HealthMarkets, Inc. (the Company) entered into future transaction fee agreements, dated as of May 11, 2006 (the Future Transaction Fee Agreements), with each of Blackstone Management Partners IV L.L.C. (Blackstone), Goldman Sachs & Co. (Goldman), and DLJ Merchant Banking, Inc. (DLJ) (Blackstone, Goldman and DLJ being collectively referred to herein as the Advisors), pursuant to which the Advisors (individually and/or through their respective designees or affiliates) have agreed to provide financial and strategic advisory services with respect to any actual and potential acquisition, divestiture, sale of all or part of the business, business combination, financing, refinancing, recapitalization or similar transactions by the Company or any of its subsidiaries. In consideration for these services, the Company agreed to pay to each of the Advisors (or any respective designee or affiliate) upon consummation of (i) any such acquisition, disposition, sale or business combination a fee equal to (x) a specified percentage of the aggregate enterprise value of the acquired, divested, sold or combined, financed, refinanced or recapitalized entity, or (y), if such transaction is structured as an asset purchase or sale, a specified percentage of the consideration paid for or received in respect of the assets acquired, disposed of or combined with plus liabilities assumed and (ii) any such financing, refinancing or recapitalization, a fee equal to a specified percentage of the aggregate value of the securities subject to such financing, refinancing or recapitalization. Pursuant to the terms of the respective Future Transaction Fee Agreements, the specified percentages referred to in the immediately preceding sentence are (i) 0.6193%, in the case of Blackstone, (ii) 0.2538%, in the case of Goldman, and (iii) 0.1269%, in the case of DLJ.

The Future Transaction Fee Agreements contain customary indemnification provisions in favor of the Advisors and their respective designees and affiliates, as well as expense reimbursement provisions with respect to expenses incurred in connection with the performance of services thereunder. The indemnity provisions will survive the termination of the Future Transaction Fee Agreements.

Affiliates of Blackstone, Goldman and DLJ hold approximately 55.3%, 22.7% and 11.3%, respectively, of the Company's outstanding equity securities. In addition, the Company is a party to transaction and monitoring fee agreements with each of Blackstone, Goldman and DLJ, pursuant to which these entities agreed to provide the Company with management and monitoring services.

The description of the Future Transaction Fee Agreements in this Item 1.01 is qualified in its entirety by reference to the text of the Future Transaction Fee Agreements, which are filed as exhibits to this Form 8-K and incorporated by reference into this Item 1.01.
