection with the Merger and the other transactions contemplated by this Agreement. In the event that either party shall fail to obtain any third party consent described in Section 6.5(a), such party shall use reasonable best efforts, and shall take any such actions reasonably requested by the other party hereto (it being understood that such action may become effective at or after the Effective Time), to minimize any adverse effect upon the Company and Parent, their respective Subsidiaries, and their respective businesses resulting, or which could reasonably be expected to result after the Effective Time, from the failure to obtain such consent.

(d) Subject to, but without limiting the foregoing Sections 6.5(a) and (b), Parent and the Company shall each use reasonable best efforts to avoid the entry of, or to have

Edgar Filing: ATRIX LABORATORIES INC - Form 425

vacated or terminated, any decree, order, or judgment that would restrain, prevent or delay the Closing, on or before the Outside Date, including defending through litigation on the merits any claim asserted in any court by any Person, and to avoid or eliminate each and every impediment under any antitrust, competition or trade regulation Law that may be asserted by any Government Entity with respect to the Merger so as to enable the Closing to occur as soon as reasonably possible (and in any event no later than the Outside Date).

(e) From the date of this Agreement until the Effective Time, each party shall promptly notify the other party in writing of any pending or, to the Knowledge of the Company or Parent, as appropriate, threatened action, suit, arbitration or other proceeding or investigation by any Governmental Entity or any other Person (i) challenging or seeking damages in connection with the Merger or the conversion of Company Common Stock into Parent Common Shares pursuant to the Merger or (ii) seeking to restrain or prohibit the consummation of the Merger or otherwise limit the right of Parent or its Subsidiaries to own or operate all or any portion of the businesses or assets of the Company or its Subsidiaries.

(f) The Company and Parent shall cooperate and use reasonable best efforts to obtain the agreement of the holder of the Warrant to exercise the Warrant prior to Closing. At Parent's direction, the Company shall exercise its option to cause all outstanding shares of Series A Convertible Preferred Stock to be converted into Company Common Stock prior to Closing.

(g) Subject to applicable Law, between the date hereof and the Effective Time, the Company and Parent will consult and cooperate on matters relating to the integration of Parent's and the Company's respective businesses and personnel following the Effective Time and will periodically meet to discuss and review such matters.

Section 6.6 Certain Notices. From and after the date of this Agreement until the Effective Time, each party hereto shall promptly notify the other party hereto of (a) the occurrence, or non-occurrence, of any event that would be likely to cause any condition to the obligations of any party to effect the Merger and the other transactions contemplated by this Agreement not to be satisfied or (b) the failure of the Company or Parent, as the case may be, to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it pursuant to this Agreement which would reasonably be expected to result in any condition to the obligations of any party to effect the Merger and the other transactions contemplated by this Agreement not to be satisfied; provided, however, that the delivery of any notice pursuant to this Section 6.6 shall not cure any breach of any representation or warranty, the failure to comply with any covenant, the failure to meet any condition or otherwise limit or affect the remedies available hereunder to the party receiving such notice. Subject to applicable Law, promptly after the date hereof, Parent and the Company shall establish a process for an ongoing dialogue and shall communicate on a regular basis from and after the date of this Agreement until the Effective Time with respect to significant business developments of the parties, including any transaction of a type required to be disclosed on a Current Report filed on Form 8-K pursuant to the Exchange Act (or that would be required to be disclosed by a reporting person under the Exchange Act).

Section 6.7 Public Announcements. Parent and the Company will consult with

Edgar Filing: ATRIX LABORATORIES INC - Form 425

each other before issuing, and provide each other the opportunity to review and make reasonable comment upon, any press release or making any public statement with respect to this Agreement and the transactions contemplated hereby and, except as may be required by applicable Law or any listing agreement with Nasdaq or the Toronto Stock Exchange, will not issue any such press release or make any such public statement prior to such consultation; provided, however, each of Parent and the Company may make any public statement in response to specific questions by the press, analysts, investors or those attending industry conferences or financial analyst conference calls, so long as any such statements are not inconsistent with previous press releases, public disclosures or public statements made jointly by Parent and the Company and do not reveal non-public information regarding the other party.

