Item 3. Incorporation of Documents by Reference

The registrant is subject to the informational and reporting requirements of Sections 13(a), 14 and 15(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act) and in accordance therewith files reports, proxy statements and other information with the Securities and Exchange Commission (the Commission). The following documents, which are in file with the Commission, are incorporated by reference in this Registration Statement:

(a) Registrant s Annual Report on Form 10-K for the fiscal year ended June 30, 2007.

(b) Registrant s Quarterly Report on Form 10-Q for the fiscal quarter ended September 30, 2007.

(c) The description of Registrant s Common Stock, no par value, registered under Section 12(b) of the Exchange Act, contained in Registrant s Registration Statement on Form 8-A, dated September 28, 1997, including any amendment or report filed for the purpose of updating such description.

All documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be part thereof from the date of filing of such documents. Any statement contained herein or in a document incorporated herein by reference shall be deemed to be modified or superseded for purposes hereof to the extent that a statement contained herein or in any other subsequently filed document incorporated herein by reference modifies or supersedes such statement. Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers

Under California law, a California corporation may eliminate or limit the personal liability of a director of the corporation for monetary damages for breach of the director's duty of care as a director, provided that the breach does not involve certain enumerated actions, including, among other things, intentional misconduct or knowing and culpable violation of the law, acts or omissions which the director believes to be contrary to the best interest of the corporation or its shareholders or which reflect an absence of good faith on the director's part, the unlawful purchase or redemption of stock, payment of unlawful dividends or receipt of improper personal benefits. Registrant's Board of Directors believes that such provisions have become commonplace among major corporations and are beneficial in attracting and retaining qualified directors. Registrant's Articles of Incorporation include such provisions.

Registrant's Articles of Incorporation permit and its Bylaws impose a mandatory obligation upon the Registrant to indemnify any director or officer to the fullest extent authorized or permitted by law (as now or hereinafter in effect), including under circumstances in which indemnification would otherwise be at the discretion of Registrant. In addition, Registrant has entered into indemnification agreements with each of its directors and officers providing for the maximum indemnification permitted or authorized by law.

The foregoing indemnification provisions are broad enough to encompass certain liabilities of directors and officers under the Securities Act of 1933, as amended.

Registrant maintains directors' and officers' liability insurance that insures its directors and officers against the cost of defense, settlement or payment of a judgment in certain specified circumstances.

Item 7. Exemption From Registration Claimed

Not applicable.

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided however, that: Paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is

asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