Section 6.8 Nasdaq and Toronto Stock Exchange Listings. Parent shall use reasonable best efforts to cause (a) the Parent Common Shares to be issued in the Merger to be approved, subject to customary conditions, for listing upon the Effective Time on Nasdaq and on the Toronto Stock Exchange, or on such other national securities exchange or Designated Offshore Securities Market as the Parent Common Shares are then listed and (b) the Parent Common Shares issued upon the exercise of converted Company Options or upon the exercise of the Company Warrant as converted pursuant to Section 2.5 hereof, if applicable, to be approved, subject to customary conditions, for listing on Nasdaq and the Toronto Stock Exchange or on such other national securities exchange or Designated Offshore Securities Market as the Parent Common Shares are then listed. Parent shall use reasonable best efforts to insure that there are no legal or regulatory restrictions or limitation on the ability to transfer or resell such Parent Common Shares in Canada or the United States, except for restrictions generally arising under applicable United States and Canadian Law.

Section 6.9 Indemnification of Directors and Officers.

(a) For six (6) years after the Effective Time, Parent shall, and shall cause the Surviving Corporation to, indemnify and hold harmless, and provide advancement of expenses to, all past and present directors and officers of the Company or any of its Subsidiaries and their respective estates, heirs and personal representatives (the "Indemnified Parties") to the fullest extent permitted by the DGCL and other applicable Law against any costs or expenses (including reasonable expenses of counsel) as incurred (provided such Indemnified Party provides an undertaking to the extent required by the DGCL to repay such expenses if it is ultimately determined that such Indemnified Party is not entitled to indemnification), judgments, fines, losses, claims, damages, liabilities, and amounts paid in settlement in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of or pertaining to acts or omissions occurring at or prior to the Effective Time (including acts or omissions occurring in connection with the approval of this Agreement and the consummation of the transactions contemplated hereby) in the performance of their duties on behalf of the Company or any such Subsidiary, as applicable or otherwise arising out of or pertaining to in whole or in part the fact that such person is or was a director or officer of the Company or any of its Subsidiaries.

(b) For six (6) years from the Effective Time, Parent shall, or shall cause the Surviving Corporation to, cause to be maintained in effect for the benefit of the Company's

Edgar Filing: ATRIX LABORATORIES INC - Form 425

current directors and officers an insurance and indemnification policy that provides coverage for acts or omissions occurring prior to the Effective Time (the "D&O Insurance") covering each such Person currently covered by the officers' and directors' liability insurance policies of the Company on terms with respect to coverage and in amounts no less favorable in the aggregate than those of the Company's policies in effect on the date hereof; provided, however, that the Surviving Corporation shall not be required to pay an annual premium for the D&O Insurance in excess of the amount set forth on Schedule 6.9(b); provided, further, Parent shall use reasonable best efforts to select a D&O insurance carrier which lists as an approved counsel the law firm (the "Designated Law Firm") with which the person identified on Schedule 6.9(b) (the "Designated Person") is then associated. In lieu of the foregoing, Parent may obtain, or request that the Company obtain, from such insurance carrier extended reporting period coverage under the Company's existing officers' and directors' insurance policies; provided, however, Parent shall not be required to pay more than the amount set forth on Schedule 6.9(b) in the aggregate for such extended reporting period coverage and provided, further, that such extended reporting period coverage is no less favorable to the Company's officers and directors than the foregoing coverage. If such coverage cannot be obtained for such amounts, Parent shall provide, in consultation with the Persons currently covered by the Company's directors' and officers' insurance, the maximum amount of coverage as may be obtained for such amounts.

(c) Parent shall, and shall cause the Surviving Corporation to, cause to be maintained in effect in the Surviving Corporation's Certificate of Incorporation and Bylaws provisions with respect to indemnification and advancement of expenses that are at least as favorable to the intended beneficiaries as those contained in the Company Certificate of Incorporation and the Company Bylaws as in effect on the date hereof.

(d) Any Indemnified Party wishing to claim indemnification under paragraph (a) of this Section 6.9, upon learning of any such claim, action, suit, proceeding or investigation, shall promptly notify Parent thereof, but the failure to so notify shall not relieve Parent of any liability it may have to such Indemnified Party unless, and only to the extent that, Parent is materially prejudiced thereby. In the event of any such claim, action, suit, proceeding or investigation, (i) the Indemnified Parties may retain counsel reasonably satisfactory to Parent (it being understood that such counsel must be included on the list of approved counsel maintained by Parent's or the Surviving Corporation's (or its successors') insurance carrier under the applicable D&O Insurance, that the Designated Law Firm and the Designated Person are each satisfactory to Parent and that if the Designated Law Firm is not on such list and the Designated Person is selected by the Indemnified Parties to represent them as co-counsel in accordance herewith, Parent shall pay the reasonable fees and expenses of the Designated Person and the Designated Law Firm incurred with respect to such representation in addition to fees and expenses of approved counsel), and Parent shall pay all reasonable fees and expenses of such counsel for the Indemnified Parties promptly as statements therefor are received; provided, however, except to the extent the Indemnified Parties are entitled to retain the Designated Law Firm and the Designated Person as co-counsel, Parent shall be obligated pursuant to this paragraph (d) to pay for only one firm of counsel for all Indemnified Parties unless the use of one counsel for such Indemnified Parties would present such counsel with a conflict of interest, (ii) Parent, the Surviving Corporation and the Indemnified Parties will cooperate in the defense of any such matter, and (iii) Parent and the Surviving Corporation shall not be liable for any settlement effected without the prior written consent of Parent, provided that Parent shall

consent to any Covered Settlement. (e) Notwithstanding any other provision of this Agreement to the contrary, the provisions of this Section 6.9 are intended to be for the benefit of each Indemnified Party. The obligations of Parent and the Surviving Corporation under this Section 6.9 shall not be terminated or modified in such a manner as to adversely affect any Indemnified Party to whom this Section 6.9 applies without the express written consent of such affected Indemnified Party.

The Company shall furnish such information and documents as Parent may reasonably request for the purpose of reviewing the list. The Company shall use reasonable best efforts to cause each Person who is identified as an affiliate in the list furnished or supplemented pursuant to this Section 6.11 to execute a written agreement, promptly following the date hereof, in substantially the form of Exhibit 6.11 hereto.

Section 6.12 Section 16 Matters. (a) The Company shall, and shall cause the administrator(s) of each of the Company Stock Option Plans to, take any and all actions necessary (under the applicable Company Stock Option Plan and otherwise) to cause the Company Options to be treated in accordance with Section 2.4 hereof, including if necessary amending the Company Stock Option Plans and, if necessary, obtaining the consent of the optionholders to such treatment.

(b) Parent shall file one or more registration statements on Form S-8 (or any other successor or other appropriate form) within five (5) Business Days after the Closing Date, and, if required, one or more registration statements on Form S-3 (or any other successor or other appropriate form) within twenty (20) days after the Closing Date, in each case with respect to the Parent Common Shares subject to options issued pursuant to Section 2.4 and shall maintain the

effectiveness of such registration statement or registration statements (and maintain the current status of the prospectus or prospectuses contained therein) for so long as such options remain outstanding.

Section 6.14 Company ESPP. The Company shall take all actions necessary to provide that, following the date hereof, no additional shares of Company Common Stock shall be issued under the Company's 1997 Employee Stock Purchase Plan (the "Company ESPP") and all accumulated payroll deferrals shall be distributed to participants under the Company ESPP as soon as practicable following the date hereof.

Section 6.15 Board of Directors of Parent; Vice Chairman. Effective as of the Effective Time, the size of the Board of Directors of Parent shall be increased from eight (8) to ten (10) members by the appointment of two additional directors of Parent in accordance with this Section 6.15. David R. Bethune shall be appointed as an additional director of Parent effective at the Effective Time. An individual selected by the Board of Directors of the Company from among its members, who shall be reasonably acceptable to the Board of Directors of Parent, consistent with the policies of its Corporate Governance and Nominating Committee, shall be appointed as an additional director of Parent effective at the Effective Time. If David R. Bethune resigns his seat on the Board of Directors of Parent within four months following the Effective Time, the vacancy resulting from his resignation shall be filled promptly by an individual identified prior to the Effective Time who shall have been selected by the Board of Directors of the Company from among its members and who shall be reasonably acceptable to the Board of Directors of Parent consistent with the policies of its Corporate Governance and Nominating Committee as notified by Parent to the Company prior to the Effective Time. David R. Bethune shall be appointed Vice Chairman of the Board of Directors of Parent for a term of three months commencing at the Effective Time. Parent's chief executive officer, in consultation with such Vice Chairman of the Board of Directors of Parent, shall be directly responsible for the oversight and direction of the integration of the businesses of the Company and Parent including with respect to the orderly transition of the Company.

Section 6.16 Benefit Matters.

(a) For a period of not less than twelve (12) months following the Effective Time, the employees of the Company who remain in the employment of the Surviving Corporation and its Subsidiaries (the "Continuing Employees") shall receive health insurance coverage, a 401(k) plan (including matching contributions) and employee benefits generally that, in each case, are in the aggregate substantially comparable to the employee benefits provided under the Company's employee benefit plans to such employees immediately prior to the Effective Time; provided, that neither Parent nor the Surviving Corporation nor any of their Subsidiaries shall have any obligation to issue, or adopt any plans or arrangements providing for the issuance of shares of capital stock, warrants, options or other rights in respect of any shares of capital stock of any entity or any securities convertible or exchangeable into such shares pursuant to any such plans or arrangement; provided, further, that no plans or arrangements of the Company or any of its Subsidiaries providing for such issuance shall be taken into account in determining whether employee benefits are substantially comparable in the aggregate. Nothing contained herein shall be construed as requiring, and the Company shall take no action that would have the effect of requiring, Parent or the Surviving Corporation to continue any specific

plans or to continue the employment of any specific Person or, from modifying the terms or carriers of any specific plans.

(b) With respect to any employee benefit plan maintained by Parent or Surviving Corporation on or after the Effective Time and in which the Continuing Employees are otherwise eligible to enroll, Parent will, or will cause the Surviving Corporation to (i) waive all limitations as to preexisting conditions, exclusions and waiting periods with respect to participation and coverage requirements otherwise applicable to Continuing Employees, and (ii) provide each Continuing Employee with credit for any co-payments or deductibles paid prior to the Effective Time in satisfying any applicable deductible or out-of-pocket requirements under any employee benefit plan or Included Benefit that constitutes a welfare benefit under Section 3(1) of ERISA.

(c) On and after the Effective Time, Parent shall, or shall cause the Surviving Company to, recognize the service of each Continuing Employee with the Company or its Subsidiaries for purposes of determining entitlement to vacation and vacation pay and for purposes of vesting and eligibility under any employee benefit plan in which the Continuing Employee is eligible to participate, but not for purposes of benefit accrual under any "employee pension benefit plan" as defined in Section 3(2) of ERISA.

(d) Prior to the Effective Time, the Company shall take all actions necessary to amend the Company 401(k) Savings and Retirement Plan (the "401(k) Plan") to provide that, on and after the Effective Time, no additional investments shall be permitted under the Company stock fund under the 401(k) Plan (other than amounts invested in such fund as of the Effective Time).

(e) (i) Unless and to the extent otherwise instructed by the Company prior to the Closing Date, Parent shall take all actions necessary to, immediately following the Effective Time, offer each holder of an Eligible Assumed Option (as defined below) an amendment at such holder's election to provide that each Eligible Assumed Option shall be exercisable until the earlier of (A) the expiration of its term or (B) in the case of an Eligible Assumed Option held by a non-employee director of the Company, twelve (12) months following the date of the termination of such holder's directorship at Parent, the Company or any of Parent's Affiliates, and in the case any other Eligible Assumed Option, twelve (12) months following the date of termination by Parent or any of its Affiliates of the employment or consultancy of the holder of such Eligible Assumed Option in the event of such termination of employment or consultancy without "Cause" (as defined below) within the twelve (12) month period immediately following the Effective Time.

(ii) For purposes of this Section 6.16(e), "Cause" shall mean (A) if the employee or consultant materially violates any term of his/her employment or consultancy or any policies of Parent or any of its Affiliates and such violation is not substantially remedied within 30 days of written notice from Parent to such employee or consultant; (B) willful misfeasance, gross negligence or nonfeasance of duty by such employee or consultant that is reasonably likely to be detrimental or damaging or that has the effect of injuring or damaging the reputation, business or business relationships of Parent or any of its Affiliates or any of their respective officers, directors or employees; (C) any arrest, indictment

(defined as any proceeding in which "probable cause" is found), conviction (or

There shall not be any statute, rule, regulation or order enacted by any U.S. or Canadian Governmental Entity which makes the consummation of the Merger illegal. There shall not be pending by any Governmental Entity any suit, action or proceeding seeking to prohibit the consummation of the Merger or seeking to place material limitations on the ownership of shares of capital stock of the surviving corporation in the Merger or the Second Step Merger.

(f) Consents and Approvals. Other than filing the Certificate of Merger and filings pursuant to the HSR Act, all consents, approvals and authorizations of any Governmental Entity required of Parent, the Company or any of their respective Subsidiaries to consummate the Merger, the failure of which to be obtained or taken, individually or in the aggregate, would have a Material Adverse Effect on Parent (determined, for purposes of this clause, after giving effect to the Merger), shall have been obtained.

(g) Governmental Entities. There shall not be pending by any Governmental Entity any suit, action or proceeding (i) seeking to prohibit or materially limit the ownership or operation by Parent or the Surviving Corporation of the business or a material portion of the assets of the Company and its Subsidiaries, taken as a whole, or to compel Parent or the Surviving Corporation to divest any material portion of the business of the Company and its Subsidiaries, taken as a whole, as a result of the Merger, or (ii) seeking to prohibit Parent or the Surviving Corporation from effectively controlling in any material respect the business or operations of the Company and its Subsidiaries taken as a whole.

Parent shall have received a certificate signed on behalf of the Company by the chief executive officer and the chief financial officer of the Company to such effect.

(b) Performance of Obligations of the Company. The Company shall have

In rendering such opinion, Latham & Watkins LLP shall receive and rely upon representations contained in letters of Parent and the Company to be delivered as of the Effective Time substantially in the forms attached hereto as Exhibits 7.2(c)(i) and 7.2(c)(ii), respectively. The representations and warranties of Parent and Merger Sub contained in this Agreement shall be true and correct (without giving effect to any limitation as to "materiality" or "Material Adverse Effect" set forth therein) as of the date of this Agreement and as of the Closing Date as though made on the Closing Date (except to the extent such representations and warranties expressly relate to an earlier date, in which case as of such earlier date), except where the failure of such representation and warranty to be so true and correct (without giving effect to any limitation as to "materiality" or "Material Adverse Effect" set forth therein) would not, individually or in the aggregate, result in a Material Adverse Effect on Parent or Merger Sub. The Company shall have received a certificate signed on behalf of Parent by the chief executive officer and the chief financial officer of Parent to such effect.

(b) Performance of Obligations of Parent and Merger Sub. Parent and Merger Sub shall have performed in all material respects all obligations required to be performed by them under this Agreement at or prior to the Closing Date, and the Company shall have received a certificate signed on behalf of Parent by the chief executive officer and the chief financial officer of Parent to such effect.

In rendering such opinion, Morrison & Foerster LLP shall receive and rely upon representations contained in letters of Parent and the Company to be delivered as of the Effective Time substantially in the form attached hereto as Exhibits 7.2(c)(i) and 7.2(c)(ii), respectively. The opinion referred to in this Section 7.3(c) shall not be waivable after receipt of the Company Stockholder Approval or the Parent Shareholder Approval referred to in Section 7.1(a), unless further stockholder approval is obtained with appropriate disclosure.

This Agreement may be terminated at any time prior to the Effective Time, by action taken or authorized by the Board of Directors of the terminating party or parties, whether before or after approval of the matters presented in connection with the Merger by the stockholders of the Company or the shareholders of Parent:

(a) by mutual written consent of Parent and the Company, which consent shall have been approved by action of their respective Boards of Directors;

(b) by written notice of either the Company or Parent, if the Merger shall not have been consummated prior to December 15, 2004 (the "Outside Date"); provided, however, the right to terminate this Agreement under this Section 8.1(b) shall not be available to any party whose failure to fulfill any obligation under this Agreement has been the cause of, or results in, the failure of the Merger to occur on or before such date; provided, further, that in the event the failure of the Merger to be consummated by such date is caused by a pending investigation or review by a Governmental Entity, either Parent or the Company (unless such extending party or such extending party's failure to fulfill any obligation under this Agreement has been the cause of, or results in, the existence or continuance of the pending investigation or review) may extend the Outside Date to February 15, 2005;

(c) by written notice of either the Company or Parent, if any Governmental Entity shall have issued an order, decree or ruling or taken any other action permanently restraining, enjoining or otherwise prohibiting the Merger, and such order, decree, ruling or other action shall have become final and nonappealable (which order, decree, ruling or other action the parties shall have used their reasonable best efforts to resist, resolve or lift, as applicable, in accordance with Section 6.5);

(d) by written notice of Parent, if (i) the Board of Directors of the Company shall have withdrawn or adversely modified, or shall have adopted resolutions to withdraw or adversely modify, the Company Recommendation; or (ii) the Board of Directors of the Company shall have approved or recommended, or shall have adopted resolutions to approve or recommend, to the stockholders of the Company, an Acquisition Proposal other than that contemplated by this Agreement;

Edgar Filing: ATRIX LABORATORIES INC - Form 425

(e) by written notice of the Company, if the Board of Directors of Parent shall have withdrawn or adversely modified, or shall have adopted resolutions to withdraw or adversely modify, the Parent Recommendation;

(f) by written notice of Parent, if there has been a breach by the Company of any representation, warranty, covenant or agreement contained in this Agreement which (i) would result in a failure of a condition set forth in Section 7.2(a) or 7.2(b) and (ii) cannot be cured prior to the Outside Date, provided that Parent shall have given the Company written notice, delivered at least twenty days prior to such termination, stating Parent's intention to terminate this Agreement pursuant to this Section 8.1(f) and the basis for such termination;

(g) by written notice of the Company, if there has been a breach by Parent of any representation, warranty, covenant or agreement contained in this Agreement which (i) would result in a failure of a condition set forth in Section 7.3(a) or 7.3(b) and (ii) cannot be cured prior to the Outside Date, provided that the Company shall have given Parent written notice, delivered at least twenty days prior to such termination, stating the Company's intention to terminate this Agreement pursuant to this Section 8.1(g) and the basis for such termination; or

Section 8.2 Effect of Termination.

In the event of termination of this Agreement by either the Company or Parent as provided in Section 8.1, this Agreement shall forthwith become void and there shall be no liability or obligation on the part of Parent, Merger Sub or the Company or their respective Subsidiaries, officers or directors, except with respect to Sections 6.3(c) and 8.2 and Article 9 and with respect to any liabilities or damages incurred or suffered by a party as a result of the willful and material breach by the other party of any of its representations, warranties, covenants or other agreements set forth in this Agreement.

(b) Termination Expenses.

(i) If this Agreement is terminated pursuant to Section 8.1(f) or under circumstances in which a Termination Fee is due pursuant to Section 8.2(c), then the Company shall pay Parent an amount equal to the sum of Parent's Expenses for which Parent has not theretofore been reimbursed by the Company up to an amount equal to (together with all such theretofore reimbursed amounts) \$2 million. If this Agreement is terminated pursuant to Section 8.1(g), then Parent shall pay to the Company an amount equal to the sum of the Company's Expenses for which the Company has not theretofore been reimbursed by Parent up to an amount equal to (together with all such theretofore reimbursed amounts) \$2 million. Payment of Expenses pursuant to the foregoing sentences of this Section 8.2(b) shall be made not later than two Business Days after delivery to the other party of notice of demand for payment

and a documented itemization setting forth in reasonable detail all Expenses of the party entitled to receive payment (which itemization may be supplemented and updated from time to time by such party until the ninetieth day after such party delivers such notice of demand for payment).

(ii) If, following a Change of Recommendation in accordance with Section 6.4(e) which the Company shall have publicly announced, the Company shall have requested in writing that Parent terminate this Agreement pursuant to Section 8.1(d), and Parent shall not have so terminated this Agreement within seven days following such request, Parent shall pay to the Company an amount equal to \$2 million within two Business Days after the expiration of such period.

(c) Termination Fee.

(i) In the event that this Agreement is terminated pursuant to Section 8.1(d), then the Company shall pay to Parent, within two Business Days following written notice of such termination, a termination fee of \$25 million (the "Termination Fee").

(ii) In the event that the Board of Directors of the Company shall have withdrawn or adversely modified the Company Recommendation prior to the Company Stockholders' Meeting and this Agreement is terminated pursuant to Section 8.1(h)(i), then the Company shall pay to Parent, within two Business Days following written notice of such termination, the Termination Fee.

(iii) In the event that (A) (i) the Company fails to hold the Company Stockholders' Meeting on or prior to the fifth (5th) Business Day prior to the Outside Date, and (x) at such time there are no restrictions under applicable Law, imposed by a Governmental Entity or arising from any act or omission of Parent that prohibit or materially impede or delay the Company from holding the Company Stockholders' Meeting by the fifth (5th) Business Day prior to the Outside Date and (y) there were no such restrictions effective prior to such time that prevented or materially impeded or delayed the Company from calling or holding the Company Stockholders' Meeting by the fifth (5th) Business Day prior to the Outside Date, and (z) Parent has duly called the Parent Shareholders' Meeting to be held on or prior to the fifth (5th) Business Day prior to the Outside Date and this Agreement is terminated pursuant to Section 8.1(b), (ii) this Agreement is terminated pursuant to Section 8.1(f) as a result of a breach by the Company of any covenant or agreement in this Agreement or (iii) this Agreement is terminated pursuant to Section 8.1(h)(i), and in the case of each of the foregoing clauses (i), (ii) and (iii), at any time after the date of this Agreement and before such termination pursuant to Section 8.1(b) or (f) or, in the case of termination under Section 8.1(h)(i), the vote on this Agreement at the Company Stockholders' Meeting (or any adjournment or postponement thereof), as the case may be, an Acquisition Proposal with respect to the Company shall have been publicly announced and (B) an Acquisition Proposal with respect to the Company is consummated or the Company enters into a definitive agreement with respect to an Acquisition Proposal, in either case, within twelve months following the termination of this Agreement, then the Company shall pay the Termination Fee to Parent within two Business Days after the earlier of the consummation of such Acquisition Proposal or execution of a definitive agreement with respect to such Acquisition Proposal.

(d) Termination Payments. All payments under this Section 8.2 shall be made by wire transfer of immediately available funds to an account designated by the party entitled to receive payment. The Company and Parent acknowledge that the agreements contained in this Section 8.2 are an integral part of the transactions contemplated by this Agreement and that, without these agreements, neither the Company nor Parent would enter into this Agreement. Accordingly, if Parent or the Company fails promptly to pay any amount due pursuant to this Section 8.2 and, in order to obtain such payment, Parent or the Company, as the case may be, commences a suit which results in a judgment against the other party for the fee set forth in this Section 8.2, such defaulting party shall pay to the prevailing party its costs and expenses (including reasonable attorneys' fees and expenses) in connection with such suit, together with interest on the amount of the fee at the prime rate of Citibank, N.A. in effect on the date such payment was required to be made.

Section 8.3 Amendment. This Agreement may be amended by the parties hereto by action taken by or on behalf of their respective Boards of Directors at any time prior to the Effective Time; provided, however, that, after approval of the Merger or the Share Issuance by the stockholders of the Company or the shareholders of Parent, as the case may be, no amendment may be made without further stockholder approval which, by Law or in accordance with the rules of Nasdaq or the Toronto Stock Exchange, requires further approval by such stockholders. This Agreement may not be amended except by an instrument in writing signed by the parties hereto.

Section 8.4 Waiver. At any time prior to the Effective Time, any party hereto may (a) extend the time for the performance of any of the obligations or other acts of the other party hereto, (b) waive any inaccuracies in the representations and warranties of the other party contained herein or in any document delivered pursuant hereto, and (c) waive compliance by the other party with any of the agreements or conditions contained herein; provided, however, that after any approval of the transactions contemplated by this Agreement by the stockholders of the Company or the shareholders of Parent, there may not be, without further approval of such stockholders, any extension or waiver of this Agreement or any portion thereof which, by Law or in accordance with the rules of Nasdaq or the Toronto Stock Exchange, requires further approval by such stockholders. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party or parties to be bound thereby, but such extension or waiver or failure to insist on strict compliance with an obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure.

Section 8.5 Fees and Expenses. Subject to Sections 6.1(d), 8.2(a) and 8.2(b), all Expenses incurred by the parties hereto shall be borne solely and entirely by the party which has incurred the same.

ARTICLE 9.

Section 9.6 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect. Any matter disclosed in any section of a party's Disclosure Schedule shall be considered disclosed for other sections of such Disclosure Schedule, for which it is reasonably apparent that such matter is pertinent to a particular section of a party's Disclosure Schedule. The provision of monetary or other quantitative thresholds for disclosure does not and shall not be deemed to create or imply a standard of materiality hereunder.
